Draft Buys (18) Open Buys (0) Pending Awards (26) BPA/IDIQs (9) Pending Questions (1)

You have no Open Buys.

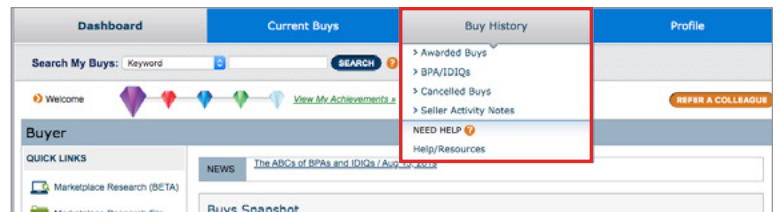

Quick Links: The Quick Links on the left-hand side of your screen allows you to quickly access commonly used Dashboard tools including creating, editing and awarding buys.

Additional Filters: Options Pending Exercise, Questions Pending, help and training can be found towards the bottom of your dashboard screen.

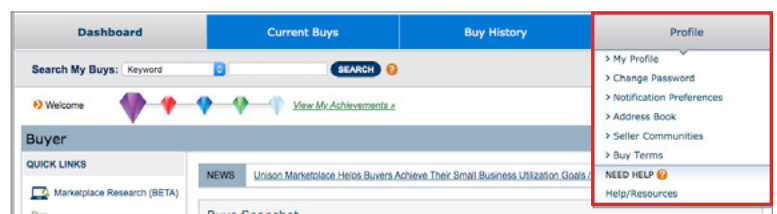

Buy History: From the Buy History tab you can view all of your Awarded and Cancelled buys and any Seller Activity Notes for Sellers that have placed bids on your buys.

Profile: The Profile tab contains your personal Buyer information. If you need to edit any of your profile information you can do so here.

Manage your notification preferences, manage your address, access your Seller Communities and view your Buy Terms.

How to Add a Seller Community

Seller Communities: To access Seller Communities, select Seller Communities from the Profile tab.

Here you will find the Seller Communities you have created. To create a new Seller Community, select 'Create New' at the bottom of the screen.

