52.203-3	Gratuities.	1984-04		

Gratuities (Apr 1984)

(a) The right of the Contractor to proceed may be terminated by written notice if, after notice and hearing, the agency head or a designee determines that the Contractor, its agent, or another representative-

(1) Offered or gave a gratuity (e.g., an entertainment or gift) to an officer, official, or employee of the Government; and

(2) Intended, by the gratuity, to obtain a contract or favorable treatment under a contract.

(b) The facts supporting this determination may be reviewed by any court having lawful jurisdiction.

(c) If this contract is terminated under paragraph (a) of this clause, the Government is entitled-

(1) To pursue the same remedies as in a breach of the contract; and

(2) In addition to any other damages provided by law, to exemplary damages of not less than 3 nor more than 10 times the cost incurred by the Contractor in giving gratuities to the person concerned, as determined by the agency head or a designee. (This paragraph (c)(2) is applicable only if this contract uses money appropriated to the Department of Defense.)

(d) The rights and remedies of the Government provided in this clause shall not be exclusive

and are in addition to any other rights and remedies provided by law or under this contract.

(End of clause)

52.212-4	Terms and Conditions- Commercial Products and Commercial Services. (Deviation)	2026-02
----------	--	---------

Terms and Conditions-Commercial Products and Commercial Services (Feb 2026) (Deviation)

(a) Definitions. The clause at Federal Acquisition Regulation (FAR) 52.202-1, Definitions, is incorporated by reference.

(b) Inspection/Acceptance. The Contractor shall only tender for acceptance those items that conform to the requirements of this contract. The Government reserves the right to inspect or test any supplies or services that have been tendered for acceptance. The Government may require repair or replacement of nonconforming supplies or reperformance of nonconforming services at no increase in contract price. If repair/replacement or reperformance will not correct the defects or is not possible, the Government may seek an equitable price reduction or adequate consideration for acceptance of nonconforming supplies or services. The Government must exercise its post acceptance rights-

(1) Within a reasonable time after the defect was discovered or should have been discovered; and

(2) Before any substantial change occurs in the condition of the item, unless the change is due to the defect in the item.

(c) Assignment. The Contractor or its assignee may assign its rights to receive payment due as a result of performance of this contract to a bank, trust company, or other financing institution, including any Federal lending agency in accordance with the Assignment of Claims Act (31 U.S.C. 3727). However, when a third party makes payment (e.g., use of the Governmentwide commercial purchase card), the Contractor may not assign its rights to receive payment under this contract.

(d) Changes. Changes in the terms and conditions of this contract may be made only by written agreement of the parties.

(e) Disputes. This contract is subject to 41 U.S.C. chapter 71, Contract Disputes. Failure of the parties to this contract to reach agreement on any request for equitable adjustment, claim, appeal, or action arising under or relating to this contract shall be a dispute to be resolved in accordance with the clause FAR 52.233-1, Disputes, which is incorporated in this contract by reference. The Contractor shall proceed diligently with performance of this contract, pending final resolution of any dispute arising under the contract.

(f) Excusable delays. The Contractor shall be liable for default unless nonperformance is caused by an occurrence beyond the reasonable control of the Contractor and without its fault or negligence. Examples of occurrences include acts of God or the public enemy, acts of the Government in either its sovereign or contractual capacity, fires, floods, epidemics, quarantine restrictions, strikes, unusually severe weather, and delays of common carriers. When an excusable delay occurs, the Contractor shall-

(1) Notify the Contracting Officer in writing as soon as possible;

(2) Remedy the delay as quickly as possible; and

(3) Notify the Contracting Officer when the occurrence is over.

(g) Invoice. The Government will handle invoices according to the Prompt Payment Act (31 U.S.C. 3903) and 5 CFR part 1315. The Contractor shall submit invoices to the address designated in the contract to receive invoices. An invoice must include the information required by 5 CFR part 1315.9(b).

(h) Patent indemnity. The Contractor shall indemnify the Government and its officers, employees, and agents against liability, including costs, for actual or alleged direct or contributory infringement of, or inducement to infringe, any United States or foreign patent, trademark, or copyright, arising out of the performance of this contract, provided the Contractor is reasonably notified of such claims and proceedings.

(i) Payment-

(1) Items accepted. Payment shall be made for items accepted by the Government that have been delivered to the delivery destinations set forth in this contract.

(2) Prompt payment. The Government will make payment in accordance with the Prompt Payment Act (31 U.S.C. 3903) and prompt payment regulations at 5 CFR part 1315.

(3) Discount. In connection with any discount offered for early payment, time shall be computed from the date of the invoice. For the purpose of computing the discount earned, payment shall be considered to have been made on the date that appears on the payment check or the specified payment date if an electronic funds transfer payment is made.

(4) Overpayments. If the Contractor becomes aware of a duplicate contract financing or invoice payment or that the Government has otherwise overpaid on a contract financing or invoice payment, the Contractor shall-

(i) Remit the overpayment amount to the payment office cited in the contract along with a description of the overpayment including the-

(A) Circumstances of the overpayment (e.g., duplicate payment, erroneous payment, liquidation errors, date(s) of overpayment);

(B) Affected contract number and delivery order number, if applicable;

(C) Affected line item or subline item, if applicable;

(D) Contractor point of contact; and

(ii) Provide a copy of the remittance and supporting documentation to the Contracting Officer.

(5) Interest.

(i) All amounts that become payable by the Contractor to the Government under this contract shall bear simple interest from the date due until paid unless paid within 30 days of becoming due. The interest rate shall be the interest rate established by the Secretary of the Treasury as provided in 41 U.S.C. 7109, which is applicable to the period in which the amount becomes due, as provided in (i)(6)(v) of this clause, and then at the rate applicable for each six-month period as fixed by the Secretary until the amount is paid.

(ii) The Government may issue a demand for payment to the Contractor upon finding a debt is due under the contract.

(iii) Final decisions. The Contracting Officer will issue a final decision as required by FAR part 33 if-

(A) The Contracting Officer and the Contractor are unable to reach agreement on the existence or amount of a debt within 30 days;

(B) The Contractor fails to liquidate a debt previously demanded by the Contracting Officer within the timeline specified in the demand for payment unless the amounts were not repaid because the Contractor has requested an installment payment agreement; or

(C) The Contractor requests a deferment of collection on a debt previously demanded by the Contracting Officer (see FAR part 32).

(iv) If a demand for payment was previously issued for the debt, the demand for payment included in the final decision shall identify the same due date as the original demand for payment.

(v) Amounts shall be due at the earliest of the following dates:

(A) The date fixed under this contract.

(B) The date of the first written demand for payment, including any demand for payment resulting from a termination for cause.

(vi) The interest charge shall be computed for the actual number of calendar days involved beginning on the due date and ending on-

(A) The date on which the designated office receives payment from the Contractor;

(B) The date of issuance of a Government check to the Contractor from which an amount otherwise payable has been withheld as a credit against the contract debt; or

(C) The date on which an amount withheld and applied to the contract debt would otherwise have become payable to the Contractor.

(vii) The interest charge made under this clause may be reduced under the procedures for interest credits prescribed in FAR part 32 in effect on the date of this contract.

(j) Risk of loss. Unless the contract specifically provides otherwise, risk of loss or damage to the

supplies provided under this contract shall remain with the Contractor until, and shall pass to the Government upon-

(1) Delivery of the supplies to a carrier, if transportation is f.o.b. origin; or

(2) Delivery of the supplies to the Government at the destination specified in the contract, if transportation is f.o.b. destination.

(k) Taxes. The contract price includes all applicable Federal, State, and local taxes and duties.

