

Exhibit H

Antiterrorism and Operation Security

- **AT Level I training.** This standard language is for contractor employees with an area of performance within an DHA-controlled installation, facility, or area. All contractor employees, including subcontractor employees, requiring access to DHHQ, Direct Reporting Markets (MTFs), Small Markets and Stand Alone (SSO) facilities and controlled access areas, shall complete AT Level I awareness training within 30 calendar days after contract start date or effective date of incorporation of this requirement into the contract, whichever is applicable and annually thereafter. The contractor shall submit certificates of completion for each affected contractor employee and subcontractor employee, to the COR or to the contracting officer, if a COR is not assigned, within 30 calendar days after completion of training by all employees and subcontractor personnel. AT level I awareness training is available at the following website: <http://jko.jten.mil>.
- **Access and general protection/security policy and procedures.** This standard language is for contractor employees with an area of performance within a DHA controlled installation, facility, or area. Contractor and all associated sub-contractors employees shall provide all information required for background checks to meet installation access requirements to be accomplished by installation Provost Marshal Office, Director of Emergency Services or Security Office. Contractor workforce must comply with all personal identity verification requirements (*FAR clause 52.204-9, Personal Identity Verification of Contractor Personnel*) as directed by DOD, DHHQ and/or local policy. In addition to the changes otherwise authorized by the changes clause of this contract, should the Force Protection Condition (FPCON) at any individual facility or installation change, the Government may require changes in contractor security matters or processes.
- **For contractors that do not require CAC, but require access to a DoD facility or installation.** Contractor and all associated sub-contractors employees shall comply with adjudication standards and procedures using the National Crime Information Center Interstate Identification Index (NCIC-III) and Terrorist Screening Database (TSDB), applicable installation, facility and area commander installation/facility access and local security policies and procedures (*provided by government representative*), or, at OCONUS locations, in accordance with status of forces agreements and other theater regulations.
- **iWATCH/Suspicious Activity Reporting Training.** This standard language is for contractor employees with an area of performance within a DHA-controlled installation, facility, or area. The contractor and all associated subcontractors

shall brief all employees on the local Suspicious Activity Training program (*training standards provided by the requiring activity ATO*). This locally developed training will be used to inform employees of the types of behavior to watch for and instruct employees to report suspicious activity to the COR. This training shall be completed within 30 calendar days of contract award and within 30 calendar days of new employees commencing performance, with the results reported to the COR NLT 30 calendar days after contract award.

- **For contracts that require OPSEC Training.** Per DHA-AI 5200.03, Operations Security, the contractor employees must complete Level I OPSEC Awareness training. New employees must be trained within 30 calendar days of their reporting for duty and annually thereafter
- **Threat Awareness Reporting Program.** For all contractors with security clearances. Per DHA-AI 097, Insider Threat Program, contractor employees must receive annual Insider Threat Awareness training within 30 days of initial employment, and refresher training annually either through instructor-led or computer-based.
