

SECTION C – STATEMENT OF WORK

C-1 Scope of Project

Project: 2025 SCNF Culvert Supply

This requisition is to provide corrugated steel pipes (CSP) to the Salmon-Challis National Forest for its disaster recovery efforts from the effects of the Moose Creek Fire.

C-2 Technical Requirements/Tasks

The Contractor will furnish and deliver corrugated steel pipes (CSP) and coupling bands as detailed in this document. Deliverables will conform to FP-14 707.02.

Deliverables (corresponds to **Schedule of Items**):

Line item	Details
1	4 pieces of 20 foot long, 72-inch diameter, 16 gage helical galvanized CSP with 5 inch by 1 inch corrugation (80 feet in total)
2	2 sets of: 2-piece 16 gage, 24-inch wide galvanized bands for 72-inch diameter CSP
3	1000 feet of 18-inch diameter, 16 gage standard helical galvanized CSP
4	25 of: 18 gage, 12-inch wide galvanized bands for 18-inch diameter CSP
5	640 feet of 24-inch diameter, 16 gage standard helical galvanized CSP
6	16 of: 18 gage, 12-inch wide galvanized bands for 24-inch diameter CSP
7	360 feet of 30-inch diameter, 16 gage standard helical galvanized CSP
8	9 of: 18 gage, 12-inch wide galvanized bands for 30-inch diameter CSP
9	200 feet of 36-inch diameter, 16 gage standard helical galvanized CSP
10	5 of: 18 gage, 12-inch wide galvanized bands for 36-inch diameter CSP
11	160 feet of 48-inch diameter, 16 gage standard helical galvanized CSP
12	4 of: 18 gage, 12-inch wide galvanized bands for 48-inch diameter CSP

C-3 Delivery Location

The project deliverables will be delivered to the Challis Admin Yard in Challis, ID (see attachment J1) and Jesse Creek Admin Yard in Salmon, ID (see attachment J2).

Delivery will be split in half for each pay item to each location. Coordinate with Contract Officer's Representative (COR).

C-4 Contractor's Key Personnel

Point of contact(s) for coordination in delivery and all inquiries.

C-5 Standard Specifications

The Federal Highway Administration's Standard Specifications for Construction of Roads and Bridges on Federal Highway Projects, 2014 applies as the Parent specifications for the project.

These specifications are referred to as "FP-14." Units of measure for the project are U.S. Customary units.

The FP-14 can be found online at: <https://highways.dot.gov/federal-lands/specs>

C-6 Material Certifications and Testing Reports

Title	Relevant Specification No.
Production or Commercial certification	FP-14 106.03 (a) or (b); FP-14 707.02
