

1. EVALUATION CRITERIA: Section 52.212-2 contains placeholder language regarding the relative importance of Pricing vs. Technical Acceptability. Could you please confirm the intended weighting or order of importance between these two factors prior to the offer due date?

Pricing will be first with the criteria being lowest price technically acceptable.

Technical Acceptability is next and this will be based on a synopsis of your proposal to see if there is a complete understanding of the requirement.

2. SITE VISIT: Is a pre-bid site visit to Columbus AFB available? If so, please advise on how to schedule and any access requirements we should prepare for in advance.

There is no site visit.

3. WAGE DETERMINATION: The solicitation references WDOL 2015-5157 Rev. 29. Please confirm whether the Service Contract Act applies to all labor categories under this contract and whether a compliant wage schedule must be reflected in our quote.

The Service Contract Act applies to all labor categories.

1. Is there a preferred incumbent for this project ? David Knight Construction

2. Can removal take place on Monday 7/6? Please see sections 1.2 and 2.5 in the Statement of Need.

3. For trailer unit, do you have water and power availability? The unit needs to be Self-sufficient with hold tanks for water and sewer/black water tank and a generator for electricity.
