

52.203-18**3052.212-70 Contract Terms and Conditions Applicable to DHS Acquisition of Commercial Items. (JULY 2023) (HSAR DEVIATION 25-09) (Effective November 3, 2025)**

The clauses and provisions contained herein are applicable to any order awarded as a result of this solicitation. The terms and conditions set forth herein supersede all other terms and conditions. Acceptance of the order in accordance with (IAW) FAR 12.201 constitutes acceptance of all terms and conditions contained herein.

**52.212-1 Instructions to Offerors - Commercial Products and Commercial Services Aug 2025
(DEVIATION 25-21) (Effective November 28, 2025)**

This Provision applies to this acquisition and paragraph (c) is tailored with the following addendum: (c) Period for Acceptance of Offers - The offeror agrees to hold the prices in its offer firm for **120** calendar days from the date specified for receipt of offers, unless another time period is specified in an addendum to the solicitation.

**52.212-2 Evaluation - Commercial Products and Commercial Services Aug 2025
(DEVIATION 25-21) (Effective November 28, 2025)****Evaluation Criteria**

The provision at FAR 52.212-2 Evaluation of Commercial Items is not applicable to this solicitation. IAW FAR 6.302-1(b)(2), this order is expected to be awarded on a sole source basis to Northrop Grumman Systems Corporation (Cage Code 1LTU5). Due to the sole source nature of this acquisition, the basis for award rests with the determination of fair and reasonable pricing and an affirmative responsibility determination. Should the Government receive offers from responsible sources other than Northrop Grumman Systems Corporation (Cage Code 1LTU5), the offers will be evaluated on lowest priced, technically acceptable (LPTA) offeror representing the best value to the Government.

Price: The offeror shall provide pricing as requested in the attached spreadsheet titled "Attachment 1 - Schedule- 70Z03826QH0000011". Any quantity price discounts and discounts for prompt payment should be included in this section. The offeror's quotation will be evaluated using one or more of the techniques defined in FAR 12.203, in order to determine if it is fair and reasonable.

Technical Acceptability: The Government will assess the information submitted with the offeror's quotation to determine their ability to provide the items in the solicitation. A firm-fixed price quote for repair shall be submitted at a fully burdened rate. Additionally, the offeror must provide the items below if they do not the quote will not be considered for award. The evaluation criteria are below:

1. The Contractor must have access to the applicable technical directives cited in Statement of Work (SOW) Section Applicable Documents (1.5.1).
 - a. In order to be found technically acceptable, offerors other than the Original Equipment Manufacturer (OEM) must demonstrate availability of required technical data by providing the cover sheet of the relevant documents and manuals.
2. Airworthiness Certification is required for all items that are repaired. The contractor may use the FAA 8130 Certification; however, use of this form is not required. The contractor may choose to use an "equivalent" Airworthiness Certificate to certify the airworthiness of the repaired component. An equivalent Airworthiness Certification can be the same as used for other Government agencies such as Air Force Airworthiness Certificate or a contractor developed Airworthiness Certificate that is equivalent to the FAA 8130 form. If an FAA 8130 "equivalent" is used, the Contractor shall provide written evidence with the Airworthiness Certificate that the Certification was performed by a qualified individual and include the individual's name and title. At the request of the Contracting Officer, the contractor shall provide proof of his/her qualification. A Certificate of Conformance with the verbiage of FAR 52.246-15(d) is not acceptable for use to certify the repaired component's airworthiness.
 - a. If an Airworthiness Certificate cannot be provided, the alternate document shall be submitted with the Contractor's proposal/quote and approved by USCG ALC Engineering Officer for each component. If the component is repaired IAW an AFTO, a USAF certificate is acceptable. The certificate must be signed and dated by an authorized official representing the approved Contractor.

70Z03826QH0000011

3. Original Equipment Manufacturer (OEM) Confirmation
 - a. Requirement may be limited to one source only if the contracting officer determines that only one source is reasonably available. This determination will be evaluated pending the submission of appropriate documentation by the vendor claiming to be the Original Equipment Manufacturer (OEM).
4. To be found technically acceptable, the Contractor shall submit a list of all Sub-contractors that may perform work on USCG articles Confirmation that a Certificate of Conformance in accordance with the clause at FAR 52.246-15 will be provided.

Evaluation Method: Only the lowest priced offer will be evaluated for Technical Acceptability. Should the lowest priced offer not receive an acceptable technical or past performance rating, the process will continue in order of lowest priced offer until the lowest priced, technically acceptable offer is identified.

