

RFI's for 114 BOM

- Q1: Clarification: 3" R-6 Insulated Flexible Duct, 25' - what we have here is the smallest size of 4" 25 ft. R-6 Insulated Round Flexible Duct?
- A1: Yes, it should be 4"
- Q2: Copper Couplings (3/4" and 3/8" slip fittings): Are these 3/4" and 3/8" each or are they 3/4" or 3/8"?
- A2: 3/4" or 3/8"
- Q3: Joint Compound, Pre-mixed, 5-gal bucket: What we have in our packaging is 4.5 Gal.
- A3: This is fine as long as we get the same or slightly more total (5 gal x 5=25 gal, 4.5 gal x 6= 27gal)
- Q4: Vinyl-Faced Fiberglass Insulation: We have individual packs of 40 sq ft (15 in W x 32 ft L) individual packs, totaling 2,600 sq ft instead of 2,340 sq ft
- A4: Yes that is acceptable
- Q5: Stone Plastic Composite (SPC) flooring: What we have in our packaging is 23.64 sq. ft. per box, so we labelled it per box. 16 boxes total, 378.24 sq ft.
- A5: Yes that is acceptable
- Q6: Masking materials: painter's tape, 12" and 48" masking film for windows/doors, and drop cloths. We want to clarify if the two film sizes should be separated as they were in separate orders.
- A6: They can be together
- Q7: the Room and Price Fitness Center signage, I would like to confirm your preferred size and font
- A7: 5" letters. Not sure of the font, AI says "Friz Quadrata." However, it looks a little different to me. Example below

Q8: Item 9, What are the dimensions of the counter requested for the wall hung sink w/counter?

A8: Current dimensions of counter are 3'11" with a 19" round sink. Per current drawings.

Q9: Item 31, Kilz primer does not specify any variation of its Primer as 1 coat, what is meant by this requirement? Same with item 38 request for paint, two coats.

A9: Disregard 1 coat verbiage

Q10: Item 50, This is requested as a "lot" but it is not clear how many of each item is being requested as well as the requested dimensions (are these intended for metal interior door listed above)?

A10: 2 of each. It is a 72" x 84" double metal exterior door.

Q11: Item 51, What dimensions/quantities are being requested for each item?

A11: J-Channel 220 LF (24 pieces of 10'); Siding Trim 80 LF (8 pieces of 10' or 12'); Base Guard 40 LF (4 pieces of 10'); Head Flashing 18 LF (3 pieces of 10')

Q12: Item 53, Color matched to what?

A12: Disregard color match.

Q13: Item 54, This appears to be a list of items, but only states "5 rolls" as the requested quantities when some items do not come in rolls, they come in cartridges, panels, etc.

A13: Weatherproofing (House Wrap) 1 Roll 9' x 100' (900 sq. ft.) , Flashing Tape (Zip/Tyvek) 3 Rolls 90' per roll; Polyurethane Sealant 12 Tubes 10.1 oz Cartridge, Expanding Foam (Low Expansion) 6 Cans 24 oz Cans

Q14: Item 58, This "Lot", is unclear on how many of each items are being requested.

A14: 12" masking @ 200', 48" masking @ 200', 2" masking tape 60 yards @ 10 rolls, canvas drop cloth 9'x12' @ qty 10.

Q15: Item 139, Is the end user asking for 4 ea 3/4in and 4 ea 3/8in couplings, or two each to have a total of 4?

A15: 4 of each size

Q16: Item 140, same question as above?

A16: 25' of 18/5 wire

Q17: Item 141, The requirement is unclear, what is being requested in the way of "& fittings"?

A17: 15' of pipe, 8- 90 deg elbows, 4-couplings

Q18: Item 142, what kind of sign, (color, size, verbiage, etc)?

A18: Disregard this request, custom signs will be ordered at end of project.
