Questions		Answers
1	The items listed on the Sam.gov solicitations page vary from the items in the price schedule. Sign System (Solar Radar Flashing Speed Sign) calls for 1 EA on Sam.gov. On the bid schedule, the only sign system is <i>wood posts</i> , and it calls for 5 EA.	It was decided later to use chevrons instead of the solar radar sign, so that was removed from the RFQ. Use the bid schedule.

Questions		Answers
2	I wanted to confirm that electronic bids should be submitted to cflcontracts@dot.gov .	Yes, electronic bids are to be submitted to cflcontracts@dot.gov .
3	Could you also please clarify whether the bid bond needs to be physically mailed or if an electronic submission will suffice? If mailing the bid bond is required, I would appreciate it if you could provide the correct address for sending it.	Bid bonds must be originals sent to the address listed on page A-1, Box 8: Denise Martinez, Contract Specialist Federal Highway Administration Central Federal Lands Division Office 12300 W. Dakota Avenue Lakewood, CO 80228
