FY2026 OIG Broad Agency Announcement (BAA) 6HQOIG-26-A-0002

INTRODUCTION

This constitutes the USPS Office of Inspector General's (OIG) Broad Agency Announcement (BAA). The OIG intends to solicit proposals from interested parties to recruit a pre-qualified candidate pool of potential contractors for a specific subset of OIG services. Positions may be immediately available and filled or may be pending availability due to operational needs or budgetary constraints. Prior year BAA proposals found acceptable and kept on file need NOT resubmit for the same position.

This BAA is for proposals related to **professional, consultant and support services only**, as addressed in Section III. These are NOT career federal government positions. Available OIG career positions are advertised on the OIG's official website (<https://www.uspsoig.gov/work-for-us/job-openings>). The OIG does NOT deliver mail or oversee postal operations. **Any interest in contracting for mail delivery, trucking or related services should be made to the U.S. Postal Service itself (www.usps.com).**

As new positions/services become available, or positions/services are removed, the OIG will communicate the status via amendments to the BAA. The most current version date and BAA Amendment supersedes all prior versions.

This BAA will remain in effect for one fiscal year (October 1 – September 30), or until replaced by a successor BAA, whichever is earlier. The BAA is issued on the System for Award Management website (www.sam.gov). Proposals may be submitted at any time during the solicitation period, as further defined in Section IV.

Pursuant to 39 U.S.C. § 410(a), "no Federal law dealing with public or Federal contracts, property, works, officers, employees, budgets, or funds, including the provisions of chapters 5 and 7 of title 5, shall apply to the exercise of the powers of the Postal Service." **Specifically, the OIG does not fall under the purview of the Federal Acquisition Regulation (FAR).**

The OIG reserves the right to award all, some or none of the proposals in response to this announcement. A formal Request for Proposal (RFP), solicitation, and/or additional information regarding this announcement will not be issued. All applicable solicitation provisions, instructions, terms and conditions are contained in this document. Specific clauses for any resultant contracts will be negotiated at contract award.

If a contract is offered and the position requires a security clearance, the Supplier is responsible for any drug certification and digital photography costs.

2. Identify the position(s) title(s).
3. Identify the specific duty location(s).

c. Proposed Hourly Rates

Suppliers must clearly indicate the hourly rate or firm fixed price they propose for the desired position(s). Unless noted otherwise, the OIG has identified not-to-exceed (NTE) hourly rates for Time-and-Materials and Labor-Hour contracts. Any proposed hourly rate that exceeds the NTE hourly rate will be rejected. Proposed hourly rates shall include wages, indirect costs, general and administrative expense, and profit. No additional costs will be considered.

The proposed hourly rate or firm fixed price is subject to a best value determination and negotiation, must still be competitive, and should reflect the Offeror's status and geographic labor market. The OIG may evaluate offers and award a contract without discussions or negotiations with Suppliers. Therefore, the offeror's initial offer should contain the Supplier's best terms from a price and technical standpoint. Discussions may be conducted if the OIG determines they are necessary. The OIG may reject any or all offers if such action is in the best interest of the OIG; accept other than the lowest offer and waive informalities and minor irregularities in offers received.

Unless stated in the position descriptions, travel reimbursement will not be authorized. The supplier shall be responsible for paying all expenses related to travel.

Post-Submission Information

I. EVALUATION INFORMATION

1. Evaluation Procedure

Proposals will first be evaluated by one or more technical reviewers. Evaluations will be conducted using the evaluation criteria for the specific position. Non-price criteria will be evaluated as Acceptable/Unacceptable. Based on the initial evaluation and funding availability, the OIG component will make an award recommendation to the Contracting Officer. Information to be considered in the award recommendation decision will include the following:

- The degree to which the proposal meets requirements
- The relative value of the proposal's strengths compared to its weaknesses
- The risk of unsuccessful performance

Recommended proposals will be forwarded to the OIG Contracting Officer. Any notification received from OIG that indicates that the Offeror's full proposal has been recommended does not ultimately guarantee an award will be made. This notice indicates that the proposal has been selected in accordance with the evaluation criteria in Section II and has been sent to the contracting department to conduct price analysis, determine the Offeror's responsibility, and take other relevant steps necessary prior to commencing negotiations with the Offeror.

Ultimately, the Contracting Officer will consider:

- The trade-off judgment between price and the value offered in a supplier's proposal.
- The relative value offered by a supplier or suppliers in relation to the competition.
- Whether a lower cost is worth the lesser technical value (and potentially higher risk), or whether a higher price is worth the increased technical/managerial capabilities (and potentially lower risk).

This process allows for the OIG to accept other than the lowest priced proposal or other than the highest technically rated proposal to achieve a best-value contract award.

2. Evaluation Criteria

Awards under this BAA will be made to offerors based on the evaluation criteria listed in each position description of Section II. The OIG reserves the right to request any additional, necessary documentation once it makes the award instrument determination. The OIG reserves the right to remove offerors from award consideration should the parties fail to reach agreement on award terms, conditions, and cost/price within a reasonable time, or the proposer fails to timely provide any requested additional information.

