52.222-90 Addressing DEI Discrimination by Federal Contractors

APR 2026

ADDRESSING DEI DISCRIMINATION BY FEDERAL CONTRACTORS (DEVIATION DATE)

(a) *Definitions.* As used in this clause—

Program participation means membership or participation in, or access or admission to: training, mentoring, or leadership development programs; educational opportunities; clubs; associations; or similar opportunities that are sponsored or established by the contractor or subcontractor.

Racially discriminatory diversity, equity, and inclusion (DEI) activities means disparate treatment based on race or ethnicity in the recruitment, employment (e.g., hiring, promotions), contracting (e.g., vendor agreements), program participation, or allocation or deployment of an entity's resources.

(b) In connection with the performance of work under this contract, the Contractor agrees as follows:

- (1) The Contractor will not engage in any racially discriminatory DEI activities.
 - (2) The Contractor will furnish all information and reports, including providing access to books, records, and accounts, as required by the Contracting Officer, for purposes of ascertaining compliance with this clause.
 - (3) In the event of the Contractor's or a subcontractor's noncompliance with this clause, this contract may be canceled, terminated, or suspended in whole or in part, and the Contractor or subcontractor may be declared ineligible for further Government contracts.
 - (4) The Contractor will report any subcontractor's known or reasonably knowable conduct that may violate this clause to the Contracting Officer and take any appropriate remedial actions directed by the Contracting Officer.
 - (5) The Contractor will inform the Contracting Officer if a subcontractor sues the Contractor and the suit puts at issue, in any way, the validity of this clause.
 - (6) The Contractor recognizes that compliance with the requirements of this clause are material to the Government's payment decisions for purposes of 31 U.S.C. 3729(b)(4).
- (c) The Contractor must include the substance of this clause, including this paragraph (c), in subcontracts at any tier, including those for commercial products and commercial services, for which the place of delivery or performance is in the United States.

SECTION D – ANY CONTRACT DOCUMENTS, EXHIBITS OR ATTACHMENTS

D.1 PERFORMANCE WORK STATEMENT (PWS)

D.1.1. BACKGROUND:

The U.S. Trade and Development Agency (USTDA) supports the development of overseas infrastructure projects that advance the shared strategic interests of the United States and its overseas partners. These projects offer opportunities for the export of trusted U.S. solutions, including technology, goods, and services that support U.S. jobs.

USTDA is the U.S. government's first mover on critical infrastructure projects overseas. The Agency funds the upfront technical and design work that accelerates infrastructure development and helps projects attract financing. This includes project preparation activities such as feasibility studies, technical assistance, pilot projects, and front-end engineering and design studies.

USTDA requires Information Resource Center (IRC) administrative services to support the Agency administrative management practices, programs, and activities.

D.1.2. SUMMARY OF THE FUNCTIONS:

The contractor shall provide program and administrative support services, primarily in support of, but not limited to, the Agency's records management program, from origination of the records through their eventual disposition and disposal. This includes identifying, classifying, prioritizing, storing, securing, archiving, preserving, retrieving, tracking, and disposal of Agency records. The Contractor shall provide support to the Agency related to its FOIA program, including receiving and tracking requests, updating the FOIA database (Agency-specific data repository), coordinating respondent documents, drafting response letters, and assisting in meeting FOIA reporting requirements. Additionally, services performed under this contract shall include the generation of data and reports, dissemination of information both internally and externally to include incoming and outgoing mail, receptionist/visitor assistance; ensure that USTDA's training center (referred to herein as the "Business Center"), conference rooms, and equipment are functional and ready for events; and the maintenance of all Agency workrooms, etc. The Contractor shall provide support to the Office of Administration in the areas of travel, facilities, and other administrative management programs.

This contract is covered by the Service Contract Act, and all non-exempt positions identified below in Section D.1.4 are covered by applicable FAR clauses.

D.1.3. SCOPE OF WORK:

The contractor shall supply qualified personnel necessary to perform the specific and generic tasks as outlined in the following.

D.1.3.1. ADMINISTRATIVE AND INFORMATION MANAGEMENT SUPPORT:

D.1.3.1.1. Agency Records Management – The Contractor shall:

Maintain USTDA's Central Agency Files (CAF). Inventory and organize documents in an electronic database for storage on the agency's shared directory or intranet for easy reference. Provide assistance to agency staff on the identification of CAF documents for incorporation into the database. Serve as primary Point of Contact (POC) for records management, to include receiving official Agency documents (administrative or programmatic) from the USTDA staff to initiate creation of new files, develop the file structure (content), scan, label, organize the material, circulate files, establish filing procedures, take inventory, control access, ensure quality control, and that proper file retention policies are followed. Continuously accept working files from the USTDA staff and integrate the material into the official files when appropriate in accordance with accepted USTDA records management procedures.

