The following FAR clause applies by full text:

FAR 52.217-7 Option for Increased Quantity-Separately Priced Line Item.

The Government may require the delivery of the numbered line item, identified in the Schedule as an option item, in the quantity and at the price stated in the Schedule. The Contracting Officer may exercise the option by written notice to the Contractor within One Year after date of Contract Award. Delivery of added items shall continue at the same rate that like items are called for under the contract, unless the parties otherwise agree.

(End of clause)

Full text of incorporated FAR/DFARS clauses and provisions are available at www.acquisition.gov/far

The method of payment is via Electronic Payment through Wide Area Workflow (WAWF). In accordance with DFAR Clause 252.211-7003, the contractor shall provide a unique item identifier (UID) for all delivered items for which the Government's unit acquisition cost is \$5,000.00 or more.

This solicitation requires registration with the System for Award Management (SAM) prior to award, pursuant to applicable regulations and guidelines. Registration information can be found at www.sam.gov

The quote shall include price, delivery terms, and the following additional information with submission: point of contact (including phone number and email address), contractor cage code, and contractor Unique Entity Identification (UEID). A quote received after the closing date and time specified may be ineligible for award.

The quote may be submitted via email to the email address below and must be received on or before Wednesday, 06 May 2026 at 1400 eastern time. Offers received after the closing date are late and may not be considered for award. For information on this acquisition, contact Franklin Patton at franklin.k.patton2.civ@us.navy.mil.