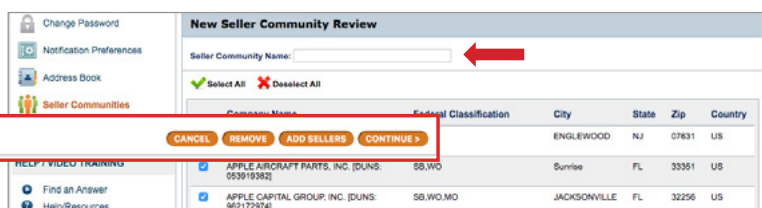

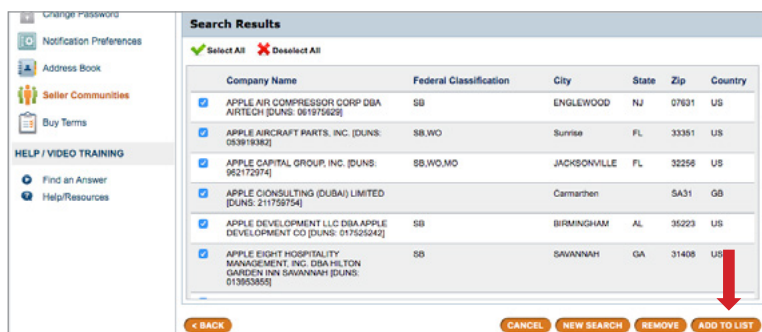

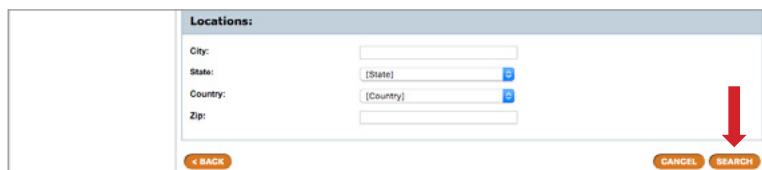

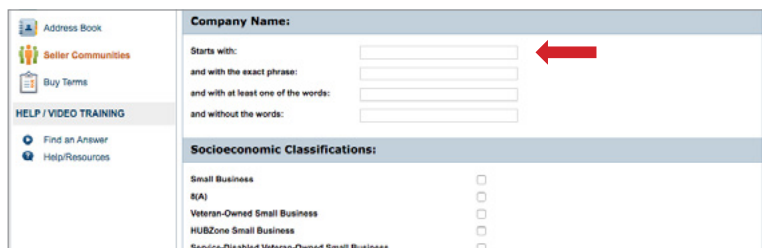

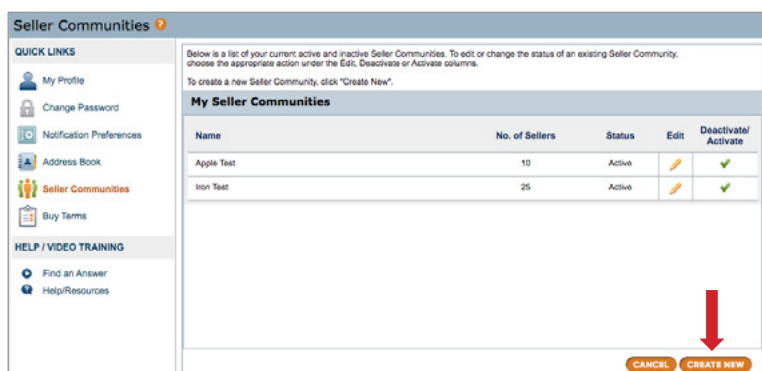

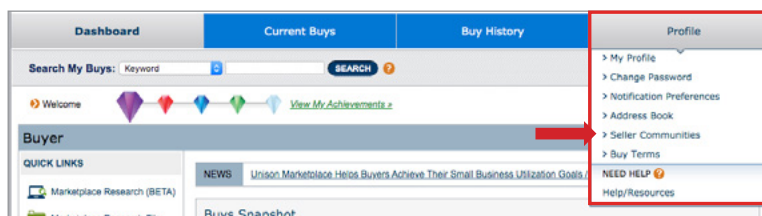

Fill in the Vendor's information. For example, 'Starts with' will contain the company's name. Narrow the search results by selecting the company's socioeconomic set-aside or location.

After identifying the company information, select 'Search'.

Review the Seller's information and select 'Add to List'. If multiple Sellers appear, click inside the check box to deselect any Sellers that should not be added to the Seller Community.

Once the Seller has been added, select 'New Search' to add additional Sellers or 'Remove' to remove any vendors from the Seller Community.

Name the Seller Community and select 'Continue' once all identified vendors have been added.

Once the contact has been named and the Sellers have been added to the community, select confirm to add the Seller Community to the Marketplace.

To confirm your new Seller Community has been added to the Marketplace, select 'Create New Buy' under the Quick Links section on the dashboard. The Seller Community can be found on the first page of the draft buy process.

To edit the Seller Community, select the pencil icon.

Reposting a Buy

Unison Marketplace is equipped with a repost feature that will allow you to update your buy requirements if your contract changes (ie. updated quantity, CLIN structure changes etc.) This will not cancel the buy, it will simply amend the requirements.

Find the buy you would like to repost and click the 'Repost' link under the 'Quick Links' section on your dashboard.

From the buy workflow, edit the fields necessary, review your changes and click 'Repost'. Vendors will then be able to view your updated buy requirements.

Note: If you would like to save time, your Unison Account Management team can assist you in amending your requirements.

Specialized Buy Types

BPA and IDIQ Contract Buys: Unison has added the functionality for Buyers to create and compete Blanket Purchase Agreements (BPAs) and Indefinite Delivery/Indefinite Quantity (IDIQ) contracts through the Marketplace. To activate one of these specialized buy types, you can do so by clicking 'Yes' next to the feature on the 1st page of a new draft buy as shown below.

How Does it Work?

1. Post a buy with a Specialized Buy Type of Master BPA or Master IDIQ. Here you will set the period of performance, contract type, price ceiling, set-aside and other specifications for the contract, including the start date and expiration.
2. Sellers submit competitive pricing and technical proposals based on your requirements.
3. Select the Sellers you wish to include on future orders within the contract.
4. Once created, Buyers within your organization can create orders against the BPA or IDIQ you have created.

Note: Upon request, you can receive reporting on agency orders, ceiling price and Seller bidding behavior.

Specialized Buy Type (optional):	Master BPA	Yes ☐	No ☒	?
	Master IDIQ	Yes ☐	No ☒	?
	Option Buy	Yes ☐	No ☒	?

Option Year Buys: To compete a multi-year contract select Specialized Buy Type 'Option Buy' within the buy workflow.