3. Evaluation Panel

Technical and price proposals submitted under this BAA will be protected from unauthorized disclosure in accordance with OIG's Evaluation Panel policies and procedures. The cognizant technical reviewer(s) will perform the evaluation of technical proposals. Restrictive notices notwithstanding, one or more support contractors may be utilized as technical reviewers. However,

Appendix A

Post-Submission Information

proposal selection and award decisions are solely the responsibility of OIG personnel. Each support contractor's employee having access to technical and cost proposals submitted in response to this BAA will be required to sign a nondisclosure statement prior to receipt of any proposal submissions.

II. AWARD INFORMATION

1. Award

The OIG may evaluate offers and award a contract without discussions or negotiations with offerors. Therefore, the offeror's initial offer should contain the offeror's best terms from a price and technical standpoint. Discussions may be conducted if the OIG determines they are necessary. The OIG may reject any or all offers if such action is in the best interest of the OIG; accept other than the lowest offer and waive informalities and minor irregularities in offers received.

Any contract awards resulting from this BAA will incorporate the most current USPS clauses from the Postal Service's Supplying Principles and Practices, which can be found at: <https://about.usps.com/manuals/spp/spp.pdf>.

2. Notice of Award

The OIG may accept an offer (or part of an offer) whether or not there are discussions after its receipt—before an offer's specified expiration time, unless a written notice of withdrawal is received before award. A written notice of award or acceptance of an offer, mailed or otherwise furnished to the successful offeror within the time for acceptance specified in the offer, will result in a binding contract without further action by either party.

3. Contract Value and Period of Performance

The contract value and period of performance of each selected proposal may vary depending on the position being pursued by the selected offeror.

4. Instrument Type

Awards may take the form of contracts, ordering agreements or basic pricing agreements, as appropriate. OIG reserves the right to award a different instrument type if deemed to be in the best interest of the OIG.

5. Contract Type

The resultant contract type shall be either Firm-Fixed-Price (FFP), Time-and-Materials (T&M) or Labor-Hour (LH). When deliverables other than labor hours are required, the preferred contract type is FFP. OIG reserves the right to award a different contract type if deemed to be in the best interest of the OIG.

6. Debriefings

Debriefings will not be provided after notification of a successful or unsuccessful proposal.

III. AWARD ADMINISTRATION INFORMATION

1. Oversight

The OIG's Contracting Officer's Representative (COR) will monitor overall implementation of the contract terms and will be assigned to interact with the supplier. The OIG may substitute a different COR to oversee the contract at any time. The COR will be named at the time of contract award.

2. Payments on Invoices for Supplier Services

Unless otherwise noted in the position description,

For Labor-Hour (LH)/Time-and-Material (T&M) contracts:

Payments will be made on receipt of monthly invoices. Costs for labor and direct travel (if authorized) must be listed separately and aggregated on each invoice. Each invoice must contain the total hours cost and direct travel costs for each task.

For Firm Fixed Price (FFP) contracts:

Payments will be made upon receipt of periodic, task-based invoices (for FFP contracts). Invoices shall reflect the price negotiated for the invoiced task(s). FFP contracts will not be paid on an hourly basis, even though direct hourly labor rates may have been proposed in order to arrive at the price of the contract.

If progress payments are permitted in the resultant contract, the supplier may request a progress payment by submitting additional interim invoices upon achieving significant and verifiable progress under the contract. On receiving an interim invoice, the OIG may choose to issue a progress payment equal to the same percentage of the overall contract value or less (e.g., a payment of 30% or less of the contract value upon completion of 30% of the contract work). The supplier may submit interim invoices upon achieving negotiated, predetermined milestones. It is entirely within the OIG's discretion whether to issue a progress payment. The total value of all progress payments issued shall never exceed 75% of the total contract value.

All OIG payments will be made in accordance with the Prompt Payment Act. The supplier shall submit original invoices for services utilizing the USPS eInvoicing system. All invoices will be reviewed and certified for payment by the COR and other appropriate OIG-designated officials in accordance with OIG standards and procedures for approving invoices. Invoices not submitted in the correct format will be returned and not processed until they adhere completely to OIG policies and guidance. Documentation and reports for each task must successfully meet OIG quality control standards prior to issuance of payment.

3. Supplier Staffing Requirements

The supplier must make sufficient personnel available to complete individual tasks in mutually agreed-upon timeframes. To the extent that the individual tasks provide for services to be performed by specific personnel, those services must be performed by the personnel identified in the supplier's proposal or in the individual task, unless the Contracting Officer has given advance written approval for substitutes. Use of junior personnel is not authorized, even under the supervision of key personnel, unless the OIG approves of the use of junior personnel in writing. At

Appendix A

Post-Submission Information

the OIG's direction, with or without cause, the supplier will remove any personnel from performing work under the contract and replace such personnel without any cost to the OIG.

All personnel performing under this contract will be considered independent contractors, or subcontractors or employees of independent contractors, as appropriate; such personnel will not be considered employees of the OIG or the U.S. Postal Service under any circumstances.

