One of the considerations in proposal evaluation is the verification of the Offeror's past and current performance on contracts which reflect the Offeror's ability to perform on the proposed effort. To assist you in preparing your response and expediting your reply, the Government is requesting that a copy of the questionnaire be provided to the Offeror to be included in their proposal or may be filled and sent directly to the Attention of Contracting Officer by email to 71conf.pkb.construction@us.af.mil.