Perform scanning, copying, etc., to convert agency files and documents from hard copy to electronic files. Agency documents/files may include but are not limited to USTDA-funded reports, final project documents, grant invoices, etc., for inclusion in the Project Management Information System files and/or other databases.

Appoint Contractor personnel to serve as USTDA's technical expert (Records Custodian) and primary POC to interact with the National Archives and Records Administration (NARA) to ensure that the Agency's disposition, transfer, and archiving of electronic records are compliant with NARA policies and requirements. With the guidance and oversight of the Records Management Officer (RMO), implement and maintain methods for assessing the status of file disposition (e.g., active, suspended, retired, reactivated, etc.) and implement the official Agency response to federal records management requirements. Draft responses to required reports for the RMO's review. Subject to Agency review and approval, make modifications to the Agency's Records schedule to ensure that it is current by conducting an annual review and is compliant with NARA's General Records Schedule and other NARA requirements, and that it covers all Agency records. Advise RMO on proposed changes to the Agency's Records Schedule and lead efforts to revise/modify the schedule as approved by RMO.

Serve as lead for assisting the Agency in the establishment of records schedules for electronic records and email to ensure identification, disposition, and transfer of records meet NARA requirements.

Inventory, organize, and schedule the transfer of Agency records for storage or archiving on an annual basis. Maintain inventory for Agency records stored at NARA and revises inventory plan bi-annually. Plan and conduct Agency-wide Record Management Information file clean-up twice each year. This requires training Agency staff on USTDA Records Management policies, requirements, and best practices. Assist staff on document identification and disposal of electronic files and email documents, and the disposition and maintenance of official agency files stored in the IRC.

Provide Records Management information to all incoming Agency staff (Federal and contract). Conduct an onboard records briefing and complete employee records certification of records briefing and Records Management Exit Interviews before staff offboard on the management/transition/storage of email and official Agency records. Ensure that all offboarding staff records are assessed, a file management plan is completed, and permanent records are managed according to USTDA's Records Management Schedule.

Initiate data input and continuously update electronic data in USTDA's Information Management System(s), including but not limited to MS SharePoint, TDAMIS, etc. This includes the organization and verification of fiscal, program and project management, contract and grant, and all other related information data prior to input of data in USTDA's Management Information System(s).

Provide input as requested from the Chief Information Officer (CIO) or Deputy CIO to assist with the testing, resolution of system problems, and the upgrade of USTDA's Information Management System(s) to ensure validity and reliability of agency data.

Obtain data from the Information Management System and run data reports as requested. Create, process, inventory, organize, and maintain USTDA's library holdings database (project/program reports), which primarily consists of, but is not limited to, feasibility studies, desk study/definitional mission/reverse trade mission final reports, etc. Maintain and segregate the public and confidential reports. Maintain an accurate inventory of project/program reports. Maintain the USTDA library holdings database in USTDA's Information Management System(s). Twice each year, the Contractor shall provide to the Contracting Officer's Representative (COR), an updated library holdings analysis report, including executive summaries for download to the Agency website.

D.1.3.1.2. General Admin Support – The Contractor shall:

Provide general administrative management support to USTDA operations and program staff. This support shall include but not be limited to the review and verification of grant and contract deliverables, such as final reports, cost share certifications, and final project for contract and grant invoices, travel management, building and facilities management, and other administrative management-related support.

Track the expiration of USTDA subscriptions to external publications and provide a draft action memorandum to the Director or Deputy Director of Administration for renewal requests.

Reviews grant RFP packages for completeness and consistency in conjunction with Agency staff prior to posting to the Agency's website.

Maintain and update IRC Document Flow Process Map, detailing IRC's points of intersection and document management processes within the Agency document flow, and the efficiency of both the IRC's and the Agency's business processes for the establishing and maintaining official records and documents. Assist staff in identifying and institute process change improvements in support of Agency administrative and operational management functions.

Assist the Office of Administration with staff onboard and offboard, including, but not limited to, setting up new office space, maintaining staff directories, maintaining the Agency supply inventory, and preparing the appropriate documentation for ordering.

Provide training to agency staff on (1) IRC functions and responsibilities and (2) agency business processes and procedures as related to all IRC functions and Agency document flow.

D.1.3.1.3. Publications and Reports – The Contractor shall:

Develop and run various Agency program and financial reports from the Agency's Information Management System(s), including but not limited to status reports on Agency activities; activity statistical reports; contract and final deliverable status reports; periodic listing of library holdings by region and sector; and Agency's financial and program information required for publication in the USTDA Annual Report and/or the USTDA website.

Maintain and keep up to date the USTDA Correspondence Procedures Manual for internal document distribution.

Assist with the development of the USTDA mailing list.

Develop and/or maintain updated USTDA IRC Manual/SOPs.

Assist USTDA's Director/Deputy Director of Administration in the update and maintenance of the USTDA Administrative Manual.