(l) Termination for the Government's convenience. The Government reserves the right to terminate this contract, or any part hereof, for its sole convenience. In the event of such termination, the Contractor shall immediately stop all work and shall immediately cause any and all of its suppliers and subcontractors to cease work. Subject to the terms of this contract, the Contractor shall be paid a percentage of the contract price reflecting the percentage of the work performed prior to the notice of termination, plus reasonable charges the Contractor can demonstrate to the satisfaction of the Government using its standard record keeping system, have resulted from the termination. The Contractor shall not be required to comply with the cost accounting standards or contract cost principles for this purpose. This paragraph does not give the Government any right to audit the Contractor's records. The Contractor shall not be paid for any work performed or costs incurred which reasonably could have been avoided.

(m) Termination for cause. The Government may terminate this contract, or any part hereof, for cause in the event of any default by the Contractor, or if the Contractor fails to comply with any contract terms and conditions, or fails to provide the Government, upon request, with adequate assurances of future performance. The Government will send a cure notice to the Contractor, unless the reason for the termination is late delivery. In the event of termination for cause, the Government shall not be liable to the Contractor for any amount for supplies or services not accepted, and the Contractor shall be liable to the Government for any and all rights and remedies provided by law. If it is determined that the Government improperly terminated this contract for default, such termination shall be deemed a termination for convenience.

(n) Title. Unless specified elsewhere in this contract, title to items furnished under this contract shall pass to the Government upon acceptance, regardless of when or where the Government takes physical possession.

(o) Warranty. The Contractor warrants and implies that the items delivered under this contract are merchantable and fit for use for the particular purpose described in this contract.

(p) Limitation of liability. Except as otherwise provided by an express warranty, the Contractor will not be liable to the Government for consequential damages resulting from any defect or deficiencies in accepted items.

(q) Compliance with laws unique to Government contracts. The Contractor agrees to comply with 31 U.S.C. 1352 relating to limitations on the use of appropriated funds to influence certain Federal contracts; 40 U.S.C. chapter 37, Contract Work Hours and Safety Standards; 41 U.S.C. chapter 87, Kickbacks; 49 U.S.C. 40118, Government-financed air transportation; and 41 U.S.C. chapter 21 relating to procurement integrity.

(r) Order of precedence. Any inconsistencies in this solicitation or contract shall be resolved by giving precedence in the following order:

(1) The schedule of supplies/services;

(2) The Disputes, Payments, Invoice, Compliance with Laws Unique to Government Contracts, and Unauthorized Obligations paragraphs of this clause;

(3) Other contract clauses incorporated in the solicitation or contract;

(4) Addenda to this solicitation or contract;

(5) Solicitation provisions incorporated in the solicitation;

(6) Other paragraphs of this clause;

(7) Other documents, exhibits, and attachments; and

(8) The specification.

(s) Unauthorized obligations.

(1) Except as stated in paragraph (s)(2) of this clause, when any supply or service acquired under this contract is subject to any End User License Agreement (EULA), Terms of Service (TOS), or similar legal instrument or agreement, that includes any clause requiring the Government to indemnify the Contractor or any person or entity for damages, costs, fees, or any other loss or liability that would create an Anti-Deficiency Act violation (31 U.S.C. 1341), the following shall govern:

(i) Any such clause is unenforceable against the Government.

(ii) Neither the Government nor any Government-authorized end user shall be deemed to have agreed to such clause by virtue of it appearing in the EULA, TOS, or similar legal instrument or agreement. If the EULA, TOS, or similar legal instrument or agreement is invoked through an "I agree" click box or other comparable mechanism (e.g., "click-wrap" or "browse-wrap" agreements), execution does not bind the Government or any Government authorized end user to such clause.

(iii) Any such clause is deemed to be stricken from the EULA, TOS, or similar legal instrument or agreement.

(2) Paragraph (s)(1) of this clause does not apply to indemnification by the Government that is expressly authorized by statute and specifically authorized under applicable agency regulations and procedures.

(t) Comptroller General examination of record. This paragraph applies if this contract was awarded using other than sealed bid procedures and is in excess of the simplified acquisition threshold on the date of award of this contract.

(1) The Comptroller General of the United States, or an authorized representative of the Comptroller General, shall have access to and right to examine any of the Contractor's directly pertinent records involving transactions related to this contract.

(2) The Contractor shall make available at its offices, at all reasonable times, the records, materials, and other evidence for examination, audit, or reproduction, until 3 years after final payment under this contract or for any shorter period specified in FAR part 4, longer period required by statute, or periods specified in other clauses of this contract. If this contract is completely or partially terminated, the records relating to the work terminated shall be made available for 3 years after any resulting final termination settlement. Records relating to appeals under the disputes clause or to litigation or the settlement of claims arising under or relating to this contract shall be made available until such appeals, litigation, or claims are finally resolved.

(3) As used in this clause, records include books, documents, accounting procedures and practices, and other data, regardless of type and regardless of form. This clause does not require the Contractor to create or maintain any record that the Contractor does not maintain in the ordinary course of business or pursuant to a provision of law.

(u) Incorporation by reference. The Contractor's representations and certifications, including

those completed electronically via the System for Award Management (SAM), are incorporated by reference into the contract.

(End of clause)

252.232-7006	Wide Area WorkFlow Payment Instructions.	2023-01		

WIDE AREA WORKFLOW PAYMENT INSTRUCTIONS (JAN 2023)

(a) Definitions. As used in this clause--

Department of Defense Activity Address Code (DoDAAC) is a six position code that uniquely identifies a unit, activity, or organization.

Document type means the type of payment request or receiving report available for creation in Wide Area WorkFlow (WAWF).

Local processing office (LPO) is the office responsible for payment certification when payment certification is done external to the entitlement system.

(b) Electronic invoicing. The WAWF system is the method to electronically process vendor payment requests and receiving reports, as authorized by DFARS 252.232-7003, Electronic Submission of Payment Requests and Receiving Reports.

(c) WAWF access. To access WAWF, the Contractor shall--

(1) Have a designated electronic business point of contact in the System for Award Management at <https://www.acquisition.gov>; and

(2) Be registered to use WAWF at <https://wawf.eb.mil/> following the step-by-step procedures for self-registration available at this Web site.

(d) WAWF training. The Contractor should follow the training instructions of the WAWF Web-Based Training Course and use the Practice Training Site before submitting payment requests through WAWF. Both can be accessed by selecting the "Web Based Training" link on the WAWF home page at <https://wawf.eb.mil/>.

(e) WAWF methods of document submission. Document submissions may be via Web entry, Electronic Data Interchange, or File Transfer Protocol.

(f) WAWF payment instructions. The Contractor must use the following information when submitting payment requests and receiving reports in WAWF for this contract/order:

(1) Document type. The Contractor shall use the following document type(s).

2in1

(2) Inspection/acceptance location. The Contractor shall select the following inspection /acceptance location(s) in WAWF, as specified by the contracting officer.

W33DL4

(3) Document routing. The Contractor shall use the information in the Routing Data Table below only to fill in applicable fields in WAWF when creating payment requests and receiving reports in the system.

Routing Data Table*

<i>Field Name in WAWF</i>	<i>Data to be entered in WAWF</i>

COR: Christian Roberts; christian.b.roberts.civ@army.mil

(g) *WAWF point of contact.*

(1) The Contractor may obtain clarification regarding invoicing in WAWF from the following contracting activity's WAWF point of contact.

(2) Contact the WAWF helpdesk at 866-618-5988, if assistance is needed.

