INSTRUCTIONS TO PROPOSERS

CPARS

The Federal Acquisition Regulation (FAR) requires that Past Performance Information (PPI) be collected on DoD contracts. The Contractor Performance Assessment Reporting System (CPARS) is a web-enabled application that supports the completion, distribution, and retrieval of all contract performance evaluations. Contractor Representatives are responsible for reviewing and commenting on evaluations submitted on the Contractor Performance Assessment Reporting System (CPARS) website at <https://www.cpars.gov/>

AT/OPSEC

1. AT Level I Training.

This provision/contract text is for contractor employees with an area of performance within an Army-controlled installation, facility, or area. All contractor employees, including subcontractor employees, requiring access to Army installations, facilities, or controlled access areas shall complete AT Level I awareness training within 30 calendar days after contract start date or effective date of incorporation of this requirement into the contract, whichever applies. The contractor shall submit certificates of completion for each affected contractor employee and subcontractor employee to the COR (or to the contracting officer, if a COR is not assigned) within 30 calendar days after completion of training by all employees and subcontractor personnel. AT Level I awareness training is available at <https://jkodirect.jten.mil>

2. Access and general protection/security policy and procedures. This standard language is for contractor employees with an area of performance within Army controlled installation, facility, or area.

2.1 Installation Access and Identification of Contractor's Employees: Entry to the installation requires the following: current vehicle registration, proof of insurance, valid driver's license for the vehicle driver, and picture identification for other personnel. Contractors/Subcontractors and their employees requiring access to the installation will be required to comply with the installation access control policy/procedures. The Government will not be responsible for damages due to delay/stoppages caused by failure to comply. Contractors shall be restricted to physically sign in at the Visitor Control Center (VCC), located just prior to the Paul Cerjan Gate, for entry unless they have a DoD issued ID card, a local temporary pass, or a local access badge (LAB). The contractor shall also provide all information required for background checks to meet installation access requirements to be accomplished by Director of Emergency Services or Physical Security Office. Contractor workforce must comply with all personal identity verification requirements as directed by DOD, HQDA and/or local policy. In addition to the changes otherwise authorized by the changes clause of this contract, should the Force Protection Condition (FPCON) at any individual facility or installation change, the Government may require changes in contractor security matters or processes.

2.2 The Contractor shall provide a list of names and dates of birth of all employees that will be working on this contract to include subcontractors. CORs/Contract Technical Representatives are required to complete an IMDR-ES Form 2 (Application for Sponsorship) for all individuals needing access under the contract and submit to usarmy.drum.imcom.mbx.des-acp@army.mil at least 7 days prior to access being needed.

2.3 Each employee who requires access to Fort Drum to perform work under any contract, at any tier, must obtain a DoD identification credential, temporary pass, or a LAB to obtain access to Fort Drum.

2.4 The contractor shall provide information as required by the Fort Drum Chief, Physical Security to enable the government to conduct a National Crime Information Center Interstate Identification Index (NCIC-III) check on all contractor employees who require access to Fort Drum. If the NCIC-III is not adverse, a 30 day temporary access pass will be prepared by the Fort Drum Physical Security Division while the contractor's employee makes an appointment for a Local Access Badge (LAB) to be created if access is needed for longer than 30 days. A LAB will be issued for the duration of the contract or a period of no longer than 365 days at a time. If the NCIC-III is adverse, the employee will be denied access. If access is denied for any reason, the contractor's employee may request a waiver from the installation utilizing the Access Waiver Denial Program. If a Contractor or contractor's employee is denied access for any reason the employee will not be allowed access until a waiver is requested and approved. There is an appeals process through the Directorate of Emergency Services. Final determination to allow entry and the issuance of a DoD credentials rest with the Garrison Commander or his designee, the Director, Emergency Services. 2.5 If an employee no longer needs the DoD identification credential for any reason (e.g. quits his/her job or no longer performs under the contract), the contractor is required to collect the DoD identification credential from the employee and surrender it to the Fort Drum Physical Security Division within four (4) calendar days of such change. If the DoD identification credential cannot be returned within the required time frame for any reason, the contractor shall immediately notify the Physical Security Division verbally, followed up in writing the next work day. Email notification is authorized. An employee's inability to

obtain entrance to a Government installation because he/she does not have the required identification badge or visitor's pass shall not excuse timely performance of the requirements of this contract. DoD identification credentials are currently issued at the VCC, Bldg 11008, located just outside the Paul Cerjan Gate. The Government may change the location at which DoD identification credential are issued or returned, with or without advance notice to the contractor. Any such changes shall not be a basis for adjusting the contract price under any clause of this contract.

2.6 DoD identification credential will not be reproduced or copied by the contractor, its subcontractors, or their employees. If an employee's DoD identification credential is lost, stolen, or reproduced, the contractor shall verbally report the loss, theft, or reproduction to the Fort Drum Physical Security Division on the day such loss, theft, or reproduction is discovered, followed by a written report of the circumstances to the Fort Drum Physical Security Division within two (2) calendar days.

2.7 Each contractor employee shall possess/wear the DoD identification credential while performing work under the contract. The DoD identification credential shall be worn on the upper front of the outer garment unless precluded by OSHA regulation(s). The DoD identification credential will not be used for access to any Government installation except for performance of work under the contract for which it was issued. The contractor, shall upon expiration or termination of the contract, collect all DoD identification credentials and turn them into the COR.