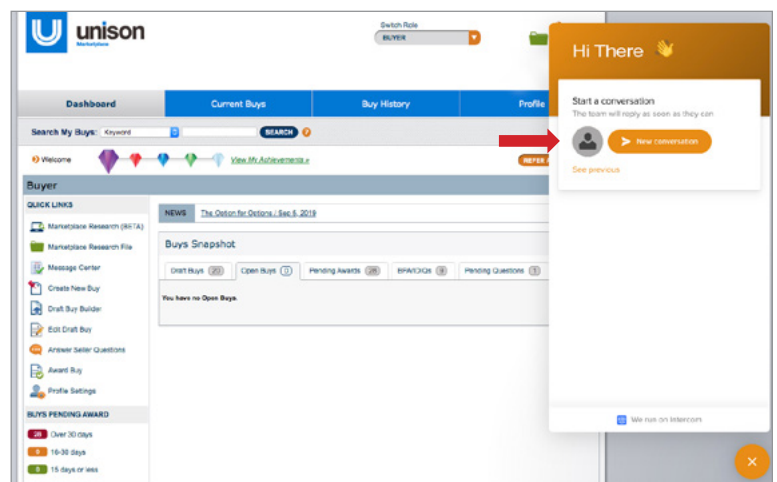

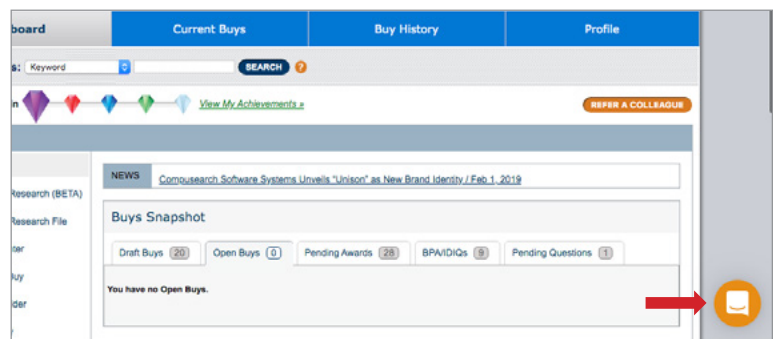

The Line Items section will allow you to enter the Period of Performance and the associated lines items for a Base year and up to 4 Option Years.

Note: If you are unsure of the Period of Performance dates, you can update the information prior to reflecting your award.

Chat Feature & Guided Walk Throughs

Chat Feature: A member of your Account Management team is available quickly and easily to you through our chat feature found in the bottom right-hand side of the Marketplace.

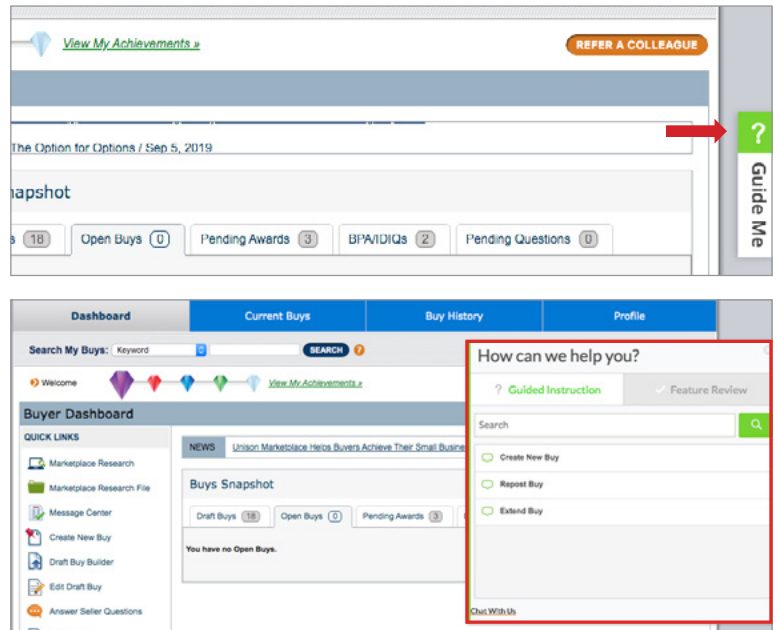

Ask a quick question, submit requirements for drafting and more. A team member can respond to your request(s) typically within five minutes.

Guided Walk Throughs: Contextual guidance and interactive training is available to you when you log into the Marketplace.

Click on the 'Guide Me' button on the right side of your browser window and choose from a list of tutorials available to you. The system will then walk you step-by-step through an interactive tutorial.

Tutorials are available on tasks such as Creating a buy, reposting a buy, extending a buy, canceling a buy, navigating your profile, and more.

Answering Questions

Seller Questions: When you receive a question on a buy you have posted, it will be listed under 'Pending Questions' from your Buy Snapshot.

Note: You can also access your list of pending questions by clicking on 'Answer Seller Questions' under the Quick Links.