(End of clause)

Addendum to 52.212-4, Contract Terms and Conditions - Commercial Products and Commercial Services

Contract Clause 52.212-4, Contract Terms and Conditions - Commercial Items, is tailored as follows:

The following paragraph has been added:

(w) Required Insurance

In accordance with FAR clause 52.228-5 entitled, "Insurance--Work on a Government Installation" the following minimum amounts of insurance are required:

Workmen's Compensation As required by Federal and State laws

Employer's Liability Insurance \$100,000

General Liability -Bodily Injury Liability Insurance \$500,000 per occurrence

Automobile Liability Insurance \$200,000 per person

Bodily Injury Insurance \$500,000 per occurrence

Property Damage \$20,000 per occurrence

The Contractor shall provide the Certificate of Insurance (COI) within ten (10) calendar days after contract award. The COI shall be updated and sent to the Contracting Officer on an annual basis.

--------	-------	----------------	---------------------	--------------------------

52.217-8	Option to Extend Services.	1999-11		
----------	----------------------------	---------	--	--

Option to Extend Services (Nov 1999)

The Government may require continued performance of any services within the limits and at the rates specified in the contract. These rates may be adjusted only as a result of revisions to prevailing labor rates provided by the Secretary of Labor. The option provision may be exercised more than once, but the total extension of performance hereunder shall not exceed 6 months. The Contracting Officer may exercise the option by written notice to the Contractor at anytime prior to the expiration of the contract.

(End of clause)

52.217-9	Option to Extend the Term of the Contract.	2000-03		
----------	--	---------	--	--

Option to Extend the Term of the Contract (Mar 2000)

(a) The Government may extend the term of this contract by written notice to the Contractor prior to contract expiration; provided that the Government gives the Contractor a preliminary written notice of its intent to extend at least 30 days before the contract expires. The preliminary notice does not commit the Government to an extension.

(b) If the Government exercises this option, the extended contract shall be considered to include this option clause.

(c) The total duration of this contract, including the exercise of any options under this clause, shall not exceed 60 months.

Number	Title	Effective Date	Alternate Deviation	Variation Effective Date
252.232-7007	Limitation of Government's Obligation.	2014-04		

LIMITATION OF GOVERNMENT'S OBLIGATION (APR 2014)

(a) Contract line item(s) ____ [Contracting Officer insert after negotiations] is/are incrementally funded. For this/these item(s), the sum of \$ ____ [Contracting Officer insert after negotiations] of the total price is presently available for payment and allotted to this contract. An allotment schedule is set forth in paragraph (j) of this clause.

(b) For item(s) identified in paragraph (a) of this clause, the Contractor agrees to perform up to the point at which the total amount payable by the Government, including reimbursement in the event of termination of those item(s) for the Government's convenience, approximates the total amount currently allotted to the contract. The Contractor is not authorized to continue work on those item(s) beyond that point. The Government will not be obligated in any event to reimburse the Contractor in excess of the amount allotted to the contract for those item(s) regardless of anything to the contrary in the clause entitled "Termination for Convenience of the Government." As used in this clause, the total amount payable by the Government in the event of termination of applicable contract line item(s) for convenience includes costs, profit, and estimated termination settlement costs for those item(s).

(c) Notwithstanding the dates specified in the allotment schedule in paragraph (j) of this clause, the Contractor will notify the Contracting Officer in writing at least ninety days prior to the date when, in the Contractor's best judgment, the work will reach the point at which the total amount payable by the Government, including any cost for termination for convenience, will approximate 85 percent of the total amount then allotted to the contract for performance of the applicable item(s). The notification will state (1) the estimated date when that point will be reached and (2) an estimate of additional funding, if any, needed to continue performance of applicable line items up to the next scheduled date for allotment of funds identified in paragraph (j) of this clause, or to a mutually agreed upon substitute date. The notification will also advise

the Contracting Officer of the estimated amount of additional funds that will be required for the timely performance of the item(s) funded pursuant to this clause, for a subsequent period as may be specified in the allotment schedule in paragraph (j) of this clause or otherwise agreed to by the parties. If after such notification additional funds are not allotted by the date identified in the Contractor's notification, or by an agreed substitute date, the Contracting Officer will terminate any item(s) for which additional funds have not been allotted, pursuant to the clause of this contract entitled "Termination for Convenience of the Government."

(d) When additional funds are allotted for continued performance of the contract line item(s) identified in paragraph (a) of this clause, the parties will agree as to the period of contract performance which will be covered by the funds. The provisions of paragraphs (b) through (d) of this clause will apply in like manner to the additional allotted funds and agreed substitute date, and the contract will be modified accordingly.

(e) If, solely by reason of failure of the Government to allot additional funds, by the dates indicated below, in amounts sufficient for timely performance of the contract line item(s) identified in paragraph (a) of this clause, the Contractor incurs additional costs or is delayed in the performance of the work under this contract and if additional funds are allotted, an equitable adjustment will be made in the price or prices (including appropriate target, billing, and ceiling prices where applicable) of the item(s), or in the time of delivery, or both. Failure to agree to any such equitable adjustment hereunder will be a dispute concerning a question of fact within the meaning of the clause entitled "Disputes."

(f) The Government may at any time prior to termination allot additional funds for the performance of the contract line item(s) identified in paragraph (a) of this clause.

(g) The termination provisions of this clause do not limit the rights of the Government under the clause entitled "Default." The provisions of this clause are limited to the work and allotment of funds for the contract line item(s) set forth in paragraph (a) of this clause. This clause no longer applies once the contract is fully funded except with regard to the rights or obligations of the parties concerning equitable adjustments negotiated under paragraphs (d) and (e) of this clause.

(h) Nothing in this clause affects the right of the Government to terminate this contract pursuant to the clause of this contract entitled "Termination for Convenience of the Government."

(i) Nothing in this clause shall be construed as authorization of voluntary services whose acceptance is otherwise prohibited under 31 U.S.C. 1342.

(j) The parties contemplate that the Government will allot funds to this contract in accordance with the following schedule:

On execution of contract	\$ _____
(month) (day), (year) _____	\$ _____
(month) (day), (year) _____	\$ _____
(month) (day), (year) _____	\$ _____

(End of clause)

52.212-1	Instructions to Offerors- Commercial Products and Commercial Services. (Deviation)	2026-02		

Instructions to Offerors-Commercial Products and Commercial Services (Feb 2026) (Deviation)

(a) *Submission of offers.* Submit signed and dated offers to the office specified in this solicitation at or before the exact time specified in this solicitation. As a minimum, offers shall include-

- (1) The solicitation number;
- (2) The name, address, telephone number of the Offeror;
- (3) The Offeror's Unique Entity Identifier (UEI) and, if applicable, Electronic Funds Transfer (EFT) indicator;
- (4) Information necessary to evaluate the factors contained in the provision at 52.212-2 or as described in the solicitation;
- (5) Responses to provisions that require Offeror completion of information, representations, and certifications (other than those collected via the System for Award Management (SAM)); and
- (6) A statement specifying the extent of agreement with all terms, conditions, and provisions included in the solicitation and any solicitation amendments.

(b) *Period for acceptance of offers.* The Offeror agrees to hold the prices in its offer firm for 60 calendar days from the date specified for receipt of offers, unless another time period is specified in an addendum to the solicitation.

(c) *Late submissions, modifications, revisions, and withdrawals of offers.*

- (1) Offerors are responsible for submitting offers and any modifications or revisions to the Government office designated in the solicitation by the time specified in the solicitation.
- (2) Any offer, modification, or revision received after the time specified for receipt of offers is "late" and will not be considered unless it is received before award is made and the Contracting Officer determines that accepting the late offer would not unduly delay the acquisition. However,

a late modification of an otherwise successful offer that makes its terms more favorable to the Government will be considered at any time it is received and may be accepted.