4. Status Reports and Progress Meetings

If indicated in the Deliverables of Section II, the supplier may be required to provide bi-weekly status reports to the COR or other OIG officials, depending on the subject matter and specific tasks assigned under the contract. The reports should detail the progress made on each assigned task, the individuals assigned to each task, projected start and completion dates, the status of work already completed, and applicable time charges. The supplier may also be required to give periodic oral presentations to accompany the status reports. If reports are required, the OIG will schedule a meeting with the supplier to detail the format of the status reports shortly after contract award; no status report will be due until at least ten (10) business days after this meeting. The OIG may change the status report format and content requirements at any time by written notice to the supplier. The supplier may also be required to attend periodic progress meetings at OIG Headquarters.

Any difficulties complying with timeframes and deadlines under the contract should be communicated orally to the COR immediately, and then documented in the next regularly scheduled status report.

5. Periodic Reviews

The OIG will conduct periodic reviews of work performed by the supplier. These reviews will assess the supplier's timeliness in completing tasks, the overall quality of the work product provided, and whether the deliverables provided met the task order requirements. The reviews will also assess the overall value of the work performed by the supplier.

6. Nondisclosure Agreement

The offeror will be required to sign a nondisclosure agreement prior to contract award (Exhibit A).

7. Security of Material and Records

The supplier shall ensure that all individuals having access to or custody of records related to the contract understand the security and confidentiality requirements of the contract.

8. Security, Suitability, and Background Investigation

Positions requiring access to Postal Service or OIG data and/or systems require a security clearance (Secret/Postal Sensitive or Top Secret) as noted on the position listing. Otherwise, a suitability determination is required.

Appendix A

Post-Submission Information

- a. For positions requiring a suitability determination: The selected supplier must undergo a successful suitability determination, which will include a credit and criminal background check prior to commencing work. The supplier must submit the following documents to the Personnel Security Office:
- Postal Service Form 2181C (attached) – Authorization and Release – Background Investigations.
 - Postal Service Form 2025 (attached) – Contractor Questionnaire.
 - Photograph – (minimum 5 mega pixel .jpg or .gif) the photograph should include only the head and shoulders, a "neutral" facial expression and solid light color background, preferably light blue.

A suitability determination cannot be made until the OIG Personnel Security Office has received all of the required documents listed above.

- b. For OIG positions requiring a security clearance: In order to have access to the OIG's data, systems, or facilities, the selected supplier must have the equivalent of a Postal Sensitive Clearance which is a current Secret, or higher, security clearance. This clearance must be active and the investigation completed within the last 5 years. The background investigation must be verified prior to the supplier commencing work and the supplier must provide a copy of its security clearance to the OIG's Personnel Security Office. The copy of the security clearance must be on the authorizing agency's letterhead signed by the appropriate security official with the date and type of the last completed background investigation, the type of clearance granted, and the investigating agency. A supplier who meets this requirement must also complete and submit the following documents to the Personnel Security Office:

- Postal Service Form 2181C (Exhibit D) – Authorization and Release – Background Investigations.
- Postal Service Form 2025 (Exhibit E) – Contractor Questionnaire.
- Office of Personnel Management Form SF-85P – Questionnaire for Public Trust Positions (available at: <http://www.opm.gov/forms/>).
- Certification, dated within 90 days of submission, that the supplier has passed a drug screening test for the five most abused substances identified by the Substance Abuse and Mental Health Services Administration (Drug screening test costs are the responsibility of the Offeror).
- Digital photo taken from the shoulders up, preferably in front of a blue background (Digital photo costs are the responsibility of the Offeror).

Upon receipt of these documents and successful completion of a pre-screening process, which will include a credit and criminal background check, the supplier may be granted an interim security clearance and will then be permitted to commence work.

If the supplier does not currently possess and/or maintain a current security clearance at Secret level or higher, in addition to the documents listed above it will be required to complete and submit the following documents to the Personnel Security Office:

Appendix A

Post-Submission Information

- Proof of U.S. citizenship (copy of birth certificate or U.S. passport), copy of United States Permanent Resident Card, or copy of H-1B or student visa, as applicable.
- Federal Bureau of Investigation Form FD-258 – two (2) Fingerprint Charts. The fingerprint charts must be signed and dated by someone with experience taking fingerprints.

Upon receipt of all documents listed above, including these additional documents, the OIG will initiate a pre-screening process for the supplier. A supplier, who is a United States citizen, or lawful permanent resident of the United States, may be granted an interim security clearance after successfully completing the pre-screening process. A supplier who is a temporary resident of the United States may not commence work until receiving a full security clearance upon the successful completion of both the pre-screening process and a full background investigation.

The above requirements also apply to all subcontractors working on this contract. All forms must be typed or handwritten legibly.

9. Subcontracting

Subcontracting of work required under the contract will not be allowed without the prior written consent of the OIG Contracting Officer. A bilaterally executed contract or modification based on a proposal that included the subcontractor, meets this consent requirement. Any subcontractor must meet the same standards of conduct and independence as the supplier. The supplier must cooperate with the Contracting Officer to provide all information necessary for the Contracting Officer to make an informed decision to authorize or disapprove the services of a proposed subcontractor. Approval will be in the form of a bilateral written modification of the contract issued by the Contracting Officer. In addition, suppliers are required to submit the qualifications of the subcontractor's key personnel with the request for modification.

