Naval Hospital Beaufort, and Marine Corps Recruit Depot Parris Island (MCRD) requires Cable TV, and Cable Modern Services which allows communication and support for the mission, patients, and families with our Tri-Command. The two (2) commands are supported by Navy Medical Regional Training Command (NMRTC). The required services must be performed at fixed government facilities located at Naval Hospital Beaufort and MCRD Parris Island. The intended source is believed to be the only provider with the existing infrastructure and franchise agreements necessary to provide the required cable services to these specific locations. Procuring services from any other source would likely result in substantial duplication of costs for infrastructure development and unacceptable delays in fulfilling the Government's requirement.
