## Section B - Supplies or Services & Prices or Costs

### Additional Information/Notes

#### ALLOWABILITY OF MATERIAL AND GENERAL BUSINESS EXPENSES (SEP 2015)

As used herein, the term "material" includes supplies, equipment, hardware, automatic data processing equipment, and software. This is a services contract, and the procurement of material of any kind, other than that incidental to, and necessary for the furnishing of the required services is not authorized and will not be considered an allowable cost under the contract. No such material of any kind may be procured without the prior written approval of the Contracting Officer.

#### PAYMENT OF FIXED FEE ("C" TYPE, CPFF CONTRACTS) (SEP 2015)

The fixed fee for work performed under this contract is \$\_\_\*\_\_ provided that approximately \_\_\*\*\_\_ hours of technical effort are employed by the contractor in performance of this contract. If substantially less than \_\_\*\*\_\_ hours of technical effort are employed, the fixed fee shall be equitably reduced to reflect the reduction of work. The Government shall make monthly payments of the fixed fee at the rate of \$\_\*\*\*\_ per direct labor hour invoiced by the contractor. All payments shall be in accordance with the provisions of FAR 52.216-8, "Fixed Fee," and FAR 52.216-7, "Allowable Cost and Payment." Payments shall be subject to the withholding provisions of Paragraph (b) of FAR 52.216-8, provided that the total of all such monthly payment shall not exceed eighty-five (85%) percent of the fixed fee. Any balance of fixed fee due the contractor shall be paid to the Contractor, and any over-payment of fixed fee shall be repaid to the Government by the Contractor, or otherwise credited to the Government at the time of final payment.

## Section C - Description/Specifications/Statement of Work

### STATEMENT OF WORK (SOW)

#### FOR SUSTAINMENT SUPPORT OF

#### BAE DIRECT DIGITAL RECEIVER SYSTEM (DDR<sub>x</sub>) AND SUPPORTING COMPONENTS

### 1.0 GENERAL

#### 1.1 Background

The mission of Forces Surveillance Support Center (FSSC) is to provide tactically significant wide-area Air and Maritime Surveillance track information to Joint Inter-Agency Task Force - South (JIATF-S) in support of US Southern Command's Counter-Narcotics Detection and Monitoring Mission. To meet mission requirements, a service agreement for engineering support and repair of the BAE DDR<sub>x</sub> system and components is required.

This Statement of Work (SOW) defines the scope and associated requirements for services to be provided to Forces Surveillance Support Center (FSSC) and its contractor by BAE Systems (hereinafter referred to as "Supplier").

#### 1.2 Scope

The Supplier will provide engineering services, supplies, software services and Risk Management Framework (RMF) support in support of the BAE Direct Digital Receiver (DDR<sub>x</sub>) systems and associated parts provided by the Supplier. All work will be performed at the ROTH<sub>R</sub> Receive sites located in Texas, Virginia, and Puerto Rico or at the Supplier's facilities in Australia.

#### 1.3 OBJECTIVE

The Supplier will also provide Post Design Services (PDS) performed on the hardware items (Lowest Replaceable Unit (LRU), Shop Replaceable Unit (SRU), assemblies, subassemblies, and components) for the Supplier's operational DDR<sub>x</sub> Systems. The Supplier will also provide software support and RMF support services on this contract.

### 2.0 SUSTAINMENT SUPPORT

This section describes the services to be performed by the Supplier. Unless stated otherwise, all work shall be performed at the ROTH<sub>R</sub> Receive sites located in Texas, Virginia and Puerto Rico (addresses shown below), or at the Supplier's facilities in Australia.

## **2.1 REPLACEMENT**

The Supplier shall replace degraded and/or inoperable item and provide an operational replacement asset, by initial inspection, preliminary testing, troubleshooting, disassembly as required of failed or unacceptable parts or components, incorporating approved modifications, re-assembly, inspection and final acceptance test. The turnaround timeframe is to be determined by severity, risks and degrading operation and determined by the government.

The Supplier shall provide a "Certificate of Conformity" (COC) that confirms the replacement product conforms to the original design specifications.

## **2.2 Technical Support and Post-Design Services**

The Supplier shall provide technical support, including technical advice, troubleshooting assistance, and other technical information via phone, email, text, or other electronic communication methods to support the operation and maintenance of Supplier-designed/manufactured equipment. This support may include, but is not limited to, general troubleshooting and repair, repair guidance, equipment servicing, operational inquiries, identification of spares, and responses to technical inquiries.

The Supplier shall provide engineering and post-design services, including scheduled training, root cause analysis, and other information in support of the operation and maintenance of Supplier-designed/manufactured equipment. Supplier-provided information may include identifying replacements for obsolete parts and components, potential modifications for FSSC applications, equipment servicing, technical training courses, supplying parts for required equipment modifications and related documentation.

In the event that assemblies, sub-assemblies, parts, or components installed on the equipment become obsolete and are known to the Supplier as no longer available for purchase, manufacturing, or otherwise obtained economically, the Supplier shall provide FSSC with a list of such items, including a) Nomenclature, b) Part Number, and c) Applicability to the next higher assembly.

Upon request, the Supplier may conduct engineering studies on the entire Supplier-developed system to a) improve reliability, b) enhance interoperability, c) improve testing or testability, d) improve maintainability, e) resolving any emerging issues, or f) upgrade or modification of Supplier equipment to meet evolving requirements or applications.

The Supplier shall also perform on-site field tasks related to Supplier-developed equipment, including trial fittings for modifications, replacement, training, and maintenance.

The Supplier shall provide spare component parts and assemblies as required for Supplier-supplied equipment.

## **2.3 SOFTWARE SUPPORT**

The contractor shall provide software management and support services to ensure the operational viability of the Digital Receiver System (DDR<sub>x</sub>) and associated components throughout their life cycle. The contractor shall provide technical support to diagnose and analyze software-related issues and will forward the results to the COR/ACOR. Additionally, the contractor shall provide software support services to include the modification, development, troubleshooting, and resolution of any issues related to the DDR<sub>x</sub> system software. This will include, but is not limited to, the integration of Commercial-off-the-Shelf (COTS) upgrades, software

optimization, refactoring, and minor bug fixes. The contractor shall coordinate with the COR/ACOR to implement software enhancements aimed at addressing system deficiencies and improving operational effectiveness, maintainability, and usability.

## **2.4 Risk Management Framework Support**

The contractor shall provide support for the implementation of Risk Management Framework (RMF) mandates that affect the DDRx System. FSSC is mandated by DoD to manage cybersecurity risk on the ROTHr system through utilization of the National Institute of Standards and Technology (NIST) RMF process. RMF uses a risk-based cybersecurity approach for enterprise-level authorization of systems and services and implements and enforces a tailored set of security controls and focuses on security as an integral part of a system's overall lifecycle. DISA Security Technical Implementation Guides (STIGs), Security Checklists, and Security Requirements Guides (SRGs) are available at <https://cyber.mil/stigs>

The contractor, as directed by the COR/ACOR, shall ensure alignment with all applicable DoD Cyber Security to include any procurement and installation of supporting hardware, software or software licensing necessary to adhere to the requirements, policies, and established best practices of RMF. The contractor shall ensure that any update is compatible within the ROTHr system. The contractor shall deliver a report upon completion of any update.

## **2.5 ASSET RETURN PROCESS**

- A. The Contractor shall be responsible for the entirety of the return process for Direct Digital Receiver (DDRx) System.
- B. The Contractor shall make all arrangements and provide (FSSC) a comprehensive clear process for the return to the Suppliers facility of non-operational system assets and their return back to the user location.
- C. The Contractor shall execute the return shipping process of non-operational DDRx system assets for their entirety of the shipping process for the return of the replacement operational assets to the user location.
- D. The tasks of the supporting Contractor shall be, but not limited to the following:
  1. The Contractor shall set up/arrange for/contract for all shipping arrangements through a US Department of Defense (DoD) and Commonwealth of Australia (CoA) approved shipping provider and designate return and delivery points at each geographical location in Texas and Virginia for the entry of the item(s) into the retrograde process.
  2. The Contractor shall provide a point of contact to initiate the return process.
  3. The Contractor shall provide MoD and BAE approved shipping containers in sufficient numbers to account for the potential number of items that could be returned. The Contractor shall provide the user location with approved packing instructions for each specific returnable item, to include any special handling and security protocols if required to be taken with that item.
  4. The Contractor shall be responsible for all administrative/customs/import license formalities relating to both retrograde and return of operational unit shipments.
  5. The Contractor shall provide explicit instructions for personnel at the user location on how to visually inspect returned assets to ensure the unit(s) arrived in ready to issue condition.

## **3.0 CONTRACTOR PERSONNEL**

### **3.1 QUALIFIED Personnel**

The Contractor shall provide qualified personnel to perform all requirements specified in this SOW.

### **3.3 EMPLOYEE Identification**

**3.3.1** Contractor employees visiting Government facilities shall wear an identification badge that, at a minimum, displays the Contractor name, the employee's photo, name, clearance-level and badge expiration date. Visiting Contractor employees shall comply with all Government escort rules and requirements. All Contractor employees shall identify themselves as Contractors when their status is not readily apparent and always display all identification and visitor badges in plain view above the waist.

**3.3.2** Contractor employees working on-site at Government facilities shall wear a Government issued identification badge. All Contractor employees shall identify themselves as Contractors when their status is not readily apparent (in meetings, when answering Government telephones, in e-mail messages, etc.) and display the Government always issued badge in plain view above the waist.

### **3.4 Employee Conduct**

Contractor's employees shall comply with all applicable Government regulations, policies and procedures (e.g., fire, safety, sanitation, environmental protection, security, "off limits" areas, wearing of parts of Government uniforms, and possession of weapons) when visiting or working at Government facilities. The Contractor shall ensure Contractor employees present a professional appearance at all times and that their conduct shall not reflect discredit on the United States or the Department of the Navy. The Contractor Representative shall ensure Contractor employees understand and abide by Department of the Navy established rules, regulations and policies concerning safety and security.

### **3.5 Removing Employees for Misconduct or Security Reasons**

The Government may, at its sole discretion (via the Contracting Officer), direct the Contractor to remove any Contractor employee from Government facilities for misconduct or security reasons. Removal does not relieve the Contractor of the responsibility to continue providing the services required under the contract. The Contracting Officer will provide the Contractor with a written explanation to support any request to remove an employee.

## **4.0 OTHER APPLICABLE CONDITIONS**

### **4.1 SECURITY**

Contractor access to classified information is not currently required under this SOW. However, the Government at a later date may require all Contractor personnel to have Secret clearances. Ensure that all Contractor Personnel become familiar with and obey base regulations onboard a Government facility. Contractor personnel shall keep within the limits of the work being conducted. Entry into any Government facility not in the contract is strictly prohibited.

### **4.2 PERIOD of Performance**

The period of performance for this contract is a one-year Base Period with four Option periods from the date of award.

Base Period 26 June 2026 through 25 June 2027

Option Year One 26 June 2027 through 25 June 2028

Option Year Two 26 June 2028 through 25 June 2029

Option Year Three 26 June 2029 through 25 June 2030

Option Year Four 26 June 2030 through 25 June 2031

#### 4.3 PLACE OF PERFORMANCE

The primary place of performance will be a combination of the Contractor's facilities and ROTHF receive sites in Texas, Virginia and Puerto Rico.

#### 4.4 Travel

Contractor travel scheduled or routine, may be required to support this requirement. All travel required by the Government outside the local commuting area(s) will be reimbursed to the Contractor in accordance with the Federal Travel Regulations. The Contractor shall be responsible for obtaining COR approval (electronic mail is acceptable) for all reimbursable travel in advance of each travel event. For estimating purposes, it is anticipated that the following travel requirements (round-trip) may be necessary:

Estimated numbers and locations of travel:

| From/To                            | # Trips | # Days | # People |
|------------------------------------|---------|--------|----------|
| Australia to Premont, Texas        | 5       | 7      | 2        |
| Australia to Freer, Texas          | 5       | 7      | 2        |
| Australia to Chesapeake, Virginia  | 5       | 7      | 2        |
| Australia to San Juan, Puerto Rico | 5       | 7      | 2        |

#### 4.5 POST AWARD CONFERENCE

The Contractor shall attend a Post Award Conference with the Contracting Officer and the COR no later than 10 business days after the date of award. The purpose of the Post Award Conference, which will be chaired by the Contracting Officer, is to discuss technical and contracting objectives of this contract and review the Contractor's draft project plan. The Post Award Conference will be held via teleconference.