The requirements of this contract will extend to any subcontractors. It will be the obligation of the supplier to ensure that the subcontractor complies with the terms of the contract, and the supplier will be jointly and severally liable for any shortcomings in its subcontractor's work. Noncompete provisions and other clauses affecting a restraint of trade shall not be permitted in contracts between the supplier and its subcontractors, unless prior written authorization is given by the OIG Contracting Officer.

10. Contract Modification

The supplier must communicate to the COR, immediately and in writing, the occurrence of any event that may lead to or require a contract modification. The supplier must submit any request for contract modification to the Contracting Officer and the COR, either by e-mail or by certified mail. Only the OIG Contracting Officer may approve contract modifications. No contract modification will be effective until the Contracting Officer has approved the modification, in writing, and the modification has been signed by both parties.

11. Contract Termination

The OIG reserves the right to terminate a contract, or any part, for its sole convenience, or for default by the supplier, or if the supplier fails to comply with any terms and conditions, or if the supplier fails to provide the Postal Service, upon request, with adequate assurances of future performance. See *Clause B-12: Termination for Convenience or Default*, and *Clause 4-1: General Terms and Conditions*, subparagraphs l and m, for additional information (<https://about.usps.com/manuals/spp/spp.pdf>).

12. Ownership of Work Product

The OIG will exclusively own and hold title to all property rights in the work produced under this contract, as well as all documents, information, and records provided to the supplier pursuant to the contract. The supplier will not represent or claim that it has acquired any right, title, or interest in the work produced or supplied under this contract. Neither the supplier nor its personnel may sell, publish, copy, lend, display, or distribute the work produced or supplied under this contract to any person, without the prior written approval of the Contracting Officer.

Upon the completion or termination of the contract, or at the OIG's request, the supplier and its personnel must promptly deliver to the OIG all work produced or supplied under this contract, including raw information and drafts, whether or not complete.

13. Work Location and Equipment

The position attachment will indicate if the supplier may work offsite, or at an official OIG location including OIG Headquarters located at 1735 North Lynn Street, in Arlington, Virginia.

When the supplier works offsite, the OIG will not cover the cost of office space, equipment, or other materials, unless the supplier receives prior written approval from the Contracting Officer. When the supplier works at OIG's Headquarters or other official OIG location, the OIG will provide office space, equipment, and other materials needed to work on the contract. There will be strict limitations on bringing non-OIG equipment into OIG offices. When necessary, the OIG will provide a briefing to orient the supplier's staff to the OIG's operations, logistics issues, systems, objectives, and programs.

The supplier will have no expectation of privacy while using OIG office equipment, regardless of where the equipment is used. All use of OIG-supplied equipment may be captured, copied, recorded, or otherwise monitored. OIG-supplied equipment may be used only for OIG business purposes.

14. Training

OIG Contract holders will be required to take mandatory annual training related to Sexual Harassment, No Fear Act and Security Awareness. Additional training may be required pending the needs of the OIG.

Part I Taxpayer Identification Number (TIN)

Enter your TIN in the appropriate box. The TIN provided must match the name given on line 1 to avoid backup withholding. For individuals, this is generally your social security number (SSN). However, for a resident alien, sole proprietor, or disregarded entity, see the instructions for Part I, later. For other entities, it is your employer identification number (EIN). If you do not have a number, see *How to get a TIN*, later.

Note: If the account is in more than one name, see the instructions for line 1. See also *What Name and Number To Give the Requester* for guidelines on whose number to enter.

Part II Certification

Under penalties of perjury, I certify that:

- The number shown on this form is my correct taxpayer identification number (or I am waiting for a number to be issued to me); and
- I am not subject to backup withholding because (a) I am exempt from backup withholding, or (b) I have not been notified by the Internal Revenue Service (IRS) that I am subject to backup withholding as a result of a failure to report all interest or dividends, or (c) the IRS has notified me that I am no longer subject to backup withholding; and
- I am a U.S. citizen or other U.S. person (defined below); and
- The FATCA code(s) entered on this form (if any) indicating that I am exempt from FATCA reporting is correct.

Certification instructions. You must cross out item 2 above if you have been notified by the IRS that you are currently subject to backup withholding because you have failed to report all interest and dividends on your tax return. For real estate transactions, item 2 does not apply. For mortgage interest paid, acquisition or abandonment of secured property, cancellation of debt, contributions to an individual retirement arrangement (IRA), and, generally, payments other than interest and dividends, you are not required to sign the certification, but you must provide your correct TIN. See the instructions for Part II, later.

General Instructions

Section references are to the Internal Revenue Code unless otherwise noted.

Future developments. For the latest information about developments related to Form W-9 and its instructions, such as legislation enacted after they were published, go to www.irs.gov/FormW9.

What's New

Line 3a has been modified to clarify how a disregarded entity completes this line. An LLC that is a disregarded entity should check the appropriate box for the tax classification of its owner. Otherwise, it should check the "LLC" box and enter its appropriate tax classification.