(3) If an emergency or unanticipated event interrupts normal Government processes so that offers cannot be received at the Government office designated for receipt of offers by the exact time specified in the solicitation, and urgent Government requirements preclude amendment of the solicitation or other notice of an extension of the closing date, the time specified for receipt of offers will be deemed to be extended to the same time of day specified in the solicitation on the first work day on which normal Government processes resume.

(4) Offerors may withdraw their offers by written notice to the Government received at any time before award.

(d) *Contract award (not applicable to Invitation for Bids)*. The Government intends to evaluate offers and award a contract without discussions with Offerors. Therefore, the Offeror's initial offer should contain the Offeror's best terms. However, the Government reserves the right to conduct discussions, if necessary. The Government may reject any or all offers if such action is in the public interest, accept other than the lowest offer, and waive informalities and minor irregularities in offers received.

(e) *Debriefings*. If a postaward debriefing is given to requesting Offerors, the Government will disclose the following information, if applicable:

(1) The agency's evaluation of the significant weak or deficient factors in the debriefed Offeror's offer.

(2) The overall evaluated cost or price and technical rating of the successful Offeror and the debriefed Offeror and past performance information on the debriefed Offeror.

(3) The overall ranking of all Offerors when any ranking was developed by the agency during source selection.

(4) A summary of the rationale for award.

(5) For acquisitions of commercial products, the make and model of the product to be delivered by the successful Offeror.

(6) Reasonable responses to relevant questions posed by the debriefed Offeror as to whether the agency followed source-selection procedures set forth in the solicitation, applicable regulations, and other applicable authorities.

DFARS Provisions Incorporated by Full Text

Number	Title	Effective Date	Alternate Deviation	Variation Effective Date
252.204-7017	Prohibition on the Acquisition of Covered Defense Telecommunications Equipment or Services-Representation.	2021-05		

PROHIBITION ON THE ACQUISITION OF COVERED DEFENSE TELECOMMUNICATIONS EQUIPMENT OR SERVICES-REPRESENTATION (MAY 2021)

The Offeror is not required to complete the representation in this provision if the Offeror has represented in the provision at 252.204-7016, Covered Defense Telecommunications Equipment or Services-Representation, that it "does not provide covered defense telecommunications equipment or services as a part of its offered products or services to the Government in the performance of any contract, subcontract, or other contractual instrument."

(a) Definitions. "Covered defense telecommunications equipment or services," "covered mission," "critical technology," and "substantial or essential component," as used in this provision, have the meanings given in the 252.204-7018 clause, Prohibition on the Acquisition of Covered Defense Telecommunications Equipment or Services, of this solicitation.

(b) Prohibition. Section 1656 of the National Defense Authorization Act for Fiscal Year 2018 (Pub. L. 115-91) prohibits agencies from procuring or obtaining, or extending or renewing a contract to procure or obtain, any equipment, system, or service to carry out covered missions that uses covered defense telecommunications equipment or services as a substantial or essential component of any system, or as critical technology as part of any system.

(c) Procedures. The Offeror shall review the list of excluded parties in the System for Award Management (SAM) at <https://www.sam.gov> for entities that are excluded when providing any equipment, system, or service to carry out covered missions that uses covered defense

telecommunications equipment or services as a substantial or essential component of any system, or as critical technology as part of any system, unless a waiver is granted.

(d) Representation. If in its annual representations and certifications in SAM the Offeror has represented in paragraph (c) of the provision at 252.204-7016, Covered Defense Telecommunications Equipment or Services-Representation, that it "does" provide covered defense telecommunications equipment or services as a part of its offered products or services to the Government in the performance of any contract, subcontract, or other contractual instrument, then the Offeror shall complete the following additional representation:

The Offeror represents that it [] will [] will not provide covered defense telecommunications equipment or services as a part of its offered products or services to DoD in the performance of any award resulting from this solicitation.

(e) Disclosures. If the Offeror has represented in paragraph (d) of this provision that it "will provide covered defense telecommunications equipment or services," the Offeror shall provide the following information as part of the offer:

(1) A description of all covered defense telecommunications equipment and services offered (include brand or manufacturer; product, such as model number, original equipment manufacturer (OEM) number, manufacturer part number, or wholesaler number; and item description, as applicable).

(2) An explanation of the proposed use of covered defense telecommunications equipment and services and any factors relevant to determining if such use would be permissible under the prohibition referenced in paragraph (b) of this provision.

(3) For services, the entity providing the covered defense telecommunications services (include entity name, unique entity identifier, and Commercial and Government Entity (CAGE) code, if known).

(4) For equipment, the entity that produced or provided the covered defense telecommunications equipment (include entity name, unique entity identifier, CAGE code, and whether the entity was the OEM or a distributor, if known).

(End of provision)

252.215-7008 Only One Offer.

2022-12

ONLY ONE OFFER (DEC 2022)

(a) *Cost or pricing data requirements.* After initial submission of offers, if the Contracting Officer notifies the Offeror that only one offer was received, the Offeror agrees to-

(1) Submit any additional cost or pricing data that is required in order to determine whether the price is fair and reasonable (10 U.S.C. 3705) or to comply with the statutory requirement for certified cost or pricing data (10 U.S.C. 3702 and FAR 15.403-3); and

(2) Except as provided in paragraph (b) of this provision, if the acquisition exceeds the certified cost or pricing data threshold and an exception to the requirement for certified cost or pricing data at FAR 15.403-1(b)(2) through (5) does not apply, certify all cost or pricing data in accordance with paragraph (c) of DFARS provision 252.215-7010, Requirements for Certified Cost or Pricing Data and Data Other Than Certified Cost or Pricing Data, of this solicitation.

(b) *Canadian Commercial Corporation.* If the Offeror is the Canadian Commercial Corporation, certified cost or pricing data are not required. If the Contracting Officer notifies the Canadian Commercial Corporation that additional data other than certified cost or pricing data are required in accordance with DFARS 225.870-4(c), the Canadian Commercial Corporation shall obtain and provide the following:

(1) Profit rate or fee (as applicable).

(2) Analysis provided by Public Works and Government Services Canada to the Canadian Commercial Corporation to determine a fair and reasonable price (comparable to the analysis required at FAR 15.404-1).

(3) Data other than certified cost or pricing data necessary to permit a determination by the U.S. Contracting Officer that the proposed price is fair and reasonable ____ [U.S. Contracting Officer to provide description of the data required in accordance with FAR 15.403-3 (a)(1) with the notification].

(4) As specified in FAR 15.403-3(a)(4), an offeror who does not comply with a requirement to submit data that the U.S. Contracting Officer has deemed necessary to determine price reasonableness or cost realism is ineligible for award unless the head of the contracting activity determines that it is in the best interest of the Government to make the award to that offeror.

(c) *Subcontracts.* Unless the Offeror is the Canadian Commercial Corporation, the Offeror shall insert the substance of this provision, including this paragraph (c), in all subcontracts exceeding the simplified acquisition threshold defined in FAR part 2.

(End of provision)

252.215-7016 Notification to Offerors-
Postaward Debriefings. 2025-10

NOTIFICATION TO OFFERORS-POSTAWARD DEBRIEFINGS (OCT 2025)

(a) Definition. As used in this provision-

"Nontraditional defense contractor" means an entity that is not currently performing and has not performed any contract or subcontract for DoD that is subject to full coverage under the cost accounting standards prescribed pursuant to 41 U.S.C. 1502 and the regulations implementing such section, for at least the 1-year period preceding the solicitation of sources by DoD for the procurement (10 U.S.C. 3014).

(b) Postaward debriefing.

(1) Upon timely request, the Government will provide a written or oral postaward debriefing to successful or unsuccessful offerors for contract awards valued at \$15 million or more, while protecting the confidential and proprietary information of other offerors. The request is considered timely if received within 3 days of notification of contract award.

