

Department of Air Force (DAF) Carpet Program Purchase within Furniture Package

In the Department of the Air Force, category management is a business approach focused on an organization's mission. The bottom line is to deliver more mission capability per dollar spent. There are several Strategic Sourcing programs in place, Carpet. These programs utilize Small Businesses and are compliant with the Buy American Act.

For those products that are part of this solicitation, offerors are encouraged to utilize government supply sources under clauses 52.251-1 and 252.251-7000. If an offeror chooses to utilize these sources and receives the award, the Contracting Officer will issue an authorization to purchase as required in DFARS PGI 251.102.

You must include a copy of the quote you received so that the Contracting Officer can ensure the selected vendor has met the pricing in his award.

Since the automated procedures set up for DAF units to use are not available to you, the list of vendors, award numbers and POCs are provided in this solicitation. Please use this list to obtain your quotes and make your selection.

See specified Carpet selection (Carpet Cutsheet or SOW) from one of the Seven (Tier I) Manufacturer below and negotiate with an installer (Tier II) on labor/installation cost. Once the negotiation is complete, the installer shall provide a quote that includes the price for the carpet and adhesives per square yard, so that the CONS can validate that prices quoted are at or below the NTE prices set in the Tier I contracts.
