INSTRUCTIONS TO PROPOSERS

CPARS

The Federal Acquisition Regulation (FAR) requires that Past Performance Information (PPI) be collected on DoD contracts. The Contractor Performance Assessment Reporting System (CPARS) is a web-enabled application that supports the completion, distribution, and retrieval of all contract performance evaluations. Contractor Representatives are responsible for reviewing and commenting on evaluations submitted on the Contractor Performance Assessment Reporting System (CPARS) website at <https://www.cpars.gov/>

AT/OPSEC

1. AT Level I Training.

This provision/contract text is for contractor employees with an area of performance within an Army-controlled installation, facility, or area. All contractor employees, including subcontractor employees, requiring access to Army installations, facilities, or controlled access areas shall complete AT Level I awareness training within 30 calendar days after contract start date or effective date of incorporation of this requirement into the contract, whichever applies. The contractor shall submit certificates of completion for each affected contractor employee and subcontractor employee to the COR (or to the contracting officer, if a COR is not assigned) within 30 calendar days after completion of training by all employees and subcontractor personnel. AT Level I awareness training is available at <https://jkodirect.jten.mil>

2. Access and general protection/security policy and procedures. This standard language is for contractor employees with an area of performance within Army controlled installation, facility, or area.

2.1 Installation Access and Identification of Contractor's Employees: Entry to the installation requires the following: current vehicle registration, proof of insurance, valid driver's license for the vehicle driver, and picture identification for other personnel. Contractors/Subcontractors and their employees requiring access to the installation will be required to comply with the installation access control policy/procedures. The Government will not be responsible for damages due to delay/stoppages caused by failure to comply. Contractors shall be restricted to physically sign in at the Visitor Control Center (VCC), located just prior to the Paul Cerjan Gate, for entry unless they have a DoD issued ID card, a local temporary pass, or a local access badge (LAB). The contractor shall also provide all information required for background checks to meet installation access requirements to be accomplished by Director of Emergency Services or Physical Security Office. Contractor workforce must comply with all personal identity verification requirements as directed by DOD, HQDA and/or local policy. In addition to the changes otherwise authorized by the changes clause of this contract, should the Force Protection Condition (FPCON) at any individual facility or installation change, the Government may require changes in contractor security matters or processes.

2.2 The Contractor shall provide a list of names and dates of birth of all employees that will be working on this contract to include subcontractors. CORs/Contract Technical Representatives are required to complete an IMDR-ES Form 2 (Application for Sponsorship) for all individuals needing access under the contract and submit to usarmy.drums.imcom.mbx.des-acp@army.mil at least 7 days prior to access being needed.

2.3 Each employee who requires access to Fort Drum to perform work under any contract, at any tier, must obtain a DoD identification credential, temporary pass, or a LAB to obtain access to Fort Drum.

2.4 The contractor shall provide information as required by the Fort Drum Chief, Physical Security to enable the government to conduct a National Crime Information Center Interstate Identification Index (NCIC-III) check on all

contractor employees who require access to Fort Drum. If the NCIC-III is not adverse, a 30 day temporary access pass will be prepared by the Fort Drum Physical Security Division while the contractor's employee makes an appointment for a Local Access Badge (LAB) to be created if access is needed for longer than 30 days. A LAB will be issued for the duration of the contract or a period of no longer than 365 days at a time. If the NCIC-III is adverse, the employee will be denied access. If access is denied for any reason, the contractor's employee may request a waiver from the installation utilizing the Access Waiver Denial Program. If a Contractor or contractor's employee is denied access for any reason the employee will not be allowed access until a waiver is requested and approved. There is an appeals process through the Directorate of Emergency Services. Final determination to allow entry and the issuance of a DoD credentials rest with the Garrison Commander or his designee, the Director, Emergency Services. 2.5 If an employee no longer needs the DoD identification credential for any reason (e.g. quits his/her job or no longer performs under the contract), the contractor is required to collect the DoD identification credential from the employee and surrender it to the Fort Drum Physical Security Division within four (4) calendar days of such change. If the DoD identification credential cannot be returned within the required time frame for any reason, the contractor shall immediately notify the Physical Security Division verbally, followed up in writing the next work day. Email notification is authorized. An employee's inability to obtain entrance to a Government installation because he/she does not have the required identification badge or visitor's pass shall not excuse timely performance of the requirements of this contract. DoD identification credentials are currently issued at the VCC, Bldg 11008, located just outside the Paul Cerjan Gate. The Government may change the location at which DoD identification credential are issued or returned, with or without advance notice to the contractor. Any such changes shall not be a basis for adjusting the contract price under any clause of this contract.

