

**Pre-Solicitation Notice Synopsis For
W912HN25BA023
Project No.: 103972
Construct Pathway Sunset Liberty March
Fort Bragg, NC**

The U.S. Army Corps of Engineers (USACE) Savannah District intends to issue an Invitation for Bids (IFB) for W912HN25BA023 for Project Number: 103972, Construct Pathway Sunset Liberty March, Fort Bragg, NC.

Note: This Synopsis is ONLY A NOTIFICATION that a solicitation is anticipated and forthcoming; no proposals are being accepted. The subsequent solicitation will result in a C-Type Stand-alone contract.

Type of Contract & NAICS: This Invitation for Bids will be for one (1) Firm-Fixed-Price (FFP) contract. The North American Industry Classification System (NAICS) code is **237990 – Other Heavy and Civil Engineering Construction**, with a Small Business size standard of **\$45M**.

Product Service Code: Y1PA – Construction of Recreation Facilities (Non-Building)

Type of Set-Aside: This acquisition is being offered as a 100% Service -disabled Veteran Small Business Set-Aside IAW FAR 19.5

Construction Magnitude: In accordance with DFARS 236.204, the magnitude of this construction project is anticipated to be between **\$5,000,000 and \$10,000,000**.

Anticipated Solicitation Release Date: The Government anticipates releasing the solicitation on or about **24 September 2025** and the approximate closing date is on or about **24 October 2025**. Actual dates and times will be identified in the solicitation. Additional details can be found in the solicitation when it is posted.

Period of Performance: The period of performance including all options is anticipated to be **547 Calendar Days** after the issuance of the notice to proceed.

Description of Work: This is a new requirement to construct a pathway Sunset Liberty March. The project will convert abandoned sections of Bragg Boulevard to a memorial pathway, highlighting the significant contributions of the US Army units stationed in the installation. The project includes the demolition of the bituminous layer and installation of a new memorial pathway on top of the existing concrete sub-base. The pathway will include lights, memorial markers, planting and will terminate in a new memorial plaza. Supporting facilities include exterior electric service, security lighting, paving, signage, storm drainage, erosion control, and landscaping.

This project is fully designed, and all technical specifications and drawings will be provided at the issuance of the Solicitation.

Solicitation Website: The official solicitation, when posted, will be available free of charge by electronic posting only and may be found on the System of Award Management System (SAM) website, <https://sam.gov>. Paper copies of the solicitation will not be issued. Therefore, telephone and Fax requests for this solicitation will not be honored.

Project files are Portable Document Format (PDF) files and can be viewed, navigated, or printed using Adobe Acrobat Reader. Contractors must register at the SAM website at <https://sam.gov> to download the solicitation for this project.

If/when issued, Amendments will be posted to the above-referenced website for electronic downloading. This will be the only method of distributing amendments before closing; therefore, the Bidder must check the website periodically for any amendments to the solicitation.

Registrations: System for Award Management (SAM)-Offerors shall maintain an active registration in the SAM database at <https://sam.gov> to be eligible for a Government contract award. Suppose the Bidder is a Joint Venture (JV). In that case, the JV entity shall have valid SAM registration in the SAM database representing the JV as one business/firm/entity. If a Bidder is not actively and successfully registered in the SAM database at the time of award, the Government reserves the right to award to the next prospective Bidder.

Procurement Integrated Enterprise Environment (PIEE): The only authorized transmission method for bids in response to the forthcoming solicitation is electronic via Procurement Integrated Enterprise Environment (PIEE) Solicitation Module. No Other Transmission Method (E-mail, Facsimile, U.S. Postal Mail, Hand Carried, etc.) Will Be Accepted. Bidders must have an active Proposal Manager role in PIEE at <https://piee.eb.mil/>.
