

This is a Sources Sought Synopsis published by the United States Air Force (the Government or USAF). There is no solicitation available at this time. Requests for a solicitation will not receive a response. The purpose of this sources sought notice is to conduct market research to determine whether there are businesses available capable of providing an alternative product that meets the characteristics below. The Air Force anticipates procuring this product as a FY26 base effort with a projected period of performance of 16 June 2026 – 15 June 2027. This effort will have four – one year option periods: Option year 1 - 16 June 2027 – 15 June 2028, Option year 2 - 16 June 2028 – 15 June 2029, Option year 3 - 16 June 2029 – 15 June 2030, and Option year 4 - 16 June 2030 – 15 June 2031.

Responses to this sources sought notice will assist in a determination of whether it is in the best interest of the Government to proceed with a competition.

19. Must be able to provide a customizable dashboard for users effect of public policy impacts on organization
20. Must be a current commercial off the shelf product in the library and legislative marketplace
21. Must provide an App for access and training and support.

The Government will consider responses received within 7 days of issuance of this notice. Information received will normally be considered solely for the purpose of determining whether or not to conduct a full and open competitive procurement or a small business set aside competitive procurement. The Government will not pay for any information received in response to this announcement. If the Government competes this requirement, a synopsis shall be issued utilizing the combined synopsis/solicitation procedure identified in FAR 12.603. If this effort becomes a Small Business Set-Aside, FAR 52.219-14, Limitation on Subcontracting, will apply. Therefore, small businesses that want to be considered for a small business set-aside should demonstrate how they intend to comply. A determination not to compete this requirement based upon responses to this notice is an administrative decision by the Government that is solely within its discretion.

Contractors should be aware of the following information:

1. Contractors must include the following information:
 - a. Points of contact, addresses, email addresses, phone numbers.
 - b. Identification as a large U.S. business, a small U.S. business, or a foreign business. Please note that size indicated should be based on the NAICS code for this effort listed above.