#### 4.6 PROJECT PLAN

The Contractor shall provide a draft Project Plan at the Post Award Conference for Government review and comment. The plan, at a minimum, shall include: (a) list of work to be performed;(b) project schedule; (c) description of intended results; (d) role of key personnel, if applicable and (e) how quality of service (project) will be maintained throughout life of contract. The Contractor shall provide a final Project Plan to the COR not later than 10 business days after the Post Award Conference.

#### 4.7 PROGRESS REPORTS

The Contractor Representative shall provide a monthly progress report to the Contracting Officer and COR via electronic mail. This report shall include a summary of all Contractor work performed, including a breakdown

of labor hours by labor category, all direct costs by line item, an assessment of technical progress, schedule status, any travel conducted and any Contractor concerns or recommendations for the previous reporting period.

#### **4.8 PROGRESS MEETINGS**

The Contractor Representative shall be responsible for keeping the COR informed about Contractor progress throughout the performance period of this contract and ensure Contractor activities are aligned with Government objectives. At a minimum, the Contractor Representative shall review the status and results of Contractor performance with the COR on a monthly basis by telephone.

#### **4.9 GENERAL REPORT REQUIREMENTS**

The Contractor shall provide all written reports in electronic format with read/write capability using applications that are compatible with Government workstations (Windows and Microsoft Office Applications).

#### **5.0 GOVERNMENT FURNISHED RESOURCES**

The Government has provided a test fixture for the contractor to utilize for troubleshooting and developmental purposes. The equipment was delivered under contract HHM402-15-C-0059 & N0018922CZ021 and currently resides at the ROTH sites. Texas and Virginia ROTH facilities.

#### **6.0 CONTRACTOR FURNISHED PROPERTY**

The Contractor shall furnish all facilities, materials, equipment and services necessary to fulfill the requirements of this contract.

#### **7.0 GOVERNMENT ACCEPTANCE PERIOD**

The COR will review deliverables prior to acceptance and provide the contractor with an e-mail that provides documented reasons for non-acceptance. If the deliverable is acceptable, the COR will send an e-mail to the Contractor notifying it that the deliverable has been accepted.

**7.1** The COR will have the right to reject or require correction of any deficiencies found in the deliverables that are contrary to the information contained in the Contractor's accepted proposal. In the event of a rejected deliverable, the Contractor will be notified in writing by the COR of the specific reasons for rejection. The Contractor may have an opportunity to correct the rejected deliverable and return it per delivery instructions.

**7.2** The COR will have 5 business days to review deliverables and make comments. The Contractor shall have 5 business days to make corrections and redeliver.

**7.3** All other review times and schedules for deliverables shall be agreed upon by the parties based on the final approved Project Plan. The Contractor shall be responsible for timely delivery to Government personnel in the agreed upon review chain, at each stage of the review. The Contractor shall work with personnel reviewing the deliverables to assure that the established schedule is maintained.

## 8.0 DELIVERABLES

The Contractor shall consider items in **BOLD** as having mandatory due dates. Items in *italics* are deliverables or events that must be reviewed and/or approved by the COR prior to proceeding to next deliverable or event in this SOW.

| ITEM | SOW REFERENCE | DELIVERABLE / EVENT                  | DUE BY               | DISTRIBUTION                   |

### REIMBURSEMENT OF TRAVEL COST (SEP 2015)

#### (a) Travel

(1) Area of Travel. Performance under this contract may require travel by contractor personnel. If travel, domestic or overseas, is required, the contractor is responsible for making all needed arrangements for his personnel. This includes but is not limited to the following:

Medical Examinations

Immunization

Passports, visas, etc.

Security Clearances

All contractor personnel required to perform work on any U.S. Navy vessel will have to obtain boarding authorization from the Commanding Officer of the vessel prior to boarding.

(2) Travel Policy. The Government will reimburse the contractor for allowable travel costs incurred by the contractor in performance of the contract and determined to be in accordance with FAR subpart 31.2, subject to the following provisions: Travel required for tasks assigned under this contract shall be governed in accordance with rules set forth for temporary duty travel in FAR 31.205-46.

(3) Travel. Travel, subsistence, and associated labor charges for travel time are authorized, whenever a task assignment requires work to be accomplished at a temporary alternate worksite.

Travel performed for personal convenience and daily travel to and from work at contractor's facility will not be reimbursed.

(4) Per Diem. Per diem for travel on work assigned under this contract will be reimbursed to employees consistent with company policy, but not to exceed the amount authorized in the Department of Defense Joint Travel Regulations.

(5) Shipboard Stays. Whenever work assignments require temporary duty aboard a Government ship, the contractor will be reimbursed at the per diem rates identified in paragraphs C8101.2C or C81181.3B(6) of the DOD Joint Travel Regulations, Volume 2.

(6) Air/Rail Travel. In rendering the services, the contractor shall be reimbursed for the actual costs of transportation incurred by its personnel not to exceed the cost of tourist class rail, or plane fare, to the extent that such transportation is necessary for the performance of the services hereunder and is authorized by the Ordering Officer. Such authorization by the Ordering Officer shall be indicated in the order or in some other suitable written form.

NOTE: To the maximum extent practicable without the impairment of the effectiveness of the mission, transportation shall be tourist class. In the event that only first class travel is available, it will be allowed, provided justification therefore is fully documented and warranted.

(7) Private Automobile. The use of privately owned conveyance within the continental United States by the traveler will be reimbursed to the contractor at the mileage rate allowed by Joint Travel Regulations. Authorization for the use of privately owned conveyance shall be indicated on the order. Distances traveled between points shall be shown in standard highway mileage guides. Any deviations from distance shown in such standard mileage guides shall be explained by the traveler on his expense sheet.

(8) Car Rental. The contractor shall be entitled to reimbursement for car rental, exclusive of mileage charges, as authorized by each order, when the services are required to be performed outside the normal commuting distance from the contractor's facilities. Car rental for TDY teams will be limited to a rate of one car for every four (4) persons on TDY at one site.

## Section G - Contract Administration Data

### SECTION G

#### COMMUNICATIONS DURING THE LIFE OF THE CONTRACT (SEP 2015)

(a) Except as specified in paragraph (b) below, no order, statement, or conduct of Government personnel who visit the Contractor's facilities or in any other manner communicates with Contractor personnel during the performance of this contract shall constitute a change under the "Changes" clause of this contract.

(b) The Contractor shall not comply with any order, direction or request of Government personnel unless it is issued in writing and signed by the Contracting Officer, or is pursuant to specific authority otherwise included as a part of this contract.

(c) The Contracting Officer is the only person authorized to approve changes in any of the requirements of this contract and, notwithstanding provisions contained elsewhere in this contract, the said authority remains solely the Contracting Officer's. In the event the contractor effects any change at the direction of any person other than the Contracting Officer, the change will be considered to have been made without authority and no adjustment will be made in the contract price to cover any increase in charges incurred as a result thereof. The address and telephone number of the Principal Contracting Officer is:

Joseph Haviland

FLCN Philadelphia 700 Robbins AVE,

BLDG 2B Philadelphia, PA 19111

Phone: (564) 230-2394

e-mail: [joseph.a.haviland2.civ@us.navy.mil](mailto:joseph.a.haviland2.civ@us.navy.mil)

#### COST ACCOUNTING STANDARDS ADMINISTRATION

A copy of the contract will be furnished to the Contract Administration Office cognizant of the Contractor's facility for administration of the Cost Accounting Standards provisions contained herein.

NOTE: The following clause will be included in the contract. The Small Business Subcontracting Plan submitted in accordance with this clause (as part of the cost/price proposal, in accordance with Section L, Submission of Offers Clause) will become an attachment to the contract.

#### SUBCONTRACTING PLAN - INCORPORATED (SEP 2015)

In accordance with FAR 19.702, the contractor has submitted a subcontracting plan which has been reviewed and approved by the contracting officer. The plan is hereby incorporated into this award as attachment \_\_\_\_\_. The ACO is hereby delegated authority to monitor implementation of The Small Business and Small Disadvantaged Business Subcontracting Plan.

252.232-7006 Wide Area WorkFlow Payment Instructions.

(Jan 2023)

#### WIDE AREA WORKFLOW PAYMENT INSTRUCTIONS (JAN 2023)

(a) *Definitions.* As used in this clause-

"Department of Defense Activity Address Code (DoDAAC)" is a six position code that uniquely identifies a unit, activity, or organization.

"Document type" means the type of payment request or receiving report available for creation in Wide Area WorkFlow (WAWF).

"Local processing office (LPO)" is the office responsible for payment certification when payment certification is done external to the entitlement system.

"Payment request" and "receiving report" are defined in the clause at 252.232-7003, Electronic Submission of Payment Requests and Receiving Reports.

(b) *Electronic invoicing.* The WAWF system provides the method to electronically process vendor payment requests and receiving reports, as authorized by Defense Federal Acquisition Regulation Supplement (DFARS) 252.232-7003, Electronic Submission of Payment Requests and Receiving Reports.

(c) *WAWF access.* To access WAWF, the Contractor shall-

(1) Have a designated electronic business point of contact in the System for Award Management at <https://www.sam.gov>; and

(2) Be registered to use WAWF at <https://wawf.eb.mil/> following the step-by-step procedures for self-registration available at this web site.

(d) *WAWF training.* The Contractor should follow the training instructions of the WAWF Web-Based Training Course and use the Practice Training Site before submitting payment requests through WAWF. Both can be accessed by selecting the "Web Based Training" link on the WAWF home page at <https://wawf.eb.mil/>

(e) *WAWF methods of document submission.* Document submissions may be via web entry, Electronic Data Interchange, or File Transfer Protocol.

(f) *WAWF payment instructions.* The Contractor shall use the following information when submitting payment requests and receiving reports in WAWF for this contract or task or delivery order:

(1) *Document type.* The Contractor shall submit payment requests using the following document type(s):

(i) For cost-type line items, including labor-hour or time-and-materials, submit a cost voucher.

(ii) For fixed price line items-

(A) That require shipment of a deliverable, submit the invoice and receiving report specified by the Contracting Officer.

=====  
(Contracting Officer: Insert applicable invoice and receiving report document type(s) for fixed price line items that require shipment of a deliverable.)

(B) For services that do not require shipment of a deliverable, submit either the Invoice 2in1, which meets the requirements for the invoice and receiving report, or the applicable invoice and receiving report, as specified by the Contracting Officer.

=====  
(Contracting Officer: Insert either "Invoice 2in1" or the applicable invoice and receiving report document type(s) for fixed price line items for services.)

(iii) For customary progress payments based on costs incurred, submit a progress payment request.

(iv) For performance based payments, submit a performance based payment request.

(v) For commercial financing, submit a commercial financing request.

(2) ) Fast Pay requests are only permitted when Federal Acquisition Regulation (FAR) 52.213-1 is included in the contract.

[Note: The Contractor may use a WAWF "combo" document type to create some combinations of invoice and receiving report in one step.]

(3) *Document routing.* The Contractor shall use the information in the Routing Data Table below only to fill in applicable fields in WAWF when creating payment requests and receiving reports in the system.

Routing Data Table\*

(\*\*Contracting Officer: If the contract provides for progress payments or performance-based payments, insert the DoDAAC for the contract administration office assigned the functions under FAR 42.302(a)(13).)

(4) *Payment request.* The Contractor shall ensure a payment request includes documentation appropriate to the type of payment request in accordance with the payment clause, contract financing clause, or Federal Acquisition Regulation 52.216-7, Allowable Cost and Payment, as applicable.

(5) *Receiving report.* The Contractor shall ensure a receiving report meets the requirements of DFARS Appendix F.

(g) *WAWF point of contact.*

(1) The Contractor may obtain clarification regarding invoicing in WAWF from the following contracting activity's WAWF point of contact.

=====

(Contracting Officer: Insert applicable information or "Not applicable.")

(2) Contact the WAWF helpdesk at 866-618-5988, if assistance is needed.

## Section H - Special Contract Requirements

### LIABILITY INSURANCE (COST TYPE CONTRACTS) (SEP 2015)

The following types of insurance are required in accordance with the clause entitled "INSURANCE-LIABILITY TO THIRD PERSONS" (FAR 52.228-7) and shall be maintained in the minimum amounts shown:

(1) Comprehensive General Liability: \$200,000 per person and \$500,000 per accident for bodily injury. No property damage general liability insurance is required.

(2) Automobile Insurance: \$200,000 per person and \$500,000 per accident for bodily injury and \$20,000 per accident for property damage. Comprehensive form of policy is required.