52.209-7 Information Regarding Responsibility Matters (DEVIATION 25-27)

Nov 2025

(a) Definitions. As used in this provision—

Administrative proceeding means a non-judicial process that is adjudicatory in nature in order to make a determination of fault or liability (e.g., Securities and Exchange Commission Administrative Proceedings, Civilian Board of Contract Appeals Proceedings, and Armed Services Board of Contract Appeals Proceedings). This includes administrative proceedings at the Federal and State level but only in connection with performance of a Federal contract or grant. It does not include agency actions such as contract audits, site visits, corrective plans, or inspection of deliverables.

Federal contracts and grants with total value greater than \$10,000,000 means—

- (1) The total value of all current, active contracts and grants, including all priced options; and
- (2) The total value of all current, active orders including all priced options under indefinite-delivery, indefinite-quantity, 8(a), or requirements contracts (including task and delivery and multiple-award Schedules).

Principal means an officer, director, owner, partner, or a person having primary management or supervisory responsibilities within a business entity (e.g., general manager; plant manager; head of a division or business segment; and similar positions).

(b) The offeror ☐ has ☐ does not have current active Federal contracts and grants with total value greater than \$10,000,000.

(c) If the offeror checked "has" in paragraph (b) of this provision, the offeror represents, by submission of this offer, that the information it has entered in the Federal Awardee Performance and Integrity Information System (FAPIS) is current, accurate, and complete as of the date of submission of this offer with regard to the following information:

- (1) Whether the offeror, and/or any of its principals, has or has not, within the last five years, in connection with the award to or performance by the offeror of a Federal contract or grant, been the subject of a proceeding, at the Federal or State level that resulted in any of the following dispositions:
 - (i) In a criminal proceeding, a conviction.
 - (ii) In a civil proceeding, a finding of fault and liability that results in the payment Page 39 of 465 of a monetary fine, penalty, reimbursement, restitution, or damages of \$5,000 or more.
 - (iii) In an administrative proceeding, a finding of fault and liability that results in—
 - (A) The payment of a monetary fine or penalty of \$5,000 or more; or
 - (B) The payment of a reimbursement, restitution, or damages in excess of \$100,000.
 - (iv) In a criminal, civil, or administrative proceeding, a disposition of the matter by consent or compromise with an acknowledgment of fault by the Contractor if the proceeding could have led to any of the outcomes specified in paragraphs (c)(1)(i), (c)(1)(ii), or (c)(1)(iii) of this provision.
- (2) If the offeror has been involved in the last five years in any of the occurrences listed in (c)(1) of this provision, whether the offeror has provided the requested information with regard to each occurrence.

(d) The offeror shall post the information in paragraphs (c)(1)(i) through (c)(1)(iv) of this provision in FAPIS as required through maintaining an active registration in the System for Award Management, which can be accessed via <https://www.sam.gov> (see 52.204-7).

Requirements:

1. **Shipping Instructions – Contractor Shipments.** Unless otherwise specified on individual delivery orders issued hereunder, deliverable items shall be shipped to the following address:

USCG Aviation Logistics Center
Receiving Section, Bldg 63
1664 Weeksville Road
Elizabeth City, NC 27909
Contract Number: (To be determined at time of award)
Task Order Number: (To be determined at time of issuance)

2. F.O.B. Destination - Prices in the schedule include all applicable customs, duties, taxes and shipping charges; therefore, no additional charges for shipping will be allowed unless a bilateral modification is completed.
3. Inspection and acceptance of material under this order shall be performed at destination by local USCG personnel to ensure that items are IAW manufacturer's specifications and will consist of count and condition only. NOTE: All serial number tracked items will be inspected and accepted by local USCG Quality Assurance personnel.
4. Full and clear traceability must be provided with delivery of each part. If full and clear traceability is not provided, ALC will not accept delivery of the part and invoicing may not be approved for payment.

Material Inspection and Receiving Report (MRR):

At the time of each delivery, the contractor shall prepare and furnish a properly completed DD Form 250, MRR or commercial shipping document. The shipping document shall include the National Stock Number (NSN), Part Number (P/N), Serial Number (S/N), Quantity, Contract/Order Number, and Line Item Number. One copy of the shipping document shall be firmly affixed to the outside of the shipping container and one copy packed with the item.

- i. Return items to the contractor for repackaging at the contractor's expense (round trip)
- ii. USCG correction of discrepancies at the contractor's expense. The Contracting Officer shall execute a unilateral contract/order modification to recoup costs borne by the USCG.

ATTACHMENT 2 - TERMS AND CONDITIONS

70Z03826QH0000011

Quality Assurance:

This section is applicable to all orders for products that will ultimately touch USCG aircraft.