2.6 DoD identification credential will not be reproduced or copied by the contractor, its subcontractors, or their employees. If an employee's DoD identification credential is lost, stolen, or reproduced, the contractor shall verbally report the loss, theft, or reproduction to the Fort Drum Physical Security Division on the day such loss, theft, or reproduction is discovered, followed by a written report of the circumstances to the Fort Drum Physical Security Division within two (2) calendar days.

2.7 Each contractor employee shall possess/wear the DoD identification credential while performing work under the contract. The DoD identification credential shall be worn on the upper front of the outer garment unless precluded by OSHA regulation(s). The DoD identification credential will not be used for access to any Government installation except for performance of work under the contract for which it was issued. The contractor, shall upon expiration or termination of the contract, collect all DoD identification credentials and turn them into the COR.

2b. For contractor not eligible for CAC, but requires access to a DoD facility or installation. Contractor and all associated sub-contractors employees shall comply with adjudication standards and procedures using the National Crime Information Center Interstate Identification Index (NCIC-III) and Terrorist Screening Database (TSDB) (Army Directive 2014-05/AR 190-13), applicable installation, facility and area commander installation/facility access and local security policies and procedures (provided by government representative), or, at OCONUS locations, in accordance with status of forces agreements and other theater regulations.

7. For contracts that require OPSEC Training. All contractor employees, to include subcontractor's employees, requiring access to Army installation, facilities, controlled, access areas, and/or installation computers shall complete OPSEC Level I training within 30 days after contract start date or effective date of incorporation of this requirement into the contract. The Contractor shall provide a certificates of completion for each affected contractor employee and subcontractor employee to the COR, or to the Contracting Officer if a COR is not assigned, with 15 calendar days after completion of training by all employees and subcontractor personnel. OPSEC Level 1 training is available for DOD Civilians/Contractors at <https://securityawareness.usalearning.gov/opsec/index.htm>.

E VERIFY

The Contractor must pre-screen Candidates using the E-verify Program (<http://www.uscis.gov/everify>) website to meet the established employment eligibility requirements. The Vendor must ensure that the Candidate has two valid forms of Government issued identification prior to enrollment to ensure the correct information is entered into the E-verify system. An initial list of verified/eligible Candidates must be provided to the COR no later than 3 business days after the initial contract award." *When contracts are with individuals, the individuals will be required to complete a Form I-9, Employment Eligibility Verification, with the designated Government representative. This Form will be provided to the Contracting Officer and shall become part of the official contract file.

INSTRUCTIONS TO OFFERORS

NOTICE REGARDING BID BONDS, PERFORMANCE BONDS, AND PAYMENT BONDS

The Standard Forms (SF24, SF25, and SF25A) for these bonds have been revised and can be found using the search at <https://www.gsa.gov/reference/forms#>

When including your bid/offer, contractors/sureties shall use the revised versions. No other version will be valid and thus may render your bid/offer non-compliant.

ELECTRONIC PROPOSAL SUBMISSION

ELECTRONIC PROPOSALS

(a) Definition. Electronic proposal, as used in this provision, means a proposal, revision or modification of a proposal, or withdrawal of a proposal that is transmitted to and received by the Government via electronic commerce (see FAR Subpart 4.5 -- Electronic Commerce in Contracting).

(b) Offerors may submit electronic proposals as responses to this solicitation. Electronic proposals are subject to the same rules as paper proposals.

(c) The format for electronic proposals in this solicitation is: PDF documents sent via email, ONLY to the Contract Specialist and Contracting Officer, as listed below:

Contract Specialist: Mrs. Jordan Moran - Email Address: Jordan.K.Moran@usace.army.mil

Contracting Officer: Mr. Nicholas Emanuel - Email Address: nicholas.p.emanuel@usace.army.mil

(d) If any portion of an electronic proposal received by the Contracting Officer is unreadable to the degree that conformance to the essential requirements of the solicitation cannot be ascertained from the document --

(1) The Contracting Officer immediately shall notify the offeror and permit the offeror to resubmit the proposal;

(2) The method and time for resubmission shall be prescribed by the Contracting Officer after consultation with the offeror; and

(3) The resubmission shall be considered as if it were received at the date and time of the original unreadable submission for the purpose of determining timeliness, provided the offeror complies with the time and format requirements for resubmission prescribed by the Contracting Officer.

