OFFER SUBMISSION:

Prepare and submit quotation and supporting documentation referencing solicitation W51AA1-26-Q-A026 in the subject line of the email, no later than the response date and time, to Jessica McHugh, Contract Specialist, at jessica.l.mchugh.civ@army.mil. Quotes or proposals received after the time and date specified for receipt will be considered late. It is the responsibility of offerors to verify that their submission, including all attachments, is received by the date and time specified in the solicitation. If the offeror does not receive written confirmation of receipt from the Contract Specialist, prior to closing date and time, it is the responsibility of the offeror to contact Contract Specialist prior to closing of the solicitation, to confirm their complete proposal has been received. The Government will not consider quotes or proposals that were delayed, or otherwise not delivered to the Contract Specialist's email inbox on time because of an issue with the offeror's or the Government's service providers, including email maintenance, firewall or delivery to any other email box (e.g. junk). Therefore, offerors should anticipate delays in transmission and are advised to plan ahead and to begin transmitting their proposal in enough time to ensure successful delivery prior to the close of the solicitation.

A complete submission should include the following:

1. Completed and signed SF 1449 (Blocks 30a, 30b, and 30c) and CLIN pricing. The offer must be signed by a company official authorized to contractually bind the company.
2. Completed Attachment II- Pricing Sheet
3. Past Performance
4. Any amendments acknowledged or signed and returned.
5. Acknowledgment of the 60-day acceptance period.