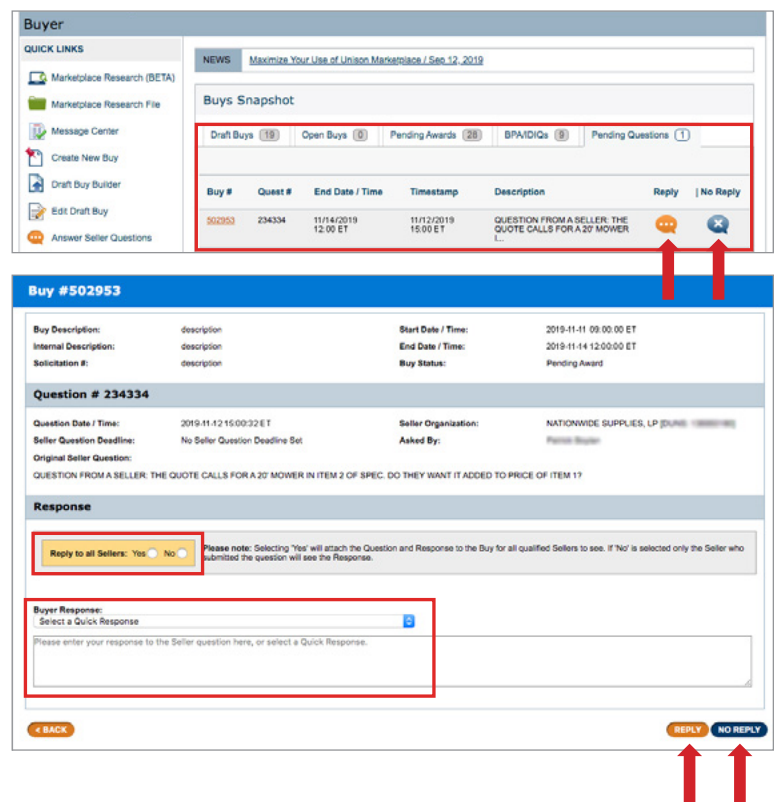

Under 'Pending Questions' you will see the buy number and the Question which was asked. You can then choose 'Reply' or 'No Reply'.

When you click on 'Reply', you are brought to a response screen that will contain the buy information, Seller information, the question asked and an area to reply to the question.

To reply to the question, first select if you would like to reply to all Sellers or if you would like to reply only to the Seller that asked the question.

Then, you can choose to select from the 'Quick Response' drop down, or type your own answer in the available text box. Once completed you can click on 'Reply'.

Note: You are not required to answer questions. All questions and answers will be recorded in your PDF Package for your records.

Draft Buy Builder

Drafting Services: Your Account Management team can save you time by drafting your requirements for you.

Select 'Draft Buy Builder' under your Quick Links navigation.

Upload your requirements, statement of work, bill of materials, IGCE etc. to the Draft Buy Builder and your Account Team will be notified.

Note: Be sure to include a start date, end date, contract vehicle and set-aside.

Once drafted, your buy will be placed under the Draft Buys tab on your dashboard. You can then review the buy and post it to the Marketplace.

ActivityCard®

Seller Activity: The ActivityCard® summarizes a Seller's marketplace award history. Buyers have the opportunity to place an activity note on a Seller's profile with any good or bad experience they may have had.

Note: This is not official past performance. If you have any questions about the activity note or want more information, the Buyer contact information will be located with the note.

Viewing an ActivityCard®: From the Bid Summary page, click on the ActivityCard® icon next to the Seller's name.

Adding an Activity Note: From the Bid Details page you can select 'Add Activity Note' from the Quick Links Menu. From the Seller's ActivityCard® select 'Add Activity Note' at the bottom of the page.

Fill out the Activity Note form and click 'Submit'.

How to Award a Buy

Pending Awards: When your buy has closed, you can find it listed under the 'Pending Awards' tab on your Dashboard.

Note: You can also access buys that are pending award by clicking on 'Award Buy' under your Quick Links panel.

Select the buy you wish to Award from the Pending awards tab.

From the Bid Summary page, you can download the PDF package for documentation. You can also view the buy details, the activity report and view the bids submitted on your buy.

View Bid Details: To view the full bid details, click on the Seller Name. Here you will find all of the information submitted by the Seller, including any requested Seller attachments.

Accept Bid: To accept a bid, click 'Accept Bid' under your Quick Links panel or at the bottom of the Bid Details page.

Finalize Payment: Next, you will need to finalize payment by entering the Purchase Order or Authorization Number associated with the buy. Then click 'Continue'.

Review and confirm the selected bid information, then click 'Continue'. If you need to change any information, click 'Edit'.

You can now find this buy listed under 'Awarded Buys' in your Buy History.

The image shows a series of screenshots from a procurement system interface, illustrating the steps to award a buy.

Dashboard: The top navigation bar includes 'Dashboard', 'Current Buys', 'Buy History', and 'Profile'. The 'Current Buys' tab is active. A search bar is present with the text 'Search My Buys: Keyword'. Below the navigation bar, there's a 'Welcome' message and a 'View My Achievements' link. A 'REFER A COLLEAGUE' button is also visible.

Buyer Section: A sidebar on the left lists 'QUICK LINKS' such as 'Marketplace Research (BETA)', 'Marketplace Research File', 'Message Center', 'Create New Buy', 'Draft Buy Builder', 'Edit Draft Buy', and 'Answer Seller Questions'.