(2) When required, the minimum postaward debriefing information will include the following:

(i) For contracts in excess of \$15 million and not in excess of \$150 million with a small business or nontraditional defense contractor, an option for the small business or nontraditional defense contractor to request disclosure of the agency's written source selection decision document,

redacted to protect the confidential and proprietary information of other offerors for the contract award.

(ii) For contracts in excess of \$150 million, disclosure of the agency's written source selection decision document, redacted to protect the confidential and proprietary information of other offerors for the contract award.

(3) If a required postaward debriefing is provided-

(i) The debriefed Offeror may submit additional written questions related to the debriefing not later than 2 business days after the date of the debriefing;

(ii) The agency will respond in writing to timely submitted additional questions within 5 business days after receipt by the contracting officer; and

(iii) The postaward debriefing will not be considered to be concluded until the later of-

(A) The date that the postaward debriefing is delivered, orally or in writing; or

(B) If additional written questions related to the debriefing are timely received, the date the agency delivers its written response.

(c) Contract performance. The Government may suspend performance of or terminate the awarded contract upon notice from the Government Accountability Office of a protest filed within the time periods listed in paragraphs (c)(1) through (3) of this provision, whichever is later:

(1) Within 10 days after the date of contract award.

(2) Within 5 days after a debriefing date offered to the protestor under a timely debriefing request in accordance with Federal Acquisition Regulation (FAR) 15.506 unless an earlier debriefing date is negotiated as a result.

(3) Within 5 days after a postaward debriefing under FAR 15.506 is concluded in accordance with Defense Federal Acquisition Regulation Supplement 215.506-70(b).

(End of provision)

Addendum to 52.212-1, Instructions to Offerors - Commercial Products and Commercial Services

1. GENERAL. These instructions prescribe the format of the proposal and describe the approach for the development and presentation of proposal data. These instructions are designed to ensure the submission of necessary information and to provide for the understanding and comprehensive evaluation of proposals. Carefully review this section and its relationship to ADDENDUM TO FAR 52.212-2 prior to commencing proposal preparation. All solicitation amendments must be acknowledged.
2. CONTRACT AWARD. The contract award will be made to the offeror on the basis of the lowest price that meets the specifications in solicitation W9124M-26-R-A007.
3. QUESTIONS. An amendment to the solicitation will be posted with the due date for questions.
4. SITE VISIT INFORMATION. An amendment to the solicitation will be posted with site visit date.
5. PROPOSAL SUBMISSION. Electronic copies of documents shall be submitted through the "Solicitation Module" of the Procurement Integrated Enterprise Environment (PIEE) suite at <https://piee.eb.mil/> . For instructions on how to post an offer, please refer to the Posting Offer demonstration: https://pieetraining.eb.mil/wbt/sol/Posting_Offer.pdf. Found in PIEE, Proposals are due to the Government on or before the date/time listed on the solicitation in EST. It is the contractor's responsibility to ensure their proposal is received by the Government by the due date and time. If the Solicitation Module is down, the alternate method for proposal submission is via email to the solicitation Contracting Officer and Contract Specialist listed below. If you experience an error when trying to submit your offer, you must take a screen shot of the error screen and include it with your offer documents via email to the Contracting Officer and Contract Specialist. The contractor must obtain prior approval from the Contracting Officer to use the alternate submission method. Contractor requests to use the alternate submission method must be received by the Contracting Officer no later than 36 hours prior to the solicitation closing. Failure to do so MAY result in rejection of your quote.

Contracting Officer: Lacey Turner, lacey.m.turner2.civ@army.mil & Contract Specialist: Cosmin Popa, cosmin.popa.civ@army.mil.

First time users to this function in PIEE will need to request an account or solicitation module request no later than 48 Hours PRIOR to the submission due date and time to ensure the account has enough time to be created Therefore, waiting until the last minute to attempt transmission of your proposal could result in your proposal being deemed late should the website encounter performance or technical issues.
6. TEAMING/PARTNER RELATIONSHIP OR JOINT VENTURE. If the proposal is based on a teaming/partnering relationship or a joint venture, the offeror shall provide, with the proposal, all required solicitation information for all parties including a copy of the teaming/partnering or joint

venture agreement. The agreement shall include information, which identifies the responsibilities for each entity under this contract. The agreement shall demonstrate the relationship between firms and identify contractual relationships and authorities to bind each entity of the teaming /partnering or joint venture relationship.

7. SUBMISSION DOCUMENTATION.

A. Request for Proposal (RFP) Instructions and Format. Each volume must be appropriately identified with Separate sections of Volume I, II, and III for ease of identification to distinguish between RFP Documents & Price, Technical Capability, and Past Performance. Solicitation Number: W9124M-26-R-A007. The offeror shall submit each volume of the RFP per the instructions identified below.

Volume	Maximum Page Limit
Volume I, RFP Documents & Price	No page limit/SF 1449/PDF/Excel Spreadsheet/SF 30 Amendment(s)
Volume II, Technical Capability	10 pages/PDF/11 size font and Times New Roman font style
Volume III, Past Performance	15 pages/PDF/11 size font and Times New Roman font style

B. Request for Proposal Content. The following documents must be presented with the offerors proposal :

(1)Volume I, RFP Documents & Price. The offeror must include all applicable information and must submit an original signed and dated Standard Form(SF)1449 and SF 30 if amendments are issued. Only a response submitted on the SF 1449 will be accepted. The pricing schedule shall be submitted on the solicitation SF 1449 fully completed and error free. It shall contain the Offeror's prices for ALL established Contract Line Item Numbers (CLINs) which shall include fully burdened rates including ALL option years. The offeror shall provide price breakdown to include position title, occupation code, wages, hours, fringing benefit, G&A, profit and price escalation if applicable on a password protected Excel spreadsheet with the formulas intact. It is the Offeror's responsibility to ensure the information entered into this section is accurate and complete. Submit prices out to a maximum of two decimal points. If prices are proposed to more than two decimal points, the government will round the number to two decimal points.

(2) Volume II, Technical Capability. The Technical Capability volume should be clear, concise, and include sufficient detail for effective evaluation and for substantiating the validity of stated claims in the Offeror's proposal. Legibility, clarity and coherence are very important. Your responses will be evaluated against the Technical factors defined in ADDENDUM FAR Clause 52.212-2, Evaluation - Commercial Items. The proposal should not simply rephrase or restate the Government's requirements but rather should provide convincing rationale to address how the Offeror intends to meet these requirements. Statements that the Offeror understands, can, or will comply with the PWS (including referenced publications, technical data, etc.); statements paraphrasing the PWS or parts thereof (including applicable publications, technical data, etc.); and phrases such as "standard procedures will be employed" or "well known techniques will be used," etc., will raise questions regarding an Offeror's technical ability to perform the services contained herein and may be grounds to eliminate the proposal from further consideration for contract award. Offerors should assume that the Government has no prior knowledge of their facilities and experience, and that it will base its evaluation on the information presented in the Offeror's proposal. Technical Capability volume shall be prepared in an orderly format and in sufficient detail to enable the Government to make a thorough evaluation of the Offeror's technical competence and ability to comply with the contract task requirements specified in the PWS. The offeror shall submit:

- i. **Staffing/Equipment Plan:** Each offeror shall submit a staffing & equipment plan for all the work on this contract. The staffing and equipment plan must demonstrate knowledge of the effort and equipment needed to successfully execute the requirements listed in this solicitation. This plan shall include labor categories with occupation code and number of personnel proposed under each occupation code. Offerors shall provide documentation demonstrating the prospective Project Manager has a minimum of two (2) years of service contract management in addition to having a minimum of three (3) years of experience in memorial maintenance services or cemetery grounds maintenance.
- ii. **Management Plan:** Each offeror shall submit an achievable plan on their approach for delivering all grounds maintenance services required by the PWS. The Offeror shall demonstrate the execution of services and how it will be scheduled and controlled.
- iii. **A Phase in plan:** Each offeror shall provide an achievable and realistic plan with a detailed explanation on how the offeror will bring staff on-board, conduct staff training, acquire equipment, and other material for full performance by the end of the phase-in period. The plan shall assume no assistance, information, or transition support from the incumbent contractor.
- iv. **Certifications/License:** Each offeror shall submit a copy of its Georgia herbicide application certificate or license. The offeror shall provide proof of a minimum of 3 years landscape experience. Also, the Offeror shall provide proof of a minimum of 3 years of experience in memorial maintenance services, cemetery grounds maintenance or equivalent maintenance services.