Provide, organize, and review records disposition data for USTDA's annual Records Management Self-Assessment. Prepare the Agency's response for approval by the Director/Deputy Director of Administration, the annual Records Management Self-Assessment, and other reports required by NARA.

The Contractor shall not create or maintain any records that are not specifically tied to or authorized by the contract using Government IT equipment and/or Government records. The Contractor shall not retain, use, sell, or disseminate copies of any deliverable that contains information covered by the Privacy Act of 1974 or that which is generally protected by the Freedom of Information Act.

D.1.3.1.4. Internal and External Dissemination of Information – The Contractor shall:

Receives public inquiries about the Agency and its mission via the USTDA website, phone, and/or email and routes as appropriate.

Process internal and external requests for project or Agency reports. Track checkout of project reports.

Obtains and disseminates participant list information from business briefings and other Agency events, creating and maintaining list information, working with outside contractors and Agency staff.

Provide agency-wide daily personnel status notification.

D.1.3.1.5 Support to Freedom of Information Act (“FOIA”) Program

The Contractor shall assist the Agency’s Chief FOIA Officer and the Office of General Counsel:

- Receive, read, and process FOIA requests sent to the Agency;
- Track, record, and update in the Agency’s FOIA system specified information related to each FOIA request and the Agency’s actions taken in response to each such FOIA request;
- Direct FOIA requests to the appropriate offices, teams, and/or individuals both within and outside the Agency;
- Coordinate with and assist offices, teams, and/or individuals both within and outside the Agency to collect, organize, and manage responsive documents;
- Communicate with and promptly follow up with Agency personnel, FOIA requesters, and third parties as necessary to efficiently and effectively process the FOIA requests in a manner consistent with statutory requirements;
- Process responsive documents through the Agency’s FOIA system, including (without limitation) by (a) redacting personally identifiable information, private non-government

contact information, and other similar information, and (b) identifying potentially excludable documents for further review and confirmation by OGC;

- Prepare draft response letters and deliver signed response letters to FOIA requesters along with responsive documents; Assist the Agency in performing its quarterly and annual FOIA-related reporting obligations; and
- Perform other responsibilities and tasks related to the FOIA program as directed.

D.1.3.2. RECEPTIONIST SERVICES:

D.1.3.2.1. Reception Area – The Contractor shall:

Staff and operate two (2) USTDA reception areas, one on the 11th floor (Primary Receptionist Area) and the other on the 10th floor (Secondary Receptionist Area) of USTDA's Offices. Both reception areas must be staffed at all times during normal business hours, including backup coverage during breaks or scheduled/unscheduled leave.

Receive incoming visitors and telephone calls, greet and assist visitors to the Agency professionally, and issue visitor badges. Visitors and callers may include high-level foreign and U.S. Government officials, Congressional staff members, and senior executives from private businesses.

Handle a variety of clerical support services for the Agency to include but not limited to arranging for local transportation service, making reservations for USTDA's visitor parking, and distributing USTDA parking vouchers and Metro cards; accepting and arranging for the distribution of incoming mail and courier packages; coordinating visitor access with the building security, and the maintenance of visitor's log.

Receive and log facilities requests into the building management tracking system. Respond to Agency staff submissions for facility-related issues and monitor incoming requests to the shared facilities email account. Generate work order tickets for facility issues and work with the Office of Administration on escalated facilities-related issues. Ensure all work orders are closed out. Coordinate conference room scheduling and assist with arrangements of meetings.

Responds to and/or directs incoming calls/inquiries to the appropriate office or individual.

Maintain the reception areas ensuring the appearance is well-organized, clean, and presented in a professional manner at all times.

Perform other administrative support duties as required.

D.1.3.3. TRAINING CENTER/CONFERENCE ROOM SUPPORT:

USTDA hosts approximately 50-60 events a year, including internal agency meetings and training sessions for which general support is required. There are a total of seven (7) conference rooms (also known as Large Conference Room, Small Conference Room, Board Room; Library Room; Director's Conference Room; Map Room; Surge Room, and one (1) training center (also known as the Business Center). The Contractor shall:

- Handle the reservations for and coordinate USTDA's Business Center and other Agency conference rooms (with the exception of the Director's Conference Room), scheduling agency meetings, trainings, and high-level delegation events (also see Section D.1.3.2.1.).
- Maintain an events calendar for the Business Center. Maintain a calendar for all Agency conference rooms, including reviewing for approval upon staff booking.
- Perform physical room set-up of furniture in addition to refreshment stations, set-up of Audio Visual and teleconferencing equipment in support of guests, events, and meetings for all conference rooms and the training center as required.
- Ensure conference room equipment is operable and troubleshoot minor connection issues.
- Receive training in the management of operational functions of conference room audiovisual equipment.
- Provide support to the CIO/Deputy CIO for system-related IT issues and upgrades.
- Work with the audiovisual subcontractor to set up repair visits as needed.
- Coordinate audiovisual issues through the COR before setting up technical repair visits.
- Conduct walk-through of conference room spaces and training center twice a week to check the system and equipment function and elevate issues to the COR for Agency support.
- Ensure all conference rooms and training center, kitchens, and pantries are well-stocked, functioning, and ready for events. All debris is disposed of and cleaned by COB on the day of each event. Coordinate with Agency staff, contractors, caterers, building staff, and others to facilitate meeting preparation.

