(f) *Reasonable inquiry.* The contractor shall conduct a reasonable inquiry to determine if there are any prohibited products or services. The inquiry will look at any information in the entity’s possession but does not need to include an internal or third-party audit.

The inquiry will look at any information in the entity's possession but does not need to include an internal or third-party audit.

(3) The Contractor shall submit a report to the contracting office identified in paragraph (h)(2) of this clause if the Contractor identifies, including through any notification by a subcontractor at any tier, that a covered article or product or service produced or provided by a source was provided to the Government or used during contract performance and is subject to a FASCSA order(s). C.5 VAAR 852.219-74 VA NOTICE OF TOTAL SET-ASIDE FOR CERTIFIED VETERAN-OWNED SMALL BUSINESSES (JAN 2023) (DEVIATION)

(a) *Definition.* For the Department of Veterans Affairs, “Veteran-owned small business or VOSB”:

(1) Means a small business concern—

(i) Not less than 51 percent of which is owned by one or more Veterans or, in the case of any publicly owned business, not less than 51 percent of the stock of which is owned by one or more Veteran(s);

(ii) The management and daily business operations of which are controlled by one or more Veteran(s);

(iii) The business meets Federal small business size standards for the applicable North American Industry Classification System (NAICS) code identified in the solicitation document.

(iv) The business has been verified for ownership and control pursuant to 38 U.S.C. 8127 and 13 CFR 128, and is certified and listed in the SBA certification database at <https://veterans.certify.sba.gov/>; and

(v) The business agrees to comply with VAAR subpart 819.70 and Small Business Administration (SBA) regulations regarding small business size and government contracting, and the Veterans Small Business Certification Program at 13 CFR parts 121, 125, and 128.

(2) “*Veteran*” is defined in 38 U.S.C. 101(2).

(3) The term “*small business concern*” has the meaning given that term under section 3 of the Small Business Act (15 U.S.C. 632).

(4) The term “*small business concern owned and controlled by Veterans*” has the meaning given that term under section 3(q)(3) of the Small Business Act (15 U.S.C. 632(q)(3)), except that for a VA contract the firm must be certified and listed in the SBA certification database.

(5) The term “*VOSB participant*” or *certified VOSB* means a small business that has been certified as eligible to participate in the Veteran Small Business Certification Program and listed in the SBA certification database (see 13 CFR 128.102). It includes certified service-disabled veteran-owned small businesses (SDVOSBs).

(b) *General*. In order for a concern to submit an offer and be eligible for the award of a VOSB set-aside or sole source contract, the concern must qualify as a small business concern under the size standard corresponding to the NAICS code assigned to the contract and be certified and listed as a VOSB or SDVOSB participant in the certification database as set forth in 13 CFR 128.

(1) Offers received from entities that are not certified VOSBs or SDVOSBs and listed in the SBA certification database at the time of offer shall not be considered.

(2) Any award resulting from this solicitation shall be made only to a certified VOSB who is eligible at the time of submission of offer(s) and at time of award.

(3) The requirements in this clause apply to any contract, order or subcontract where the firm receives a benefit or preference from its designation as a VOSB, including set-asides, sole source awards, and evaluation preferences.

(c) *Representation*. Pursuant to 38 U.S.C. 8127(e), only certified VOSBs listed in the SBA certification database are considered eligible to receive award of a resulting contract. By submitting an offer, the prospective contractor represents that it is an eligible and certified VOSB as defined in this clause, 13 CFR 121, 125, and 128, and VAAR subpart 819.70.

(d) *Agreement/LOS certification*. When awarded a contract action, including orders under multiple-award contracts, a VOSB agrees that in the performance of the contract, the VOSB shall comply with requirements in VAAR subpart 819.70 and SBA regulations on small business size, and government contracting programs at 13 CFR parts 121 and 125, including the non-manufacturer rule and limitations on subcontracting (LOS) requirements in 13 CFR 121.406(b) and 125.6. For the purpose of the limitations on subcontracting, only certified VOSBs listed in the SBA certification database, (including independent contractors) shall be considered eligible and/or “similarly situated” (i.e., a firm that has the same small business program status as the prime contractor). An otherwise eligible firm further agrees to comply with the required LOS certification requirements in this solicitation (see 852.219–75 and/or 852.219–76 as applicable). These requirements are summarized as follows:

(1) *Services*. In the case of a contract for services (except construction), the VOSB prime contractor will not pay more than 50% of the amount paid by the government to the prime for contract performance to firms that are not certified VOSBs listed in the SBA certification database (excluding direct costs to the extent they are not the principal purpose of the acquisition and the SDVOSB/ VOSB does not provide the service, such as airline travel, cloud computing services, or mass media purchases). When a contract includes both services and supplies, the 50 percent limitation shall apply only to the service portion of the contract.

(2) Supplies/products.

(i) In the case of a contract for supplies or products (other than from a non-manufacturer of such supplies), the VOSB prime contractor will not pay more than 50% of the amount paid by the government to the prime for contract performance, excluding the cost of materials, to firms that are not certified VOSBs listed in the SBA certification database. When a contract includes both supply and services, the 50 percent limitation shall apply only to the supply portion of the contract.

(ii) In the case of a contract for supplies from a non-manufacturer, the VOSB prime contractor will supply the product of a domestic small business manufacturer or processor, unless a waiver as described in 13 CFR 121.406(b)(5) has been granted. Refer to 13 CFR 125.6(a)(2)(ii) for guidance pertaining to multiple item procurements.

(3) *General construction.* In the case of a contract for general construction, the VOSB prime contractor will not pay more than 85% of the amount paid by the government to the prime for contract performance, excluding the cost of materials, to firms that are not certified VOSBs listed in the SBA certification database.

(4) *Special trade construction contractors.* In the case of a contract for special trade contractors, no more than 75% of the amount paid by the government to the prime for contract performance, excluding the cost of materials, may be paid to firms that are not certified VOSBs listed in the SBA certification database.

(5) *Subcontracting.* A VOSB must meet the NAICS size standard assigned by the prime contractor and be listed in the SBA certification database to count as similarly situated. Any work that a first tier VOSB subcontractor further subcontracts will count towards the percent of subcontract amount that cannot be exceeded. For supply or construction contracts, the cost of materials is excluded and not considered to be subcontracted. When a contract includes both services and supplies, the 50 percent limitation shall apply only to the portion of the contract with the preponderance of the expenditure upon which the assigned NAICS is based. For information and more specific requirements, refer to 13 CFR 125.6.

(e) *Required limitations on subcontracting compliance measurement period.* A VOSB shall comply with the limitations on subcontracting as follows:

☐ By the end of the base term of the contract or order, and then by the end of each subsequent option period; or

☐ By the end of the performance period for each order issued under the contract.

(f) *Joint ventures.* A joint venture may be considered eligible as a VOSB if the joint venture complies with the requirements in 13 CFR 128.402 and the managing joint venture partner makes the representations under paragraph (c) of this clause. A joint venture agrees that, in the performance of the contract, the applicable percentage specified in paragraph (d) of this clause will be performed by the aggregate of the joint venture participants.

(g) *Precedence.* The VA Veterans First Contracting Program, as defined in VAAR 802.10, subpart 819.70, and this clause, takes precedence over any inconsistencies between the

requirements of the SBA Veteran Small Business Certification Program and the VA Veterans First Contracting Program.

(h) *Misrepresentation*. Pursuant to 38 U.S.C. 8127(g), any business concern, including all its principals, that is determined by VA to have willfully and intentionally misrepresented a company's VOSB status is subject to debarment from contracting with the Department for a period of not less than five years (see VAAR 809.406–2, Causes for Debarment).

(End of Clause)

C.6 VAAR 852.219-75 VA NOTICE OF LIMITATIONS ON SUBCONTRACTING—CERTIFICATE OF COMPLIANCE FOR SERVICES AND CONSTRUCTION (JAN 2023) (DEVIATION)

Any work that a similarly situated certified SDVOSB/VOSB subcontractor further subcontracts will count towards the 50% subcontract amount that cannot be exceeded. Other direct costs may be excluded to the extent they are not the principal purpose of the acquisition and small business concerns do not provide the service as set forth in 13 CFR 125.6.