New line 3b has been added to this form. A flow-through entity is required to complete this line to indicate that it has direct or indirect foreign partners, owners, or beneficiaries when it provides the Form W-9 to another flow-through entity in which it has an ownership interest. This change is intended to provide a flow-through entity with information regarding the status of its indirect foreign partners, owners, or beneficiaries, so that it can satisfy any applicable reporting requirements. For example, a partnership that has any indirect foreign partners may be required to complete Schedules K-2 and K-3. See the Partnership Instructions for Schedules K-2 and K-3 (Form 1065).

Purpose of Form

An individual or entity (Form W-9 requester) who is required to file an information return with the IRS is giving you this form because they

must obtain your correct taxpayer identification number (TIN), which may be your social security number (SSN), individual taxpayer identification number (ITIN), adoption taxpayer identification number (ATIN), or employer identification number (EIN), to report on an information return the amount paid to you, or other amount reportable on an information return. Examples of information returns include, but are not limited to, the following.

- Form 1099-INT (interest earned or paid).
- Form 1099-DIV (dividends, including those from stocks or mutual funds).
- Form 1099-MISC (various types of income, prizes, awards, or gross proceeds).
- Form 1099-NEC (nonemployee compensation).
- Form 1099-B (stock or mutual fund sales and certain other transactions by brokers).
- Form 1099-S (proceeds from real estate transactions).
- Form 1099-K (merchant card and third-party network transactions).
- Form 1098 (home mortgage interest), 1098-E (student loan interest), and 1098-T (tuition).
- Form 1099-C (canceled debt).
- Form 1099-A (acquisition or abandonment of secured property).

Use Form W-9 only if you are a U.S. person (including a resident alien), to provide your correct TIN.

Caution: If you don't return Form W-9 to the requester with a TIN, you might be subject to backup withholding. See *What is backup withholding*, later.

By signing the filled-out form, you:

1. Certify that the TIN you are giving is correct (or you are waiting for a number to be issued);
2. Certify that you are not subject to backup withholding; or
3. Claim exemption from backup withholding if you are a U.S. exempt payee; and
4. Certify to your non-foreign status for purposes of withholding under chapter 3 or 4 of the Code (if applicable); and
5. Certify that FATCA code(s) entered on this form (if any) indicating that you are exempt from the FATCA reporting is correct. See *What Is FATCA Reporting*, later, for further information.

Note: If you are a U.S. person and a requester gives you a form other than Form W-9 to request your TIN, you must use the requester's form if it is substantially similar to this Form W-9.

Definition of a U.S. person. For federal tax purposes, you are considered a U.S. person if you are:

- An individual who is a U.S. citizen or U.S. resident alien;
- A partnership, corporation, company, or association created or organized in the United States or under the laws of the United States;
- An estate (other than a foreign estate); or
- A domestic trust (as defined in Regulations section 301.7701-7).

Establishing U.S. status for purposes of chapter 3 and chapter 4 withholding. Payments made to foreign persons, including certain distributions, allocations of income, or transfers of sales proceeds, may be subject to withholding under chapter 3 or chapter 4 of the Code (sections 1441–1474). Under those rules, if a Form W-9 or other certification of non-foreign status has not been received, a withholding agent, transferee, or partnership (payor) generally applies presumption rules that may require the payor to withhold applicable tax from the recipient, owner, transferor, or partner (payee). See Pub. 515, *Withholding of Tax on Nonresident Aliens and Foreign Entities*.

The following persons must provide Form W-9 to the payor for purposes of establishing its non-foreign status.

- In the case of a disregarded entity with a U.S. owner, the U.S. owner of the disregarded entity and not the disregarded entity.
- In the case of a grantor trust with a U.S. grantor or other U.S. owner, generally, the U.S. grantor or other U.S. owner of the grantor trust and not the grantor trust.
- In the case of a U.S. trust (other than a grantor trust), the U.S. trust and not the beneficiaries of the trust.

See Pub. 515 for more information on providing a Form W-9 or a certification of non-foreign status to avoid withholding.

Foreign person. If you are a foreign person or the U.S. branch of a foreign bank that has elected to be treated as a U.S. person (under Regulations section 1.1441-1(b)(2)(iv) or other applicable section for chapter 3 or 4 purposes), do not use Form W-9. Instead, use the appropriate Form W-8 or Form 8233 (see Pub. 515). If you are a qualified foreign pension fund under Regulations section 1.897(l)-1(d), or a partnership that is wholly owned by qualified foreign pension funds, that is treated as a non-foreign person for purposes of section 1445 withholding, do not use Form W-9. Instead, use Form W-8EXP (or other certification of non-foreign status).

Nonresident alien who becomes a resident alien. Generally, only a nonresident alien individual may use the terms of a tax treaty to reduce or eliminate U.S. tax on certain types of income. However, most tax treaties contain a provision known as a *saving clause*. Exceptions specified in the saving clause may permit an exemption from tax to continue for certain types of income even after the payee has otherwise become a U.S. resident alien for tax purposes.

If you are a U.S. resident alien who is relying on an exception contained in the saving clause of a tax treaty to claim an exemption from U.S. tax on certain types of income, you must attach a statement to Form W-9 that specifies the following five items.

1. The treaty country. Generally, this must be the same treaty under which you claimed exemption from tax as a nonresident alien.
2. The treaty article addressing the income.
3. The article number (or location) in the tax treaty that contains the saving clause and its exceptions.
4. The type and amount of income that qualifies for the exemption from tax.
5. Sufficient facts to justify the exemption from tax under the terms of the treaty article.