(3) Standard Workmen's Compensation and Employer's Liability Insurance (or, where maritime employment is involved, Longshoremen's and Harbor Worker's Compensation Insurance) in the minimum amount of \$100,000.

### COST LIMITATION CEILINGS ON INDIRECT RATES (SEP 2015)

If an offeror proposes cost limitation ceilings on indirect rates, the offeror is advised that the Government may evaluate the offeror's cost proposal accordingly. The decision to propose cost limitation ceilings is the offeror's decision. In the event the offeror proposes indirect rate limitations, these same ceiling rate limitations may be incorporated into any resultant contract without discussion. Under any cost reimbursement contract, the indirect rates billed shall be limited to the ceiling rate(s) identified in the contract. Any costs incurred above ceiling rates are not allowable.

### APPOINTMENT OF CONTRACTING OFFICER'S REPRESENTATIVE (SEP 2015)

(a) The Contracting Officer hereby designates the following individual as Contracting Officer's Representative(s) (COR) for this contract:

---

NAME CODE

---

MAIL ADDRESS

---

TELEPHONE NUMBER

(b) In the absence of the COR named above, all responsibilities and functions assigned to the COR shall be the responsibility of the alternate COR acting on behalf of the COR. The Contracting Officer hereby appoints the following individual as the alternate COR:

#### **FAR Clauses Incorporated by Full Text**

**52.216-7 Allowable Cost and Payment. (Deviation 2026-O0038) (Feb 2026)**

#### **ALLOWABLE COST AND PAYMENT (FEB 2026) (DEVIATION 2026-O0038)**

##### **(a) Invoicing.**

(1) The Government will make payments to the Contractor when requested as work progresses, but (except for small business concerns) not more often than once every 2 weeks, in amounts determined to be allowable by the Contracting Officer in accordance with Federal Acquisition Regulation (FAR) subpart 31.2 in effect on the date of this contract and the terms of this contract. The Contractor may submit to an authorized representative of the Contracting Officer, in such form and reasonable detail as the representative may require, an invoice or voucher supported by a statement of the claimed allowable cost for performing this contract.

(2) Contract financing payments are not subject to the interest penalty provisions of the Prompt Payment Act. Interim payments made prior to the final payment under the contract are contract financing payments, except interim payments if this contract contains Alternate I to the clause at 52.232-25.

(3) The designated payment office will make interim payments for contract financing on the 30th[Contracting Officer insert day as prescribed by agency head; if not prescribed, insert "30th"] day after the designated billing office receives a proper payment request. In the event that the Government requires an audit or other review of a specific payment request to ensure compliance with the terms and conditions of the contract, the designated payment office is not compelled to make payment by the specified due date.

##### **(b) Reimbursing costs.**

(1) For the purpose of reimbursing allowable costs (except as provided in paragraph (b)(2) of this clause, with respect to pension, deferred profit sharing, and employee stock ownership plan contributions), the term "costs" includes only-

(i) Those recorded costs that, at the time of the request for reimbursement, the Contractor has paid by cash, check, or other form of actual payment for items or services purchased directly for the contract;

(ii) When the Contractor is not delinquent in paying costs of contract performance in the ordinary course of business, costs incurred, but not necessarily paid, for-

(A) Supplies and services purchased directly for the contract and associated financing payments to subcontractors, provided payments determined due will be made-

(1) In accordance with the terms and conditions of a subcontract or invoice; and

(2) Ordinarily within 30 days of the submission of the Contractor's payment request to the Government;

(B) Materials issued from the Contractor's inventory and placed in the production process for use on the contract;

(C) Direct labor;

(D) Direct travel;

(E) Other direct in-house costs; and

(F) Properly allocable and allowable indirect costs, as shown in the records maintained by the Contractor for purposes of obtaining reimbursement under Government contracts; and

(iii) The amount of financing payments that have been paid by cash, check, or other forms of payment to subcontractors.

(2) Accrued costs of Contractor contributions under employee pension plans shall be excluded until actually paid unless-

(i) The Contractor's practice is to make contributions to the retirement fund quarterly or more frequently; and

(ii) The contribution does not remain unpaid 30 days after the end of the applicable quarter or shorter payment period (any contribution remaining unpaid shall be excluded from the Contractor's indirect costs for payment purposes).

(3) Notwithstanding the audit and adjustment of invoices or vouchers under paragraph (g) of this clause, allowable indirect costs under this contract shall be obtained by applying indirect cost rates established in accordance with paragraph (d) of this clause.

(4) Any statements in specifications or other documents incorporated in this contract by reference designating performance of services or furnishing of materials at the Contractor's expense or at no cost to the Government shall be disregarded for purposes of cost-reimbursement under this clause.

(c) *Small business concerns.* A small business concern may receive more frequent payments than every 2 weeks.

(d) Final indirect cost rates.

(1) Final annual indirect cost rates and the appropriate bases shall be established in accordance with subpart 42.7 of the Federal Acquisition Regulation (FAR) in effect for the period covered by the indirect cost rate proposal.

(2)

(i) The Contractor shall submit an adequate final indirect cost rate proposal to the Contracting Officer (or cognizant Federal agency official) and auditor within the 6-month period following the expiration of each of its fiscal years. Reasonable extensions, for exceptional circumstances only, may be requested in writing by the Contractor and granted in writing by the Contracting Officer. The Contractor shall support its proposal with adequate supporting data.

(ii) The proposed rates shall be based on the Contractor's actual cost experience for that period. The appropriate Government representative and the Contractor shall establish the final indirect cost rates as promptly as practical after receipt of the Contractor's proposal.

(iii) An adequate indirect cost rate proposal shall include the following data unless otherwise specified by the cognizant Federal agency official:

(A) Summary of all claimed indirect expense rates, including pool, base, and calculated indirect rate.

(B) *General and Administrative expenses (final indirect cost pool).* Schedule of claimed expenses by element of cost as identified in accounting records (Chart of Accounts).

(C) *Overhead expenses (final indirect cost pool).* Schedule of claimed expenses by element of cost as identified in accounting records (Chart of Accounts) for each final indirect cost pool.

(D) *Occupancy expenses (intermediate indirect cost pool).* Schedule of claimed expenses by element of cost as identified in accounting records (Chart of Accounts) and expense reallocation to final indirect cost pools.

(E) Claimed allocation bases, by element of cost, used to distribute indirect costs.

(F) Facilities capital cost of money factors computation.

(G) Reconciliation of books of account (i.e., General Ledger) and claimed direct costs by major cost element.

(H) Schedule of direct costs by contract and subcontract and indirect expense applied at claimed rates, as well as a subsidiary schedule of Government participation percentages in each of the allocation base amounts.

(I) Schedule of cumulative direct and indirect costs claimed and billed by contract and subcontract.

(J) *Subcontract information.* Listing of subcontracts awarded to companies for which the contractor is the prime or upper-tier contractor (include prime and subcontract numbers; subcontract value and award type; amount claimed during the fiscal year; and the subcontractor name, address, and point of contact information).

(K) Summary of each time-and-materials and labor-hour contract information, including labor categories, labor rates, hours, and amounts; direct materials; other direct costs; and, indirect expense applied at claimed rates.

(L) Reconciliation of total payroll per IRS form 941 to total labor costs distribution.

(M) Listing of decisions/agreements/approvals and description of accounting/organizational changes.

(N) Certificate of final indirect costs (see 52.242-4, Certification of Final Indirect Costs).

(O) Contract closing information for contracts physically completed in this fiscal year (include contract number, period of performance, contract ceiling amounts, contract fee computations, level of effort, and indicate if the contract is ready to close).

(iv) The following supplemental information is not required to determine if a proposal is adequate, but may be required during the audit process:

(A) Comparative analysis of indirect expense pools detailed by account to prior fiscal year and budgetary data.

(B) General organizational information and limitation on allowability of compensation for certain contractor personnel. See 31.205-6(p).

(C) Identification of prime contracts under which the contractor performs as a subcontractor.

(D) Description of accounting system (excludes contractors required to submit a CAS Disclosure Statement or contractors where the description of the accounting system has not changed from the previous year's submission).

(E) Procedures for identifying and excluding unallowable costs from the costs claimed and billed (excludes contractors where the procedures have not changed from the previous year's submission).

(F) Certified financial statements and other financial data (*e.g.*, trial balance, compilation, review, *etc.*).

(G) Management letter from outside CPAs concerning any internal control weaknesses.

(H) Actions that have been and/or will be implemented to correct the weaknesses described in the management letter from subparagraph (G) of this section.

(I) List of all internal audit reports issued since the last disclosure of internal audit reports to the Government.

(J) Annual internal audit plan of scheduled audits to be performed in the fiscal year when the final indirect cost rate submission is made.

(K) Federal and State income tax returns.

(L) Securities and Exchange Commission 10-K annual report.

(M) Minutes from board of directors meetings.

(N) Listing of delay claims and termination claims submitted which contain costs relating to the subject fiscal year.

(O) Contract briefings, which generally include a synopsis of all pertinent contract provisions, such as: contract type, contract amount, product or service(s) to be provided, contract performance period, rate ceilings, advance approval requirements, pre-contract cost allowability limitations, and billing limitations.

(v) The Contractor shall update the billings on all contracts to reflect the final settled rates and update the schedule of cumulative direct and indirect costs claimed and billed, as required in paragraph (d)(2)(iii)(I) of this section, within 60 days after settlement of final indirect cost rates.

(3) The Contractor and the appropriate Government representative shall execute a written understanding setting forth the final indirect cost rates. The understanding shall specify (i) the agreed-upon final annual indirect cost rates, (ii) the bases to which the rates apply, (iii) the periods for which the rates apply, (iv) any specific indirect cost items treated as direct costs in the settlement, and (v) the affected contract and/or subcontract, identifying any with advance agreements or special terms and the applicable rates. The understanding shall not change any monetary ceiling, contract obligation, or specific cost allowance or disallowance provided for in this contract. The understanding is incorporated into this contract upon execution.

(4) Failure by the parties to agree on a final annual indirect cost rate shall be a dispute within the meaning of the Disputes clause.

(5) Within 120 days (or longer period if approved in writing by the Contracting Officer) after settlement of the final annual indirect cost rates for all years of a physically complete contract, the Contractor shall submit a completion invoice or voucher to reflect the settled amounts and rates. The completion invoice or voucher shall include settled subcontract amounts and rates. The prime contractor is responsible for settling subcontractor amounts and rates included in the completion invoice or voucher and providing status of subcontractor audits to the contracting officer upon request.

(6)

(i) If the Contractor fails to submit a completion invoice or voucher within the time specified in paragraph (d)(5) of this clause, the Contracting Officer may-

(A) Determine the amounts due to the Contractor under the contract; and

(B) Record this determination in a unilateral modification to the contract.

(ii) This determination constitutes the final decision of the Contracting Officer in accordance with the Disputes clause.

(e) *Billing rates.* Until final annual indirect cost rates are established for any period, the Government shall reimburse the Contractor at billing rates established by the Contracting Officer or by an authorized representative (the cognizant auditor), subject to adjustment when the final rates are established. These billing rates-

(1) Shall be the anticipated final rates; and

(2) May be prospectively or retroactively revised by mutual agreement, at either party's request, to prevent substantial overpayment or underpayment.

(f) *Quick-closeout procedures.* Quick-closeout procedures are applicable when the conditions in FAR 42.708(a) are satisfied.

(g) *Audit.* At any time or times before final payment, the Contracting Officer may have the Contractor's invoices or vouchers and statements of cost audited. Any payment may be-

(1) Reduced by amounts found by the Contracting Officer not to constitute allowable costs; or

(2) Adjusted for prior overpayments or underpayments.

(h) *Final payment.*

(1) Upon approval of a completion invoice or voucher submitted by the Contractor in accordance with paragraph (d)(5) of this clause, and upon the Contractor's compliance with all terms of this contract, the Government shall promptly pay any balance of allowable costs and that part of the fee (if any) not previously paid.