(ii) ☐ *General construction*. In the case of a contract for general construction, the contractor will not pay more than 85% of the amount paid by the government to it to firms that are not certified SDVOSBs listed in the SBA certification database as set forth in 852.219–73 or certified VOSBs listed in the SBA certification database as set forth in 852.219–74. Any work that a similarly situated certified SDVOSB/VOSB subcontractor further subcontracts will count towards the 85% subcontract amount that cannot be exceeded. Cost of materials are excluded and not considered to be subcontracted.

(iii) ☐ *Special trade construction contractors*. In the case of a contract for special trade contractors, the contractor will not pay more than 75% of the amount paid by the government to it to firms that are not certified SDVOSBs listed in the SBA certification database as set forth in 852.219–73 or certified VOSBs listed in the SBA certification database as set forth in 852.219–74. Any work that a similarly situated certified SDVOSB/VOSB subcontractor further subcontracts will count towards the 75% subcontract amount that cannot be exceeded. (2) The offeror acknowledges that this certification concerns a matter within the jurisdiction of an Agency of the United States. The offeror further acknowledges that this certification is subject to Title 18, United States Code, Section 1001, and, as such, a false, fictitious, or fraudulent certification may render the offeror subject to criminal, civil, or administrative penalties, including prosecution.

(3) If VA determines that an SDVOSB/ VOSB awarded a contract pursuant to 38 U.S.C. 8127 did not act in good faith, such SDVOSB/VOSB shall be subject to any or all of the following:

- (i) Referral to the VA Suspension and Debarment Committee;
- (ii) A fine under section 16(g)(1) of the Small Business Act (15 U.S.C. 645(g)(1)); and
- (iii) Prosecution for violating 18 U.S.C. 1001.

(b) The offeror represents and understands that by submission of its offer and award of a contract it may be required to provide copies of documents or records to VA that VA may review to determine whether the offeror complied with the limitations on subcontracting requirement specified in the contract. Contracting officers may, at their discretion, require the contractor to demonstrate its compliance with the limitations on subcontracting at any time during performance and upon completion of a contract if the information regarding such compliance is not already available to the contracting officer. Evidence of compliance includes, but is not limited to, invoices, copies of subcontracts, or a list of the value of tasks performed.

(c) The offeror further agrees to cooperate fully and make available any documents or records as may be required to enable VA to determine compliance with the limitations on subcontracting requirement. The offeror understands that failure to provide documents as requested by VA may result in remedial action as the Government deems appropriate.

(d) Offeror completed certification/fill-in required. The formal certification must be completed, signed and returned with the offeror's bid, quotation, or proposal. The Government will not consider offers for award from offerors that do not provide the certification, and all such responses will be deemed ineligible for evaluation and award.

SECTION D - CONTRACT DOCUMENTS, EXHIBITS, OR ATTACHMENTS

SECTION E - SOLICITATION PROVISIONS

E.1 52.212-1 INSTRUCTIONS TO OFFERORS—COMMERCIAL PRODUCTS AND COMMERCIAL SERVICES (SEP 2023)

(a) *North American Industry Classification System (NAICS) code and small business size standard.* The NAICS code(s) and small business size standard(s) for this acquisition appear elsewhere in the solicitation. However, the small business size standard for a concern that submits an offer, other than on a construction or service acquisition, but proposes to furnish an end item that it did not itself manufacture, process, or produce is 500 employees, or 150 employees for information technology value-added resellers under NAICS code 541519, if the acquisition—

- (1) Is set aside for small business and has a value above the simplified acquisition threshold;
- (2) Uses the HUBZone price evaluation preference regardless of dollar value, unless the offeror waives the price evaluation preference; or
- (3) Is an 8(a), HUBZone, service-disabled veteran-owned, economically disadvantaged women-owned, or women-owned small business set-aside or sole-source award regardless of dollar value.

