PRIVACY ACT STATEMENT: VA is authorized to ask for the information requested on this form by Homeland Security Presidential Directive (HSPD)-12, and 31 USC 7701. The information and biometrics collected, collected as part of the Federal identity-proofing program under HSPD-12 are used to verify the personal identity of VA applicants for employment, employees, contractors, and affiliates (such as students, WOC employees, and others) prior to issuing a Department identification credential. The credentials themselves are to be used to authenticate electronic access requests from VA employees, contractors, and affiliates issued a Department identification credential to gain access to VA facilities and networks (where available) through digital access control systems, as well as to other federal government agency facilities and systems where permitted by law. The information collected on this form is protected by the Privacy Act, 5 USC Section 552(a) and maintained under the authority of 38 USC Section 501 and 38 USC Sections 901-905 in VA system of records "Police and Security Records-VA (103VA07B)". VA may make a "routine use" disclosure of the information in this system of records for the routine uses listed in this system of records, including: civil or criminal law enforcement, constituent congressional communications initiated at your request, litigation or administrative proceedings in which the United States is a party or has an interest, the administration of VA programs, verification of identity and status, and personnel administration by Federal agencies. Failure to provide all of the requested information may result in VA being unable to process your request for a Personal Identity Verification Card, or denial of issuance of a Personal Identity Verification Card. If you do not have a Personal Identity Verification Card, you may not be granted access to VA facilities or networks, which could have an adverse impact on your application to become, or status as, a VA employee, contractor or affiliate where such access is required to perform your assigned duties or responsibilities.
