

This is a combined synopsis/solicitation for commercial items prepared in accordance with the format in FAR subpart 12.6, as supplemented with additional information included in this notice. This announcement constitutes the only solicitation; proposals are being requested and a written solicitation will not be issued. In accordance with FAR 5.203(b) this combined synopsis and solicitation will be posted for less than fifteen (15) days.

The request for Quotation (RFQ) number is N66604-26-Q-0321. This requirement is being solicited as a 100% small business set-aside as concurred with by the Naval Undersea Warfare Center Division, Newport (NUWCDIVNPT) Office of Small Business Programs (OSBP). The North American Industry Classification System (NAICS) Code for this acquisition is 332710 – “Machine Shops”. The Small Business Size Standard is 500 employees. PSC is 5340 – “Hardware, Commercial.”

The Naval Undersea Warfare Center Division Newport (NUWCDIVNPT) intends to purchase on a Firm Fixed Price (FFP) basis the following, in accordance with Government Drawings, the following:

CLIN	ITEM DESCRIPTION	MINIMUM SPECIFICATIONS	QTY
0001	Trash Disposal Unit Launch Kit (TDULK)	In accordance with Government Drawings, Attachment 1	35

Delivery is F.O.B. Destination, Newport, RI. The Government’s required delivery date is 31 December 2026.

Quotes should include a validity date of no less than 60 days from due date for receipt of offers.

Offerors shall include shipping cost into the unit price for each line above. A separate line for shipping will not be provided.

This solicitation requires registration with the System for Award Management (SAM) prior to award, pursuant to applicable regulations and guidelines. Registration information can be found at www.sam.gov.

Offerors shall include price, payment terms, delivery terms, and the following additional information with submissions: Offeror Point of Contact (including phone number and email address); Offeror CAGE Code; and Offeror SAM UEI.

The Government intends to award a single FFP purchase order to the eligible, responsible offeror whose offer represents the lowest price technically acceptable. In order to be determined technically acceptable:

- The offeror must quote the required items in the required quantities and shall meet or exceed the Government’s required minimum specifications, in accordance with Attachment 1.
- The offeror must be located in the United States.
- The offeror shall submit documentation with their quote supporting ISO 9001: 2015 Certification or higher.
- **Past Performance.** Offeror shall provide up to three (3) past performance references that reflect recent experience performed within the last three calendar years of the solicitation release date and that demonstrate experience relevant to the solicitation’s SOW. Each reference shall be no longer than two (2) pages each for a maximum of six (6) pages. Offeror shall describe how the past performance references are relevant including details about how it is similar in scope and complexity to this solicitation’s SOW. Past performance references shall include the following information if applicable:

Government Agency or Company name

Program Name

Contract or task order number

Government or Industry Program Manager name, phone number and email address

Contracting Officer name, phone number and email address

Contracting Officer’s Representative name, phone number and email address

Contract Type

Period of Performance

Total Value of Award

Indicate if Prime Contractor or Subcontractor on Reference: (If the offeror was a subcontractor on the reference, then the offeror shall provide an explanation of its role in contract performance as well as the dollar value of its subcontract.)

For each reference, the offeror shall also provide a written explanation describing the work that was performed and how the work was or is relevant to the work being proposed in this solicitation, including details about how it is similar in scope, magnitude, and complexity to this solicitation.

The Government will also consider past performance information on the Supplier Performance Risk System (SPRS) where negative information within SPRS may render a quote being deemed technically unacceptable.

This requirement contains drawings that are designated Distribution D and Export Control which means distribution is authorized to the DOD and US DOD contractors with a valid Joint Certification Program (JCP) certification. Only Offerors with an active registration in JCP will be provided access to the drawings. Please visit <https://www.dla.mil/Logistics-Operations/Services/JCP/> for further details on the program and registration.

To obtain a copy of the drawings, submit a request by email to elizabeth.a.peckham2.civ@us.navy.mil. Requests must be made by the company's certified JCP custodian and must include a copy of the company's DD2345, this solicitation #, company name, complete company address, CAGE code, point of contact, telephone number, and e-mail address.

The CMMC level required by this RFQ is: CMMC Level 2 (C3PAO). This CMMC level, or higher (see 32 CFR part 170), is required prior to award for each contractor information system that will process, store, or transmit Federal contract information (FCI) or controlled unclassified information (CUI) during performance of the contract. See Provision 252.204-7025 and Clause 252.204-7021, included in this RFQ.

The Offeror shall provide, in its offer, the CMMC unique identifier(s) (CMMC UIDs) issued by SPRS for each contractor information system that will process, store, or transmit FCI or CUI during performance of the contract resulting from this RFQ.

If no surcharge is applicable, the Government's preferred method of payment is via credit card. Otherwise, Electronic Payment through Wide Area Workflow (WAWF) may be used. Please confirm if Government Purchase Card is an acceptable form of payment within the quotation. Include any applicable surcharge in the quotation.