(b) *Submission of offers.* Submit signed and dated offers to the office specified in this solicitation at or before the exact time specified in this solicitation. Offers may be submitted on the SF 1449, letterhead stationery, or as otherwise specified in the solicitation. As a minimum, offers must show—

- (1) The solicitation number;
- (2) The time specified in the solicitation for receipt of offers;
- (3) The name, address, and telephone number of the offeror;
- (4) A technical description of the items being offered in sufficient detail to evaluate compliance with the requirements in the solicitation. This may include product literature, or other documents, if necessary;
- (5) Terms of any express warranty;
- (6) Price and any discount terms;
- (7) "Remit to" address, if different than mailing address;
- (8) A completed copy of the representations and certifications at Federal Acquisition Regulation (FAR) 52.212-3 (see FAR 52.212-3(b) for those representations and certifications that the offeror shall complete electronically);
- (9) Acknowledgment of Solicitation Amendments;

(10) Past performance information, when included as an evaluation factor, to include recent and relevant contracts for the same or similar items and other references (including contract numbers, points of contact with telephone numbers and other relevant information); and

(11) If the offer is not submitted on the SF 1449, include a statement specifying the extent of agreement with all terms, conditions, and provisions included in the solicitation. Offers that fail to furnish required representations or information, or reject the terms and conditions of the solicitation may be excluded from consideration.

(c) *Period for acceptance of offers.* The offeror agrees to hold the prices in its offer firm for 30 calendar days from the date specified for receipt of offers, unless another time period is specified in an addendum to the solicitation.

(d) *Product samples.* When required by the solicitation, product samples shall be submitted at or prior to the time specified for receipt of offers. Unless otherwise specified in this solicitation, these samples shall be submitted at no expense to the Government, and returned at the sender's request and expense, unless they are destroyed during preaward testing.

(e) *Multiple offers.* Offerors are encouraged to submit multiple offers presenting alternative terms and conditions, including alternative line items (provided that the alternative line items are consistent with FAR subpart 4.10), or alternative commercial products or commercial services for satisfying the requirements of this solicitation. Each offer submitted will be evaluated separately.

(f) Late submissions, modifications, revisions, and withdrawals of offers.

(1) Offerors are responsible for submitting offers, and any modifications, revisions, or withdrawals, so as to reach the Government office designated in the solicitation by the time specified in the solicitation. If no time is specified in the solicitation, the time for receipt is 4:30 p.m., local time, for the designated Government office on the date that offers or revisions are due.

(2)(i) Any offer, modification, revision, or withdrawal of an offer received at the Government office designated in the solicitation after the exact time specified for receipt of offers is "late" and will not be considered unless it is received before award is made, the Contracting Officer determines that accepting the late offer would not unduly delay the acquisition; and—

(A) If it was transmitted through an electronic commerce method authorized by the solicitation, it was received at the initial point of entry to the Government infrastructure not later than 5:00 p.m. one working day prior to the date specified for receipt of offers; or

(B) There is acceptable evidence to establish that it was received at the Government installation designated for receipt of offers and was under the Government's control prior to the time set for receipt of offers; or

(C) If this solicitation is a request for proposals, it was the only proposal received.

(ii) However, a late modification of an otherwise successful offer, that makes its terms more favorable to the Government, will be considered at any time it is received and may be accepted.

(3) Acceptable evidence to establish the time of receipt at the Government installation includes the time/date stamp of that installation on the offer wrapper, other documentary evidence of receipt maintained by the installation, or oral testimony or statements of Government personnel.

(4) If an emergency or unanticipated event interrupts normal Government processes so that offers cannot be received at the Government office designated for receipt of offers by the exact time specified in the solicitation, and urgent Government requirements preclude amendment of the solicitation or other notice of an extension of the closing date, the time specified for receipt of offers will be deemed to be extended to the same time of day specified in the solicitation on the first work day on which normal Government processes resume.

(5) Offers may be withdrawn by written notice received at any time before the exact time set for receipt of offers. Oral offers in response to oral solicitations may be withdrawn orally. If the solicitation authorizes facsimile offers, offers may be withdrawn via facsimile received at any time before the exact time set for receipt of offers, subject to the conditions specified in the solicitation concerning facsimile offers. An offer may be withdrawn in person by an offeror or its authorized representative if, before the exact time set for receipt of offers, the identity of the person requesting withdrawal is established and the person signs a receipt for the offer.

