COMBINED SYNOPSIS SOLICITATION

FA524026Q0009 – Hoods, Ducts, and Fire Protection Systems Maintenance & Repair Services

Special Contract Requirements (Required Insurance)

(a) Within fifteen (15) days after award of contract, the Contractor shall furnish a Certificate of Insurance as evidence of the existence of the following insurance coverage in amounts not less than the amount specified below in accordance with the RFO 52.228-5, "Insurance-Work on a Government Installation (Jan 1997)." This insurance must be maintained during the entire performance period. Before commencing work on this contract, the Contractor shall certify in writing that the required insurance has been obtained. The policies evidencing required insurance shall contain endorsement to the effect that any cancellation or any material change adversely affecting the Government's interest shall not be effective until 30 days after the insurer or the Contractor gives written notice to the Contracting Officer.

Coverage

Comprehensive General Liability: \$500,000 per occurrence

Automobile Liability: \$200,000 per person; \$500,000 per occurrence for bodily injury; \$20,000 per occurrence for property damage.

Workman's Compensation: As required by Federal Workers' compensation.

Employer's Liability Coverage: \$100,000, except in areas where workers' compensation may not be written by private carriers.

(b) Above insurance coverages are to extend to Contractor personnel operating Government owned equipment and vehicles.

(c) The Certificate of Insurance shall provide for thirty (30) days written notice to the Contracting Officer by the insurance company prior to cancellation or material change in policy coverage. Other requirements and information are contained in the aforementioned "Insurance" clause.