The contractor shall maintain orderliness of the Agency Training Center and conference rooms by moving refreshments and conference meals from the Training Center and Conference Rooms to Agency kitchens and ensuring the kitchens are cleaned at close of business. No additional staffing support will be required beyond the positions listed in this PWS.

D.1.3.4. MAIL ROOM AND COPIER AREAS SUPPORT:

There are eight (8) copier areas/workrooms throughout the agency and one (1) mail room. The Contractor shall:

- Review, process, and log all incoming unclassified mail and packages. Check and verify the presence of all attachments.
- Contact the originator or appropriate staff member if discrepancies are found. Distribute mail and packages to staff following the USTDA Correspondence Guidelines. Maintain entries to the Correspondence log.
- Review and distribute incoming agency faxes and electronic documents to staff in accordance with the USTDA Correspondence Guidelines. Check the Agency's general email accounts daily and distribute emails to the appropriate office or staff person.
- Pick up outgoing mail and express delivery pouches and deliver to the post office and other off-site locations as required, including packages via commercial delivery vendors as required.

The contractor shall maintain a well-organized, well-stocked mail room and other work areas throughout the agency that meet the needs of the Agency. Ensure the agency copier areas/workrooms are continually stocked with supplies, including paper, letterhead, pens, and other supplies, and are maintained in a well-organized and neat manner. Notify the Office of Administration when required stocks of papers, forms, and supplies are low and/or when mailroom equipment is not operational.

D.1.3.5. REPORTS AND OTHER DELIVERABLES:

The Contractor is responsible for delivering the tasks described in the statement of work for this project. Specific deliverables consist of the following:

D.1.5. SECURITY REQUIREMENTS:

D.1.5.1. Contractor personnel assigned to perform work under this contract will require unescorted entry into restricted areas, access to classified information, Government IT Systems and/or sensitive/For Official Use Only (FOUO) information. To obtain unescorted entry access to USTDA's Office Area and Government IT systems, Contractor personnel must possess a SECRET Security Clearance prior to being assigned to work on this effort and shall obtain and maintain a SECRET clearance for the duration of contract performance.

D.1.5.1. For contractor personnel awaiting the issuance of a Final Secret clearance, the Contract Officer (CO), at their discretion, may allow for performance until such time as the final Secret clearance is awarded by Defense Counterintelligence and Security Agency (DCSA). Uncleared contractors shall be processed for and receive a Department of State (DOS) Personal ID Facility

Access Card (FAC) prior to contract performance. Contractor personnel without a final security clearance are not eligible for access to classified information.

D.1.5.2. A Secret Facility Clearance is required for contract performance. **The Contractor shall be prepared to assume full responsibility for all areas of operation under the contract, within 40 calendar days after contract award. USTDA will not serve as a facility clearance sponsor for this contract.**

D.1.5.3. Since it may be necessary for some Contractor personnel to have access to classified material and/or to enter into areas requiring a security clearance, individual clearances shall be maintained for the duration of employment under this contract, or until access requirements change. Uncleared contractor personnel may perform on the contract per D.1.5.1 and the DD Form 254 Contract Security Classification Specification.

D.1.5.4. Government-Issued Personal Identification FAC. The Contractor shall obtain a Department of State building pass for all employees performing under this contract who require frequent and continuing access to USTDA/Department of State facilities in accordance with Bureau of Diplomatic Security Instructions. Upon completion of this contract or upon departure/termination of personnel, all contractor personnel who possess a FAC shall return these cards to USTDA's Administrative Officer and shall adhere to USTDA's out-processing procedures.

D.1.5.5. Performance of this contract shall be in accordance with the attached DD Form 254, Department of Defense Contract Security Classification Specification and FAR 52.204-2 "SECURITY REQUIREMENTS."

D.1.5.6. Classified material received or generated in the performance of this contract shall be safeguarded and disposed of in accordance with the National Industrial Security Program Operating Manual (DOD 5220.22-M).

D.1.5.7. Removal of Contractor Personnel. Contractor personnel shall be removed and barred from performance on this contract if the Government notifies the contractor that the employment or the continued employment of the individual is prejudicial to the interests or endangers the security of the United States of America to include but not limited to security deviations/incidents and credible derogatory information obtained on contractor personnel during the course of the contract period.

