

Request for Information-Virtual Patient Simulator

THIS IS NOT A NOTICE OF SOLICITATION ISSUANCE, BUT RATHER A REQUEST FOR INFORMATION (RFI) from industry that will allow the Government to identify interested sources capable of meeting the requirement. The information sought herein is for planning purposes only and shall not be construed as a Request for Quote (RFQ), Request for Proposal (RFP), Invitation For Bid (IFB), or as an obligation or commitment on the part of the Government to acquire any product or service. There shall be no basis for claims against the Government as a result of information submitted in response to the RFI. The Government **DOES NOT** intend to award a contract based on this RFI or otherwise pay for any information submitted by respondents to this request. This notice is for **Market Research** purposes only and is not indicative of a full requirement. Should a requirement arise, the full requirement will be detailed in the solicitation.

The purpose of this RFI is to provide industry with the opportunity to identify themselves as interested sources capable of providing Virtual Patient Simulators that allow the government to do the following:

1. The ability to design a customized clinical environment which matches current operations
2. The system must have the ability to limit resources, investigations, and interventions to simulate an austere environment. It should allow for customized cases that align with the Special Operation Combat Medic course and USSOCOM 350-29 defined scope of practice.

Company must have the ability to provide 6 x case creator licenses for 15 months, an enterprise subscription, and 1250 x enterprise learner licenses for 12 months.

Documentation provided must address all required elements listed herein; providing only a reference to a website is unacceptable for purposes of this announcement and will not be considered or reviewed. All proprietary or corporate data received shall be clearly identified and shall be protected from release to sources outside the Government. **Please do not submit classified material.**

Contractors interested in performing these services must be registered in the System for Award Management (www.sam.gov). Contractors responding to this RFI are asked to provide the following information:

1. Company's full name, address, and Point of Contact.
2. UEI number & CAGE Code
- **If applicable, please provide GSA contract # and SIN.**
3. Applicable North American Industry Classification Standards (NAICS) and
4. Business size (whether large, small, small-disadvantaged, 8(a), HUB Zone, woman-owned, Service-Disabled Veteran Owned Small Business etc.)
- Please also advise the Government of pending changes in the business size status, if applicable.
5. Documentation such as company literature and brochures demonstrating your company's ability to provide a product that meets the salient characteristics. No more than 3 pages.

The anticipated NAICS code is 513210 "Software Publishers" with a size standard of \$47 million. No requests for capability briefings will be honored as a result of this notice. Information provided will not be used as a part of any subsequent solicitation requirement. Interested sources who submit data are responsible for appropriately marking information if it is proprietary in nature. No feedback will be provided regarding individual capability statements. No reimbursements will be made for any cost requests.

Responses are due no later than **08:00 AM Eastern Standard Time, 13 May 2026** and reference H92239-26-Q-E007 in subject line. Send to Debbie Harris, email: debbie.harris.civ@socom.mil

Request for Information-Virtual Patient Simulator

Failure to respond to this RFI does not preclude participation in any future associated request for quotations that may be issued. Respondents **will NOT** be notified of the results. For information regarding this notice, contact Debbie Harris at the email address listed above.

Respondents are cautioned that due to file size limitations and e-mail security protocols, there is a risk that not all correspondence will be received by this office. It is the interested parties' responsibility to ensure receipt of all e-mail correspondence. If receipt has not been acknowledged within 24 hours, please contact the Contracting Specialist at 910-432-6637.