2b. For contractor not eligible for CAC, but requires access to a DoD facility or installation. Contractor and all associated sub-contractors employees shall comply with adjudication standards and procedures using the National Crime Information Center Interstate Identification Index (NCIC-III) and Terrorist Screening Database (TSDB) (Army Directive 2014-05/AR 190-13), applicable installation, facility and area commander installation/facility access and local security policies and procedures (provided by government representative), or, at OCONUS locations, in accordance with status of forces agreements and other theater regulations.

7. For contracts that require OPSEC Training. All contractor employees, to include subcontractor's employees, requiring access to Army installation, facilities, controlled, access areas, and/or installation computers shall complete OPSEC Level I training within 30 days after contract start date or effective date of incorporation of this requirement into the contract. The Contractor shall provide a certificates of completion for each affected contractor employee and subcontractor employee to the COR, or to the Contracting Officer if a COR is not assigned, with 15 calendar days after completion of training by all employees and subcontractor personnel. OPSEC Level 1 training is available for DOD Civilians/Contractors at <https://securityawareness.usalearning.gov/opsec/index.htm>.

E VERIFY

The Contractor must pre-screen Candidates using the E-verify Program (<http://www.uscis.gov/everify>) website to meet the established employment eligibility requirements. The Vendor must ensure that the Candidate has two valid forms of Government issued identification prior to enrollment to ensure the correct information is entered into the E-verify system. An initial list of verified/eligible Candidates must be provided to the COR no later than 3 business days after the initial contract award." *When contracts are with individuals, the individuals will be required to complete a Form I-9, Employment Eligibility Verification, with the designated Government representative. This Form will be provided to the Contracting Officer and shall become part of the official contract file.

INSTRUCTIONS TO OFFERORS

NOTICE REGARDING BID BONDS, PERFORMANCE BONDS, AND PAYMENT BONDS

The Standard Forms (SF24, SF25, and SF25A) for these bonds have been revised and can be found using the search at <https://www.gsa.gov/reference/forms#>

When including your bid/offer, contractors/sureties shall use the revised versions. No other version will be valid and thus may render your bid/offer non-compliant.

ELECTRONIC PROPOSAL SUBMISSION

ELECTRONIC PROPOSALS

(a) Definition. Electronic proposal, as used in this provision, means a proposal, revision or modification of a proposal, or withdrawal of a proposal that is transmitted to and received by the Government via electronic commerce (see FAR Subpart 4.5 -- Electronic Commerce in Contracting).

(b) Offerors may submit electronic proposals as responses to this solicitation. Electronic proposals are subject to the same rules as paper proposals.

(c) The format for electronic proposals in this solicitation is: PDF documents sent via email, ONLY to the Contract Specialist and Contracting Officer, as listed below:

Contract Specialist: Mrs. Jordan Moran - Email Address: Jordan.K.Moran@usace.army.mil
Contracting Officer: Mr. Nicholas Emanuel - Email Address: nicholas.p.emanuel@usace.army.mil

(d) If any portion of an electronic proposal received by the Contracting Officer is unreadable to the degree that conformance to the essential requirements of the solicitation cannot be ascertained from the document --

- (1) The Contracting Officer immediately shall notify the offeror and permit the offeror to resubmit the proposal;
 - (2) The method and time for resubmission shall be prescribed by the Contracting Officer after consultation with the offeror; and
 - (3) The resubmission shall be considered as if it were received at the date and time of the original unreadable submission for the purpose of determining timeliness, provided the offeror complies with the time and format requirements for resubmission prescribed by the Contracting Officer.
- (e) The Government reserves the right to make award solely on the electronic proposal. However, if requested to do so by the Contracting Officer, the apparently successful offeror promptly shall submit the complete original signed proposal.

ELECTRONIC PROPOSAL SUBMISSION

Submit proposals no later than 2:00PM EST on 14 January 2026 via e-mail to:

Nicholas.P.Emanuel@usace.army.mil

and

Jordan.K.Moran@usace.army.mil

File size is limited to 25MB per email.

The government will not be responsible for submissions delivered to anyone other than those designated to receive proposals. Offerors are responsible for ensuring that proposals are submitted so as to reach the designated recipient. Offerors are responsible for allowing sufficient time for the proposals to be received in accordance with the instructions provided.

OFFEROR INQUIRIES

INQUIRIES

Submission of inquiries will open on 16 September 2025. Please submit technical inquiries and questions relating to this solicitation via email to (Nicholas.P.Emanuel@usace.army.mil) and (Jordan.K.Moran@usace.army.mil).

Submission of inquiries will close 16 October 2025 11:59 AM EST. The Government reserves the right to decline addressing questions received after this date. If an Offeror believes that the requirement in this solicitation contains an error, omission, or are otherwise unsound; immediately notify the Contract Specialist in writing with supporting rationale. The Government reserves the right to award this contract based on the initial offer, as received, without discussions. A prospective vendor who submits a comment or question will receive an acknowledgement via e-mail, followed by an answer after it has been processed by our technical team. All timely questions and approved answers will be made available through an amendment which will be posted on sam.gov as soon as the comment/question entering period is over and answers are all finalized.