D.1.6. NON-PUBLIC INFORMATION:

In the performance of this contract, contractor personnel may obtain access to sensitive, non-public information. The contractor personnel shall: (a) use and protect such information from unauthorized disclosure in accordance with the FAR; (b) use and disclose such information only for the purpose of performing this contract and shall not use or disclose such information for any personal or commercial purpose; (c) obtain permission of the Contracting Officer (CO) before

disclosing/discussing such information with a third party; (d) return, upon Government request, any non-public, sensitive information no longer required for contractor performance; and (e) to advise the CO of any unauthorized release of such information. Upon the CO's request, the Contractor shall have its employees assigned to this contract execute a non-disclosure agreement for delivery to the Government.

D.1.7. INELIGIBILITY FOR PERFORMANCE ON PROGRAM ACTIVITIES:

The successful contractor shall be ineligible to compete for, as a prime or subcontractor or otherwise, all other USTDA funded "program" activities. USTDA reserves the right to grant a waiver, based upon FAR 9.503, if preclusion of the contractor from other USTDA program activities would not be in the Government's interest. This restriction shall remain in effect through the performance period of this contract.

D.1.8. PERIOD OF PERFORMANCE:

Twelve (12) months from date of award with four (4) twelve (12) month option periods.

D.1.9. PLACE OF PERFORMANCE:

The services required by this contract shall be performed primarily at the U.S. Trade and Development Agency Office at 1101 Wilson Boulevard, Suite 1100, Arlington, VA 22209.

With the exception of the Receptionist positions covering the 10th and 11th floor reception desks and the mailroom, situational teleworking may be granted with the CO/COR approval. The contractor must ensure that there is sufficient staff that all required on-site tasks under this contract are adequately covered in instances of teleworking.

D.1.10. CONTRACTOR PERSONNEL:

D.1.10.1. **General.** The contractor shall provide a Project Manager who shall be responsible for the performance of the work. Along with the IRC personnel, the Project Manager will perform contract requirements from USTDA Office space and shall have full authority to act for the Contractor on all contract matters relating to the daily operation of this contract.

D.1.10.1.1. **Key Personnel.** The Project Manager is essential to the work being performed and should not be reassigned or diverted without written consent from the CO. Prior to removing the project manager from the performance of this contract, the contractor shall provide 30 days advance notification to the CO and shall submit justification (including resumes for proposed substitutions) in sufficient detail to permit evaluation of the impact to USTDA.

D.1.10.1.2. The contractor shall meet with the CO, COR, and other Government personnel as required by the CO. The contractor shall ensure all personnel meet qualifications associated with

assigned functions and provide verifying documentation to the CO upon request. The contractor shall notify the CO of the departure of any individual and identify their substitution or replacement in accordance with the provisions of Section D.1.10.4 below.

D.1.10.1.3. Non-Personal Services. This contract is a non-personal services contract. **No personal services will be performed under this contract.** The contractor shall not perform any inherently governmental actions under this contract. The services rendered by the contractor are rendered in the capacity of an independent contractor. The Government retains no direct control over the services provided by the contractor. No contractor employee shall hold himself/herself out to be a Government employee, agent or representative. All contractor personnel attending meetings, answering government telephones, and working in other situations where their contractor status is not obvious to third parties are required to identify themselves as such to avoid creating an impression in the minds of members of the public that they are Government officials, unless, in the judgment of USTDA, no harm can come from failing to identify themselves. Contractors must also ensure that all documents or reports produced are suitably marked as contractor products or that contractor participation is appropriately disclosed.

D.1.10.2. Performance Standards. The Contractor shall meet the requirements of this contract in a highly professional manner, and performance must conform to professional standards of integrity and quality. Work shall be conducted in a timely manner and be responsive to USTDA needs. The Contractor shall maintain a professional manner at all times in contact with USTDA staff and outside organizations, businesses and government representatives. In the performance of work hereunder, the Contractor shall comply with the requirements of applicable laws, rules and regulations in effect or issued during the period of this contract. The Contractor shall ensure that all staff are cross-trained on Agency business processes and IRC functions to ensure all staff understands IRC's procedures and are able to provide cross coverage of duties, as needed. The Contractor shall ensure that all staff is provided with continuing education training necessary to provide effective performance in all areas described in the contract in the event there is a change of Federal or Agency requirements.

D.1.10.3. Dress Code. The USTDA has a published dress code applicable to all Government and Contractor personnel working at USTDA offices.

D.1.10.4. Replacement of personnel – If personnel, other than key personnel, for whatever reason become unavailable for work under this contract for a continuous period exceeding 30 work days or are expected to devote substantially less effort toward the work than indicated in the proposal, the Contractor shall propose a substitution of such personnel in accordance with the below requirements.

All proposed substitutions shall be submitted, in writing, to the CO at least 15 days prior to the proposed substitution. Each request shall provide detailed explanation of the circumstances necessitating the proposed substitution, a complete resume for the proposed substitute and any other information required by the CO to approve or disapprove the proposed substitution. All

proposed substitutes (no matter when they are proposed during the performance period) shall have qualifications that are equal to or higher than the qualifications of the person being replaced.

