PAST PERFORMANCE EVALUATION QUESTIONNAIRE

INSTRUCTIONS TO OFFERORS SENDING PAST PERFORMANCE FORMS:

The Government is requesting that the Offeror provide at least three (3) past performance contract references that reflect recent and relevant experience in the trade show industry. Recent experience is defined as performance of a currently ongoing contract or completed performance of a contract that was completed no more than two years prior to the date of issuance of the Solicitation. Relevant experience is defined as that which is similar in scope, size, and complexity to the work described in the Performance Work Statement and contract type. The completed questionnaire must be sent along with the Offeror's proposal.

The Offeror may submit a past performance contract reference of its Subcontractor, as long as the Subcontractor served as the Prime Contractor for a contract awarded to the Offeror. Past performance examples should ideally come from work in the defense trade show sector, but booths build for any industry will suffice.

A handwritten signature in black ink, appearing to read "May 5, 2025", is written over a horizontal line.
