

Request for Information (RFI) / Sources Sought Notice: High-Performance Compute System Administration Support

Sources Sought for information and planning purposes to identify qualified sources for an anticipated Firm Fixed Price (FFP) Contract under North American Industry Classification Systems (NAICS) Code 541519 – Other Computer Related Services. This proposed contract vehicle is to provide on-site Hewlett Packard Enterprise (HPE) High-Performance Compute (HPC) system administration support services to the Naval Oceanographic Office (NAVOCEANO), located at the John C. Stennis Space Center in southern Mississippi. It is a subordinate United States Meteorology and Oceanography Command (NMOC) command. It plays a crucial role in providing the Department of Defense (DoD) with a comprehensive understanding of the environment by collecting data and offering specialized oceanographic, hydrographic, bathymetric, geophysical, and acoustic products and services.

Subject to FAR Clause 52.215-3, titled “Request for Information or Solicitation for Planning Purposes”, this announcement constitutes a Sources Sought Notice for written information only. **This is not a solicitation announcement for proposals, and no contract will be awarded from this announcement.** This Sources Sought Notice is not to be construed in any way as a commitment by the Government, nor will the Government pay for the information submitted in response. Interested parties are encouraged to respond to the RFI/Sources Sought Notice.

The Fleet Logistics Center Norfolk (FLCN), Norfolk, Virginia is seeking information on qualified sources for planning purposes in an effort to derive one contract to provide on-site system administration support services in support of NAVOCEANO’s high-performance computing infrastructure in accordance with the **draft** Performance Work Statement (PWS). The anticipated Period of Performance for an eventual contract, if awarded, is twelve (12) months after the date of award.
