MEMORANDUM FOR ALL PERSONNEL

FROM: TSGT BRETT H. HOUSE

SUBJECT: Performance Work Statement

1. Background: There is carpeting installed in the 3 MXS Conference room (Bldg.11540 Rm.5). The carpet is impractical for the quantity of personnel traffic and the weather that occurs at Joint Base Elmendorf Richardson. We are requesting the removal of carpeting and the installation of Luxury Vinyl Planking (LVP). LVP Is more durable and easier to maintain than carpet.

2. General: This is a non-personal service contract for removal and installation of flooring material. Which includes removal of existing glued down broadloom carpet, scrape and prep the floor, removal of existing 6" rubber wall base, Installation of new LVP, Black/Brown rubber transition at the doorway and the disposal of all demo materials offsite

3. Government Provided Equipment/Information

- 3.1. 3 MXS/MXMM will aid with the removal & placement of Chairs/Tables.
- 3.2. Requestor(AF) will provide facility documentation as required.

4. Designated Work Location

3 MXS Conference Room
11540 Slammer Ave
JBER, AK 99506
