Access Instructions

The event will be sponsored by the 22nd Contracting Squadron at McConnell AFB. All personnel will meet at the Visitor Center parking lot. Arrangements will be made for guests to begin arriving at the East Gate No Earlier than 9:00 am and departing the installation No Later than 12:00 pm on 8 May 2026. If a drivers license does not have the necessary star indicator on it, then the individual will be required to submit additional documentation. If multiple people arrive in the same vehicle, they must all present the necessary Real ID and be on the access list/registered. Individuals will not be granted access if they do not have Real ID compliant documents or are not on the approved access list. Additionally, Gate guards may take action necessary to ensure that your vehicle is legally registered before gaining access, this could include them asking for registration documentation or rental agreements. Please provide the guard with any necessary information that is requested if feasible. If there are any issues, and you need assistance please call 316-759-3275, the Contracting Office Front Office and appropriate personnel will be sent to the gate to provide assistance if possible.

Drivers are responsible for ensuring that all passengers wear seatbelts at all times. Drivers are required to follow all posted speed limits and Traffic Regulations. Max Speed limit in the areas that individuals will have access to is 30 MPH. Drivers are prohibited from using their cell phone while driving on the base unless utilizing a hands-free device. Firearms and contraband such as bullet casings and drugs are prohibited on the installation, so please ensure any vehicle utilized does not contain any of the items. The government reserves the right to search vehicles that are accessing the base.

I, _____ of _____, acknowledge receipt of the
