11.0. DEVIATIONS AND EXCEPTIONS

Deviations and exceptions to the terms and conditions of the solicitation are neither encouraged nor desired. Should the offer include any standard company terms and conditions that conflict with the terms

and conditions of the solicitation, the offer may be determined "unacceptable" and thus ineligible for award. Should the Offeror have any questions related to specific terms and conditions, these must be resolved prior to submission of the offer. Notwithstanding the above, if deviations and exceptions are included with the offer, the Offeror shall list and describe in detail the deviations and/or exceptions on the first page of each Tab. All deviations and exceptions shall be fully supported with the Offeror's rationale and shall fully explain the impact, if any, on the performance and/or specific requirement of the RFQ. The Offeror shall clearly describe on the Quote Cover Sheet submitted with the Price Quote any exception to the contractual and/or technical terms and include the monetary impact on the solicitation with the price quote. This information will not be evaluated separately but may impact the evaluation of other factors.

12.0 ADDITIONAL INFORMATION

Oral explanations or instructions are not binding. Any information given to an offeror which impacts the solicitation and/or offer will be given in the form of a written amendment to the solicitation.

Offerors must have an active registration in SAM.gov to be eligible for award.

Please NOTE this solicitation requires offerors to enter a National Institute of Standards and Technology (NIST) score in the Supplier Performance Risk System (SPRS). The NIST score is a responsibility item. Those without a NIST score in SPRS will be deemed NON-RESPONSIBLE and will not be eligible for award.
