Amendment 0001 for Solicitation 36C25226Q0368 for Medical Gas System Inspection and Testing for the Captain James A. Lovell Federal Health Care Center in North Chicago, IL.

Questions and Answers:

1. Could you please provide the outlet count?

A: We are currently in the process of getting an accurate count of all inlets/outlets. The facility has recently undergone construction and room numbers have changed since the last inspection report. A count will be provided in Solicitation Amendment 0002.

2. Can you please provide us with an inventory or count of all items to be tested: the number of source equipment, alarms, outlets/inlets, zone valves, etc.? If available, a previous inspection report would be helpful as it would contain these items.

A: We are currently in the process of getting an accurate count of all inventory that requires testing. The facility has recently undergone construction and room numbers have changed since the last inspection report. A count will be provided in Solicitation Amendment 0002.
