Below are the new/old guidelines when coming on the 167th AW base

- 1. ALL FORMS MUST BE TO ME NO LATER THAN 10 BUSINESS DAYS PRIOR OF COMING ON BASE.**
- 2. ANYONE SHOWING UP at the Gate without being pre-vetted will be turned away that means the passenger inside the vehicle as well needs to be pre vetted as well!**
- 3. Any person/persons that are coming from a foreign country Must send me their immigration paperwork along with their DL etc. If a person doesn't send me their paperwork stating, they have the right to work or live in the USA. I will not be asking for it they will automatically be denied"**

If a person has been Naturalized through the courts, please send a copy of the Certificate with the background form.

All person/persons working in the USA on any kind of visa's please note that by Immigration Laws and state laws they must be with that person 24/7 (I have also attached that as well)

“Per immigration > Every alien, eighteen years of age and over, shall always carry with him and have in his personal possession any certificate of alien registration or alien registration receipt card issued to him pursuant to subsection (d). Any alien who fails to comply with the provisions of this subsection shall be guilty of a misdemeanor and shall upon conviction for each offense be fined not to exceed \$100 or be imprisoned not more than thirty days, or both.”

I am also sending the 167th AW Base disqualifiers out again, I highly suggest that everyone reads them.

“To all Main company's contractors it will be left up to you and your supervisors to let everyone know. I would also highly suggest that you send out all the above information due to, I will not take the excuse they were not told or explained about this.”

Feel free to call or email with any concerns or issues about any of the above changes.