1. The Contractor shall, immediately upon discovery, notify and disclose conditions to the Contracting Officer of any event, supply change, material change, supply malfunction, counterfeit/suspect parts or materiel, defect or non-airworthy condition of any product or component (to include components used in repairs) found to potentially cause a non-conformity to the original specifications of this contract. The Government reserves the right to inspect any non-conforming product or component. Therefore, the Contractor shall obtain approval from the Contracting Officer prior to the disposition of any non-conforming product or component.
2. The Contractor's Quality Control Manual (QCM) shall address in detail the contractor's risk management, test, inspection, non-conforming product and counterfeit/suspect parts processes. The contractor shall provide a copy of the QCM upon the Government's request.
3. The Contractor shall immediately notify the Contracting Officer of any changes that potentially have an impact on the product. Changes may include but are not limited to products, processes, materiel, supplier sources, manufacturing facility location and personnel qualifications.
4. Upon notification of the change, the USCG will approve or deny the change. Facility location changes may require the Government to perform a facility inspection. The Contractor shall allow the Government to access to all applicable areas of the Contractor's facilities to ensure compliance with contractual requirements. In the event that the change is not approved by the USCG, the contract, delivery order or task order may be cancelled or terminated in accordance with FAR.
5. The Contractor shall retain all records in accordance with FAR 4.7 Contractor Records Retention. The Contractor shall be required to permit Government access to applicable records retained at any level of the supply chain.
6. Unless otherwise specified, the Contractor shall flow down all requirements in this contract to their supply chain to include all subcontractors and supplies.

- (b) The Contractor shall inform its employees in writing, in the predominant language of the workforce, of employee whistleblower rights and protections under 10 U.S.C. 4701, as described in HSAR 3.900 (DEVIATION) through 3.905 (DEVIATION).
- (c) The Contractor shall insert the substance of this clause, including this paragraph (c), in all subcontracts.
- (End of clause)

52.216-18 Ordering Aug 2020

- (a) Any supplies and services to be furnished under this contract shall be ordered by issuance of delivery orders or task orders by the individuals or activities designated in the Schedule. Such orders may be issued from contract award through the expiration of any exercised option period.
- (b) All delivery orders or task orders are subject to the terms and conditions of this contract. In the event of conflict between a delivery order or task order and this contract, the contract shall control.
- (c) A delivery order or task order is considered "issued" when—
- (1) If sent by mail (includes transmittal by U.S. mail or private delivery service), the Government deposits the order in the mail;
 - (2) If sent by fax, the Government transmits the order to the Contractor's fax number; or
 - (3) If sent electronically, the Government either—
 - (i) Posts a copy of the delivery order or task order to a Government document access system, and notice is sent to the Contractor; or
 - (ii) Distributes the delivery order or task order via email to the Contractor's email address.
- (d) Orders may be issued by methods other than those enumerated in this clause only if authorized in the contract.
- (End of clause)

52.216-19 Order Limitations Oct 1995

- (a) *Minimum order.* When the Government requires supplies or services covered by this contract in an amount of less than *one (1) each*, the Government is not obligated to purchase, nor is the Contractor obligated to furnish, those supplies or services under the contract.
- (b) *Maximum order.* The Contractor is not obligated to honor—
- (1) Any order for a single item in excess of the **total estimated contract line item quantity**;
 - (2) Any order for a combination of items in excess of 150% of the current option period; or
 - (3) A series of orders from the same ordering office within ten (10) days that together call for quantities exceeding the limitation in paragraph (b)(1) or (2) of this section.
- (c) If this is a requirements contract (i.e., includes the Requirements clause at subsection 52.216-21 of the Federal Acquisition Regulation (FAR), the Government is not required to order a part of any one requirement from the Contractor if that requirement exceeds the maximum-order limitations in paragraph (b) of this section.
- (d) Notwithstanding paragraphs (b) and (c) of this section, the Contractor shall honor any order exceeding the maximum order limitations in paragraph (b), unless that order (or orders) is returned to the ordering office within 30 calendar days after issuance, with written notice stating the Contractor's intent not to ship the item (or items) called for and the reasons. Upon receiving this notice, the Government may acquire the supplies or services from another source.
- (End of clause)

