In accordance with FAR 5.207(c)(16)(i), all responsible sources may submit a bid, proposal, or quotation which shall be considered by the agency. It is suggested that small business firms or others interested in subcontracting opportunities in connection with the described procurement make contact with the firm(s) listed.

Based upon market research, the Government is not using the policies contained in Part 12, Acquisition of Commercial Items, in its solicitation for the described supplies or services.

Government's obligation under this contract is contingent upon the availability of appropriated funds from which payment for contract purposes can be made. No legal liability on the part of the Government for any payment may arise until funds are made available to the Contracting Officer for this contract and until the Contractor receives notice of such availability, to be confirmed in writing by the Contracting Officer.

Electronic procedures will be used for this solicitation. The solicitation will be available for download only at www.Sam.gov.

Authority: 10 U.S.C. 2304(a)(1), Justification: supplies (or Services) required shall be obtained through the use of competitive procedures.

This notice of intent is not a request for competition. However, all proposals received within 45 days (30 days if award is issued under an existing basic ordering agreement) after date of publication of this synopsis will be considered by the Government. A determination by the Government not to compete this proposed contract based upon responses to this notice is solely within the discretion of the Government. Information received will normally be considered solely for the purpose of determining whether to conduct a competitive procurement.

Note: While price will be a significant factor in the evaluation of offers, the final contract award decision may be based upon a combination of price and past performance factors as detailed in the solicitation.

Note: An Ombudsman has been appointed to hear concerns from offerors or potential offerors during the proposal development phase of this acquisition. The purpose of the Ombudsman is not to diminish the authority of the program director or contracting officer, but to communicate contractor concerns, issues, disagreements and recommendations to the appropriate government personnel. When requested, the Ombudsman will maintain strict confidentiality as to the source of the concern. The Ombudsman does not participate in the evaluation of proposals or in the source selection process. Interested parties are invited to call the Ombudsman at (405) 855-3552. DO NOT CALL THIS NUMBER FOR SOLICITATION REQUESTS.

Request for written proposal will be issued. Only written or faxed request received directly from the requestors are acceptable. The anticipated award date will be 60 days after the issuance of this notice.

21. **Buyer's Contact Information:** Questions concerning this synopsis or subsequent solicitation can be directed to the buyer, Yasmine Galbiso 445-737-1071, yasmine.galbiso@us.af.mil .
