4. REQUIREMENTS

Portable toilets and items listed in Section 3 of this document shall be delivered and placed in Government directed locations provided by the on-site Government Representative.

Required locations are all on or within 1 mile of Grissom ARB and generally within the locations of the parking areas, main spectator area, Distinguished Visitor (DV) complex, performer area, control point, and fire department staging area. A diagram will be supplied to the contractor once awarded.

Contractor shall provide serviceable portable toilets and hand wash stations that are neat, clean, and professional in appearance, free of dirt, debris, and pests. Cleaning shall include thorough washing with water and soap or detergents. All units shall be sufficiently supplied to include, but not limited to toilet paper, waterless hand sanitizer, soap, water, etc.

Contractor shall be responsible for ensuring all units are properly supplied and cleaned throughout the period of performance as described below. Contractor shall be responsible for immediately cleaning up any spills, debris, etc. which may occur during servicing of restrooms throughout the period of performance as described below.

Contractor shall provide an on-site attendant to be present on August 29 & 30, 2026 between the hours of 8:30am and 5:30pm to check toilets and hand wash stations, provide spot cleaning, replenish supplies, and lock any unit found to be unusable. Additionally, Contractor shall service 30 portable toilets, 10 hand-wash stations, and three (3) portable toilets in the parking area, as identified by the on-site Government Representative, on Friday, August 28, 2026, after conclusion of the day's aerial practice (approximately 1700) to be ready for the next day.

Contractor will service all items listed in Section 3 of this document after the airshow has concluded on Saturday, August 29, 2026 in preparation for the next day. Servicing includes waste removal, cleaning of the interior/toilet, and replenishing waste tank as required.

Contractor shall clean-up and remove all items listed in Section 3 of this document on Monday, August 31, 2026 between the hours of 7:30am- 4:30pm.

5. COMMUNICATION

Contractor shall contact the on-site Government Representative upon arrival to the base at (435) 590-0158 or (765) 688-3829/4341/3448 each day. Contractor shall provide the Government Representative with the mobile phone numbers of Contractor employees during placement, servicing, and pick-up of portable toilets and hand wash stations.

6. AUTHORITY OF QUALITY ASSURANCE PERSONNEL

The on-site Government Representative, Capt Robert Grasmick, is authorized to direct Contractor on placement of toilets and hand wash stations. Capt Grasmick is also authorized to direct the Contractor to relocate toilets and hand wash stations to high use areas as needed.

7. ACCESS TO WORK AREA

Grissom ARB is a U.S. Air Force Installation with specific access requirements. Upon award of contract, the Contractor shall contact 434th Security Forces Squadron (434 SFS) no later than 30 days prior to beginning of performance period to screen all Contractor employees for access eligibility and approval. Contractor shall follow 434 SFS directed access procedures at all times. Contractor shall submit employee changes immediately as they occur for screening and approval. Contractor shall have all vehicles and equipment inspected before entry into Grissom ARB by 434 SFS.