(3) Volume III, Past Performance. The offeror must submit three (3) relevant Grounds Maintenance contracts they have worked within the last three years from this solicitation closing date and the current contact information for those customers. Offeror shall detail how the three (3)

contracts relevant to the solicited requirements in size, scope and complexity. No more than a total of three (3) contracts for past performance evaluation shall be submitted for this requirement.

(b) Period for acceptance of offers. The offeror agrees to hold the prices in its offer firm for 90 calendar days from the date specified for receipt of offers.

*** END OF NARRATIVE ***

Evaluation - Commercial Products and Commercial Services

FAR Provisions Incorporated by Full Text

Number	Title	Effective Date	Alternate Deviation	Variation Effective Date
52.212-2	Evaluation-Commercial Products and Commercial Services. (Deviation)	2026-02		

Evaluation-Commercial Products and Commercial Services (Feb 2026) (Deviation)

(a) Evaluation factors. The Government will award a contract resulting from this solicitation to the responsible Offeror whose offer conforming to the solicitation will be most advantageous to the Government, price and other factors considered. The following factors will be used to evaluate offers:

Technical

Past Performance

Price

(b) *Options*. The Government will evaluate offers for award purposes by adding the total price for all options to the total price for the basic requirement. The Government may determine that an offer is unacceptable if the option prices are significantly unbalanced. The evaluation of options does not obligate the Government to exercise the option(s).

(c) *Notice of award*. A written notice of award or acceptance of an offer furnished to the successful Offeror within the time for acceptance specified in the offer, shall result in a binding contract without further action by either party. Before the offer's specified expiration time, the Government may accept an offer (or part of an offer), whether or not there are negotiations after its receipt, unless a written notice of withdrawal is received before award.

(End of provision)

Addendum to Evaluation - Commercial Product and Commercial Services

The award will be made to the lowest priced technically acceptable proposal. Proposals will be evaluated for technical acceptability (including past performance), but will not be ranked using the non-price Factors (and Subfactors). In order for an Offeror to be considered for award, the proposal must receive an "Acceptable" rating in every non-price Factor. A proposal receiving a rating of "Unacceptable" in any non-price Factor will not be eligible for award.

A basis for trade-offs between cost/price and non-cost/price factors are not permitted.

The Government will evaluate the offeror's technical proposal to determine whether it satisfies the minimum requirements for a successful contract performance. In order to be considered for award, offerors proposal must receive an "acceptable" rating in every non-priced factor and element.

The Government will evaluate proposed prices for reasonableness. Proposed prices evaluated as unreasonable may be grounds for eliminating an offer from competition. Price analysis techniques in accordance with RFO FAR 15.404-1 will be used to determine the total evaluated price to support the selection of the lowest price technically acceptable offeror.

The Government intends to evaluate proposals and award a contract without discussions (except clarifications as described in RFO FAR 15.202(a)(2)). Therefore, the offeror's initial proposal should contain its best terms from a technical and price standpoint. However, in accordance with (IAW) RFO FAR Part 15.203, should discussions become necessary, the Government reserves the right to hold them. If this occurs, a competitive range will be determined and offerors notified. The competitive range may be limited for purposes of efficiency IAW RFO FAR Part 15.204-1.

The Contracting Officer will make a determination of responsibility in accordance with the standards of RFO FAR 9.104. In order to be determined responsible, a prospective contractor must meet all standards of RFO FAR 9.104-1.

Evaluation Criteria. The Evaluation Criteria consists of three (3) evaluation factors: Technical Capability, Past Performance, and Price.

Factor I: Technical Capability

Factor II: Past Performance

Factor III: Price

Award will be made on the basis of the lowest evaluated price of proposals meeting or exceeding the acceptability standards for non-cost factors.

The adjectival ratings to be utilized for proposal evaluations are consistent with the DoD Source Selection Procedures. A single rating system will be used to evaluate the Technical Capability

factor, "Acceptable" or "Unacceptable" as indicated below; a separate rating system will be used to evaluate Past Performance. Price will be evaluated for reasonableness and will not receive an adjectival rating. If the Technical Capability Factor received an Unacceptable adjectival rating, Offeror's proposal shall not be considered eligible for award.

Rating	Definition
Acceptable	Proposal clearly meets the minimum requirements of the solicitation
Unacceptable	Proposal clearly does not meet the minimum requirements of the solicitation

Factor I - Technical Capability. The Technical Capability evaluation provides an assessment of the offeror's capability to satisfy the Government's requirements. To be deemed Technically Acceptable, the Offeror's Technical capability must demonstrate a clear, feasible, and compliant approach to meeting the requirements of the PWS. The Government will evaluate the following:

- i. A Staffing and Equipment Plan that demonstrates the proposed skill mix of labor categories to successfully achieve the magnitude of work required, experience required IAW PWS 1.10.6 and 5.2.14, and equipment necessary to meet the performance requirements.
- ii. A Management Plan that demonstrates the offeror's complete understanding and executable approach of tasks, frequency, and performance standards for Improved, Semi-Improved, Unimproved Areas, Airfields, Cemeteries, and Warriors' Walk.
- iii. A Phase-in Plan that demonstrates the Offeror will be fully staffed by the conclusion of the Phase-in period and to ensure all personnel, equipment, materials, and supplies are available at the conclusion of the Phase-in period prior to starting the full performance period.
- iv. Provide proof of Georgia (GA) herbicide certification per Georgia Department of Agriculture In Accordance With (IAW) PWS 5.2.12. Provide proof of a minimum of three (3) years landscape experience IAW PWS 5.2.21. Provide proof of a minimum of three (3) years of experience in memorial maintenance services, cemetery grounds maintenance or equivalent maintenance services IAW PWS 5.2.14.

Factor II- Past Performance. There are two aspects to the past performance evaluation. The first is to consider the recency of the past performance data provided. The second is to evaluate whether the Offeror's past performance is relevant to the effort to be acquired. Common aspects of relevancy include similarity of service/support, complexity, dollar value, contract type, and degree of subcontract/teaming.

