

Statement of work – Sports Streaming Services

Background

The purchase of a sports streaming service for varsity sports statistics and online viewing services as required by NFHS.

Objectives

The objective of this service is to have digital records of all varsity sport activities and to be able to accurately track sports statistics, in compliance with NFHS.

Scope

The scope of this project is to obtain access to online streaming services to track varsity games.

Tasks

The task will be to deliver a compatible streaming service similar to the ones used in our region, southwest 1-A, to stream and record all varsity games.
