Questions And Answers

Date : 24 April 2026

Question 1: Could you please advise if there are any preferred music genres, artistic styles, or specific types of artists that should be considered for this project?

Answer 1: We don't have any preferred genres or styles. We are open to your recommendations based on what would work best for the project.

Question 2: At the proposal stage, are we expected to submit a defined music direction (including proposed genre, artist profiles, and lyrical concept), or will these elements be finalized post award?

Answer 2: Yes, we would expect a defined music direction at the proposal stage, including the proposed genre, artist profiles, and lyrical concept, which can be further refined after the award if needed.

Question 3: Given the overall budget parameters, are there any expectations or limitations regarding the scale or profile of artists to be engaged? Would proposing emerging or mid-tier talent be acceptable?

Answer 3: Emerging or mid-tier talent are acceptable.

Question 4: Given the budget, it may be challenging to secure a top-tier artist, as they tend to be quite expensive. Would it be acceptable to propose someone who better fits within the budget? Should we include the artist profile part of the proposal?

Answer 4: Yes, do propose someone who better fits within the budget and include the artist profile as part of the proposal.

Question 5: Given the budget, it may be challenging to secure a top-tier artist, as they tend to be quite expensive. Would it be acceptable to propose someone who better fits within the budget? Should we include the artist profile part of the proposal?

Answer 5: Acceptable to propose someone who better fits within the budget. Proposals should include details of artist profile.

Question 6: Could you kindly confirm the expected timeline for delivery of key project milestones and final deliverables?

Answer 6: Final video should be ready for posting online by June 30, 2026.

Question 7: What are the insurance requirements for this contract?

Answer 7: Not required.

Question 8: Is this "30 year requirement" for the contractor or for the subcontractor musicians/singers that are included in the project?

Answer 8: Yes.

Question 9: If we have 30 years producing experience as producers (contractors), and include experienced Malaysian musicians/singers, does this meet the requirement?

Answer 9: Yes.
