

DEPARTMENT OF THE AIR FORCE
AIR FORCE LIFE CYCLE MANAGEMENT CENTER
HILL AIR FORCE BASE UTAH

Date **TBD**

FROM: AFLCMC/EBHKC

SUBJECT: USAF Request for Order Proposal

Contract Number: **TBD**

1. In accordance with the fair opportunity ordering procedures in the basic contract, the Government is requesting pricing proposals from your company for use in a potential delivery order award.
2. The USAF is seeking to procure MJU-76/B Countermeasure Flares. The award criteria will follow the split percentages outlined in the basic ordering procedures. Please complete the attached Proposed Pricing Table titled "RFOP Worksheet – MJU-76" for submitting your pricing information. The completed and submitted proposed pricing table will be used to evaluate these requirements. Each contractor shall propose unit pricing on the given quantity ranges. The Government will calculate the Total Evaluated Price (TEP) and base the split award amounts on the difference in TEP as outlined in the fair opportunity ordering procedures. The Government reserves the right not to award an order in response to this Request for Order Proposal. A timely electronic copy is sufficient.
3. After receipt of proposals, the Government reserves the right to enter into interchanges with some, all or none of the Offerors to address any remaining issues and settle the final terms of the order. These issues may be technical, price or past performance related, or deal with contract documentation. If the Interchanges do not result in an awardable proposal, the Government may continue Interchanges with the next most favorably positioned Offeror(s) for the same purpose, and continue until award is made.
4. Delivery: 18 months ARO Each Individual Order for CLIN 0004, 0005, & 0006.
5. Proposal Due Date: _____, _____ PM (Mountain Time). Contractor proposed prices shall be valid for 120 days after proposal due date.
6. All attachments of the basic contract are applicable to this requirement.