D.1.10.5. Normal Business Hours – The Contractor shall provide services during normal business hours of 8:30 a.m. to 5:30 p.m. Contractor personnel shall perform the services required under this contract to meet contract requirements for forty (40) hours per week; Monday through Friday, except for U.S. Federal Holidays. The CO/COR will notify the contractor of any changes to normal business hours that are the result of inclement weather, natural disaster, holiday observances, or other reasons.

D.1.10.6. Federal Holidays - USTDA observes the following holidays. If a holiday falls on a Saturday, it is observed on the preceding Friday. If a holiday falls on a Sunday, it is observed on the following Monday. Unscheduled closures may be declared by the Agency Head.

D.1.11. COORDINATION WITH OTHER CONTRACTORS:

The government may award other contracts for additional work not prescribed in this contract. The Contractor shall fully cooperate with such other contractors in performance of the requirement herein, and as directed by the CO. The Contractor shall not commit or permit any act, which will interfere with the performance of work by any other USTDA Contractor.

D.1.12. QUALITY CONTROL AND PERFORMANCE ASSESSMENT:

D.1.12.1 Quality Control

Quality control is extremely important to the government for the successful performance of this contract. Deliverables shall be timely, grammatically and factually correct in all respects,

internally consistent, and all statements and tables shall be clear and easily understood by a competent reader and contain no typographical errors. The contractor is responsible for management and quality control actions necessary to achieve quality in the delivery of services. The Contractor shall submit a Quality Control Plan to the Contracting Officer within twenty (20) calendar days after award of contract. The plan shall include procedures for identifying potential problems, reporting of issues, resolutions, and ensuring they do not recur. The Government will review and either approve or note deficiencies/issues with the submitted plan within 20 calendar days of receipt. Once approved, the contractor shall abide by this plan throughout the performance period of the contract, unless otherwise updated and approved.

D.1.12.2 Performance Assessment

1. **Monitoring Performance.** During the course of the evaluation period, the COR will track contractor performance. At the end of the performance period, the COR will assess the contractor's performance in accordance with FAR 42.15 and report to the Contracting Officer for submission to the Contractor Performance Assessment Reporting System (CPARS).
2. **CPARS Assessment.** The COR will consider all pertinent information during the preparation of the contractor's performance assessment. The contractor will be afforded the opportunity to identify factual errors. The COR's assessment is not subject to negotiation and the COR will not engage in discussions with the contractor. Any errors identified by the contractor will be addressed by the Reviewing Official. A copy of the final performance assessment will be available in the Past Performance Information Retrieval System (PPIRS).

D.1.13. TYPE OF CONTRACT:

This contract includes the Fixed Rates for required labor categories, to provide non-personal services to complete the requirements identified herein in accordance with the contract.

D.1.14. INDEMNIFICATION:

The contractor shall indemnify and hold harmless the Government and its officers, agents, representatives, and employees from all claims, loss, damage, actions, causes of action, expense, and/or liability resulting from, brought for, or on account of any personal injury or property damage received or sustained by any person or property growing out of or attributable to any work performed under or related to the contract, regardless of whether such claims, losses, damages, actions, expenses, and/or liability may be attributable to the fault, failure, or negligence of the Contractor.

D.1.15. INSURANCE COVERAGE:

D.1.15.1. The Contractor shall notify the CO in writing that the required insurance has been obtained before commencing work under this contract. The policies evidencing required insurance shall contain an endorsement to the effect that any cancellation or any material change adversely affecting the Government's interest shall not be effective (1) For such period as the laws of the State in which this contract is to be performed prescribe; or (2) Until 30 days after the insurer or the Contractor gives written notice to the CO, whichever period is longer.

D.1.15.2. The Contractor shall, at its own expense, provide and maintain during the entire performance of this contract at least the kinds and minimum amounts of insurance stated below:

<u>TYPE</u>	<u>AMOUNT</u>

No page limits.

VOLUME I: TECHNICAL AND PAST PERFORMANCE

Offerors shall address the following:

TECHNICAL APPROACH

- a. **STAFFING AND MANAGEMENT.** The offeror shall provide an organizational chart that depicts a workforce capable of meeting all PWS requirements. The offeror shall indicate how they intend to staff service areas to meet mission requirements. The chart shall clearly identify project management/supervisory position(s); the number of personnel assigned to functional areas, and the occupation description assigned to each proposed position.

The Offeror shall address qualifications, education, availability, and specific experiences that are directly related to the requirements. Individuals in each position shall be identified as full time or part time. **Names and resumes for ALL proposed individuals must be submitted as part of the proposal.** Resumes for any proposed

individual using “experience” in lieu of a “college degree” to qualify, must clearly document the relevant successful work history. The resume must also include points of contact (names, phone numbers, and emails) for the relevant projects who can address the individual’s performance (Offeror or Offeror personnel cannot be submitted as point of contact). If incumbent staff are proposed, no point of contact information is required. All proposed staff are required to perform work at USTDA facility, no proposed hybrid staffing model (onsite and telework) will be considered.

Under this sub-factor, the Offeror shall identify any cross-utilization of personnel between service areas. The proposal must provide a complete description of the offeror’s technical approach to satisfy the PWS requirements and it must demonstrate an understanding of the requirements. The proposal may also include a summary of the Offeror’s corporate experience and any unique methodologies or approaches to completing the work. Facility Clearance and Security Clearance requirements must also be addressed under this sub-factor. **Facility Clearance documents containing CUI may be appropriately redacted or password protected.**

Certification of Personnel: Offeror shall provide a written certification that each individual proposed as Key Personnel was contacted after the issue date of the solicitation and that the individual has confirmed that he/she is available for contract performance. No specific format required for this certification.

- b. **IMPLEMENTATION.** The offeror shall submit a timeline/milestone chart for having a fully operational organization in place by the performance start date. The Offeror’s must also address its approach to quality control, including the Offeror’s processes and methodologies for 1) providing quality services and 2) addressing noted discrepancies. Additionally, the Offeror’s recruitment procedures and timeline for filling vacant position(s), in a post-award environment, must also be addressed under this sub-factor.

PAST PERFORMANCE

- a. The government will evaluate the quality and extent of Offeror’s performance deemed relevant to the requirements of this RFP. Past performance will be considered relevant if it demonstrates relevant experiences that are similar in size, scope, and complexity as described in the solicitation. The government will use information submitted by the Offeror and other sources, such as the centralized past performance database, other Federal Government offices, and commercial sources, to assess performance.
- b. The Offeror shall send out the Past Performance Surveys (RFP Attachment 3) to each of the Offeror’s Points of Contact (POCs) for *one (1) to four (4) of the most relevant contracts performed for Federal agencies, State & Local Government, and commercial customers within the last 3 years from the date of issuance of this*

solicitation. The responsibility to send out the Past Performance Surveys rests solely with the Offeror –i.e. it shall not be delegated to any other entity. Once the Past Performance Surveys are completed by your POCs, the information therein shall be considered sensitive and shall not be released to you, the Offeror. Surveys shall be sent directly back to the Government via email at IRCContractproposals@ustda.gov. If more than 4 surveys are received, the government will only evaluate the first 4 that are received. The Government reserves the right to contact references for verification and additional information. The Government's inability to contact any of the Offeror's references or the references unwillingness to provide the information requested may affect the Government's evaluation of this factor.

IF A COMPLETED CPARS EVALUATION IS AVAILABLE FOR CONTRACTS UNDER WHICH THE OFFEROR PERFORMED AS A PRIME, IT MAY BE SUBMITTED WITH THE PROPOSAL IN LIEU OF THE PAST PERFORMANCE SURVEY.

The evaluation of past performance information will take into account past performance information regarding subcontractors that will perform major or critical aspects of the requirement when such information is relevant to the acquisition. However, since the prime contractor will be responsible for the overall management contract performance and since at least 50 percent of the cost of contract performance incurred for personnel must be expended for employees of the prime, greater consideration will be given to the past performance of the prime. In assigning the overall past performance confidence assessment rating, past performance for the prime offeror will be considered more highly than that of subcontractors that will perform major or critical aspects of the requirement. Offerors lacking recent and relevant past experience history will not be evaluated favorably or unfavorably in past performance and will receive an Unknown Confidence assessment.

VOLUME II - PRICE

PRICE FACTOR AND CONTRACT DOCUMENTATION

E.2 FAR 52.212-2, EVALUATION--COMMERCIAL ITEM (OCT 2014):

(a) The Government will award a contract resulting from this solicitation to the responsible offeror whose offer conforming to the solicitation will be most advantageous to the Government, price and other factors considered. The following factors and sub-factors shall be used to evaluate offers:

FACTOR 1: TECHNICAL APPROACH

SUB-FACTOR 1: STAFFING AND MANAGEMENT

SUB-FACTOR 2: IMPLEMENTATION

FACTOR 2: PAST PERFORMANCE

FACTOR 3: PRICE

Technical Approach and Past Performance are of equal importance and when combined are significantly more important than Price.

(b) Options. *Options.* The Government will evaluate offers for award purposes by adding the total price for all options to the total price for the basic requirement. The Government may

determine that an offer is unacceptable if the option prices are significantly unbalanced. Evaluation of options shall not obligate the Government to exercise the option(s).

(c) A written notice of award or acceptance of an offer furnished to the successful offeror within the time for acceptance specified in the offer, shall result in a binding contract without further action by either party. Before the offer's specified expiration time, the government may accept an offer, whether or not there are negotiations after its receipt, unless a written notice of withdrawal is received before award.

