INSTRUCTIONS FOR SUBMITTING ELECTRONIC BIDS:

In an effort to reduce paperwork and cost, all bids shall be submitted electronically via the Solicitation Module of Procurement Integrated Enterprise Environment (PIEE) suite, as described below. Submissions shall be in Adobe PDF format. Electronic Bid Submissions is required through the Army's Electronic File Sharing Service in PIEE (<https://piee.eb.mil/>). Information regarding how to set up a vendor registration is included in this link: <https://pieetraining.eb.mil/wbt/xhtml/wbt/portal/overview/vendorRegister.xhtml>.

On this page, click on the "Vendor User Registration" Doc and it will take you through the process of registering as a vendor. If you plan on submitting a proposal, be sure to select "SOL-Solicitation" in the drop-down list and choose the "Proposal Manager" role to be given the proper permissions.

Further training is available at the following links:

<https://pieetraining.eb.mil/wbt/xhtml/wbt/sol/index.xhtml> - This link shows information regarding the Solicitation application in PIEE and the different roles available.

<https://pieetraining.eb.mil/wbt/xhtml/wbt/sol/solicitation/proposals.xhtml> - This link is for Offerors regarding the Proposal Manager function and instruction on submitting an offer.

a. File Size Limitations: Offerors are advised to follow the PIEE instructions for uploading files. PIEE supports delivery of up to 1.9GBper file, with no limit on the number of files, as well as multiple file formats. If needed, Offerors are advised to break the files down into smaller sections in order to upload them into the system. In such cases, please divide the sections as logically as possible and be sure to clearly name the files as specified below.

b. File Description: To ensure your submission is received and processed appropriately, it is important that interested parties CAREFULLY ensure their electronic files adhere to the following naming convention. Each file name shall begin with the firm's name, and a brief file description. NOTE: Do NOT enter Privacy Act Data (Personal Identification Information (PII)) in the file description. Submission shall be in Adobe PDF format.

c. Upload Completion & Deadline: Interested parties shall submit responses no later than the date specified on the Solicitation document. The time and date of bid receipt will be the upload completion/delivery time and date recorded within the PIEE site. Do not assume that electronic submission will occur instantaneously. Large files (e.g. 10MB or more) will take some time to upload. Offerors should time their upload effort with prudence by not waiting until the last few minutes--this will allow for unexpected delays in the transmittal process. Offerors are encouraged to keep a copy of the upload confirmation for their record. Submissions after the deadline will be considered late and will be processed in accordance with FAR 14.304.

d. Electronic Files: Files shall be in their native format (i.e.doc, xls, ppt, etc.), or if in pdf format, shall be in searchable text. Text and graphics portfolios of the electronic copies shall be in a format readable by Microsoft Office Suite 2016 or Adobe Acrobat Reader 11. Data submitted in a spreadsheet format shall be readable by MS Excel (all cells and formulas should be unlocked).

RECEIPT OF SUBMISSIONS: For the purpose of establishing whether a bid submission is considered timely, the Government will consider the date and time the submission is completely uploaded into the PIEE Website. Do not assume that electronic communication is instantaneous. It can take several minutes or even hours in some cases. The Government will not be responsible for submissions delivered to any location other than those designated to receive bids. Bidders are responsible for ensuring that bids are submitted so as to reach the designated recipient. Bidders are responsible for allowing sufficient time for the bid to be received in accordance with the instructions provided. It is the Offeror's responsibility to obtain written confirmation of receipt of all electronic files of the full bid by the Contracting office. In the event that the Solicitation Module is down, the alternate method for bid submission is via email to: CELRN-CT@usace.army.mil ONLY.

The Offeror must obtain prior approval from the Contracting Officer, Dellaria Martin, to use the alternate submission method. Offerors are responsible for ensuring electronic copies are virus-free and shall run an anti-virus scan before submission.