52.216-21 Requirements (DEVIATION 26-04) Oct 2025

ATTACHMENT 2 - TERMS AND CONDITIONS

70Z03826QH0000011

- (a) This is a requirements contract for the supplies or services specified, and effective for the period stated, in the Schedule. The quantities of supplies or services specified in the Schedule are estimates only and are not purchased by this contract. Except as this contract may otherwise provide, if the Government's requirements do not result in orders in the quantities described as "estimated" or "maximum" in the Schedule, that fact shall not constitute the basis for an equitable price adjustment.
- (b) Delivery or performance shall be made only as authorized by orders issued in accordance with the Ordering clause. Subject to any limitations in the Order Limitations clause or elsewhere in this contract, the Contractor shall furnish to the Government all supplies or services specified in the Schedule and called for by orders issued in accordance with the Ordering clause. The Government may issue orders requiring delivery to multiple destinations or performance at multiple locations.
- (c) Except as this contract otherwise provides, the Government shall order from the Contractor all the supplies or services specified in the Schedule that are required to be purchased by the Government activity or activities specified in the Schedule.
- (d) The Government is not required to purchase from the Contractor requirements in excess of any limit on total orders under this contract.
- (e) If the Government urgently requires delivery of any quantity of an item before the earliest date that delivery may be specified under this contract, and if the Contractor will not accept an order providing for the accelerated delivery, the Government may acquire the urgently required goods or services from another source.
- (f) Any order issued during the effective period of this contract and not completed within that period shall be completed by the Contractor within the time specified in the order. The contract shall govern the Contractor's and Government's rights and obligations with respect to that order to the same extent as if the order were completed during the contract's effective period; *provided*, that the Contractor shall not be required to make any deliveries under this contract after the expected date of delivery stated on all outstanding orders or after twelve (12) months from the order issue, whichever is later.

(End of clause)

52.217-9 Option to Extend the Term of the Contract

Mar 2000

- (a) The Government may extend the term of this contract by written notice to the Contractor within *30 calendar days* prior to the contract expiring; provided that the Government gives the Contractor a preliminary written notice of its intent to extend at *60 days* before the contract expires. The preliminary notice does not commit the Government to an extension.
- (b) If the Government exercises this option, the extended contract shall be considered to include this option clause.
- (c) The total duration of this contract, including the exercise of any options under this clause, shall not exceed five (5) years.

(End of clause)

52.223-23 Sustainable Products (DEVIATION 26-12, REV 1)

52.252-6 Authorized Deviations in Clauses

Nov 2020

(a) The use in this solicitation or contract of any Federal Acquisition Regulation (48 CFR Chapter 1) clause with an authorized deviation is indicated by the addition of “(DEVIATION)” after the date of the clause.

(b) The use in this solicitation or contract of any Homeland Security Acquisition Regulation (48 CFR Chapter 30) clause with an authorized deviation is indicated by the addition of “(DEVIATION)” after the name of the regulation.

(End of clause)

52.240-91 Security Prohibitions and Exclusions (DEVIATION 20-05)

Nov 2025

(a) Definitions. As used in this clause—

American Security Drone Act-covered foreign entity means an entity included on a list that the Federal Acquisition Security Council (FASC) develops and maintains and publishes in the System for Award Management (SAM) at <https://www.sam.gov> (section 1822 of Pub. L. 118- 31, 41 U.S.C. 3901 note prec.).

Backhaul means intermediate links between the core network, or backbone network, and the small subnetworks at the edge of the network (e.g., connecting cell phones/towers to the core telephone network). Backhaul can be wireless (e.g., microwave) or wired (e.g., fiber optic, coaxial cable, Ethernet).

Covered application means the social networking service TikTok or any successor application or service developed or provided by ByteDance Limited or an entity owned by ByteDance Limited.

Covered article, as defined in 41 U.S.C. 4713(k), means:

- (1) Information technology, as defined in 40 U.S.C. 11101, including cloud computing services of all types;
- (2) Telecommunications equipment or telecommunications service, as those terms are defined in section 3 of the Communications Act of 1934 (47 U.S.C. 153);
- (3) The processing of information on a Federal or non-Federal information system, subject to the requirements of the Controlled Unclassified Information program (see 32 CFR part 2002); or
- (4) Hardware, systems, devices, software, or services that include embedded or incidental information technology.

Covered foreign country means The People’s Republic of China.

Covered telecommunications equipment or services means—

- (1) Telecommunications equipment produced by Huawei Technologies Company or ZTE Corporation (or any subsidiary or affiliate of such entities); Attachment 1 FAR Class Deviation 2020-05, Revision 4 FAR Deviation 20-05, Rev 4 Page 7 of 17
- (2) For the purpose of public safety, security of Government facilities, physical security surveillance of critical infrastructure, and other national security purposes, video surveillance and telecommunications equipment produced by Hytera Communications Corporation, Hangzhou Hikvision Digital Technology Company, or Dahua Technology Company (or any subsidiary or affiliate of such entities);
- (3) Telecommunications or video surveillance services provided by such entities or using such equipment; or
- (4) Telecommunications or video surveillance equipment or services produced or provided by an entity that the Secretary of Defense, in consultation with the Director of National Intelligence or the Director of the Federal Bureau of Investigation, reasonably believes to be an entity owned or controlled by, or otherwise connected to, the government of a covered foreign country.

Critical technology means—

- (1) Defense articles or defense services included on the United States Munitions List set forth in the International Traffic in Arms Regulations under subchapter M of chapter I of title 22, Code of Federal Regulations;
- (2) Items included on the Commerce Control List set forth in Supplement No. 1 to part 774 of the Export Administration Regulations under subchapter C of chapter VII of title 15, Code of Federal Regulations, and controlled—
 - (i) Pursuant to multilateral regimes, including for reasons relating to national security, chemical and biological weapons proliferation, nuclear nonproliferation, or missile technology; or
 - (ii) For reasons relating to regional stability or surreptitious listening;

ATTACHMENT 2 - TERMS AND CONDITIONS

70Z03826QH0000011

- (3) Specially designed and prepared nuclear equipment, parts and components, materials, software, and technology covered by part 810 of title 10, Code of Federal Regulations (relating to assistance to foreign atomic energy activities);
- (4) Nuclear facilities, equipment, and material covered by part 110 of title 10, Code of Federal Regulations (relating to export and import of nuclear equipment and material);
- (5) Select agents and toxins covered by part 331 of title 7, Code of Federal Regulations, part 121 of title 9 of such Code, or part 73 of title 42 of such Code; or
- (6) Emerging and foundational technologies controlled pursuant to section 1758 of the Export Control Reform Act of 2018 (50 U.S.C. 4817).

FASC-prohibited unmanned aircraft system means an unmanned aircraft system manufactured or assembled by an American Security Drone Act—covered foreign entity. Attachment 1 FAR Class Deviation 2020-05, Revision 4 FAR Deviation 20-05, Rev 4 Page 8 of 17

FASCSA order means any of the following orders issued under the Federal Acquisition Supply Chain Security Act (FASCSA) requiring removing covered articles from executive agency information systems or excluding one or more named sources or named covered articles from executive agency procurement actions, as described in 41 CFR 201-1.303(d) and (e):

- (1) The Secretary of Homeland Security may issue FASCSA orders that apply to civilian agencies, to the extent not covered by paragraph (2) or (3) of this definition. This type of FASCSA order may be referred to as a Department of Homeland Security (DHS) FASCSA order.
- (2) The Secretary of Defense may issue FASCSA orders that apply to the Department of Defense (DoD) and national security systems other than sensitive compartmented information systems. This type of FASCSA order may be referred to as a DoD FASCSA order.
- (3) The Director of National Intelligence (DNI) may issue FASCSA orders that apply to the intelligence community and sensitive compartmented information systems, to the extent not covered by paragraph (2) of this definition. This type of FASCSA order may be referred to as a DNI FASCSA order.

Information technology, as defined in 40 U.S.C. 11101(6)—

- (1) Means any equipment or interconnected system or subsystem of equipment, used in the automatic acquisition, storage, analysis, evaluation, manipulation, management, movement, control, display, switching, interchange, transmission, or reception of data or information by the executive agency, if the equipment is used by the executive agency directly or is used by a contractor under a contract with the executive agency that requires the use—
 - (i) Of that equipment; or
 - (ii) Of that equipment to a significant extent in the performance of a service or the furnishing of a product;
- (2) Includes computers, ancillary equipment (including imaging peripherals, input, output, and storage devices necessary for security and surveillance), peripheral equipment designed to be controlled by the central processing unit of a computer, software, firmware and similar procedures, services (including support services), and related resources; but
- (3) Does not include any equipment acquired by a Federal contractor incidental to a Federal contract.

Intelligence community, as defined by 50 U.S.C. 3003(4), means the following— Attachment 1 FAR Class Deviation 2020-05, Revision 4 FAR Deviation 20-05, Rev 4 Page 9 of 17

70Z03826QH0000011

- (12) Such other elements of any department or agency as may be designated by the President, or designated jointly by the Director of National Intelligence and the head of the department or agency concerned, as an element of the intelligence community.

Interconnection arrangements means arrangements governing the physical connection of two or more networks to allow the use of another's network to hand off traffic where it is ultimately delivered (e.g., connecting a customer of telephone provider A to a customer of telephone company B) or sharing data and other information resources.

Kaspersky Lab-covered article means any hardware, software, or service that—

- (1) Is developed or provided by a Kaspersky Lab-covered entity;
- (2) Includes any hardware, software, or service developed or provided in whole or in part by a Kaspersky Lab-covered entity; or
- (3) Contains components using any hardware or software developed in whole or in part by a Kaspersky Lab-covered entity.

Kaspersky Lab-covered entity means—

- (1) Kaspersky Lab;
- (2) Any successor entity to Kaspersky Lab, including any change in name, e.g., “Kaspersky”;
- (3) Any entity that controls, is controlled by, or is under common control with Kaspersky Lab; or
- (4) Any entity of which Kaspersky Lab has a majority ownership.

National security system, as defined in 44 U.S.C. 3552, means any information system (including any telecommunications system) used or operated by an agency or by a contractor of an agency, or other organization on behalf of an agency—

- (1) The function, operation, or use of which involves intelligence activities; involves cryptologic activities related to national security; involves command and control of military forces; involves equipment that is an integral part of a weapon or weapons system; or is critical to the direct fulfillment of military or intelligence missions, but does not include a system that is to be used for routine administrative and business applications (including payroll, finance, logistics, and personnel management applications); or
- (2) Is protected at all times by procedures established for information that have been specifically authorized under criteria established by an Executive order or an Act of Congress to be kept classified in the interest of national defense or foreign policy.

Roaming means cellular communications services (e.g., voice, video, data) received from a visited network when unable to connect to the facilities of the home network either because signal coverage is too weak or because traffic is too high.

Sensitive compartmented information means classified information concerning or derived from intelligence sources, methods, or analytical processes, which is required to be handled within formal access control systems established by the Director of National Intelligence.

Sensitive compartmented information system means a national security system authorized to process or store sensitive compartmented information.

Source means a non-Federal supplier, or potential supplier, of products or services, at any tier.

Subsidiary means an entity in which more than 50 percent of the entity is owned directly by a parent corporation or through another subsidiary of a parent corporation.

Substantial or essential component means any component necessary for the proper function or performance of a piece of equipment, system, or service.

Unmanned aircraft means an aircraft that is operated without the possibility of direct human intervention from within or on the aircraft (49 U.S.C. 44801(11)).

Unmanned aircraft system means an unmanned aircraft and associated elements (including communication links and the components that control the unmanned aircraft) that are required for the operator to operate safely and efficiently in the national airspace system (49 U.S.C. 44801(12)).

(b) *Prohibitions on providing or using specific products or services in performance of contract.* Unless a waiver or exception applies, the Contractor is prohibited from providing any products or services to the Government or using in the performance of the contract any of the following:

- (1) A covered application on any information technology owned or managed by the Government, or on any information technology used or provided by the Contractor under this contract, including equipment provided by the Contractor's employees (section 102 of Division R of the Consolidated Appropriations Act, 2023 (Pub. L. 117-328));
- (2) A Kaspersky Lab-covered article (Section 1634 of Division A of the National Defense Authorization Act for Fiscal Year 2018 (Pub. L. 115-91));

ATTACHMENT 2 - TERMS AND CONDITIONS

70Z03826QH0000011

- (3) Covered telecommunications equipment or services used as a substantial or essential component of any system, or as critical technology as part of any system (paragraphs (a)(1)(A) of section 889 of the John S. McCain National Defense Authorization Act for Fiscal Year 2019 (Pub. L. 115-232)). This does not prohibit contractors from providing—
- (i) A service that connects to the facilities of a third-party, such as backhaul, roaming, or interconnection arrangements; or
 - (ii) Telecommunications equipment that cannot route or redirect user data traffic or cannot permit visibility into any user data or packets that such equipment transmits or otherwise handles.
- (c) Prohibition on unmanned aircraft systems manufactured or assembled by American Security Drone Act—covered foreign entities.
- (1) *Prohibition.* The Contractor is prohibited from—
 - (i) Delivering any FASC-prohibited unmanned aircraft system, which includes unmanned aircraft (i.e., drones) and associated elements (sections 1823 and 1826 of American Security Drone Act of 2023, within the National Defense Authorization Act for Fiscal Year 2024, Pub. L. 118-31, Div. A, Title XVIII, Subtitle B, 41 U.S.C. 3901 note prec.);
 - (ii) On or after December 22, 2025, operating a FASC-prohibited unmanned aircraft system in the performance of the contract (section 1824 of Pub. L. 118- 31); and
 - (iii) On or after December 22, 2025, using Federal funds to procure or operate a FASC-prohibited unmanned aircraft system (section 1825 of Pub. L. 118-31).
 - (2) *Procedures.* The Contractor shall search SAM for the FASC-maintained list of American Security Drone Act—covered foreign entities before proposing, or using in performance of the contract, any unmanned aircraft system. Also, the Contractor shall ensure any effort or expenditure associated with a FASC-prohibited unmanned aircraft system is consistent with a corresponding exemption, exception, or waiver determination expressly stated in the contract.
 - (3) *Exemptions, exceptions, and waivers.* The prohibitions in paragraph (c) of this clause do not apply where the agency has determined an exemption, exception, or waiver applies, and the contract indicates that such a determination has been made. See sections 1823 through 1825 and 1832 of Public Law 118-31 for statutory requirements pertaining to exemptions, exceptions, and waivers.
- (d) Prohibition on using or providing specific products or services or conducting certain transactions regardless of connection to contract.
- (1) Certain telecommunications and video surveillance equipment, systems, or services.
 - (i) Unless an applicable waiver has been issued by the Government, the Contractor cannot use any equipment, systems, or services that uses covered telecommunications equipment or services as a substantial or essential component of any system, or as critical technology as part of any system (paragraph (a)(1)(B) of section 889 of the John S. McCain National Defense Authorization Act for Fiscal Year 2019 (Pub. L. 115-232)).
 - (ii) This prohibition applies to using covered telecommunications equipment or services, regardless of whether that use is in performance of work under a Federal contract. This does not prohibit the contractor from using—
 - (A) A service that connects to the facilities of a third party, such as backhaul, roaming, or interconnection arrangements; or
 - (B) Telecommunications equipment that cannot route or redirect user data traffic or cannot permit visibility into any user data or packets that such equipment transmits or otherwise handles.
 - (2) Office of Foreign Assets Control Restrictions.
 - (i) Except as authorized by the Office of Foreign Assets Control (OFAC) in the Department of the Treasury, the Contractor shall not acquire, for use in the performance of this contract, any supplies or services if any proclamation, Attachment 1 FAR Class Deviation 2020-05, Revision 4 FAR Deviation 20-05, Rev 4 Page 13 of 17 Executive order, or statute administered by OFAC, or if OFAC’s implementing regulations at 31 CFR chapter V, would prohibit such a transaction by a person subject to the jurisdiction of the United States.
 - (ii) Except as authorized by OFAC, most transactions involving Cuba, Iran, and Sudan are prohibited, as are most imports from Burma or North Korea, into the United States or its outlying areas.
 - (A) For lists of entities and individuals subject to economic sanctions, see OFAC’s List of Specially Designated Nationals and Blocked Persons at <https://home.treasury.gov/policy-issues/financial-sanctions/speciallydesignated-nationals-and-blocked-persons-list-sdn-human-readable-lists>.

ATTACHMENT 2 - TERMS AND CONDITIONS

70Z03826QH0000011

- (B) For more information about these restrictions, as well as updates, see OFAC's regulations at 31 CFR chapter V and at <https://home.treasury.gov/policy-issues/office-of-foreign-assets-controls-sanctions-programs-and-information>.
- (C) To conduct electronic screens of potential parties to regulated transactions, see the consolidated screening list at <https://www.trade.gov/consolidated-screening-list>, which consolidates multiple export screening lists of the Departments of Commerce, State, and the Treasury.
- (3) Sudan prohibition. The Contractor is prohibited from conducting any restricted business operations in Sudan in accordance with Accountability and Divestment Act of 2007 (Pub. L. 110-174).
- (4) Iran prohibitions.
- (i) Unless an exception applies according to paragraph (d)(4)(iii) or the Government grants a waiver, the contractor shall not engage in certain activities or transactions relating to Iran (section 6(b)(1)(A) of Iran Sanctions Act (50 U.S.C. 1701 note)).
 - (ii) Unless an exception applies according to paragraph (d)(4)(iii) or the Government grants a waiver, contractor shall not export certain sensitive technology to Iran, as determined by the President, and has an active exclusion in SAM (22 U.S.C. 8515).
 - (iii) The prohibition in paragraphs (d)(4)(i) and (d)(4)(ii) do not apply if the acquisition is subject to trade agreements and the offeror certifies that all the offered products are designated country end products or designated country construction material (see part 25). Attachment 1 FAR Class Deviation 2020-05, Revision 4 FAR Deviation 20-05, Rev 4 Page 14 of 17
 - (iv) Unless an exception applies or the Government grants a waiver, contractors are prohibited from knowingly engaging in any significant transaction (i.e., over \$10,000) with Iran's Revolutionary Guard Corps or any of its officials, agents, or affiliates, the property and interests in property of which are blocked according to the International Emergency Economic Powers Act (section 6(b)(1)(B) of Iran Sanctions Act (50 U.S.C. 1701 note)).
- (e) Governmentwide exclusion and removal orders.
- (1) Unless the Government has issued an applicable waiver, contractors shall not provide or use as part of the performance of the contract any covered article, or any products or services produced or provided by a source, if the covered article or the source is prohibited by an applicable FASCSA order as follows:
 - (i) For solicitations and contracts awarded by a Department of Defense contracting office, DoD FASCSA orders apply.
 - (ii) For all other solicitations and contracts, DHS FASCSA orders apply.
 - (2) The Contractor shall search for the phrase "FASCSA order" in the System for Award Management (SAM) at <https://www.sam.gov> to locate applicable FASCSA orders.
 - (3) The Government may identify in the solicitation other FASCSA orders that are not in SAM, which are effective and apply to the solicitation and resulting contract.
 - (4) A FASCSA order issued after the date of solicitation applies to this contract only if added by an amendment to the solicitation or modification to the contract (see FAR 40.204-1(c)).
- (f) Reasonable inquiry. The contractor shall conduct a reasonable inquiry to determine if there are any prohibited products or services. The inquiry will look at any information in the entity's possession but does not need to include an internal or third-party audit.
- (g) Removal of prohibited products and services. For Federal Supply Schedules, Governmentwide acquisition contracts, multi-agency contracts or any other procurement instrument intended for use by multiple agencies, upon notification from the Contracting Officer, during the performance of the contract, the Contractor shall promptly make any necessary changes or modifications to remove any product or service produced or provided by a source that this clause prohibits.
- (h) General report.
- (1) If the Contractor identifies or is notified by any source, (including a subcontractor at any tier), that any product or service provided or used (or to be provided or used) during contract performance does not comply with any prohibition in this clause, then the Attachment 1 FAR Class Deviation 2020-05, Revision 4 FAR Deviation 20-05, Rev 4 Page 15 of 17 Contractor shall report the following information, or as much information is known, in writing to the contracting office as identified in paragraph (h)(2) within 72 hours:
 - (i) Contract number and order number, if applicable;
 - (ii) The specific prohibition the product or service is not complying with;