1) Each offeror will be evaluated based on the Offeror's recent past performance, focusing on performance that is relevant to the Contract requirements. Subcontracting arrangement will be determined based on the work performed by the Offeror. If a third party or customer cannot discern what work the Offeror performed, this effort will not be considered relevant. Relevancy will be assigned one of the ratings defined below:

i. Recency Assessment. An evaluation of the past performance information will be made to determine if it is recent. To be recent, the effort must be ongoing or must have been performed during the past three (3) years from the closing date of this solicitation. Past performance information that fails this condition will not be evaluated.

ii. Relevancy Assessment. To be relevant, the effort must be similar in nature of work, size, and complexity. The key discriminator for relevancy is that the offeror must demonstrate past performance on a single contract that required grounds maintenance at a minimum of 3,000 acres (approximately 60-65% of the total estimated acres of this requirement). The Government will conduct an in-depth evaluation of all recent performance information obtained to determine if it is the same or similar in nature of work, size, and complexity to the services/products being procured under this solicitation. Relevance of an effort in which the Offeror participated under a joint venture or subcontracting arrangement will be determined based on the work performed by the Offeror. If a third party or customer cannot discern what work the Offeror performed, this effort will not be considered relevant. The Past Performance Factor will be assigned one of the ratings defined below:

Rating	Definition
Acceptable	Based on the offeror's performance record, the Government has a reasonable expectation that the offeror will successfully perform the required effort, or the offeror's performance record is unknown
Unacceptable	Based on the offeror's performance record, the Government has no reasonable expectation that the offeror will be able to successfully perform the required effort

2) NOTE: In the case of an Offeror without a record of relevant past performance or for whom information on past performance is not available or so sparse that no meaningful past performance rating can be reasonably assigned, the Offeror may not be evaluated favorably or unfavorably on past performance (see RFO FAR 15.202(c)(1)). Therefore, the Offeror shall be determined to have unknown or neutral past performance. In the context of acceptability/unacceptability, a neutral rating shall be considered acceptable.

3) Offerors must receive an Acceptable rating in Past Performance to be considered awardable. If a proposal receives a Unacceptable rating, the offeror may not be considered for award.

4) The Government may obtain data from sources such as Contractor Performance Assessment Reporting System (CPARS). In these various past performance systems, the Government shall assess (but not limited to) how well they performed on schedule and how well their customer satisfaction ratings are/were.

Factor III- Price. Price will not be scored or rated. Evaluation of price will be performed using one or more of the price analysis techniques in RFO FAR 15.404-1(b). Through these techniques the Government will determine whether an Acceptable Offeror's price is reasonable IAW RFO FAR 15.404-1(b).

1) Completeness. The offeror must provide complete pricing information for all of the Contract Line Item Numbers (CLINs) on the SF 1449 and provide a password protected Excel spreadsheet with formulas intact that fully shows the price breakdown to include position title, occupational code, wages, hours, fringe benefits, G&A, profit, and price escalation, if applicable.

2) Options. The Government will evaluate offers for award purposes by adding the total price for all options to the total price for the basic requirement. The Government may determine that an offer is unacceptable if the option prices are mathematically and materially unbalanced.

3) As part of price evaluation, the Government will evaluate its option to extend services (see FAR Clause 52.217-8).

4) The total evaluated price will be evaluated through price analysis to determine whether it is reasonable.

5) Unbalanced Pricing. Unbalanced Pricing shall be evaluated in accordance with RFO FAR 15.404-6, as applicable, to assess potential performance risk which could result in unreasonably high prices.

REQUIREMENTS FOR CERTIFIED COST OR PRICING DATA AND DATA OTHER THAN CERTIFIED COST OR PRICING DATA (DEVIATION 2024-O0007)(FEB 2024)

(a) Definitions. As used in this provision-

“Market prices” means current prices that are established in the course of ordinary trade

between buyers and sellers free to bargain and that can be substantiated through competition or from sources independent of the offerors.

“Non-Government sales” means sales of the supplies or services to non-Governmental entities for purposes other than governmental purposes.

“Relevant sales data” means information provided by an offeror on sales of the same or similar items that can be used to establish price reasonableness taking into consideration the age, volume, and nature of the transactions (including any related discounts, refunds, rebates, offsets, or other adjustments).

“Sufficient non-Government sales” means relevant sales data that reflects market pricing and contains enough information to make adjustments covered by FAR 15.404-1(b)(2)(ii)(B).

“Uncertified cost data” means the subset of “data other than certified cost or pricing data” (see FAR 2.101) that relates to cost.

(b) Exceptions from certified cost or pricing data.

(1) In lieu of submitting certified cost or pricing data, the Offeror may submit a written request for exception by submitting the information described in paragraphs (b)(1)(i) and (ii) of this provision. The Contracting Officer may require additional supporting information, but only to the extent necessary to determine whether an exception should be granted and whether the price is fair and reasonable.

(i) Exception for price set by law or regulation - Identification of the law or regulation establishing the price offered. If the price is controlled under law by periodic rulings, reviews, or similar actions of a governmental body, attach a copy of the controlling document, unless it was previously submitted to the contracting office.

(ii) Commercial item exception. For a commercial item exception, the Offeror shall submit, at a minimum, information that is adequate for evaluating the reasonableness of the price for this acquisition, including prices at which the same item or similar items have been sold in the commercial market. Such information shall include-

(A) For items previously determined to be commercial, the contract number and military department, defense agency, or other DoD component that rendered such determination, and if available, a Government point of contact;

(B) For items priced based on a catalog-

(1) A copy of or identification of the Offeror's current catalog showing the price for that item; and

(2) If the catalog pricing provided with this proposal is not consistent with all relevant sales data, a detailed description of differences or inconsistencies between or among the relevant sales data, the proposed price, and the catalog price (including any related discounts, refunds, rebates, offsets, or other adjustments);

(C) For items priced based on market pricing, a description of the nature of the commercial market, the methodology used to establish a market price, and all relevant sales data. The description shall be adequate to permit DoD to verify the accuracy of the description;

(D) For items included on an active Federal Supply Service Multiple Award Schedule contract, proof that an exception has been granted for the schedule item; or

(E) For items provided by nontraditional defense contractors, a statement that the entity is not currently performing and has not performed, for at least the 1-year period preceding the solicitation of sources by DoD for the procurement or transaction, any contract or subcontract for DoD that is subject to full coverage under the cost accounting standards prescribed pursuant to 41 U.S.C. 1502 and the regulations implementing such section.

(2) The Offeror grants the Contracting Officer or an authorized representative the right to examine, at any time before award, books, records, documents, or other directly pertinent records to verify any request for an exception under this provision, and to determine the reasonableness of price.

(c) Requirements for certified cost or pricing data. This acquisition is accomplished under the authority of section 890 of the National Defense Authorization Act (NDAA) for Fiscal Year (FY) 2019 (Pub. L. 115-232), as amended by section 825 of the NDAA for FY 2020 (Pub. L. 116-92), section 818 of the NDAA for FY 2023 (Pub. L. 117-263), and section 841 of the NDAA for FY 2024 (Pub. L. 118-31). The intent of this pilot program is to test the efficacy of basing price reasonableness determinations primarily on actual costs of performance for prior purchases of the same or similar products for the Department of Defense. If the Offeror is not granted an exception from the requirement to submit certified cost or pricing data, the following applies:

(1) In lieu of providing complete cost or pricing data, as defined in FAR 2.101, the Offeror shall submit a subset of cost or pricing data and supporting attachments as follows: _____

[Contracting Officer shall list the specific cost or pricing data deemed necessary to establish

price reasonableness for this acquisition, and describe the required submission format for each type of data. At a minimum, the Contracting Officer shall identify the specific prior DoD purchases of the same or similar products for which the Offeror is required to submit the actual cost of performance. The Offeror is not required to submit cost or pricing data that is not listed within this provision. If the Contracting Officer finds that additional cost or pricing data are needed in order to determine that the price is fair and reasonable, the Contracting Officer shall issue an amendment to the solicitation, revising this paragraph as needed to require the submission of the additional data.]

