

**AGRICULTURE & FARM LEASE PROPOSALS**  
**AGENCY ANNOUNCEMENT FOR PROPOSALS (AFP)**  
**AFP-GRC-ATFLP-2026**

For proposers intending to utilize the advertised acreage strictly for agricultural, conservation, or farming purposes please provide the following information in lieu of the requirements set forth in the AFP:

1. Agree to price annual per acre for Agriculture land set forth in the AFP.
2. Number of acres desired.
3. Number of years requested.
4. Any preferences on the location of the requested acres.
5. Type of crops or livestock intended.
6. If applicable, specific conservation goals and targets; monitoring/inspection; define, to the extent possible, the uses, activities.

In the event that NASA requests for acreage exceed the available acreage, a follow-on Announcement For Proposals will be posted on SAM.gov with specific evaluation requirements so a fair and open competition can be conducted to select the potential lease holders from the most competitive proposals.

The proposal due date advertised with this original AFP will also apply to this application criteria, 2 July 2026.
