

This acquisition is being conducted in accordance with Federal Acquisition Regulation (FAR) Class Deviation 2026-O0028 and 2026-O0037 (Part 19) issued by the Department of War, which implements the principles of the Revolutionary FAR Overhaul (RFO). All FAR references herein are to the deviated text.

This is a combined synopsis/solicitation for commodities prepared in accordance with the format IAW RFO 12.202(b), as supplemented with additional information included in this notice. This announcement constitutes the only solicitation and quotes are being requested.

This is a competitive Request for Quote (RFQ) and the solicitation number for this requirement is **FA2823-26-Q-A044**. The Operational Contracting Division, Air Force Test Center at Eglin, AFB, Florida, requires **Airborne Ethernet Units, in accordance with the Technical Requirement Document dated 01 Apr 2026**. This acquisition is under RFO Part 12, Acquisition of Commercial Products and Commercial Services, as supplemented. This order is **set-aside for small business** concerns.

The North American Industry Classification System code (NAICS) is 334111 and PSC 7E20. A firm-fixed priced purchase order will be awarded.

CLIN STRUCTURE:

Item (QTY 20) Airborne Ethernet Units.

FOB Destination Shipping Required.

Please provide terms of any expressed warranty being offered and any price/discount terms.

There will be no advanced payments.

BASIS FOR AWARD: In accordance with RFO 12.203 the offerors will be evaluated on a BEST VALUE basis and the award will be made to the responsible quoter whose quote, conforming to the solicitation represents the best value to the government. In no particular order of significance, the following factors shall be used to evaluate quotes:

I. Technical capability of the item offered to meet the governments' requirement

II. Price

III. Past Performance

IV. SPRS IAW 252.204-7024

The government will not accept refurbished/used equipment.

Offerors must submit quotations for all items listed. Partial offers will not be considered for award.

As of the date of this solicitation, there are no applicable FASCSA orders

The Offeror agrees to hold the prices in its offer firm for 60 calendar days from the date specified for receipt of offers.

The Government is not responsible for any costs incurred or associated with preparation and submission of an offer in response to this solicitation. **NO OFFERORS WILL BE COMPENSATED FOR SUBMITTING AN OFFER.**

The Contracting Officer has determined that there is a high probability of adequate price competition for this acquisition. Upon examination of the initial offers, the Contracting Officer will review this determination and if, in the Contracting Officer's opinion, adequate price competition exists no additional price information will be requested. However, if at any time during the evaluation the Contracting Officer determines that adequate price competition no longer exists, Offerors may be required to submit information to the extent necessary to determine the price fair and reasonable.

All offers must list the solicitation number, Commercial and Government Entity (CAGE) code, Company name, Point of Contact (POC), email address and phone number. If you need to obtain or renew a Unique Entity Identifier (UEI) Number or CAGE code, please visit <https://www.sam.gov>. Lack of registration in SAM database will make an offeror ineligible for award.

Vendor must also be registered in Wide Area Work Flow to receive payment through electronic funds transfer. If you are not currently registered, please visit the following website to complete your registration: <https://wawf.eb.mil>.