(2) The Contractor shall pay to the Government any refunds, rebates, credits, or other amounts (including interest, if any) accruing to or received by the Contractor or any assignee under this contract, to the extent that those amounts are properly allocable to costs for which the Contractor has been reimbursed by the Government. Reasonable expenses incurred by the Contractor for securing refunds, rebates, credits, or other amounts shall be allowable costs if approved by the Contracting Officer. Before final payment under this contract, the Contractor and each assignee whose assignment is in effect at the time of final payment shall execute and deliver-

(i) An assignment to the Government, in form and substance satisfactory to the Contracting Officer, of refunds, rebates, credits, or other amounts (including interest, if any) properly allocable to costs for which the Contractor has been reimbursed by the Government under this contract; and

(ii) A release discharging the Government, its officers, agents, and employees from all liabilities, obligations, and claims arising out of or under this contract, except-

(A) Specified claims stated in exact amounts, or in estimated amounts when the exact amounts are not known;

(B) Claims (including reasonable incidental expenses) based upon liabilities of the Contractor to third parties arising out of the performance of this contract; provided, that the claims are not known to the Contractor on the date of the execution of the release, and that the Contractor gives notice of the claims in writing to the Contracting Officer within 6 years following the release date or notice of final payment date, whichever is earlier; and

(C) Claims for reimbursement of costs, including reasonable incidental expenses, incurred by the Contractor under the patent clauses of this contract, excluding, however, any expenses arising from the Contractor's indemnification of the Government against patent liability.

**52.217-9 Option to Extend the Term of the Contract.**

**(Mar 2000)**

Option to Extend the Term of the Contract (Mar 2000)

(a) The Government may extend the term of this contract by written notice to the Contractor within 10 days of contract expiration.

(b) If the Government exercises this option, the extended contract shall be considered to include this option clause.

(c) The total duration of this contract, including the exercise of any options under this clause, shall not exceed 5 years.

**52.229-8 Taxes-Foreign Cost-Reimbursement Contracts.**

**(Mar 1990)**

TAXES-FOREIGN COST-REIMBURSEMENT CONTRACTS (MAR 1990)

(a) Any tax or duty from which the United States Government is exempt by agreement with the Government of Australia[insert name of the foreign government], or from which the Contractor or any subcontractor under this contract is exempt under the laws of Australia[insert name of country], shall not constitute an allowable cost under this contract.

(b) If the Contractor or subcontractor under this contract obtains a foreign tax credit that reduces its Federal income tax liability under the United States Internal Revenue Code (Title 26, U.S. Code) because of the payment of any tax or duty that was reimbursed under this contract, the amount of the reduction shall be paid or credited at the time of such offset to the Government of the United States as the Contracting Officer directs.

(End of clause)

**52.244-2 Subcontracts.**

**(Jun 2020)**

**SUBCONTRACTS (JUN 2020)**

(a) *Definitions.* As used in this clause-

"Approved purchasing system" means a Contractor's purchasing system that has been reviewed and approved in accordance with part 44 of the Federal Acquisition Regulation (FAR).

"Consent to subcontract" means the Contracting Officer's written consent for the Contractor to enter into a particular subcontract.

*Subcontract* means any contract, as defined in FAR subpart 2.1, entered into by a subcontractor to furnish supplies or services for performance of the prime contract or a subcontract. It includes, but is not limited to, purchase orders, and changes and modifications to purchase orders.

(b) When this clause is included in a fixed-price type contract, consent to subcontract is required only on unpriced contract actions (including unpriced modifications or unpriced delivery orders), and only if required in accordance with paragraph (c) or (d) of this clause.

(c) If the Contractor does not have an approved purchasing system, consent to subcontract is required for any subcontract that-

(1) Is of the cost-reimbursement, time-and-materials, or labor-hour type; or

(2) Is fixed-price and exceeds-

(i) For a contract awarded by the Department of Defense, the Coast Guard, or the National Aeronautics and Space Administration, the greater of the simplified acquisition threshold, as defined in FAR 2.101 on the date of subcontract award, or 5 percent of the total estimated cost of the contract; or

(ii) For a contract awarded by a civilian agency other than the Coast Guard and the National Aeronautics and Space Administration, either the simplified acquisition threshold, as defined in FAR 2.101 on the date of subcontract award, or 5 percent of the total estimated cost of the contract.

(d) If the Contractor has an approved purchasing system, the Contractor nevertheless shall obtain the Contracting Officer's written consent before placing the following subcontracts:

=====

(e)

(1) The Contractor shall notify the Contracting Officer reasonably in advance of placing any subcontract or modification thereof for which consent is required under paragraph (b), (c), or (d) of this clause, including the following information:

(i) A description of the supplies or services to be subcontracted.

(ii) Identification of the type of subcontract to be used.

(iii) Identification of the proposed subcontractor.

(iv) The proposed subcontract price.

(v) The subcontractor's current, complete, and accurate certified cost or pricing data and Certificate of Current Cost or Pricing Data, if required by other contract provisions.

(vi) The subcontractor's Disclosure Statement or Certificate relating to Cost Accounting Standards when such data are required by other provisions of this contract.

(vii) A negotiation memorandum reflecting-

(A) The principal elements of the subcontract price negotiations;

(B) The most significant considerations controlling establishment of initial or revised prices;

(C) The reason certified cost or pricing data were or were not required;

(D) The extent, if any, to which the Contractor did not rely on the subcontractor's certified cost or pricing data in determining the price objective and in negotiating the final price;

(E) The extent to which it was recognized in the negotiation that the subcontractor's certified cost or pricing data were not accurate, complete, or current; the action taken by the Contractor and the subcontractor; and the effect of any such defective data on the total price negotiated;

(F) The reasons for any significant difference between the Contractor's price objective and the price negotiated; and

(G) A complete explanation of the incentive fee or profit plan when incentives are used. The explanation shall identify each critical performance element, management decisions used to quantify each incentive element, reasons for the incentives, and a summary of all trade-off possibilities considered.

(2) The Contractor is not required to notify the Contracting Officer in advance of entering into any subcontract for which consent is not required under paragraph (b), (c), or (d) of this clause.

(f) Unless the consent or approval specifically provides otherwise, neither consent by the Contracting Officer to any subcontract nor approval of the Contractor's purchasing system shall constitute a determination-

(1) Of the acceptability of any subcontract terms or conditions;

(2) Of the allowability of any cost under this contract; or

(3) To relieve the Contractor of any responsibility for performing this contract.

(g) No subcontract or modification thereof placed under this contract shall provide for payment on a cost-plus-a-percentage-of-cost basis, and any fee payable under cost-reimbursement type subcontracts shall not exceed the fee limitations in FAR 15.404-4(c)(4)(i).

(h) The Contractor shall give the Contracting Officer immediate written notice of any action or suit filed and prompt notice of any claim made against the Contractor by any subcontractor or vendor that, in the opinion of the Contractor, may result in litigation related in any way to this contract, with respect to which the Contractor may be entitled to reimbursement from the Government.

(i) The Government reserves the right to review the Contractor's purchasing system as set forth in FAR subpart 44.3.

(j) Paragraphs (c) and (e) of this clause do not apply to the following subcontracts, which were evaluated during negotiations:

**52.247-1 Commercial Bill of Lading Notations.**

**(Feb 2006)**

**COMMERCIAL BILL OF LADING NOTATIONS (FEB 2006)**

When the Contracting Officer authorizes supplies to be shipped on a commercial bill of lading and the Contractor will be reimbursed these transportation costs as direct allowable costs, the Contractor shall ensure before shipment is made that the commercial shipping documents are annotated with either of the following notations, as appropriate:

(a) If the Government is shown as the consignor or the consignee, the annotation shall be:

Transportation is for the \_\_\_\_\_[name the specific agency] and the actual total transportation charges paid to the carrier(s) by the consignor or consignee are assignable to, and shall be reimbursed by, the Government.

(b) If the Government is not shown as the consignor or the consignee, the annotation shall be:

Transportation is for the \_\_\_\_\_[name the specific agency] and the actual total transportation charges paid to the carrier(s) by the consignor or consignee shall be reimbursed by the Government, pursuant to cost-reimbursement contract No. \_\_\_\_\_. This may be confirmed by contacting \_\_\_\_\_[Name and address of the contract administration office listed in the contract].

**52.247-19 Stopping in Transit for Partial Unloading.**

**(Apr 1984)**

**STOPPING IN TRANSIT FOR PARTIAL UNLOADING (APR 1984)**

When multiple shipments are tendered at one time to the Contractor for movement from one origin to two or more consignees along the route between the origin and the last destination, the rate charged shall be the rate applicable to the aggregate weight, plus a charge of \$\_\_\_\_\_ for each shipment unloaded at an intermediate point en route to the last destination.

(End of clause)

**52.248-1 Value Engineering. (Deviation 2026-O0038)**

**(Feb 2026)**

**VALUE ENGINEERING (FEB 2026) (DEVIATION 2026-O0038)**

(a) *General.* The Contractor is encouraged to develop, prepare, and submit value engineering change proposals (VECP's) voluntarily. The Contractor shall share in any net acquisition savings realized from accepted VECP's, in accordance with the incentive sharing rates in paragraph (f) of this clause.

(b) *Definitions.*

*Acquisition savings*, as used in this clause, means savings resulting from the application of a VECP to contracts awarded by the same contracting office or its successor for essentially the same unit. Acquisition savings include-

(1) Instant contract savings, which are the net cost reductions on this, the instant contract, and which are equal to the instant unit cost reduction multiplied by the number of instant contract units affected by the VECP, less the Contractor's allowable development and implementation costs;

(2) Concurrent contract savings, which are net reductions in the prices of other contracts that are definitized and ongoing at the time the VECP is accepted; and

(3) Future contract savings, which are the product of the future unit cost reduction multiplied by the number of future contract units in the sharing base. On an instant contract, future contract savings include savings on increases in quantities after VECP acceptance that are due to contract modifications, exercise of options, additional orders, and funding of subsequent year requirements on a multiyear contract.

*Collateral costs* means agency costs of operation, maintenance, logistic support, or Government-furnished property.

*Collateral savings*, as used in this clause, means those measurable net reductions resulting from a VECP in the agency's overall projected collateral costs, exclusive of acquisition savings, whether or not the acquisition cost changes.

*Contracting office* includes any contracting office that the acquisition is transferred to, such as another branch of the agency or another agency's office that is performing a joint acquisition action.

*Contractor's development and implementation costs*, as used in this clause, means those costs the Contractor incurs on a VECP specifically in developing, testing, preparing, and submitting the VECP, as well as those costs the Contractor incurs to make the contractual changes required by Government acceptance of a VECP.

*Future unit cost reduction*, as used in this clause, means the instant unit cost reduction adjusted as the Contracting Officer considers necessary for projected learning or changes in quantity during the sharing period. It is calculated at the time the VECP is accepted and applies either-

(1) Throughout the sharing period, unless the Contracting Officer decides that recalculation is necessary because conditions are significantly different from those previously anticipated; or

(2) To the calculation of a lump-sum payment, which cannot later be revised.

*Government costs*, as used in this clause, means those agency costs that result directly from developing and implementing the VECP, such as any net increases in the cost of testing, operations, maintenance, and logistics support. The term does not include the normal administrative costs of processing the VECP or any increase in this contract's cost or price resulting from negative instant contract savings.

*Instant contract*, as used in this clause, means this contract, under which the VECP is submitted. It does not include increases in quantities after acceptance of the VECP that are due to contract modifications, exercise of options, or additional orders. If this is a multiyear contract, the term does not include quantities funded after VECP acceptance. If this contract is a fixed-price contract with prospective price redetermination, the term refers to the period for which firm prices have been established.

*Instant unit cost reduction* means the amount of the decrease in unit cost of performance (without deducting any Contractor's development or implementation costs) resulting from using the VECP on this, the instant contract. If this is a service contract, the instant unit cost reduction is normally equal to the number of hours per line-item task saved by using the VECP on this contract, multiplied by the appropriate contract labor rate.

*Negative instant contract savings* means the increase in the cost or price of this contract when the acceptance of a VECP results in an excess of the Contractor's allowable development and implementation costs over the product of the instant unit cost reduction multiplied by the number of instant contract units affected.

*Net acquisition savings* means total acquisition savings, including instant, concurrent, and future contract savings, less Government costs.

*Sharing base*, as used in this clause, means the number of affected end items on contracts of the contracting office accepting the VECP.

*Sharing period*, as used in this clause, means the period beginning with acceptance of the first unit incorporating the VECP and ending at a calendar date or event determined by the contracting officer for each VECP.

*Unit*, as used in this clause, means the item or task to which the Contracting Officer and the Contractor agree the VECP applies.