(2)(i) As soon as practicable after agreement on price, but before contract award (except for unpriced actions such as letter contracts), the Offeror shall submit a Certificate of Current Cost or Pricing Data, using the following language:

Certificate of Current Cost or Pricing Data for Acquisitions Accomplished under the Authority of Section 890 of the National Defense Authorization Act (NDAA) for Fiscal Year (FY) 2019, as amended by Section 825 of the NDAA for FY 2020, Section 818 of the NDAA for 2023, and Section 841 of the NDAA for FY 2024

This is to certify that, to the best of my knowledge and belief, the cost or pricing data required by the provision at 252.215-7010, Requirements for Certified Cost or Pricing Data and Data Other Than Certified Cost or Pricing Data (DEVIATION 2024-O0007) of the Request for Proposal for this action, and submitted either actually or by specific identification in writing, to the Contracting Officer or to the Contracting Officer's Representative in support of _____* are accurate, complete, and current as of _____**. This certification includes the cost or pricing data supporting any advance agreements and forward pricing rate agreements between the Offeror and the Government that are part of the proposal.

Firm _____

Signature _____

Name _____

Title _____

Date of execution*** _____

*Identify the proposal involved, giving the appropriate identifying number (e.g., RFP No.).

**Insert the day, month, and year when price negotiations were concluded and price agreement was reached or, if applicable, an earlier date agreed upon between the parties that is as close as practicable to the date of agreement on price.

***Insert the day, month, and year of signing, which should be as close as practicable to the date when the price negotiations were concluded and the contract price was agreed to.

(ii) The certificate does not constitute a representation as to the accuracy of the Offeror's judgment on the estimate of future costs or projections. It applies to the data upon which the judgment or estimate was based. This distinction between fact and judgment should be clearly understood. With respect to the certified cost or pricing data required by paragraphs (c)(1) or (e) of this provision (as revised by solicitation amendment, if applicable), if the Offeror had information reasonably available at the time of agreement showing that the negotiated price was not based on accurate, complete, and current data, the Offeror's responsibility is not limited by any lack of personal knowledge of the information on the part of its negotiators.

(iii) The Contracting Officer and Offeror are encouraged to reach a prior agreement on criteria for establishing closing or cutoff dates when appropriate in order to minimize delays associated with proposal updates. Closing or cutoff dates applicable to the certified cost or pricing data required by paragraphs (c)(1) or (e) of this provision should be included as part of the data submitted with the proposal and, before agreement on price, data should be updated by the contractor to the latest closing or cutoff dates for which the data are available. Use of cutoff dates coinciding with reports is acceptable, as certain data may not be reasonably available before normal periodic closing dates (e.g., actual indirect costs). Data within the Offeror's or a subcontractor's organization on matters significant to contractor management and to the Government will be treated as reasonably available, if that data was required to be submitted by paragraph (c)(1) or (e) of this provision. What is significant depends upon the circumstances of each acquisition.

(iv) Possession of a Certificate of Current Cost or Pricing Data is not a substitute for examining and analyzing the Offeror's proposal.

(v) If certified cost or pricing data are requested by the Government and submitted by the Offeror, but an exception is later found to apply, the data shall not be considered certified cost or pricing data and shall not be certified in accordance with this subsection.

(3) The Offeror is responsible for determining whether a subcontractor qualifies for an exception from the requirement for submission of certified cost or pricing data on the basis of adequate price competition, i.e., two or more responsible offerors, competing independently,

submit priced offers that satisfy the Government's expressed requirement in accordance with FAR 15.403-1(c)(1).

(d) Requirements for data other than certified cost or pricing data.

(1) Data other than certified cost or pricing data submitted in accordance with this provision shall include all data necessary to permit a determination that the proposed price is fair and reasonable, to include the requirements in DFARS 215.402(a)(i) and 215.404-1(b).

(2) In cases in which uncertified cost data is required, the information shall be provided in the form in which it is regularly maintained by the Offeror or prospective subcontractor in its business operations.

(3) The Offeror shall provide information described as follows: ____ [Insert description of the data and the format that are required, including access to records necessary to permit an adequate evaluation of the proposed price in accordance with FAR 15.403-3].

(4) Within 10 days of a written request from the Contracting Officer for additional information to support proposal analysis, the Offeror shall provide either the requested information, or a written explanation for the inability to fully comply.

(5) Subcontract price evaluation.

(i) The Offeror shall obtain from subcontractors the minimum information necessary to support a determination of price reasonableness, as described in FAR part 15 and DFARS part 215.

(ii) No cost information may be required from a prospective subcontractor in any case in which there are sufficient non-Government sales of the same item to establish reasonableness of price.

(iii) If the Offeror relies on relevant sales data for similar items to determine the price is reasonable, the Offeror shall obtain only that technical information necessary—

(A) To support the conclusion that items are technically similar; and

(B) To explain any technical differences that account for variances between the proposed prices and the sales data presented, but excluding paragraph (c), in all subcontracts exceeding the simplified acquisition threshold defined in FAR part 2.

(e) Subcontracts.

(1) For subcontracts above the threshold for submission of certified cost or pricing data in FAR 15.403-4 to which the authority of the Section 890 pilot has been flowed down, in lieu of the requirements in paragraphs (a) and (b) of the clause at 52.215-12, Subcontractor Certified Cost or Pricing Data, of this solicitation, the Offeror shall require the subcontractor to submit a subset of cost or pricing data (actually or by specific identification in writing) as follows:

(i) _____

[Contracting Officer shall add paragraphs as necessary to identify each first-tier subcontract to which the authority of the Section 890 pilot has been flowed down, and the specific certified cost or pricing data required for each subcontract. Contracting Officer shall list the specific cost or pricing data deemed necessary to determine that the price is fair and reasonable for each subcontract, and describe the required submission format for each type of data. The type and extent of data required may differ based on the dollar value of the subcontract proposal, or other appropriate considerations. At a minimum, the Contracting Officer shall identify the specific prior subcontracts awarded in support of the DoD purchases of the same or similar products for which the subcontractor is required to submit the actual cost of performance. The Contracting Officer shall specify whether the authority of the Section 890 pilot is further flowed down to any lower-tier subcontract pertaining to each first-tier subcontract. Where the pilot authority is flowed down to lower-tier subcontracts, the Contracting Officer shall describe the specific certified cost or pricing data that is to be provided by each affected lower-tier subcontractor. The subcontractor and lower tier subcontractors to which the pilot authority is flowed down are not required to submit certified cost or pricing data that is not listed within this provision. If the Contracting Officer finds that additional certified cost or pricing data are needed in order to determine that the price is fair and reasonable, the Contracting Officer shall issue an amendment to the solicitation, revising this paragraph as needed to require the submission of the additional data.]

(ii) In the event a subcontractor denies the Offeror access to the data described in paragraph (e)(1)(i) of this provision, the data may be provided directly to the Contracting Officer.

(iii) If a subcontractor is unable to provide the extent of historical actual cost experience required by paragraph (e)(1)(i), then the Offeror shall require the subcontractor to provide certified cost or pricing data in accordance with paragraph (e)(2) of this clause.

(iv) The Offeror shall require the subcontractor to certify in substantially the form prescribed in

paragraph (c)(2) of this provision that, to the best of its knowledge and belief, the data submitted under paragraph (e)(1)(i) of this provision were accurate, complete, and current as of the date of agreement on the negotiated price of the subcontract.

(2) For subcontracts above the threshold for submission of certified cost or pricing data in FAR 15.403-4 to which the authority of the Section 890 pilot has not been flowed down, the Offeror shall require the subcontractor to provide certified cost or pricing data in accordance with the clause at 52.215-12, Subcontractor Certified Cost or Pricing Data, of this solicitation and shall require the subcontractor to certify in substantially the form prescribed in FAR 15.406-2 that, to the best of its knowledge and belief, the data submitted under paragraph (a) of the clause at 52.215-12 were accurate, complete, and current as of the date of agreement on the negotiated price of the subcontract.

(End of provision)