(e) The Government reserves the right to make award solely on the electronic proposal. However, if requested to do so by the Contracting Officer, the apparently successful offeror promptly shall submit the complete original signed proposal.

ELECTRONIC PROPOSAL SUBMISSION

Submit proposals no later than 2:00PM EST on 04 February 2026 via e-mail to:

Nicholas.P.Emanuel@usace.army.mil

and

Jordan.K.Moran@usace.army.mil

File size is limited to 25MB per email.

The government will not be responsible for submissions delivered to anyone other than those designated to receive proposals. Offerors are responsible for ensuring that proposals are submitted so as to reach the designated recipient. Offerors are responsible for allowing sufficient time for the proposals to be received in accordance with the instructions provided.

OFFEROR INQUIRIES

INQUIRIES

Submission of inquiries will open on 16 September 2025. Please submit technical inquiries and questions relating to this solicitation via email to (Nicholas.P.Emanuel@usace.army.mil) and (Jordan.K.Moran@usace.army.mil).

Submission of inquiries will close 16 October 2025 11:59 AM EST. The Government reserves the right to decline addressing questions received after this date. If an Offeror believes that the requirement in this solicitation contains an error, omission, or are otherwise unsound; immediately notify the Contract Specialist in writing with supporting rationale. The Government reserves the right to award this contract based on the initial offer, as received, without discussions. A prospective vendor who submits a comment or question will receive an acknowledgement via e-mail, followed by an answer after it has been processed by our technical team. All timely questions and approved answers will be made available through an amendment which will be posted on sam.gov as soon as the comment/question entering period is over and answers are all finalized.

=====

Note: Executive Order (EO) 13706, Establishing Paid Sick Leave for Federal Contractors applies to all contracts subject to the Davis-Bacon Act for which the contract is awarded (and any

solicitation was issued) on or after January 1, 2017. If this contract is covered by the EO, the contractor must provide employees with 1 hour of paid sick leave for every 30 hours they work, up to 56 hours of paid sick leave each year.

Employees must be permitted to use paid sick leave for their own illness, injury or other health-related needs, including preventive care; to assist a family member (or person who is like family to the employee) who is ill, injured, or has other health-related needs, including preventive care; or for reasons resulting from, or to assist a family member (or person who is like family to the employee) who is a victim of, domestic violence, sexual assault, or stalking. Additional information on contractor requirements and worker protections under the EO is available at

<https://www.dol.gov/agencies/whd/government-contracts>.

Note: Executive Order 13658 generally applies to contracts subject to the Davis-Bacon Act that were awarded on or between January 1, 2015 and January 29, 2022, and that have not been renewed or extended on or after January 30, 2022. Executive Order 13658 does not apply to contracts subject only to the Davis-Bacon Related Acts regardless of when they were awarded.

If a contract is subject to Executive Order 13658, the contractor must pay all covered workers at least \$13.30 per hour (or the applicable wage rate listed on this wage determination, if it is higher) for all hours spent performing on the contract in 2025. The applicable Executive Order minimum wage rate will be adjusted annually. Additional information on contractor requirements and worker protections under Executive Order 13658 is available at

www.dol.gov/whd/govcontracts.

Unlisted classifications needed for work not included within the scope of the classifications listed may be added after award only as provided in the labor standards contract clauses (29CFR 5.5 (a) (1) (iii)).

The body of each wage determination lists the classifications and wage rates that have been found to be prevailing for the type(s) of construction and geographic area covered by the wage determination. The classifications are listed in alphabetical order under rate identifiers indicating whether the particular rate is a union rate (current union negotiated rate), a survey rate, a weighted union average rate, a state adopted rate, or a supplemental classification rate.

