SECTION SF 30 BLOCK 14 CONTINUATION PAGE

SUMMARY OF CHANGES

SECTION SF 30 - BLOCK 14 CONTINUATION PAGE (SF 30)

The following have been added by full text:

AMENDMENT 0004

The purpose of this amendment is to provide the following:

1. RFI Responses

All other items remain unchanged.

1. RFI RESPONSES

RFI 18. Amendment 3 revised the following for Construction Experience:

- 1 A construction project value of \$250,000 to \$2,000,000. Projects submitted below \$250,000 will not be considered relevant. At least one relevant project shall have a final construction cost of at least **\$5,000,000** and
- 2 A total roofing area of 10,000 SF. At least one relevant project shall be at least 50,000 SF.”

Did the government intend to also adjust the requirement for **Design Experience** to match the adjusted figure for **Construction Experience**? Therefore, on page 14 instead of “At least one relevant project shall have a final construction cost of at least \$15,000,000 ...;” it would now be “At least one relevant project shall have a final construction cost of at least \$5,000,000.” Please confirm if that is the intent.

GOVERNMENT RESPONSE: Per Amendment 0003, the revision applies to both Construction and Design Experience. Please see Amendment 0003.