ADDENDUM TO FAR 52.212-2, EVALUATION--COMMERCIAL ITEMS:

(a) **Basis for contract award.** The Government will use Best Value Source Selection Procedures to evaluate offers and determine the best value. The Government will award a contract resulting from this solicitation to the offeror who is deemed responsible in accordance with the Federal Acquisition Regulation, whose proposal conforms to the solicitations requirements (to include all stated terms, conditions, representations, certifications, and all other information required by this solicitation) and is determined, based on the evaluation factors, to represent the best value to the Government. The Government seeks to award to the offeror who gives USTDA the greatest confidence that it will best meet or exceed the requirements affordably. This may result in an award to a higher rated, higher priced offeror, where the decision is consistent with the evaluation factors and the Source Selection Authority (SSA) reasonably determines that the overall business approach and/or superior past performance of the higher priced offeror outweighs the cost difference. The SSA will make an integrated assessment based on the evaluation factors described below.

(b) Evaluation Factors.

Factor 1: Technical Approach

Sub-Factor 1: Staffing and Management

Sub-Factor 2: Implementation

Factor 2: Past Performance

Factor 3: Price

(c) Technical Approach and Past Performance shall be evaluated using the following adjectival ratings.

Technical factor and sub-factors shall be evaluated using the following adjectival ratings:

Rating	Description
Outstanding	Proposal meets requirements and indicates an exceptional approach and understanding of the requirements. Strengths far outweigh any weaknesses. Risk of unsuccessful performance is very low.
Good	Proposal meets requirements and indicates a thorough approach and understanding of the requirements. Proposal contains strengths which outweigh any weaknesses. Risk of unsuccessful performance is low.
Acceptable	Proposal meets requirements and indicates an adequate approach and understanding of the requirements. Strengths and weaknesses are offsetting or will have little or no impact on contract performance. Risk of unsuccessful performance is no worse than moderate.
Marginal	Proposal does not clearly meet requirements and has not demonstrated an adequate approach and understanding of the requirements. The proposal has one or more weaknesses which are not offset by strengths. Risk of unsuccessful performance is high.
Unacceptable	Proposal does not meet requirements and contains one or more deficiencies. Proposal is unawardable.

Past Performance shall be evaluated using the following adjectival ratings:

Rating	Description
Substantial Confidence	Based on the offeror's recent/relevant performance record, the Government has a high expectation that the offeror will successfully perform the required effort.
Satisfactory Confidence	Based on the offeror's recent/relevant performance record, the Government has a reasonable expectation that the offeror will successfully perform the required effort.
Limited Confidence	Based on the offeror's recent/relevant performance record, the Government has a low expectation that the offeror will successfully perform the required effort.
No Confidence	Based on the offeror's recent/relevant performance record, the Government has no expectation that the offeror will be able to successfully perform the required effort.
Unknown Confidence (Neutral)	No recent/relevant performance record is available or the offeror's performance

	record is so sparse that no meaningful confidence assessment rating can be reasonably assigned.

(d) The Government will evaluate price to determine the following:

- Completeness: All information required by the solicitation has been submitted and is accurate.
- Reasonableness: The Government will conduct a price analysis to determine whether the proposed prices are fair and reasonable. This determination may be accomplished by one or more of the techniques set forth in FAR 15.404-1(b)(2).

No adjectival ratings will be used to evaluate Price.

Price evaluation will be conducted in accordance with FAR 15.404-1 to determine completeness (i.e. all information required by the RFP has been submitted and is accurate) and reasonableness. The Government may also conduct price realism for the purpose of assessing whether an Offeror's unrealistically low price reflects on its understanding of the requirements or the risk inherent in the Offeror's approach. Prices found to be unrealistically low (an indication of "buy – in") will be ineligible for award. The evaluated price will be used in the tradeoff analysis between price and technical factors to determine best value.

(e) Communication conducted to resolve minor or clerical errors will not constitute discussions and the Contracting Officer reserves the right to award a contract without the opportunity for proposal revision. However, pursuant to FAR Part 15.306(b), USTDA may hold limited exchanges with offerors before establishment of the competitive range.

(f) The Government intends to evaluate proposals and award a contract without discussions with contractors (except clarifications as described in FAR 15.306(a)), unless discussions are determined to be necessary. Therefore, each contractor should submit their quotation to the Government using the most favorable terms from a cost/price and technical standpoint. Pursuant to FAR 15.306(c), if discussions are held, the Contracting Officer shall establish a competitive range of the most highly rated proposals. If the number of most highly rated proposals exceeds the number at which an efficient competition can be conducted, the Contracting Officer may limit the number of proposals in the competitive range to the greatest number that will permit an efficient competition among the most highly rated proposals. Only one (1) award will result from this RFP. Proposals that do not address all requirements presented in the RFP may not be considered for award.