*Value engineering change proposal (VECP)* means a proposal that-

- (1) Requires a change to this, the instant contract, to implement; and
  - (2) Results in reducing the overall projected cost to the agency without impairing essential functions or characteristics;*provided*, that it does not involve a change-
    - (i) In deliverable end item quantities only;
    - (ii) In research and development (R&D) end items or R&D test quantities that is due solely to results of previous testing under this contract; or
    - (iii) To the contract type only.
- (c) *VECP preparation.* As a minimum, the Contractor shall include in each VECP the information described in paragraphs (c)(1) through (8) of this clause. If the proposed change is affected by contractually required configuration management or similar procedures, the instructions in those procedures relating to format, identification, and priority assignment shall govern VECP preparation. The VECP shall include the following:
- (1) A description of the difference between the existing contract requirement and the proposed requirement, the comparative advantages and disadvantages of each, a justification when an item's function or characteristics are being altered, the effect of the change on the end item's performance, and any pertinent objective test data.
  - (2) A list and analysis of the contract requirements that must be changed if the VECP is accepted, including any suggested specification revisions.
  - (3) Identification of the unit to which the VECP applies.
  - (4) A separate, detailed cost estimate for (i) the affected portions of the existing contract requirement and (ii) the VECP. The cost reduction associated with the VECP shall take into account the Contractor's allowable development and implementation costs, including any amount attributable to subcontracts under the Subcontracts paragraph of this clause.
  - (5) A description and estimate of costs the Government may incur in implementing the VECP, such as test and evaluation and operating and support costs.
  - (6) A prediction of any effects the proposed change would have on collateral costs to the agency.
  - (7) A statement of the time by which a contract modification accepting the VECP must be issued in order to achieve the maximum cost reduction, noting any effect on the contract completion time or delivery schedule.
  - (8) Identification of any previous submissions of the VECP, including the dates submitted, the agencies and contract numbers involved, and previous Government actions, if known.
- (d) *Submission.* The Contractor shall submit VECP's to the Contracting Officer, unless this contract states otherwise. If this contract is administered by other than the contracting office, the Contractor shall submit a copy of the VECP simultaneously to the Contracting Officer and to the Administrative Contracting Officer.
- (e) *Government action.*
- (1) The Contracting Officer will notify the Contractor of the status of the VECP within 45 calendar days after the contracting office receives it. If additional time is required, the Contracting Officer will notify the Contractor within the 45-day period and provide the reason for the delay and the expected date of the decision. The Government will process VECP's expeditiously; however, it will not be liable for any delay in acting upon a VECP.
  - (2) If the VECP is not accepted, the Contracting Officer will notify the Contractor in writing, explaining the reasons for rejection. The Contractor may withdraw any VECP, in whole or in part, at any time before it is accepted by the Government. The Contracting Officer may require that the Contractor provide written notification before undertaking significant expenditures for VECP effort.
  - (3) Any VECP may be accepted, in whole or in part, by the Contracting Officer's award of a modification to this contract citing this clause and made either before or within a reasonable time after contract performance is completed. Until such a contract modification applies a VECP to this contract, the Contractor shall perform in accordance with the existing contract. The decision to accept or reject all or part of any VECP is a unilateral decision made solely at the discretion of the Contracting Officer.
- (f) *Sharing rates.* If a VECP is accepted, the Contractor shall share in net acquisition savings according to the percentages shown in the table below. The percentage paid the Contractor depends upon-
- (1) This contract's type (fixed-price, incentive, or cost-reimbursement);
  - (2) The sharing arrangement specified in paragraph (a) of this clause (incentive, program requirement, or a combination as delineated in the Schedule); and
  - (3) The source of the savings (the instant contract, or concurrent and future contracts), as follows:

(g) Calculating net acquisition savings.

(1) Acquisition savings are realized when (i) the cost or price is reduced on the instant contract, (ii) reductions are negotiated in concurrent contracts, (iii) future contracts are awarded, or (iv) agreement is reached on a lump-sum payment for future contract savings (see paragraph (i)(4) of this clause). Net acquisition savings are first realized, and the Contractor shall be paid a share, when Government costs and any negative instant contract savings have been fully offset against acquisition savings.

(2) Except in incentive contracts, Government costs and any price or cost increases resulting from negative instant contract savings shall be offset against acquisition savings each time such savings are realized until they are fully offset. Then, the Contractor's share is calculated by multiplying net acquisition savings by the appropriate Contractor's percentage sharing rate (see paragraph (f) of this clause). Additional Contractor shares of net acquisition savings shall be paid to the Contractor at the time realized.

(3) If this is an incentive contract, recovery of Government costs on the instant contract shall be deferred and offset against concurrent and future contract savings. The Contractor shall share through the contract incentive structure in savings on the instant contract items affected. Any negative instant contract savings shall be added to the target cost or to the target price and ceiling price, and the amount shall be offset against concurrent and future contract savings.

(4) If the Government does not receive and accept all items on which it paid the Contractor's share, the Contractor shall reimburse the Government for the proportionate share of these payments.

(h) *Contract adjustment.* The modification accepting the VECP (or a subsequent modification issued as soon as possible after any negotiations are completed) shall-

(1) Reduce the contract price or estimated cost by the amount of instant contract savings, unless this is an incentive contract;

(2) When the amount of instant contract savings is negative, increase the contract price, target price and ceiling price, target cost, or estimated cost by that amount;

(3) Specify the Contractor's dollar share per unit on future contracts, or provide the lump-sum payment;

(4) Specify the amount of any Government costs or negative instant contract savings to be offset in determining net acquisition savings realized from concurrent or future contract savings; and

(5) Provide the Contractor's share of any net acquisition savings under the instant contract in accordance with the following:

(i) Fixed-price contracts-add to contract price.

(ii) Cost-reimbursement contracts-add to contract fee.

(i) Concurrent and future contract savings.

(1) Payments of the Contractor's share of concurrent and future contract savings shall be made by a modification to the instant contract in accordance with paragraph (h)(5) of this clause. For incentive contracts, shares shall be added as a separate firm-fixed-price line item on the instant contract. The Contractor shall maintain records adequate to identify the first delivered unit for 3 years after final payment under this contract.

(2) The Contracting Officer shall calculate the Contractor's share of concurrent contract savings by-

(i) Subtracting from the reduction in price negotiated on the concurrent contract any Government costs or negative instant contract savings not yet offset; and

(ii) Multiplying the result by the Contractor's sharing rate.

(3) The Contracting Officer shall calculate the Contractor's share of future contract savings by-

(i) Multiplying the future unit cost reduction by the number of future contract units scheduled for delivery during the sharing period;

(ii) Subtracting any Government costs or negative instant contract savings not yet offset; and

(iii) Multiplying the result by the Contractor's sharing rate.

(4) When the Government wishes and the Contractor agrees, the Contractor's share of future contract savings may be paid in a single lump sum rather than in a series of payments over time as future contracts are awarded. Under this alternate procedure, the future contract savings may be calculated when the VECP is accepted, on the basis of the Contracting Officer's forecast of the number of units that will be delivered during the sharing period. The Contractor's share shall be included in a modification to this contract (see paragraph (h)(3) of this clause) and shall not be subject to subsequent adjustment.

(5) *Alternate no-cost settlement method.* When, in accordance with section 48.104-4 of the Federal Acquisition Regulation (FAR), the Government and the Contractor mutually agree to use the no-cost settlement method, the following applies:

(i) The Contractor will keep all the savings on the instant contract and on its concurrent contracts only.

(ii) The Government will keep all the savings resulting from concurrent contracts placed on other sources, savings from all future contracts, and all collateral savings.

(j) *Collateral savings.* If a VECP is accepted, the Contracting Officer will increase the instant contract amount, as specified in paragraph (h)(5) of this clause, by a rate from 20 to 100 percent, as determined by the Contracting Officer, of any projected collateral savings determined to be realized in

a typical year of use after subtracting any Government costs not previously offset. However, the Contractor's share of collateral savings will not exceed the contract's firm-fixed-price, target price, target cost, or estimated cost, at the time the VECP is accepted, or \$100,000, whichever is greater. The Contracting Officer will be the sole determiner of the amount of collateral savings.

(k) *Relationship to other incentives.* Only those benefits of an accepted VECP not rewardable under performance, design-to-cost (production unit cost, operating and support costs, reliability and maintainability), or similar incentives shall be rewarded under this clause. However, the targets of such incentives affected by the VECP shall not be adjusted because of VECP acceptance. If this contract specifies targets but provides no incentive to surpass them, the value engineering sharing shall apply only to the amount of achievement better than target.

(l) *Subcontracts.* The Contractor shall include an appropriate value engineering clause in any subcontract-valued at or above the simplified acquisition threshold, as defined in FAR 2.101 on the date of subcontract award, and may include one in subcontracts of lesser value. In calculating any adjustment in this contract's price for instant contract savings (or negative instant contract savings), the Contractor's allowable development and implementation costs shall include any subcontractor's allowable development and implementation costs, and any value engineering incentive payments to a subcontractor, clearly resulting from a VECP accepted by the Government under this contract. The Contractor may choose any arrangement for subcontractor value engineering incentive payments, *provided*, that the payments shall not reduce the Government's share of concurrent or future contract savings or collateral savings.

(m) *Data.* The Contractor may restrict the Government's right to use any part of a VECP or the supporting data by marking the following legend on the affected parts:

"These data, furnished under the Value Engineering clause of contract \_\_\_\_\_, shall not be disclosed outside the Government or duplicated, used, or disclosed, in whole or in part, for any purpose other than to evaluate a value engineering change proposal submitted under the clause. This restriction does not limit the Government's right to use information contained in these data if it has been obtained or is otherwise available from the Contractor or from another source without limitations."

If a VECP is accepted, the Contractor hereby grants the Government unlimited rights in the VECP and supporting data, except that, with respect to data qualifying and submitted as limited rights technical data, the Government shall have the rights specified in the contract modification implementing the VECP and shall appropriately mark the data. (The terms "unlimited rights" and "limited rights" are defined in part 27 of the Federal Acquisition Regulation.)

**DFARS Clauses Incorporated by Full Text****252.229-7001 Tax Relief.****(Apr 2020)****TAX RELIEF-BASIC (APR 2020)**

(a) Prices set forth in this contract are exclusive of all taxes and duties from which the United States Government is exempt by virtue of tax agreements between the United States Government and the Contractor's government. The following taxes or duties have been excluded from the contract price:

|                                                          |                                                                |
|----------------------------------------------------------|----------------------------------------------------------------|
| NAME OF TAX: <u>          (Offeror insert)          </u> | RATE (PERCENTAGE): <u>          (Offeror insert)          </u> |
|----------------------------------------------------------|----------------------------------------------------------------|

(b) Invoices submitted in accordance with the terms and conditions of this contract shall be exclusive of all taxes or duties for which relief is available. The Contractor's invoice shall list separately the gross price, amount of tax deducted, and net price charged.

(c) When items manufactured to United States Government specifications are being acquired, the Contractor shall identify the materials or components intended to be imported in order to ensure that relief from import duties is obtained. If the Contractor intends to use imported products from inventories on hand, the price of which includes a factor for import duties, the Contractor shall ensure the United States Government's exemption from these taxes. The Contractor may obtain a refund of the import duties from its government or request the duty-free import of an amount of supplies or components corresponding to that used from inventory for this contract.

(End of clause)

**252.237-7023 Continuation of Essential Contractor Services.****(Oct 2010)****CONTINUATION OF ESSENTIAL CONTRACTOR SERVICES (OCT 2010)**

(a) *Definitions.* As used in this clause-

(1) "Essential contractor service" means a service provided by a firm or individual under contract to DoD to support mission-essential functions, such as support of vital systems, including ships owned, leased, or operated in support of military missions or roles at sea; associated support activities, including installation, garrison, and base support services; and similar services provided to foreign military sales customers under the Security Assistance Program. Services are essential if the effectiveness of defense systems or operations has the potential to be seriously impaired by the interruption of these services, as determined by the appropriate functional commander or civilian equivalent.

(2) "Mission-essential functions" means those organizational activities that must be performed under all circumstances to achieve DoD component missions or responsibilities, as determined by the appropriate functional commander or civilian equivalent. Failure to perform or sustain these functions would significantly affect DoD's ability to provide vital services or exercise authority, direction, and control.

(b) The Government has identified all or a portion of the contractor services performed under this contract as essential contractor services in support of mission essential functions. These services are listed in attachment       , Mission-Essential Contractor Services, dated       .

(c)(1) The Mission-Essential Contractor Services Plan submitted by the Contractor, is incorporated in this contract.

(2) The Contractor shall maintain and update its plan as necessary. The Contractor shall provide all plan updates to the Contracting Officer for approval.

(3) As directed by the Contracting Officer, the Contractor shall participate in training events, exercises, and drills associated with Government efforts to test the effectiveness of continuity of operations procedures and practices.

(d)(1) Notwithstanding any other clause of this contract, the contractor shall be responsible to perform those services identified as essential contractor services during crisis situations (as directed by the Contracting Officer), in accordance with its Mission-Essential Contractor Services Plan.

