The purpose of this amendment is to address an additional pertaining to RFP #75N98026R00042 and to provide clarity regarding Attachment 10.

Question:

The Updated Attachment 10 LCAT Table in Amendment 6 requires us to price 2,112,000 hours per year and 1,056,000 for the option period for Biologist 5, this adds up to 11,616,000 hours in total. Please confirm that this is not the number of hours you need and let us know what is the final number of hours for this LCAT.

Answer:

Offerors shall apply their professional judgment to determine the labor categories and associated annual hours necessary to support the scope of work. Attachment 10 (LCAT Table) is provided for reference only to assist in estimating labor categories and hours; all hours shown are illustrative and non-binding. Offerors are responsible for proposing the labor categories and corresponding hours they deem sufficient to meet the requirements of the RFP. As this is an IDIQ contract, specific requirements—including labor categories and hours—will be established at the Task Order level.

The Government will not be accepting any additional questions.

Offerors must acknowledge receipt of this amendment by identifying this amendment number and date of the amendment on each copy of the proposal submitted. Failure to receive your acknowledgement may result in the rejection of your proposal. Except as provided herein, all terms and conditions of the solicitation remain unchanged and in full force and effect.