Union Rate Identifiers

A four-letter identifier beginning with characters other than ""SU"", ""UAVG"", ?SA?, or ?SC? denotes that a union rate was prevailing for that classification in the survey. Example:

PLUM0198-005 07/01/2024. PLUM is an identifier of the union whose collectively bargained rate prevailed in the survey for this classification, which in this example would be Plumbers. 0198 indicates the local union number or district council number where applicable, i.e., Plumbers Local 0198. The next number, 005 in the example, is an internal number used in processing the wage determination. The date, 07/01/2024 in the example, is the effective date of the most current negotiated rate.

Union prevailing wage rates are updated to reflect all changes

over time that are reported to WHD in the rates in the collective bargaining agreement (CBA) governing the classification.

Union Average Rate Identifiers

The UAVG identifier indicates that no single rate prevailed for those classifications, but that 100% of the data reported for the classifications reflected union rates. EXAMPLE:

UAVG-OH-0010 01/01/2024. UAVG indicates that the rate is a weighted union average rate. OH indicates the State of Ohio.

The next number, 0010 in the example, is an internal number used in producing the wage determination. The date, 01/01/2024 in the example, indicates the date the wage determination was updated to reflect the most current union average rate.

A UAVG rate will be updated once a year, usually in January, to reflect a weighted average of the current rates in the collective bargaining agreements on which the rate is based.

Survey Rate Identifiers

The ""SU"" identifier indicates that either a single non-union rate prevailed (as defined in 29 CFR 1.2) for this classification in the survey or that the rate was derived by computing a weighted average rate based on all the rates reported in the survey for that classification. As a weighted average rate includes all rates reported in the survey, it may include both union and non-union rates. Example: SUFL2022-007 6/27/2024. SU indicates the rate is a single non-union prevailing rate or a weighted average of survey data for that classification. FL indicates the State of Florida. 2022 is the year of the survey on which these classifications and rates are based. The next number, 007 in the example, is an internal

number used in producing the wage determination. The date, 6/27/2024 in the example, indicates the survey completion date for the classifications and rates under that identifier.

?SU? wage rates typically remain in effect until a new survey is conducted. However, the Wage and Hour Division (WHD) has the discretion to update such rates under 29 CFR 1.6(c)(1).

State Adopted Rate Identifiers

The ""SA"" identifier indicates that the classifications and prevailing wage rates set by a state (or local) government were adopted under 29 C.F.R 1.3(g)-(h). Example: SAME2023-007 01/03/2024. SA reflects that the rates are state adopted. ME refers to the State of Maine. 2023 is the year during which the state completed the survey on which the listed classifications and rates are based. The next number, 007 in the example, is an internal number used in producing the wage determination.

The date, 01/03/2024 in the example, reflects the date on which the classifications and rates under the ?SA? identifier took effect under state law in the state from which the rates were adopted.

WAGE DETERMINATION APPEALS PROCESS

1) Has there been an initial decision in the matter? This can be:

- a) a survey underlying a wage determination
- b) an existing published wage determination
- c) an initial WHD letter setting forth a position on a wage determination matter
- d) an initial conformance (additional classification

and rate) determination

On survey related matters, initial contact, including requests for summaries of surveys, should be directed to the WHD Branch of Wage Surveys. Requests can be submitted via email to davisbaconinfo@dol.gov or by mail to:

Branch of Wage Surveys

Wage and Hour Division

U.S. Department of Labor

200 Constitution Avenue, N.W.

Washington, DC 20210

Regarding any other wage determination matter such as conformance decisions, requests for initial decisions should be directed to the WHD Branch of Construction Wage Determinations.

Requests can be submitted via email to BCWD-Office@dol.gov or by mail to:

Branch of Construction Wage Determinations

Wage and Hour Division

U.S. Department of Labor

200 Constitution Avenue, N.W.

Washington, DC 20210

2) If an initial decision has been issued, then any interested party (those affected by the action) that disagrees with the decision can request review and reconsideration from the Wage and Hour Administrator (See 29 CFR Part 1.8 and 29 CFR Part 7).

Requests for review and reconsideration can be submitted via email to dba.reconsideration@dol.gov or by mail to:

Wage and Hour Administrator

U.S. Department of Labor

200 Constitution Avenue, N.W.

Washington, DC 20210

The request should be accompanied by a full statement of the interested party's position and any information (wage payment data, project description, area practice material, etc.) that the requestor considers relevant to the issue.

3) If the decision of the Administrator is not favorable, an interested party may appeal directly to the Administrative Review Board (formerly the Wage Appeals Board). Write to:
