- A. The Prime Contractor shall provide a written technical proposal and a price proposal. The technical proposal shall describe the Prime Contractor's approach to performing the required commercial services or delivering commercial products, including the basis of the proposed effort, schedule, and any assumptions relevant to performance.

The price proposal shall contain sufficient commercial pricing information, such as published price lists, catalog pricing, market pricing data, or commercial sales history, to enable the Government to determine price reasonableness in accordance with RFO Part 12 and RFO Part 15.404-1.

- B. Although certified cost or pricing data is not required for commercial items under RFO 15.403-2(c)(3), the Prime Contractor shall provide a pricing support package describing the basis of the proposed price. This package must include an Excel workbook summarizing proposed quantities, unit prices, extended prices, applicable discounts, and supporting formulas consistent with customary commercial practices.

- ii. Recent purchase history (last five (5) years) for items proposed using commercial pricing, including commercial discounts and conditions.
- iii. Identification of offered discounts, including percentage breakdowns for preferred customers, volume-based customers, or USG customers.

These documents shall collectively demonstrate that the proposed prices are consistent with market-based commercial transactions.

(a) *Definitions.* As used in this clause—

- (1) "Contract financing payment" and "invoice payment" have the meanings given in section 32.001 of the Federal Acquisition Regulation.
- (2) "Electronic form" means any automated system that transmits information electronically from the initiating system to all affected systems. Facsimile, e-mail, and scanned documents are not acceptable electronic forms for submission of payment requests. (b) Except as provided in paragraph (c) of this clause, the Contractor shall submit payment requests and receiving reports using WAWF, in one of the following electronic formats that WAWF accepts: Electronic Data Interchange, Secure File Transfer Protocol, or World Wide Web input. Information regarding WAWF is available on the Internet at <https://wawf.eb.mil/>.

(c) The Contractor may submit a payment request and receiving report using other than WAWF only when—

- (2) DoD is unable to receive a payment request or provide acceptance in electronic form;

The ombudsman may refer the interested party to another official who can resolve the concern.

(b) Before consulting with an ombudsman, interested parties must first address their concerns, issues, disagreements, and/or recommendations to the contracting officer for resolution.
