Electronic procedures will be used for this solicitation. No telephone requests. Only written or faxed requests received directly from the requestors are acceptable. The purposed contract action is for supplies for which the Government intends to solicit and compete with only a limited number of sources under the authority of FAR 6.302. Currently General Electric Company (CAGE code 99207) is the only known source that can satisfy the Government requirements. A Determination by the Government not to compete this proposed contract based upon responses to this notice is solely within the discretion of the Government. Information received will normally be considered solely for the purpose of determining whether to conduct a competitive procurement. Note: An Ombudsman has been appointed to hear concerns from Offerors or potential Offerors during the proposal development phase of this acquisition. The purpose of the Ombudsman is not to diminish the authority of the program director or contracting officer, but to communicate contractor concerns, issues, disagreements, and recommendations to the appropriate government personnel. When requested, the Ombudsman will maintain strict confidentiality as to source of the concern. The Ombudsman does not participate in the evaluation of proposals or in the source selection process. Interested parties are invited to call the Ombudsman at (405) 855-3556. DO NOT CALL THIS NUMBER FOR SOLICITATION REQUESTS.

Based upon market research, the Government is NOT using the policies contained in Far Part 12, Acquisition of Commercial Items, in its solicitation for the described supplies or services. However, interested persons may identify to the

contracting officer their interest and capability to satisfy the Government's requirement with a commercial item within 15 days of this notice

A letter request for proposal will be available for download on the release date from sam.gov. No telephone requests.