Example. Article 20 of the U.S.-China income tax treaty allows an exemption from tax for scholarship income received by a Chinese student temporarily present in the United States. Under U.S. law, this student will become a resident alien for tax purposes if their stay in the United States exceeds 5 calendar years. However, paragraph 2 of the first Protocol to the U.S.-China treaty (dated April 30, 1984) allows the provisions of Article 20 to continue to apply even after the Chinese student becomes a resident alien of the United States. A Chinese student who qualifies for this exception (under paragraph 2 of the first Protocol) and is relying on this exception to claim an exemption from tax on their scholarship or fellowship income would attach to Form W-9 a statement that includes the information described above to support that exemption.

If you are a nonresident alien or a foreign entity, give the requester the appropriate completed Form W-8 or Form 8233.

Backup Withholding

What is backup withholding? Persons making certain payments to you must under certain conditions withhold and pay to the IRS 24% of such payments. This is called “backup withholding.” Payments that may be subject to backup withholding include, but are not limited to, interest, tax-exempt interest, dividends, broker and barter exchange transactions, rents, royalties, nonemployee pay, payments made in settlement of payment card and third-party network transactions, and certain payments from fishing boat operators. Real estate transactions are not subject to backup withholding.

You will not be subject to backup withholding on payments you receive if you give the requester your correct TIN, make the proper certifications, and report all your taxable interest and dividends on your tax return.

Payments you receive will be subject to backup withholding if:

1. You do not furnish your TIN to the requester;
2. You do not certify your TIN when required (see the instructions for Part II for details);
3. The IRS tells the requester that you furnished an incorrect TIN;
4. The IRS tells you that you are subject to backup withholding because you did not report all your interest and dividends on your tax return (for reportable interest and dividends only); or
5. You do not certify to the requester that you are not subject to backup withholding, as described in item 4 under “*By signing the filled-out form*” above (for reportable interest and dividend accounts opened after 1983 only).

Certain payees and payments are exempt from backup withholding. See *Exempt payee code*, later, and the separate Instructions for the Requester of Form W-9 for more information.

See also *Establishing U.S. status for purposes of chapter 3 and chapter 4 withholding*, earlier.

What Is FATCA Reporting?

The Foreign Account Tax Compliance Act (FATCA) requires a participating foreign financial institution to report all U.S. account holders that are specified U.S. persons. Certain payees are exempt from FATCA reporting. See *Exemption from FATCA reporting code*, later, and the Instructions for the Requester of Form W-9 for more information.

Updating Your Information

You must provide updated information to any person to whom you claimed to be an exempt payee if you are no longer an exempt payee and anticipate receiving reportable payments in the future from this person. For example, you may need to provide updated information if you are a C corporation that elects to be an S corporation, or if you are no longer tax exempt. In addition, you must furnish a new Form W-9 if the name or TIN changes for the account, for example, if the grantor of a grantor trust dies.

Penalties

Failure to furnish TIN. If you fail to furnish your correct TIN to a requester, you are subject to a penalty of \$50 for each such failure unless your failure is due to reasonable cause and not to willful neglect.

Civil penalty for false information with respect to withholding. If you make a false statement with no reasonable basis that results in no backup withholding, you are subject to a \$500 penalty.

Criminal penalty for falsifying information. Willfully falsifying certifications or affirmations may subject you to criminal penalties including fines and/or imprisonment.

Misuse of TINs. If the requester discloses or uses TINs in violation of federal law, the requester may be subject to civil and criminal penalties.

Specific Instructions

Line 1

You must enter one of the following on this line; **do not** leave this line blank. The name should match the name on your tax return.

If this Form W-9 is for a joint account (other than an account maintained by a foreign financial institution (FFI)), list first, and then circle, the name of the person or entity whose number you entered in Part I of Form W-9. If you are providing Form W-9 to an FFI to document a joint account, each holder of the account that is a U.S. person must provide a Form W-9.

• **Individual.** Generally, enter the name shown on your tax return. If you have changed your last name without informing the Social Security Administration (SSA) of the name change, enter your first name, the last name as shown on your social security card, and your new last name.

Note for ITIN applicant: Enter your individual name as it was entered on your Form W-7 application, line 1a. This should also be the same as the name you entered on the Form 1040 you filed with your application.

• **Sole proprietor.** Enter your individual name as shown on your Form 1040 on line 1. Enter your business, trade, or “doing business as” (DBA) name on line 2.

• **Partnership, C corporation, S corporation, or LLC, other than a disregarded entity.** Enter the entity’s name as shown on the entity’s tax return on line 1 and any business, trade, or DBA name on line 2.

• **Other entities.** Enter your name as shown on required U.S. federal tax documents on line 1. This name should match the name shown on the charter or other legal document creating the entity. Enter any business, trade, or DBA name on line 2.