ATTACHMENT 2 - TERMS AND CONDITIONS

70Z03826QH0000011

- (iii) A description of the products or services that the Contractor identifies or has reason to suspect is prohibited (include brand; model number, such as the original equipment manufacturer (OEM) number, manufacturer part number, or wholesaler number; and item description, as applicable);
 - (iv) The entity that produced the product or service (include entity name, unique entity identifier, Contractor and Government Entity (CAGE) code, facilities responsible for design, fabrication, assembly, packaging, and test of the product, and whether the entity was the OEM or a distributor (provide manufacturer codes and distributor codes used for the product));
 - (v) Description of the functionality of the product or service and how that functionality impacts the risk to the product or service;
 - (vi) An explanation of any factors relevant to determining if the product or service should be permitted by an applicable exception, exemption, or waiver (if the contractor would like the Government to consider a waiver, and asks for such a waiver);
 - (vii) Whether alternative products or services are available that would comply with the prohibition;
 - (viii) If the product or service is related to item maintenance, include the following information on the item being maintained:
 - (A) Brand;
 - (B) Model number, OEM number, manufacturer part number, or wholesaler number; and
 - (C) Item description, as applicable.
 - (ix) Any readily available information about mitigation actions implemented or recommended.
- (2) If a report must be submitted to a contracting office, the Contractor shall submit the report as follows:
- (i) If a Department of Defense contracting office, the Contractor shall report to the website at <https://dibnet.dod.mil>.
 - (ii) For all other contracting offices, the Contractor shall report to the Contracting Officer.
 - (iii) For indefinite delivery contracts, the Contractor shall report to both the contracting office for the indefinite delivery contract and the contracting office for any affected order.
- (3) If the report provided does not contain any of the information required by paragraph (h)(1) of this clause, and the contractor later discovers new information that is required by paragraph (h)(1) of this clause, then the contractor shall submit a subsequent report within 72 hours of discovering the new information.
- (4) The contractor shall also report the information in paragraph (h)(1) if the contractor wishes to ask for a waiver of the requirements of a new FASCSA order being applied through modification.
- (i) *New FASCSA orders report.*
- (1) During contract performance, the Contractor shall review SAM at least once every three months, or as advised by the Contracting Officer, to check for covered articles subject to FASCSA order(s), or for products or services produced by a source subject to FASCSA order(s) not currently identified under paragraph (e) of this clause.
 - (2) If the Contractor identifies a new FASCSA order(s) that could impact their supply chain, then the Contractor shall conduct a reasonable inquiry to identify whether a covered article or product or service produced or provided by a source subject to the FASCSA order(s) was provided to the Government or used during contract performance. The inquiry will look at any information in the entity's possession but does not need to include an internal or third-party audit.
 - (3) The Contractor shall submit a report to the contracting office identified in paragraph (h)(2) of this clause if the Contractor identifies, including through any notification by a subcontractor at any tier, that a covered article or product or service produced or provided by a source was provided to the Government or used during contract performance and is subject to a FASCSA order(s). For indefinite delivery contracts, the Contractor shall report to both the contracting office for the indefinite delivery contract and the contracting office for any affected order. The Contractor shall report the following information within 72 hours for each covered article or each product or service produced or provided by a source, where the covered article or source is subject to a FASCSA order:
 - (i) Contract number and order number, if applicable;
 - (ii) Name of the covered article or source subject to a FASCSA order;
 - (iii) The specific FASCSA order the product or service does not comply with;
 - (iv) The elements of (h)(1)(iii) through (ix) of this clause.
- (j) Subcontracts. The Contractor shall insert the substance of this clause, including this paragraph (j) but excluding subparagraphs (d)(1) and (i)(1), in all subcontracts and other contractual instruments, including subcontracts for acquiring commercial products or commercial services.
