4. Statutory Authority Permitting Other Than Full & Open Competition

This J&A is based upon the authority of 10 USC 3204(A) (1), only one or a limited number of responsible sources will satisfy agency requirements, as implemented by FAR 6.302-1

5. Rationale Justifying Use of Cited Authority

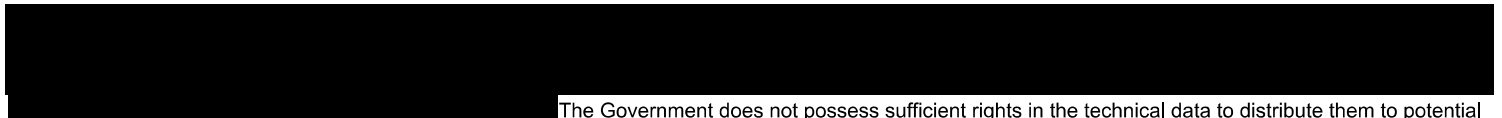

A/RMC 1

Suitable for competitive acquisition for the second or subsequent time.

A/RMSC B

This part must be acquired from/repared by a source(s) specified on a source control or selected item drawing as defined by the current version of DoD-STD-100. Suitable technical data, Government data rights, or manufacturing/repair knowledge are not available to permit acquisition from/repair by other sources, nor qualification testing of another part, nor use of a second source part in the intended application. Although, by DoD-STD-100 definition, altered and selected items shall have an adequate technical data package, data review discloses that required data or data rights are not in Government possession and cannot be economically obtained. If one source is available, A/RMCs 3, 4, or 5 are valid. If at least two sources exist, A/RMCs 1 or 2 are valid.

This acquisition will be solicited to

The Government does not possess sufficient rights in the technical data to distribute them to potential new suppliers of the item. Any additional sources would have to be approved by NSWC Indian Head Division and added to the approved sources listed on the drawing. There are no known distributors. These parts are Critical Safety Items and highly specialized, and require acquisition from sources that are controlled or selected as qualified.

6. Description of Efforts Made To Solicit Offers From as Many Offerors as Practicable

The proposed contract action was synopsisized on the government-wide point of entry on

and as a result

Market research was conducted in accordance with far part 10. The results of the market research conducted (or the reason(s) market research was not conducted) are as follows

The latest configuration has been checked and all records have been properly aligned, identified, and documented. This item is on Source Controlled Drawing owned by the Government listing only as approved sources. The Government does not possess sufficient rights in the technical data to distribute them to potential new suppliers of the item. Any additional sources would have to be approved by NSWC Indian Head Division and added to the approved sources listed on the drawing. There are no known distributors An In-Service Engineer Activity (ISEA) technical review was conducted and a source sought notice was published to identify all additional sources or interested vendors. The result of this market research indicates that only the above-name vendor(s) are able to meet the government's requirements.

7. Determination of Fair And Reasonable Cost

The contracting officer determines that the anticipated cost to the Government of the supplies covered by this J&A will be fair and reasonable based on price and/or cost analysis.

8. Actions to Remove Barriers to Future Competition

To promote competition, NAVSUP WSS will continue to encourage vendors with the expertise to manufacture/repair the subject item to submit a complete technical data package for review and source approval by the appropriate engineering source approval authority per the (WSS) guidelines. Also, future requirements will be advertised on the government-wide point of entry.