(2) In the event the Contractor anticipates not being able to perform any of the essential contractor services identified in accordance with paragraph (b) of this section during a crisis situation, the Contractor shall notify the Contracting Officer or other designated representative as expeditiously as possible and use its best efforts to cooperate with the Government in the Government's efforts to maintain the continuity of operations.

(e) The Government reserves the right in such crisis situations to use Federal employees, military personnel or contract support from other contractors, or to enter into new contracts for essential contractor services.

(f) Changes. The Contractor shall segregate and separately identify all costs incurred in continuing performance of essential services in a crisis situation. The Contractor shall notify the Contracting Officer of an increase or decrease in costs within ninety days after continued performance has been directed by the Contracting Officer, or within any additional period that the Contracting Officer approves in writing, but not later than the date of final payment under the contract. The Contractor's notice shall include the Contractor's proposal for an equitable adjustment and any data supporting the increase or decrease in the form prescribed by the Contracting Officer. The parties shall negotiate an equitable price adjustment to the contract price, delivery schedule, or both as soon as is practicable after receipt of the Contractor's proposal.

(g) The Contractor shall include the substance of this clause, including this paragraph (g), in subcontracts for the essential services.

(End of clause)

### CONTRACT ADMINISTRATION PLAN (CAP)

#### FOR FIXED PRICE CONTRACTS

In order to expedite the administration of this contract, the following delineation of duties is provided. The names, addresses and phone numbers for these offices or individuals are included elsewhere in the contract award document. The office or individual designated as having responsibility should be contacted for any questions, clarifications, or information regarding the administration function assigned.

1. The Procuring Contract Office (PCO) is responsible for:

- a. All pre-award duties such as solicitation, negotiation and award of contracts.
- b. Any information or questions during the pre-award stage of the procurement.
- c. Freedom of Information inquiries.
- d. Changes in contract terms and/or conditions.
- e. Post award conference.

2. The Contract Administration Office (CAO) is responsible for matters specified in the FAR 42.302 and DFARS 42.302 except those areas otherwise designated as the responsibility of the Contracting Officer's Representative (COR) or someone else herein.

3. The paying office is responsible for making payment of proper invoices after acceptance is documented.

4. The Contracting Officer's Representative (COR) is responsible for interface with the contractor and performance of duties such as those set forth below. It is emphasized that only the PCO/CAO has the authority to modify the terms of the contract. In no event will any understanding, agreement, modification, change order, or other matter deviating from the terms of the basic contract between the contractor and any other person be effective or binding on the Government. If in the opinion of the contractor an effort outside the scope of the contract is requested, the contractor shall promptly notify the PCO in writing. No action may be taken by the contractor unless the PCO or CAO has issued a contractual change. The COR duties are as follows:

#### a. Technical Interface

(1) The COR is responsible for all Government technical interface concerning the contractor and furnishing technical instructions to the contractor. These instructions may include: technical advice/recommendations/clarifications of specific details relating to technical aspects of contract requirements; milestones to be met within the general terms of the contract or specific subtasks of the contract; or, any other interface of a technical nature necessary for the contractor to perform the work specified in the contract. The COR is the point of contact through whom the contractor can relay questions and problems of a technical nature to the PCO.

(2) The COR is prohibited from issuing any instruction which would constitute a contractual change. The COR shall not instruct the contractor how to perform. If there is any doubt whether technical instructions contemplated fall within the scope of work, contact the PCO for guidance before transmitting the instructions to the contractor.

#### b. Contract Surveillance

(1) The COR shall monitor the contractor's performance and progress under the contract. In performing contract surveillance duties, the COR should exercise extreme care to ensure that he/she does not cross the line of personal services. The COR must be able to distinguish between surveillance (which is proper and necessary) and supervision (which is not permitted). Surveillance becomes supervision when you go beyond enforcing the terms of the contract. If the contractor is directed to perform the contract services in a specific manner, the line is being crossed. In such a situation, the COR's actions would be equivalent to using the contractor's personnel as if they were government employees and would constitute transforming the contract into one for personal services.

(2) The COR shall monitor contractor performance to see that inefficient or wasteful methods are not being used. If such practices are observed, the COR is responsible for taking reasonable and timely action to alert the contractor and the PCO to the situation.

(3) The COR will take timely action to alert the PCO to any potential performance problems. If performance schedule slippage is detected, the COR should determine the factors causing the delay and report them to the PCO, along with the contractor's proposed actions to eliminate or overcome these factors and recover the slippage. Once a recovery plan has been put in place, the COR is responsible for monitoring the recovery and keeping the PCO advised of progress.

(4) If the Contractor Performance Assessment Reporting System (CPARS) is applicable to the contract you are responsible for completing a Contractor Performance Assessment Report (CPAR) in the CPARS Automated Information System (AIS). The initial CPAR, under an eligible contract, must reflect evaluation of at least 180 days of contractor performance. The completed CPAR, including contractor comments if any, (NOTE: contractors are allowed 30 days to input their comments) should be available in the CPARS AIS for reviewing official (PCO) review no later than 270 days after start of contract performance. Subsequent CPARs covering any contract option periods should be ready at 1-year intervals thereafter.

#### c. Invoice Review and Approval/Inspection and Acceptance

(1) The COR is responsible for quality assurance of services performed and acceptance of the services or deliverables. The COR shall expeditiously review copies of the contractor's invoices or vouchers, certificate of performance and all other supporting documentation to determine the reasonableness of the billing. In making this determination, the COR must take into consideration all documentary information available and any information developed from personal observations.

(2) The COR must indicate either complete or partial concurrence with the contractor's invoice/voucher by executing the applicable certificate of performance furnished by the contractor. The COR must be cognizant of the invoicing procedures and prompt payment due dates detailed elsewhere in the contract.

(3) The COR will provide the PCO and the CAO with copies of acceptance documents such as Certificates of Performance.

(4) The COR shall work with the Contractor to obtain and execute a final invoice no more than 60 days after completion of contract performance. The COR shall ensure that the invoice is clearly marked as a "Final Invoice."

d. Contract Modifications. The COR is responsible for developing the statement of work for change orders or modifications and for preparing an independent government cost estimate of the effort described in the proposed statement of work.

e. Administrative Duties

(1) The COR shall take appropriate action on technical correspondence pertaining to the contract and for maintaining files on each contract. This includes all modifications, government cost estimates, contractor invoices/vouchers, certificates of performance, DD 250 forms and contractor's status reports.

(2) The COR shall maintain files on all correspondence relating to contractor performance, whether satisfactory or unsatisfactory, and on trip reports for all government personnel visiting the contractor's place of business for the purpose of discussing the contract.

(3) The COR must take prompt action to provide the PCO with any contractor or technical code request for change, deviation or waiver, along with any supporting analysis or other required documentation.

f. Government Furnished Property. When government property is to be furnished to the contractor, the COR will take the necessary steps to insure that it is furnished in a timely fashion and in proper condition for use. The COR will maintain adequate records to ensure that property furnished is returned and/or that material has been consumed in the performance of work.

Enclosure (1)

g. Security. The COR is responsible for ensuring that any applicable security requirements are strictly adhered to.

h. Standards of Conduct. The COR is responsible for reading and complying with all applicable agency standards of conduct and conflict of interest instructions.

i. Written Report/Contract Completion Statement.

(1) The COR is responsible for timely preparation and submission to the PCO, of a written, annual evaluation of the contractors performance. The report shall be submitted within 30 days prior to the exercise of any contract option and 60 days after contract completion. The report shall include a written statement that services were received in accordance with the Contract terms and that the contract is now available for close-out. The report shall also include a statement as to the use made of any deliverables furnished by the contractor.

(2) If the Contractor Performance Assessment Reporting System (CPARS) is applicable to the contract you are responsible for completing a final Contractor Performance Assessment Report (CPAR) in the CPARS with 30 days of contract completion.

(3) The COR is responsible for providing necessary assistance to the Contracting Officer in performing Contract Close-out in accordance with FAR 4.804, Closeout of Contract Files.

5. The Technical Assistant (TA), if appointed, is responsible for providing routine administration and monitoring assistance to the COR. The TA does not have the authority to provide any technical direction or clarification to the contract. Duties that may be performed by the TA are as follows:

a. Identify contractor deficiencies to the COR.

b. Review contract deliverables, recommend acceptance/rejection, and provide the COR with documentation to support the recommendation.

c. Assist in preparing the final report on contractor performance for the applicable contract in accordance with the format and procedures prescribed by the COR.

d. Identify contract noncompliance with reporting requirements to the COR.

e. Review contractor status and progress reports, identify deficiencies to the COR, and provide the COR with recommendations regarding acceptance, rejection, and/or Government technical clarification requests.

f. Review invoices and provide the COR with recommendations to facilitate COR certification of the invoice.

g. Provide the COR with timely input regarding technical clarifications for the statement of work, possible technical direction to provide the contractor, and recommend corrective actions.

h. Provide detailed written reports of any trip, meeting, or conversation to the COR subsequent to any interface between the TA and contractor.

#### CONTRACT ADMINISTRATION PLAN (CAP) FOR COST TYPE CONTRACTS

In order to expedite the administration of this contract, the following delineation of duties is provided. The names, addresses and phone numbers for these offices or individuals are included elsewhere in the contract award document. The office or individual designated as having responsibility should be contacted for any questions, clarifications or information regarding the administration function assigned.

1. The Procuring Contract Office (PCO) is responsible for:

- a. All pre-award duties such as solicitation, negotiation and award of contracts.
- b. Any information or questions during the pre-award stage of the procurement.
- c. Freedom of Information inquiries.
- d. Changes in contract terms and/or conditions.
- e. Post award conference.

2. The Contract Administration Office (CAO) is responsible for matters specified in FAR 42.302, except those areas otherwise designated as the responsibility of the Contracting Officer's Representative (COR) or someone else herein.

3. The Defense Contract Audit Agency (DCAA) is responsible for audit verification/provisional approval of invoices and final audit of this contract prior to final payment to the contractor.

4. The paying office is responsible for making payment of proper invoices after acceptance is documented.

5. The Contracting Officer's Representative (COR) is responsible for interface with the contractor and performance of duties such as those set forth below. It is emphasized that only the PCO/CAO has the authority to modify the terms of the contract. In no event will any understanding, agreement, modification, change order, or other matter deviating from the terms of the basic contract between the contractor and any other person be effective or binding on the government. If in the opinion of the contractor an effort outside the scope of the contract is requested, the contractor shall promptly notify the PCO in writing. No action may be taken by the contractor unless the PCO or CAO has issued a contractual change. The COR duties are as follows:

##### a. Technical Interface

(1) The COR is responsible for all Government technical interface concerning the contractor and furnishing technical instructions to the contractor. These instructions may include: technical advice/recommendations/clarifications of specific details relating to technical aspects of contract requirements; milestones to be met within the general terms of the contract or specific subtasks of the contract; or, any other interface of a technical nature necessary for the contractor to perform the work specified in the contract. The COR is the point of contact through whom the contractor can relay questions and problems of a technical nature to the PCO.

(2) The COR is prohibited from issuing any instruction which would constitute a contractual change. The COR shall not instruct the contractor how to perform. If there is any doubt whether technical instructions contemplated fall within the scope of work, contact the PCO for guidance before transmitting the instructions to the contractor.

##### b. Contract Surveillance

(1) The COR shall monitor the contractor's performance and progress under the contract. In performing contract surveillance duties, the COR should exercise extreme care to ensure that he/she does not cross the line of personal services. The COR must be able to distinguish between surveillance (which is proper and necessary) and supervision (which is not permitted). Surveillance becomes supervision when you go beyond enforcing the terms of the contract. If the contractor is directed to perform the contract services in a specific manner, the line is being crossed. In such a situation, the COR's actions would be equivalent to using the contractor's personnel as if they were government employees and would constitute transforming the contract into one for personal services.

(2) The COR shall monitor the contractor's performance to see that inefficient or wasteful methods are not being used. If such practices are observed, the COR is responsible for taking reasonable and timely action to alert the contractor and the PCO to the situation. When contract performance is taking place at a government location, the COR shall also monitor contractor employees performing under the contract with regard to kind, number and hours worked to ensure that the contractor is properly charging time applied to the contract. A record of such personal observations should be kept and compared with charges invoiced by the contractor for that task and time frame. This information can also be used as a tool in evaluating the contractor certificate of performance. It is essential that the COR coordinate these efforts with the CAO designated in the contract.

