

Intro

Welcome to Wide Area Workflow e-Business Suite. This demonstration contains audio narrative. Please adjust your volume accordingly.

Step 1

This is an overview of posting an offer for a solicitation to the Solicitation Portal. Proposal Manager logs in to PLEE to access, the Solicitation application. The Proposal Manager must be logged in to submit an offer.

Step 2

Select the Solicitation icon.

Step 3

The Home screen of the Solicitation Portal displays. The Proposal Manager selects the Search link to find the Solicitation they intend to post an offer against.

Step 4

Solicitation Search Criteria

Solicitation Number

Open Date Start: End:

Response Due Date Start: End:

Subject Starts With

Description Starts With

Product or Service Code

Proposal Manager enters search criteria to find the solicitation they want to submit an offer against and then selects Search.

The Solicitation Search Criteria are as follows:

- Solicitation Number - Enter the complete solicitation number
- Open Date - Enter a start and end date to find solicitations that were posted to the site within the range
- Response Date - Enter a start and end date to find solicitations where the Response Due Date is within the range
- Product or Service Code - Enter the Product or Service codes as a comma-delimited list, or use the lookup feature to populate one or more codes
- NAICS - Enter the NAICS codes as a comma-delimited list, or use the lookup feature to populate one or more codes
- Set Aside Code - Select a set Aside code to find solicitations that are set aside
- Place of Performance Zip Code - Enter the Zip Code of the Place of Performance
- Contracting Office DoDAAC - Enter a DoDAAC to find Solicitations that were issued by that Contracting Office
- Status - Select a status of Open, Closed or Both