(g) *Contract award (not applicable to Invitation for Bids)*. The Government intends to evaluate offers and award a contract without discussions with offerors. Therefore, the offeror's initial offer should contain the offeror's best terms from a price and technical standpoint. However, the Government reserves the right to conduct discussions if later determined by the Contracting Officer to be necessary. The Government may reject any or all offers if such action is in the public interest; accept other than the lowest offer; and waive informalities and minor irregularities in offers received.

(h) *Multiple awards*. The Government may accept any item or group of items of an offer, unless the offeror qualifies the offer by specific limitations. Unless otherwise provided in the Schedule, offers may not be submitted for quantities less than those specified. The Government reserves the right to make an award on any item for a quantity less than the quantity offered, at the unit prices offered, unless the offeror specifies otherwise in the offer.

(i) Availability of requirements documents cited in the solicitation.

(1)(i) The GSA Index of Federal Specifications, Standards and Commercial Item Descriptions, FPMR Part 101-29, and copies of specifications, standards, and product descriptions can be downloaded from the ASSIST website at <https://assist.dla.mil>.

(4) Nongovernment (voluntary) standards must be obtained from the organization responsible for their preparation, publication, or maintenance.

(j) *Unique entity identifier.* (Applies to all offers that exceed the micro-purchase threshold, and offers at or below the micro-purchase threshold if the solicitation requires the Contractor to be registered in the System for Award Management (SAM).) The Offeror shall enter, in the block with its name and address on the cover page of its offer, the annotation "Unique Entity Identifier" followed by the unique entity identifier that identifies the Offeror's name and address. The Offeror also shall enter its Electronic Funds Transfer (EFT) indicator, if applicable. The EFT indicator is a four-character suffix to the unique entity identifier. The suffix is assigned at the discretion of the Offeror to establish additional SAM records for identifying alternative EFT accounts (see FAR subpart 32.11) for the same entity. If the Offeror does not have a unique entity identifier, it should contact the entity designated at www.sam.gov for unique entity identifier establishment directly to obtain one. The Offeror should indicate that it is an offeror for a Government contract when contacting the entity designated at www.sam.gov for establishing the unique entity identifier.

(k) [Reserved]

(l) *Debriefing.* If a post-award debriefing is given to requesting offerors, the Government shall disclose the following information, if applicable:

(1) The agency's evaluation of the significant weak or deficient factors in the debriefed offeror's offer.

(2) The overall evaluated cost or price and technical rating of the successful and the debriefed offeror and past performance information on the debriefed offeror.

E.5 52.212-2 EVALUATION—COMMERCIAL PRODUCTS AND COMMERCIAL SERVICES (NOV 2021)

(a) The Government will award a contract resulting from this solicitation to the responsible offeror whose offer conforming to the solicitation will be most advantageous to the Government, price and other factors considered. The following factors shall be used to evaluate offers:

Factor 1 - Technical Capability

Factor 2 – Past Performance

Factor 3 – Price

Factor 1 (Technical Capability) and Factor 2 (Past Performance) when combined are significantly more important than Factor 3 (Price).

(b) *Options.* The Government will evaluate offers for award purposes by adding the total price for all options to the total price for the basic requirement. The Government may determine that an offer is unacceptable if the option prices are significantly unbalanced. Evaluation of options shall not obligate the Government to exercise the option(s). The Government may select to award with the base contract no options, all options or a combination of options.

(c) A written notice of award or acceptance of an offer, mailed or otherwise furnished to the successful offeror within the time for acceptance specified in the offer, shall result in a binding

contract without further action by either party. Before the offer's specified expiration time, the Government may accept an offer (or part of an offer), whether there are negotiations after its receipt, unless a written notice of withdrawal is received before award.

Explanation of Evaluation Approach:

FACTOR 1: Technical Capability

The Contractor shall provide the following documentation with their offer:

The Government will evaluate each offer in accordance with the requirements of the solicitation to include technical capability. The offeror shall submit a Capability Statement not to exceed two (2) pages which can adequately describe and present a clear understanding of the requirement. The capability statement must demonstrate the ability to provide and deliver the equipment required in accordance with the solicitation. Offeror's providing equal to products shall submit 52.211-6 with capability statement. The technical capability shall be specific, complete and provide sufficient information conforming to the Performance Work Statement (PWS). The technical statement shall demonstrate the offeror's capacity to satisfactorily supply the deliverables outlined in the PWS. Failure to meet a requirement may result in an offer being determined technically unsuitable.