(3) The COR will take timely action to alert the PCO to any potential performance problems. If performance schedule slippage is detected, the COR should determine the factors causing the delay and report them to the PCO, along with the contractor's proposed actions to eliminate or overcome these factors and recover the slippage. Once a recovery plan has been put in place, the COR is responsible for monitoring the recovery and keeping the PCO advised of progress.

(4) The COR shall maintain surveillance of the contractor's performance to determine if the percentage of work performed reasonably corresponds to the percentage of funds expended. This responsibility requires a thorough review of the contractor's progress reports. The COR shall immediately report to the PCO any difficulties perceived in this area. The COR is also responsible for providing the contractor with any written comments the PCO may make in response to the progress reports and/or personal observations of the COR.

(4) If the Contractor Performance Assessment Reporting System (CPARS) is applicable to the contract you are responsible for completing a Contractor Performance Assessment Report (CPAR) in the CPARS Automated Information System (AIS). The initial CPAR, under an eligible contract, must reflect evaluation of at least 180 days of contractor performance. The completed CPAR, including contractor comments if any, (NOTE: contractors are allowed 30 days to input their comments) should be available in the CPARS AIS for reviewing official (PCO) review no later than 270 days after start of contract performance. Subsequent CPARs covering any contract option periods should be ready at 1-year intervals thereafter.

##### c. Invoice Review and Approval/Inspection and Acceptance

(1) The COR is responsible for quality assurance of services performed and acceptance of the services or deliverables. The COR shall expeditiously review copies of the contractor's invoices or vouchers, certificate of performance and all other supporting documentation to determine the reasonableness of the billing. In making this determination, the COR must take into consideration all documentary information available and any information developed from personal observations.

(2) The COR must indicate either complete or partial concurrence with the contractor's invoice/voucher by executing the applicable certificate of performance furnished by the contractor. The COR may request DCAA to take a payment offset on questioned costs, when documentary evidence or personal observations do not support submitted invoices. The COR shall notify DCAA when questioned costs have been resolved with the contractor. The COR will ensure that DCAA conducts floor checks and/or timecard checks when actual monitoring is not feasible. The COR will be cognizant of the invoicing procedures and the prompt payment due dates detailed elsewhere in the contract.

(3) The COR will provide the PCO and the CAO with copies of acceptance documents such as Certificates of Performance.

(4) The COR shall work with the Contractor to obtain and execute a final voucher no more than 60 days after completion of contract performance. The COR shall ensure that the voucher is clearly marked as a "Final Voucher."

d. Contract Modifications.

(1) The COR is responsible for developing the statement of work for change orders, technical direction letters (TDLs) or modifications and for preparing an independent government cost estimate of the effort described in the proposed statement of work.

(2) Once the Contracting Officer has requested and received the contractor's proposal the COR shall review and evaluate the contractor's proposal and furnish comments and recommendations.

e. Administrative Duties

(1) The COR is responsible for taking appropriate action on technical correspondence pertaining to the contract and for maintaining files on each contract. This includes all modifications, government cost estimates, contractor invoices/vouchers, certificates of performance, DD 250 forms and contractor's status reports.

(2) The COR shall maintain files on all correspondence relating to contractor performance, whether satisfactory or unsatisfactory, and on trip reports for all government personnel visiting the contractor's place of business for the purpose of discussing the contract.

(3) The COR must take prompt action to provide the PCO with any contractor or technical code request for change, deviation or waiver, along with any supporting analysis or other required documentation.

f. Government Furnished Property. When government property is to be furnished to the contractor, the COR will take the necessary steps to ensure that it is furnished in a timely fashion and in proper condition for use. The COR will maintain adequate records to ensure that property furnished is returned and/or that material has been consumed in the performance of work.

g. Security. The COR is responsible for ensuring that any applicable security requirements are strictly adhered to.

h. Standards of Conduct. The COR is responsible for reading and complying with all applicable agency standards of conduct and conflict of interest instructions.

i. Written Report/Contract Completion Statement

(1) The COR is responsible for timely preparation and submission to the PCO, of a written, annual evaluation of the contractors performance. The report shall be submitted within 30 days prior to the exercise of any contract option and 60 days after contract completion. The report shall include a written statement that services were received in accordance with the Contract terms and that the contract is now available for close-out. The report shall also include a statement as to the use made of any deliverables furnished by the contractor. For contracts where technical direction letters (TDLs) are issued, one consolidated report which addresses all actions under the contract may be submitted.

(2) If the Contractor Performance Assessment Reporting System (CPARS) is applicable to the contract you are responsible for completing a final Contractor Performance Assessment Report (CPAR) in the CPARS with 30 days of contract completion.

(3) The COR is responsible for providing necessary assistance to the Contracting Officer in performing Contract Close-out in accordance with FAR 4.804, Closeout of Contract Files.

6. The Technical Assistant (TA), if appointed, is responsible for providing routine administration and monitoring assistance to the COR. The TA does not have the authority to provide any technical direction or clarification to the contract. Duties that may be performed by the TA are as follows:

a. Identify contractor deficiencies to the COR.

b. Review contract deliverables, recommend acceptance/rejection, and provide the COR with documentation to support the recommendation.

c Assist in preparing the final report on contractor performance for the applicable contract in accordance with the format and procedures prescribed by the COR.

d. Identify contract noncompliance with reporting requirements to the COR.

e. Review contractor status and progress reports, identify deficiencies to the COR, and provide the COR with recommendations regarding acceptance, rejection, and/or Government technical clarification requests.

f. Review invoices for the appropriate mix of types and quantities of labor, materials, and other direct costs, and provide the COR with recommendations to facilitate COR certification of the invoice.

g. Provide the COR with timely input regarding technical clarifications for the statement of work, possible technical direction to provide the contractor, and recommend corrective actions.

h. Provide detailed written reports of any trip, meeting, or conversation to the COR subsequent to any interface between the TA and contractor.

**52.203-2 Certificate of Independent Price Determination. (Apr 1985)**

#### CERTIFICATE OF INDEPENDENT PRICE DETERMINATION (APR 1985)

(a) The offeror certifies that-

(1) The prices in this offer have been arrived at independently, without, for the purpose of restricting competition, any consultation, communication, or agreement with any other offeror or competitor relating to-

(i) Those prices;

(ii) The intention to submit an offer; or

(iii) The methods or factors used to calculate the prices offered.

(2) The prices in this offer have not been and will not be knowingly disclosed by the offeror, directly or indirectly, to any other offeror or competitor before bid opening (in the case of a sealed bid solicitation) or contract award (in the case of a negotiated solicitation) unless otherwise required by law; and

(3) No attempt has been made or will be made by the offeror to induce any other concern to submit or not to submit an offer for the purpose of restricting competition.

(b) Each signature on the offer is considered to be a certification by the signatory that the signatory-

(1) Is the person in the offeror's organization responsible for determining the prices being offered in this bid or proposal, and that the signatory has not participated and will not participate in any action contrary to paragraphs (a)(1) through (a)(3) of this provision; or

(2)

(i) Has been authorized, in writing, to act as agent for the following principals in certifying that those principals have not participated, and will not participate in any action contrary to paragraphs (a)(1) through (a)(3) of this provision \_\_\_\_ [insert full name of person(s) in the offeror's organization responsible for determining the prices offered in this bid or proposal, and the title of his or her position in the offeror's organization];

(ii) As an authorized agent, does certify that the principals named in subdivision (b)(2)(i) of this provision have not participated, and will not participate, in any action contrary to paragraphs (a)(1) through (a)(3) of this provision; and

(iii) As an agent, has not personally participated, and will not participate, in any action contrary to paragraphs (a)(1) through (a)(3) of this provision.

(c) If the offeror deletes or modifies subparagraph (a)(2) above, the offeror must furnish with its offer a signed statement setting forth in detail the circumstances of the disclosure.

**252.204-7017 Prohibition on the Acquisition of Covered Defense Telecommunications Equipment or Services-Representation. (May 2021)****PROHIBITION ON THE ACQUISITION OF COVERED DEFENSE TELECOMMUNICATIONS EQUIPMENT OR SERVICES-REPRESENTATION (MAY 2021)**

The Offeror is not required to complete the representation in this provision if the Offeror has represented in the provision at 252.204-7016, Covered Defense Telecommunications Equipment or Services-Representation, that it "does not provide covered defense telecommunications equipment or services as a part of its offered products or services to the Government in the performance of any contract, subcontract, or other contractual instrument."

(a) *Definitions.* "Covered defense telecommunications equipment or services," "covered mission," "critical technology," and "substantial or essential component," as used in this provision, have the meanings given in the 252.204-7018 clause, Prohibition on the Acquisition of Covered Defense Telecommunications Equipment or Services, of this solicitation.

(b) *Prohibition.* Section 1656 of the National Defense Authorization Act for Fiscal Year 2018 (Pub. L. 115-91) prohibits agencies from procuring or obtaining, or extending or renewing a contract to procure or obtain, any equipment, system, or service to carry out covered missions that uses covered defense telecommunications equipment or services as a substantial or essential component of any system, or as critical technology as part of any system.

(c) *Procedures.* The Offeror shall review the list of excluded parties in the System for Award Management (SAM) at <https://www.sam.gov> for entities that are excluded when providing any equipment, system, or service to carry out covered missions that uses covered defense telecommunications equipment or services as a substantial or essential component of any system, or as critical technology as part of any system, unless a waiver is granted.

(d) *Representation.* If in its annual representations and certifications in SAM the Offeror has represented in paragraph (c) of the provision at 252.204-7016, Covered Defense Telecommunications Equipment or Services-Representation, that it "does" provide covered defense telecommunications equipment or services as a part of its offered products or services to the Government in the performance of any contract, subcontract, or other contractual instrument, then the Offeror shall complete the following additional representation:

The Offeror represents that it ☐ will ☐ will not provide covered defense telecommunications equipment or services as a part of its offered products or services to DoD in the performance of any award resulting from this solicitation.

(e) *Disclosures.* If the Offeror has represented in paragraph (d) of this provision that it "will provide covered defense telecommunications equipment or services," the Offeror shall provide the following information as part of the offer:

(1) A description of all covered defense telecommunications equipment and services offered (include brand or manufacturer; product, such as model number, original equipment manufacturer (OEM) number, manufacturer part number, or wholesaler number; and item description, as applicable).

(2) An explanation of the proposed use of covered defense telecommunications equipment and services and any factors relevant to determining if such use would be permissible under the prohibition referenced in paragraph (b) of this provision.

(3) For services, the entity providing the covered defense telecommunications services (include entity name, unique entity identifier, and Commercial and Government Entity (CAGE) code, if known).

(4) For equipment, the entity that produced or provided the covered defense telecommunications equipment (include entity name, unique entity identifier, CAGE code, and whether the entity was the OEM or a distributor, if known).

## Section L - Instructions, Conditions, & Notices to Offerors or Quoters

### PREPARATION OF PROPOSALS/COST LIMITATION CEILINGS ON INDIRECT RATES (SEP 2015)

Offerors who are considering the use of cost limitation ceilings in their proposal are advised to refer to "Cost Limitation Ceilings on Indirect Rates" contained herein.

### BASIS FOR AWARD

This is a sole source acquisition. The Government will review the proposal to determine that award is made at a fair and reasonable price to a responsible offeror and that the offeror is taking no exceptions to the terms or conditions set forth in this solicitation. The offeror is responsible for providing adequate documentation to enable the Government's evaluation of the proposal.

### NOTICE TO SUBMIT A SUBCONTRACTING PLAN FOR SMALL BUSINESS AND SMALL DISADVANTAGED BUSINESS CONCERNS

Notice is hereby given by the Contracting Officer that the contractor shall, in accordance with the provisions of FAR 52.219-9, submit a subcontracting plan for small business and small disadvantaged business concerns to the PCO with an informational copy provided to the ACO. This subcontracting plan shall be submitted no later than the date on which the contractor submits a priced proposal for definitization of the Action.

### SUBMISSION OF PROPOSAL

The offeror's proposal shall be in the form prescribed by, and shall contain a response to each of the areas identified in, this solicitation section. The following instructions are provided in addition to instructions to offerors contained elsewhere in this solicitation.

Proposals shall be submitted electronically via email to [lauren.a.lauver.civ@us.navy.mil](mailto:lauren.a.lauver.civ@us.navy.mil). Any other method of delivery (e.g., hard copy, CD, thumb drive, portal, etc.) will not be accepted. Proposals shall be received no later than 10:00AM EST on 5 June 2026. Offerors shall comply with the detailed instructions for the format and content of the proposals contained herein; proposals that do not comply may be considered unacceptable and may render the proposal ineligible for award. All electronic files and versions of offerors' proposals shall be submitted in Adobe Acrobat and Microsoft Office Suite (Excel) formats and be in a locked and searchable format. The offeror shall be responsible for ensuring that its submissions are virus free.