• **Disregarded entity.** In general, a business entity that has a single owner, including an LLC, and is not a corporation, is disregarded as an entity separate from its owner (a disregarded entity). See Regulations section 301.7701-2(c)(2). A disregarded entity should check the appropriate box for the tax classification of its owner. Enter the owner’s name on line 1. The name of the owner entered on line 1 should never be a disregarded entity. The name on line 1 should be the name shown on the income tax return on which the income should be reported. For

example, if a foreign LLC that is treated as a disregarded entity for U.S. federal tax purposes has a single owner that is a U.S. person, the U.S. owner’s name is required to be provided on line 1. If the direct owner of the entity is also a disregarded entity, enter the first owner that is not disregarded for federal tax purposes. Enter the disregarded entity’s name on line 2. If the owner of the disregarded entity is a foreign person, the owner must complete an appropriate Form W-8 instead of a Form W-9. This is the case even if the foreign person has a U.S. TIN.

Line 2

If you have a business name, trade name, DBA name, or disregarded entity name, enter it on line 2.

Line 3a

Check the appropriate box on line 3a for the U.S. federal tax classification of the person whose name is entered on line 1. Check only one box on line 3a.

IF the entity/individual on line 1 is a(n) . . .	THEN check the box for . . .
• Corporation	Corporation.
• Individual or • Sole proprietorship	Individual/sole proprietor.
• LLC classified as a partnership for U.S. federal tax purposes or • LLC that has filed Form 8832 or 2553 electing to be taxed as a corporation	Limited liability company and enter the appropriate tax classification: P = Partnership, C = C corporation, or S = S corporation.
• Partnership	Partnership.
• Trust/estate	Trust/estate.

Line 3b

Check this box if you are a partnership (including an LLC classified as a partnership for U.S. federal tax purposes), trust, or estate that has any foreign partners, owners, or beneficiaries, and you are providing this form to a partnership, trust, or estate, in which you have an ownership interest. You must check the box on line 3b if you receive a Form W-8 (or documentary evidence) from any partner, owner, or beneficiary establishing foreign status or if you receive a Form W-9 from any partner, owner, or beneficiary that has checked the box on line 3b.

Note: A partnership that provides a Form W-9 and checks box 3b may be required to complete Schedules K-2 and K-3 (Form 1065). For more information, see the Partnership Instructions for Schedules K-2 and K-3 (Form 1065).

If you are required to complete line 3b but fail to do so, you may not receive the information necessary to file a correct information return with the IRS or furnish a correct payee statement to your partners or beneficiaries. See, for example, sections 6698, 6722, and 6724 for penalties that may apply.

Line 4 Exemptions

Exemption from FATCA reporting code. The following codes identify payees that are exempt from reporting under FATCA. These codes apply to persons submitting this form for accounts maintained outside of the United States by certain foreign financial institutions. Therefore, if you are only submitting this form for an account you hold in the United States, you may leave this field blank. Consult with the person requesting this form if you are uncertain if the financial institution is subject to these requirements. A requester may indicate that a code is not required by providing you with a Form W-9 with "Not Applicable" (or any similar indication) entered on the line for a FATCA exemption code.

K—A broker.

L—A trust exempt from tax under section 664 or described in section 4947(a)(1).

M—A tax-exempt trust under a section 403(b) plan or section 457(g) plan.

Note: You may wish to consult with the financial institution requesting this form to determine whether the FATCA code and/or exempt payee code should be completed.

Line 5

Enter your address (number, street, and apartment or suite number). This is where the requester of this Form W-9 will mail your information returns. If this address differs from the one the requester already has on file, enter "NEW" at the top. If a new address is provided, there is still a chance the old address will be used until the payor changes your address in their records.

Line 6

Enter your city, state, and ZIP code.

Part I. Taxpayer Identification Number (TIN)

Enter your TIN in the appropriate box. If you are a resident alien and you do not have, and are not eligible to get, an SSN, your TIN is your IRS ITIN. Enter it in the entry space for the Social security number. If you do not have an ITIN, see *How to get a TIN* below.

If you are a sole proprietor and you have an EIN, you may enter either your SSN or EIN.

If you are a single-member LLC that is disregarded as an entity separate from its owner, enter the owner's SSN (or EIN, if the owner has one). If the LLC is classified as a corporation or partnership, enter the entity's EIN.

Note: See *What Name and Number To Give the Requester*, later, for further clarification of name and TIN combinations.

How to get a TIN. If you do not have a TIN, apply for one immediately. To apply for an SSN, get Form SS-5, Application for a Social Security Card, from your local SSA office or get this form online at www.SSA.gov. You may also get this form by calling 800-772-1213. Use Form W-7, Application for IRS Individual Taxpayer Identification Number, to apply for an ITIN, or Form SS-4, Application for Employer Identification Number, to apply for an EIN. You can apply for an EIN online by accessing the IRS website at www.irs.gov/EIN. Go to www.irs.gov/Forms to view, download, or print Form W-7 and/or Form SS-4. Or, you can go to www.irs.gov/OrderForms to place an order and have Form W-7 and/or Form SS-4 mailed to you within 15 business days.

If you are asked to complete Form W-9 but do not have a TIN, apply for a TIN and enter "Applied For" in the space for the TIN, sign and date the form, and give it to the requester. For interest and dividend payments, and certain payments made with respect to readily tradable instruments, you will generally have 60 days to get a TIN and give it to the requester before you are subject to backup withholding on payments. The 60-day rule does not apply to other types of payments. You will be subject to backup withholding on all such payments until you provide your TIN to the requester.

Note: Entering "Applied For" means that you have already applied for a TIN or that you intend to apply for one soon. See also *Establishing U.S. status for purposes of chapter 3 and chapter 4 withholding*, earlier, for when you may instead be subject to withholding under chapter 3 or 4 of the Code.

Caution: A disregarded U.S. entity that has a foreign owner must use the appropriate Form W-8.

Part II. Certification

To establish to the withholding agent that you are a U.S. person, or resident alien, sign Form W-9. You may be requested to sign by the withholding agent even if item 1, 4, or 5 below indicates otherwise.

For a joint account, only the person whose TIN is shown in Part I should sign (when required). In the case of a disregarded entity, the person identified on line 1 must sign. Exempt payees, see *Exempt payee code*, earlier.

Signature requirements. Complete the certification as indicated in items 1 through 5 below.

1. Interest, dividend, and barter exchange accounts opened before 1984 and broker accounts considered active during 1983. You must give your correct TIN, but you do not have to sign the certification.

2. Interest, dividend, broker, and barter exchange accounts opened after 1983 and broker accounts considered inactive during 1983. You must sign the certification or backup withholding will apply. If you are subject to backup withholding and you are merely providing your correct TIN to the requester, you must cross out item 2 in the certification before signing the form.

3. Real estate transactions. You must sign the certification. You may cross out item 2 of the certification.

4. Other payments. You must give your correct TIN, but you do not have to sign the certification unless you have been notified that you have previously given an incorrect TIN. "Other payments" include payments made in the course of the requester's trade or business for rents, royalties, goods (other than bills for merchandise), medical and health care services (including payments to corporations), payments to a nonemployee for services, payments made in settlement of payment card and third-party network transactions, payments to certain fishing boat crew members and fishermen, and gross proceeds paid to attorneys (including payments to corporations).

5. Mortgage interest paid by you, acquisition or abandonment of secured property, cancellation of debt, qualified tuition program payments (under section 529), ABLE accounts (under section 529A), IRA, Coverdell ESA, Archer MSA or HSA contributions or distributions, and pension distributions. You must give your correct TIN, but you do not have to sign the certification.

Secure Your Tax Records From Identity Theft

Identity theft occurs when someone uses your personal information, such as your name, SSN, or other identifying information, without your permission to commit fraud or other crimes. An identity thief may use your SSN to get a job or may file a tax return using your SSN to receive a refund.

To reduce your risk:

- Protect your SSN,
- Ensure your employer is protecting your SSN, and
- Be careful when choosing a tax return preparer.

If your tax records are affected by identity theft and you receive a notice from the IRS, respond right away to the name and phone number printed on the IRS notice or letter.

If your tax records are not currently affected by identity theft but you think you are at risk due to a lost or stolen purse or wallet, questionable credit card activity, or a questionable credit report, contact the IRS Identity Theft Hotline at 800-908-4490 or submit Form 14039.

For more information, see Pub. 5027, Identity Theft Information for Taxpayers.

Victims of identity theft who are experiencing economic harm or a systemic problem, or are seeking help in resolving tax problems that have not been resolved through normal channels, may be eligible for Taxpayer Advocate Service (TAS) assistance. You can reach TAS by calling the TAS toll-free case intake line at 877-777-4778 or TTY/TDD 800-829-4059.

Protect yourself from suspicious emails or phishing schemes.

Phishing is the creation and use of email and websites designed to mimic legitimate business emails and websites. The most common act is sending an email to a user falsely claiming to be an established legitimate enterprise in an attempt to scam the user into surrendering private information that will be used for identity theft.

The IRS does not initiate contacts with taxpayers via emails. Also, the IRS does not request personal detailed information through email or ask taxpayers for the PIN numbers, passwords, or similar secret access information for their credit card, bank, or other financial accounts.

If you receive an unsolicited email claiming to be from the IRS, forward this message to phishing@irs.gov. You may also report misuse of the IRS name, logo, or other IRS property to the Treasury Inspector General for Tax Administration (TIGTA) at 800-366-4484. You can forward suspicious emails to the Federal Trade Commission at spam@uce.gov or report them at www.ftc.gov/complaint. You can contact the FTC at www.ftc.gov/idtheft or 877-IDTHEFT (877-438-4338). If you have been the victim of identity theft, see www.IdentityTheft.gov and Pub. 5027.

Go to www.irs.gov/IdentityTheft to learn more about identity theft and how to reduce your risk.

1. Are the positions funded?

Funded and unfunded positions may be included in the BAA. Contract start dates will set based on operational needs and funding availability.

That is possible, and the Supplier will be advised when a contract is offered.

Discussions may be held if the OIG determines they are necessary.

7. Please advise if the USPS OIG requests to receive a Technical Proposal from the proposed vendor to include company core programs and experiences in the areas of specialty requested or if resumes and rates are sufficient submission?

Each individual position description lists the technical criteria that are sought. If the criteria are met, OIG does not dictate whether company capability statements should be submitted. In many cases, a resume shall be considered the "Technical Proposal."