Technical Acceptability Standard: The Offeror's Technical Proposal shall contain detailed responses to the following items that will be evaluated:

- CANINE: Provide one (Labrador) between twelve (12) months & (36) months old.
- (K-9 Handler Certification
- Police K-9 Drug Detection Certification
- Police K-9 Service dog certification

1. CANINE: Provide one (**Labrador**) between twelve (12) months & (36) months old. **The company must raise the canine from a puppy (pictures to document training will be required) and they must guarantee in writing the canine has not had any type of aggression training (BITE WORK) to include handler protection. If it is determined the canine has had any type of bite work training the contract will be voided.** The dog must be well socialized with people and other animals. (**B.2 Statement of Work Section B 2. a-d**)
2. INITIAL HANDLER TRAINING REQUIREMENTS (**K-9 Handler Certification**) (**B.2 Statement of Work Section (B 3. a-d)**)
3. NARCOTICS DETECTION TRAINING REQUIREMENTS FOR THE CANINE (**Police K-9 Drug Detection Certification**) (**B.2 Statement of Work Section (B 4. a-b)**)
4. Trailing Service Dog Program (**Police K-9 Service dog certification**) (**B.2 Statement of Work Section B. 3 (d) Search Techniques**)

FACTOR 2: Past Performance

The vendor must have been or employ someone who was/is recognized as an expert witness in **(Narcotics)**. Vendor must have handled or employ someone who has previously handled a **(Narcotics)** dog in a real-world environment such as Law Enforcement Search and Rescue with **at least 10 years of experience**. If the Vendor is qualifying for this experience based on an employee, this employee must have been employed by this Vendor for a **minimum of 2 full years** prior to the award date of this contract. Vendor must provide **5 references** for which they have provided (fill in with type of training receiving, i.e., Trailing or Narcotics) dogs.

FACTOR 3: Price

The Contractor shall provide the following documentation with their offer:

Offeror shall submit B.2 Price/Cost Schedule with unit prices rounded to the hundredth. Unit Pricing for this Firm Fixed Price contract shall include all labor, overhead, profit, materials, and associated costs of the like to provide required supplies. Please ensure unit price and total amounts are correct. Pricing shall not be handwritten on Section B.2 (Price/Cost Schedule) to ensure they are legible. The offeror agrees to hold the prices in its offer firm for 60 calendar days from the date specified for receipt of offers. Prices will be evaluated for completeness and reasonableness.

Unrealistically high or low proposed costs or prices, initially or subsequently, may be grounds for eliminating an offeror from competition either on the basis that the offeror does not understand the requirement or has submitted an unrealistic offer. Additionally, unbalanced pricing poses an unacceptable risk to the Government and may be reason to reject an offer. The burden of proof for credibility of proposed costs/prices rests with the offeror. The Government reserves the right to amend the solicitation and remove any set-aside should pricing of all quotes be found unreasonable.

The Government intends to award a contract without discussions with respective offerors. The Government, however, reserves the right to conduct discussions if deemed in its best interest.

BASIS FOR AWARD

The Government will perform a comparative evaluation of the quotes received in accordance with FAR 13.106-2(b)(3), Comparative evaluation. Comparative evaluation is the side-by-side comparison of quotes based on factors listed below as determined by a Contracting Officer to be most favorable to the Government and at a price that can be determined fair and reasonable. The Government reserves the right to consider a quotation other than the lowest price that provides additional benefit(s). Quotations may exceed the minimum requirements of the solicitation. The Government reserves the right to select a quotation that provides a benefit to the Government that exceeds the minimum requirements of the solicitation but is not required to do so. Each response must meet the minimum requirements of the solicitation. The government is not requesting or accepting alternate quotations.

Contractors may submit more than one quote; however, contractors are strongly encouraged to submit their best lead time/delivery schedule and prices in response to this request for quote. Offerors are encouraged to clearly demonstrate in their quote how their approach provides better value to the Government beyond that of the minimum requirements.