The Navy Electronic Commerce OnLine (NECO) website has a "submit bid" button next to the solicitation number. Offerors are cautioned NOT to use the "submit bid" button on the NECO website to transmit or submit its proposal in response to the solicitation. Faxes and/or responses through NECO, or any other method, are not acceptable.

Offerors are strongly encouraged to confirm their proposal was received PRIOR to the closing date and time. It is the responsibility of the offerors to ensure that the Contracting Office has received their entire proposal, with all attachments, PRIOR to the solicitation closing date and time. Only the documents received prior to the solicitation closing date and time will be evaluated. Any inquiries regarding this solicitation should be addressed in writing via email to [lauren.a.lauver.civ@us.navy.mil](mailto:lauren.a.lauver.civ@us.navy.mil).

Offerors should include the following information in the Subject Line of their electronic submission

Proposal - N00189-26-R-B001 - (Name of Offeror) - Email (#) of (#)]]

Offerors shall submit their proposals in two separate volumes as follows:

Price Proposal 1 PDF File and 1 Microsoft Excel File

The Price Proposal shall be in Microsoft Excel format for the pricing spreadsheet and the narrative description shall be in PDF format, which should be locked and searchable. The offeror shall ensure that electronic submissions are virus-free.

In addition, offers consist of and shall include the following items as part of the Price Proposal:

Solicitation cover sheet with appropriate blocks completed by the offeror

Solicitation pricing pages completed by the offeror

Acknowledgement of solicitation amendments pursuant to FAR 52.215-1 (if not previously acknowledged).

The Offeror's Small Business Subcontracting Plan.

Representations and Certifications completed by the offeror in accordance with instructions contained elsewhere in this solicitation. If the offeror has completed all of the representations and certifications required by this solicitation in SAM ([www.sam.gov](http://www.sam.gov)) in accordance with FAR 52.204-8 and DFARS 252.204-7007 ALT A, then the offeror need not submit the hardcopy Representations and Certifications.

The completion and submission of the above items will constitute an offer (proposal) and will be considered the offeror's unconditional assent to the terms and conditions of this solicitation and any attachments and/or exhibits hereto. Alternate proposals are not authorized. Any affirmative exception to the material terms and conditions of the

solicitation will render the offer ineligible for award. An objection to any of the terms and conditions of the solicitation will constitute a deficiency (see FAR 15.001) which will make the offer ineligible for award.

#### Price Proposal

This price proposal shall include the solicitation pricing pages completed by the offeror and a complete and detailed price breakdown of the offeror's costs with all supporting information. Each page of each copy should include the following legend:

Source Selection Information - See FAR 2.101 and 3.104

The price/cost proposal shall include the completed solicitation documents and a complete and detailed price/cost breakdown with all supporting documentation. The price/cost proposal shall include all elements of cost and such other cost information as considered appropriate to support the offeror's proposal. The cost and pricing information

shall be completed in accordance with the following:

(a) Separate cost and pricing information shall be submitted for each time period specified in the pricing pages of the solicitation.

(b) The offeror shall provide certified cost and pricing data. The offeror must execute a certificate of current cost or pricing data in accordance with FAR 15.406-2.

(c) Supporting data including labor rates and hours, burden rates, material lists and costs, travel charges, and "other direct costs" used in developing the price/cost breakdown shall be furnished. The supporting data for "other direct costs" shall include an itemization of those costs and an explanation and justification for each cost so itemized.

(i) Travel expenses are for travel and subsistence associated with performance under any resultant contract which will be reimbursed in accordance with the clause entitled "Reimbursement of Travel Costs."

(ii) Material expenses are for incidental material and special materials as defined in the clause entitled, "Allowability of Material and General Business Expenses" and elsewhere in the solicitation.

(iii) Any offeror having an accounting system which includes, within overhead or G&A, travel and/or material shall specifically state this fact within the price/cost proposal.

(c) Any and all subcontracts identified in the Non-price proposal shall be identified and priced in the price/cost proposal. Subcontracts (regardless of dollar value) shall be adequately documented. Subcontractor price/cost breakdowns may be submitted separately via the electronic methods described above and should be clearly labeled in the subject line as "Proposal N00189-26-R-B001 Subcontractor to (Insert Name of Prime

contractor) Email (#) of (#)".

(d) Uncompensated Overtime. Uncompensated overtime is not encouraged as work schedules averaging more than 40 hours per week can, over a period of time, lead to degradation of performance. Pursuant to FAR 52.237-10, "Identification of Uncompensated Overtime," offerors are reminded (1) "Whenever there is uncompensated overtime, the adjusted hourly rate (including uncompensated overtime), rather than the hourly rate, shall be applied to all proposed hours, whether regular or overtime hours", (2) "All proposed labor hours subject to the adjusted hourly rate (including uncompensated overtime) shall be identified as either regular or overtime hours, by labor categories, and described at the same level of detail. This is applicable to all proposals whether the labor hours are at the prime or subcontract level. This includes uncompensated overtime hours that are in indirect cost pools for personnel whose regular hours are normally charged direct." In that 52.237-10 requires that the offeror's accounting practices used to estimate uncompensated overtime be consistent with the offeror's cost accounting practices used to accumulate and report uncompensated overtime hours, each offeror proposing on the basis of uncompensated overtime should provide evidence of that consistency. Also, pursuant to FAR 52.237-10, each offeror proposing on the basis of uncompensated overtime is required to include a copy of its policy addressing uncompensated overtime with its proposal. To the extent that an offeror is proposing on the basis of uncompensated overtime, the offeror shall explain why the use of uncompensated overtime will not degrade the level of technical expertise required to fulfill the Government's requirements.

(e) Direct Labor Rates. In order to verify the realism of the offeror's proposed direct labor rates, all offerors should submit, as part of their Cost Proposal, documentation substantiating the realism of their proposed direct labor rates. To the extent that an Offeror is proposing a subcontractor on a cost-reimbursement basis, the documentation substantiating the accuracy of the subcontractor's proposed direct labor rates is also requested.

Acceptable documentation may include the following:

(1) Payroll data (if proposing current, named employees)

(2) Actual billing records showing direct labor rates (if proposing current, named employees).

(3) Copies of signed Letters of Intent that indicate agreed upon annual salary (if proposing named, new hires)

(4) Copies of current or prior fiscal year DCMA Forward Pricing Rate Agreement (FPRA), the offeror's Forward Pricing Rate Proposal (FPRP), Provisional Billing Rate Approval or Provisional Billing Rate Submission, whichever is most recent.

(5) If labor category averages are used as consistent with the offeror's accounting practice and approved by DCAA, provide a detailed narrative and include the calculation used to establish the category average. For example, provide a list of the current salaries for all employees working in that labor category, divided by the number of current employees in that labor category.

(6) If proposing rates that do not fall within one of the above criteria, provide a detailed, comprehensive description of the methodology used to establish the proposed direct rate. The description shall include both the source where the rate was obtained and a description of how the resulting rate was calculated. Merely stating that a "salary survey" or "market survey" was used is generally not sufficient.

In addition to the foregoing, the offeror should explain why it believes its proposed direct labor rates are realistic for the requirements to be performed, considering the technical and experiential qualifications necessary to accomplish the taskings.

(f) Indirect Costs. In order to verify the realism of the Offeror's proposed indirect rates, all Offerors should submit, as part of their Cost Proposal, documentation substantiating the accuracy of its proposed indirect rates. To the extent that an Offeror is proposing a subcontractor on a cost-reimbursement basis, the documentation substantiating the accuracy of the subcontractor's proposed indirect rates is also required. Acceptable

documentation may include the following:

(1) Copies of current or prior fiscal year DCMA Forward Pricing Rate Agreement (FPRA), the offeror's Forward Pricing Rate Proposal (FPRP), Provisional Billing Rate Approval or Provisional Billing Rate Submission, whichever is most recent.

(2) If none of the documentation identified in paragraph (1) above is available, historical indirect data, to include provisional rates, actual incurred rates, and annual incurred cost claims (if submitted), shall be provided for the three years prior to the Offeror's current fiscal year. This data should include all of the Offeror's indirect rates as applicable to the Offeror's accounting system. If proposing indirect rates significantly different from recent incurred rates, Offerors shall include a detailed explanation and supporting cost data (including budget information). If the offeror is proposing subcontracts on other than a CPFF basis, the offeror should submit information as to whether the rates for the subcontractors are fixed based on a firm bilateral agreement with the subcontractor or merely proposed. In addition, the offeror shall explain why it believes the subcontractor can perform at those rates.

(g) Reserved

(h) If the offeror is currently being audited, or has been audited, by the Defense Contract Audit Agency, the name and location of the assigned DCAA office should be furnished with the price/cost proposal. (i) Pursuant to FAR 16.301-3(a)(3), a cost reimbursement contract may only be used when "The contractor's accounting system is adequate for determining costs applicable to the contract or order". If the offeror has an accounting system that has been determined by DCAA to be adequate for a cost reimbursement contract, the offeror should provide documentation of DCAA's determination. If an offeror's accounting system has not been determined to be adequate for determining costs applicable to cost reimbursement contracts, the offeror will be considered ineligible for contract award.

#### IMPORTANT NOTES:

(1) Offerors shall respond to all requirements of the solicitation document. Offerors are cautioned not to alter the solicitation.

(2) In the event any person who is not a bona fide employee of the offeror participated in the creation, formulation, or writing of any portion of the proposal, a certificate to this effect shall be included in the proposal which shall be signed by an officer of the offeror. Such certificate shall identify the name of the person who is not a bona fide employee, that person's employment capacity, the name of the person's firm, the relationship of that firm to the offeror, and the portion of the proposal in which the person participated.

#### REQUIREMENTS FOR PROPOSAL CONTENT

(1) Do not include CLASSIFIED data in your proposal.

(2) Introduction and Purpose - This section specifies the format that offerors should use in proposals submitted in response to this solicitation. The intent is not to restrict the offerors in the manner in which they will perform their work but rather to ensure a certain degree of uniformity in the format of the proposals for evaluation purposes.

(3) Each volume should contain the following items in addition to the other information required by this solicitation:

Cover: The cover should indicate the following:

Title of the proposal

Solicitation number

Name and address of offeror

Contractor point of contact (POC) with POC's email address and phone number

DUNS and CAGE of offeror

Identification of original signature copies

Table of Contents: The table of contents should provide detail sufficient to allow the important elements to be easily located.

4) Requirements for Style: Each offeror shall submit a proposal that clearly and concisely sets forth the contractor's response to the requirements of the solicitation. Unnecessary elaboration or other presentations beyond that sufficient to present a complete and effective proposal are not desired and may be construed as an indication of the offeror's lack of cost consciousness. Elaborate artwork, expensive paper or bindings, and expensive visual or

other presentation aids are neither necessary nor desired. The proposal shall contain all the pertinent information in sufficient detail in the one area of the proposal where it contributes most critically to the discussion. When necessary, the offeror shall refer to the initial discussion and identify its location within its proposal.

**252.237-7024 Notice of Continuation of Essential Contractor Services.**

**(Oct 2010)**

**NOTICE OF CONTINUATION OF ESSENTIAL CONTRACTOR SERVICES (OCT 2010)**

(a) *Definitions.* "Essential contractor service" and "mission-essential functions" have the meanings given in the clause at 252.237-7023, Continuation of Essential Contractor Services, in this solicitation.

(b) The offeror shall provide with its offer a written plan describing how it will continue to perform the essential contractor services listed in attachment \_\_\_\_\_, Mission Essential Contractor Services, dated \_\_\_\_\_, during periods of crisis. The offeror shall-

(1) Identify provisions made for the acquisition of essential personnel and resources, if necessary, for continuity of operations for up to 30 days or until normal operations can be resumed;

(2) Address in the plan, at a minimum-

(i) Challenges associated with maintaining essential contractor services during an extended event, such as a pandemic that occurs in repeated waves;

(ii) The time lapse associated with the initiation of the acquisition of essential personnel and resources and their actual availability on site;

(iii) The components, processes, and requirements for the identification, training, and preparedness of personnel who are capable of relocating to alternate facilities or performing work from home;

(iv) Any established alert and notification procedures for mobilizing identified "essential contractor service" personnel; and

(v) The approach for communicating expectations to contractor employees regarding their roles and responsibilities during a crisis.
