52.212-2	Evaluation-Commercial Products and Commercial Services. (Deviation)	2026-02		

Evaluation-Commercial Products and Commercial Services (Feb 2026) (Deviation)

(a) Evaluation factors. The Government will award a contract resulting from this solicitation to the responsible Offeror whose offer conforming to the solicitation will be most advantageous to the Government, price and other factors considered. The following factors will be used to evaluate offers:

Factor 1 - Past Performance:

The quoter shall provide three (3) references of projects completed within the past five (5) years. Experience consists of projects completed as a prime contractor, projects completed as a subcontractor, or projects completed by a qualified subcontractor that have the capabilities to perform this work. If the quoter is providing their subcontractor's experience, a signed agreement between the quoter and subcontractor must be included in the quote submitted. These references need to be equal to or similar in scope of this requirement. The contractor shall provide dates and pertinent information to demonstrate how they are comparable to this requirement in size and complexity. The contractor shall include points of contact, titles, telephone numbers, and email addresses (if available) for all references.

The quoter will receive a rating of exceptional for past performance that demonstrates successful completion of similar purchases on all references and the additional information retrieved from Contractor Performance Assessment Reporting System (CPARS) and from the Contracting Officer is favorable. The quoter will receive a rating of Satisfactory for past performance that has at least one reference that demonstrates successful completion of similar purchases and the information from CPARS and the Contracting Officer is favorable. The quoter will receive a rating of Unacceptable for past performance that does not demonstrate any successfully completed similar purchases on the references and the additional information from CPARS and the Contracting Officer is not favorable.

Factor 2 - Work Plan:

Project Work Plan - The quoter shall provide a Project Work Plan of no more than 3 pages in length that will be followed and is applicable to this project. The following three sections should be included:

- 1) A project schedule including completion of pre-work submittals, durations of individual field activities, and completion of post-work reports and submittals.
- 2) A list and description of the planned equipment to complete each field task, including but not limited to: lowering all necessary equipment onto the spillway, dewatering, cleaning, capturing sediment, lifting/hauling sediment, and camera.
- 3) An example report page presenting a drain segment inspection summary with graphic log of findings (see PWS Section 4.4, reference to Inspection Documentation per EM 1110-2-2902 section 6.7).

The submitted plan will be ranked as Exceptional, Satisfactory or Unacceptable. Thorough and achievable plans may be rated more favorable.

Factor 3 - Price:

The quote shall be inclusive of all costs to perform the work specified in the PWS for the tasks on the Price Schedule plus the optional task.

*If the quoter fails to provide any of the information stated in the factors, the government may determine the quote to be unacceptable. If it is in the government's best interest, the government may request additional information from the contractor, to make an award decision. Factors 1 and 2, when combined, are approximately equal in importance to Factor 3 - Price.

(b) *Options (if applicable)*. The Government will evaluate offers for award purposes by adding the total price for all options to the total price for the basic requirement. The Government may determine that an offer is unacceptable if the option prices are significantly unbalanced. The evaluation of options does not obligate the Government to exercise the option(s).

(c) *Notice of award*. A written notice of award or acceptance of an offer furnished to the successful Offeror within the time for acceptance specified in the offer, shall result in a binding contract without further action by either party. Before the offer's specified expiration time, the Government may accept an offer (or part of an offer), whether or not there are negotiations after its receipt, unless a written notice of withdrawal is received before award.

Tax on Certain Foreign Procurements-Notice and Representation (Jun 2020)

(a) Definitions. As used in this provision-

Foreign person means any person other than a United States person.

Specified Federal procurement payment means any payment made pursuant to a contract with a foreign contracting party that is for goods, manufactured or produced, or services provided in a foreign country that is not a party to an international procurement agreement with the United States. For purposes of the prior sentence, a foreign country does not include an outlying area.

United States person as defined in 26 U.S.C. 7701(a)(30) means

(1) A citizen or resident of the United States;

(2) A domestic partnership;

(3) A domestic corporation;

(4) Any estate (other than a foreign estate, within the meaning of 26 U.S.C. 701(a)(31)); and

(5) Any trust if-

(i) A court within the United States is able to exercise primary supervision over the administration of the trust; and

(ii) One or more United States persons have the authority to control all substantial decisions of the trust.

(b) Unless exempted, there is a 2 percent tax of the amount of a specified Federal procurement payment on any foreign person receiving such payment. See 26 U.S.C. 5000C and its implementing regulations at 26 CFR 1.5000C-1 through 1.5000C-7.

(c) Exemptions from withholding under this provision are described at 26 CFR 1.5000C-1(d)(5) through (7). The Offeror would claim an exemption from the withholding by using the Department of the Treasury Internal Revenue Service Form W-14, Certificate of Foreign Contracting Party Receiving Federal Procurement Payments, available via the internet at www.irs.gov/w14. Any exemption claimed and self-certified on the IRS Form W-14 is subject to audit by the IRS. Any disputes regarding the imposition and collection of the 26 U.S.C. 5000C tax are adjudicated by the IRS as the 26 U.S.C. 5000C tax is a tax matter, not a contract issue. The IRS Form W-14 is provided to the acquiring agency rather than to the IRS.

(d) For purposes of withholding under 26 U.S.C. 5000C, the Offeror represents that

(1) It ☐ is ☐ is not a foreign person; and

(2) If the Offeror indicates "is" in paragraph (d)(1) of this provision, then the Offeror represents that-I am claiming on the IRS Form W-14 ☐ a full exemption, or ☐ partial or no exemption [Offeror shall select one] from the excise tax.

(e) If the Offeror represents it is a foreign person in paragraph (d)(1) of this provision, then-

(1) The clause at FAR 52.229-12, Tax on Certain Foreign Procurements, will be included in any resulting contract; and

(2) The Offeror shall submit with its offer the IRS Form W-14. If the IRS Form W-14 is not submitted with the offer, exemptions will not be applied to any resulting contract and the Government will withhold a full 2 percent of each payment.

(f) If the Offeror selects "is" in paragraph (d)(1) and "partial or no exemption" in paragraph (d)(2) of this provision, the Offeror will be subject to withholding in accordance with the clause at FAR 52.229-12, Tax on Certain Foreign Procurements, in any resulting contract.

(g) A taxpayer may, for a fee, seek advice from the Internal Revenue Service (IRS) as to the proper tax treatment of a transaction. This is called a private letter ruling. Also, the IRS may publish a revenue ruling, which is an official interpretation by the IRS of the Internal Revenue Code, related statutes, tax treaties, and regulations. A revenue ruling is the conclusion of the IRS on how the law is applied to a specific set of facts.