Once the Government determines there is/are a contractor(s) that can provide audio visual equipment that meets(s) the requirements of this request for quote, the Government reserves the right to communicate with only those contractors quoting the best-suited product to address any remaining issues.

Please read each section below carefully for the submittals and information required as part of the evaluation. By submission of its offer, the offeror accedes to all solicitation requirements, including terms and conditions, representations and certifications, and technical requirements. Offers missing the requested information below, as well as the items listed in the Addendum to FAR 52.212-1, Instructions to Offerors, shall be considered non-compliant and your quote may be removed from the evaluation process. Failure to meet a requirement or inability to perform or provide all supplies requested shall result in an offer being determined technically unsuitable. Offerors must clearly identify any exception to the solicitation terms and conditions and provide complete accompanying rationale.

(End of Provision)

(h) *Certification Regarding Responsibility Matters* (Executive Order 12689). (Applies only if the contract value is expected to exceed the simplified acquisition threshold.) The offeror certifies, to the best of its knowledge and belief, that the offeror and/or any of its principals—

(1) ☐ Are, ☐ are not presently debarred, suspended, proposed for debarment, or declared ineligible for the award of contracts by any Federal agency;

(2) ☐ Have, ☐ have not, within a three-year period preceding this offer, been convicted of or had a civil judgment rendered against them for: commission of fraud or a criminal offense in connection with obtaining, attempting to obtain, or performing a Federal, state or local government contract or subcontract; violation of Federal or state antitrust statutes relating to the submission of offers; or Commission of embezzlement, theft, forgery, bribery, falsification or destruction of records, making false statements, tax evasion, violating Federal criminal tax laws, or receiving stolen property;

(3) ☐ Are, ☐ are not presently indicted for, or otherwise criminally or civilly charged by a Government entity with, commission of any of these offenses enumerated in paragraph (h)(2) of this clause; and

(4) ☐ Have, ☐ have not, within a three-year period preceding this offer, been notified of any delinquent Federal taxes in an amount that exceeds the threshold at 9.104–5(a)(2) for which the liability remains unsatisfied.

(i) Taxes are considered delinquent if both of the following criteria apply:

(A) *The tax liability is finally determined.* The liability is finally determined if it has been assessed. A liability is not finally determined if there is a pending administrative or judicial challenge. In the case of a judicial challenge to the liability, the liability is not finally determined until all judicial appeal rights have been exhausted.

(B) *The taxpayer is delinquent in making payment.* A taxpayer is delinquent if the taxpayer has failed to pay the tax liability when full payment was due and required. A taxpayer is not delinquent in cases where enforced collection action is precluded.

(ii) *Examples.*

(A) The taxpayer has received a statutory notice of deficiency, under I.R.C. Sec. 6212, which entitles the taxpayer to seek Tax Court review of a proposed tax deficiency. This is not a delinquent tax because it is not a final tax liability. Should the taxpayer seek Tax Court review, this will not be a final tax liability until the taxpayer has exercised all judicial appeal rights.

(B) The IRS has filed a notice of Federal tax lien with respect to an assessed tax liability, and the taxpayer has been issued a notice under I.R.C. Sec. 6320 entitling the taxpayer to request a hearing with the IRS Office of Appeals contesting the lien filing, and to further appeal to the Tax Court if the IRS determines to sustain the lien filing. In the course of the hearing, the taxpayer is entitled to contest the underlying tax liability because the taxpayer has had no prior opportunity to contest the liability. This is not a delinquent tax because it is not a final tax liability. Should the taxpayer seek tax court review, this will not be a final tax liability until the taxpayer has exercised all judicial appeal rights.

(C) The taxpayer has entered into an installment agreement pursuant to I.R.C. Sec. 6159. The taxpayer is making timely payments and is in full compliance with the agreement terms. The taxpayer is not delinquent because the taxpayer is not currently required to make full payment.

(D) The taxpayer has filed for bankruptcy protection. The taxpayer is not delinquent because enforced collection action is stayed under 11 U.S.C. 362 (the Bankruptcy Code).
