

SOURCES SOUGHT NOTICE

INTRODUCTION

This Sources Sought Notice is for planning purposes only and shall not be considered as an Invitation for Bid, Request for Quotation, Request for Proposal or as an obligation on the part of the Government to acquire any products or services described herein. Your response to this sources sought will be treated as information only. No entitlement to payment of direct or indirect costs or charges to the government's use of such information. This request does not constitute a solicitation for proposals or the authority to enter into negotiations to award a contract. No funds have been authorized, appropriated or received by the Government for this Sources Sought Notice. The information provided by contractors may be used by the Navy in developing its acquisition strategy, Performance Work Statement (PWS) and/or Performance Specifications.

Interested parties are responsible for adequately marking proprietary or competition sensitive information contained in their response. The Government does not intend to award a contract on the basis of this Sources Sought notice or to otherwise pay for the information submitted in response to this Sources Sought notice.

BACKGROUND

Naval Supply Systems Command (NAVSUP) Fleet Logistics Center (FLC) Norfolk is seeking information on qualified and experienced sources for planning purposes in an effort to derive a contract vehicle that will provide contractor support for Naval Information Warfighting Development Center (NIWDC) in support of the Electronic Warfare Database (EWD). This is an ongoing requirement where NIWDC has utilized contractor support at respective Command locations to perform professional, technical, and administrative support for the cybersecurity operations within the current Amazon Web Services (AWS) Information Level 6 (IL6) certified environment comprised of two Elastic Cloud Compute instances and one integrated cloud-based Development Operations (DEVOPS) environment. Anticipated requirements for the continuation of this requirement can be found in the draft Performance Work Statement included within the Sources Sought.

The Naval Supply Systems Command (NAVSUP) Fleet Logistics Center (FLC) Norfolk is issuing this Sources Sought as a means of conducting market research to identify parties having an interest in and the resources to support the requirement for a non-personal services contract to support Naval Information Warfighting Development Center (NIWDC) Electronic Warfare Database (EWD) professional, technical, and administrative support.

ELIGIBILITY

The purpose of this sources sought notice is to identify authorized and verified sources of services for an anticipated Firm Fixed-Price services contract under NAICS code 541512 Computer Systems Design Services with a Small Business Size Standard of \$34.0 (millions of

dollars). The Product Service Code is DB02 IT and telecom - compute support services, non-hpc (labor). The proposed contract vehicle will provide all the required supplies and support services. Small Businesses are encouraged to respond; however, each respondent must clearly identify their business size in their capabilities statement.

A draft Performance Work Statement (PWS) which entails tasks, personnel qualifications, and deliverables are attached for review (Attachment 1).

Responses to this Sources Sought Notice shall reference the Opportunity Name "NIWDC-EWD Support" and shall include the following information in this format:

1. Company name, address point of contact name, phone number, and email address.
2. Contractor, Government Entity (CAGE) Code, and Unique Entity Identifier (UEI).
3. Size of Business - Large Business, Small Business, 8(a), HubZone, Woman-Owned Small Business, Economically Disadvantaged Woman-Owned Small Business, and/or Service Disabled Veteran-Owned Small Business.
4. Capability Statement displaying the contractor's experience and ability to provide the minimum requirements of the PWS to include past performance information. If past performance information is used, please include only relevant information on the same/similar work within the last five (5) years.
5. Include any other supporting documentation to include your Seaport-NxG and or GSA contract number and contracting experience under Seaport-NxG or GSA task orders awarded, task order number, award date, dollar value, period of performance/lead time for delivery, sub or prime, and brief description for each contract referenced.
6. Proof/Verification that contractor possesses a current TS/SCI Facilities clearance.
7. Provide any questions, comments, feedback, regarding the NAICS, draft PWS, or any other associated information.
8. Provide any current government wide contract with GSA or Seaport.

Standard company brochures will not be reviewed. Submissions are not to exceed five (5) pages in length in Times New Roman font of not less than 12-point font.

The Government is still determining the acquisition strategy and if this acquisition will be a small business set-aside, then FAR clause 52.219-14, Limitations on Subcontracting, applies. Note that if there is sufficient demonstrated interest and capability among small businesses, a key factor in determining if an acquisition will be a small business set-aside is that two or more potential small business prime contractors must be capable of performing at least 50% of the effort, as defined in FAR clause 52.219-14. If it is determined that a small business set-aside is appropriate and your company anticipates submitting a proposal as the prime contractor for a

small business set-aside, please provide specific details and rationale as to how compliance with FAR clause 52.219-14 would be achieved, including specific details regarding teaming arrangements, and if subcontracts are to be used, provide anticipated percentage of the effort to be subcontracted and whether small or large business subcontractors will be used. Teaming and/or subcontracting arrangements should be clearly delineated and previous experience in teaming must be provided.

This is not a solicitation announcement for proposals and no contract will be awarded from this announcement. This sources sought notice is not to be construed in any way as a commitment by the Government, nor will the Government pay for the information submitted in response.

The deadline for responses to this request is no later than 11 AM, EST 7 May 2026.

All responses under this Sources Sought Notice shall be emailed to Justin Hall
