

**Performance Work Statement**  
**(Includes associated Performance Requirements Summary (PRS))**

**PERFORMANCE WORK STATEMENT (PWS)**

Installation of Fiber Optic Cable in an Existing Protected Distribution System (PDS)

**Part 1**  
**General Information**

**1. General:** This is a non-personal service(s) contract under which the personnel rendering the service(s) are not subject, either by the contract's terms or by the manner of its administration, to the supervision and control usually prevailing in relationships between the Government and its employees.

**1.1 Description of Services/Introduction:** This is a non-personal service(s) contract to provide installation of a new fiber optic cable within the existing secure Protected Distribution System (PDS) at **413<sup>th</sup> Contracting Support Brigade, 536 Palm Circle Drive, BLDG T122 – Second Floor, Fort Shafter, HI 96858.**

**1.2 Background:** The requirement is unclassified. It becomes classified when fiber optics is connected.

**1.3 Scope:** The Contractor shall provide all personnel, equipment, supplies, facilities, transportation, tools, materials, supervision, and other items necessary to perform the services described in this PWS and associated contract documents, except for those items specified in Part 3 Government Property and Services. The Contractor shall perform to the standards and acceptable quality levels identified in this PWS and associated contract documents.

**1.4 Objectives:** The objectives of this contract are to:

- Install a new, fully operational fiber optic cable within the existing PDS at Building T122 without compromising PDS physical or operational integrity.
- Restore the PDS to its original accreditation-compliant sealed status upon completion of cable installation.
- Provide certified test results verifying the performance of the newly installed fiber optic cable.

**1.5 General Information:**

**1.5.1 Quality Control Plan (QCP)** The Contractor shall develop and maintain a QCP to ensure services are performed in accordance with (IAW) this PWS. The Contractor shall develop and implement procedures to identify, prevent, and ensure non-recurrence of defective services.

The Contractor's QCP is the means by which it assures that the work provided complies with the requirements of the contract.

The Contractor's Proposed QCP shall be submitted to the Contracting Officer (KO) through the Contracting Officer's Representative (COR) for review within ten (10) calendar days after date of contract award (Deliverable A.001). The Government will review and either notify the Contractor in writing of acceptance or return comments within ten (10) calendar days. If comments are returned, the Contractor shall submit a Final QCP within five (5) calendar days of receipt of Government comments. At a minimum, the QCP must include:

- A chart showing the organizational structure and lines of authority, and qualifications of each member of the Contractor's Quality Control Team.
- How the Contractor will monitor work to ensure performance complies with all deliverables, timelines, and contract requirements.
- How the Contractor will ensure staff security clearances and technical qualifications remain current throughout contract performance.
- How the Contractor will ensure all keys and access credentials issued by the Government are controlled IAW paragraph 1.7.
- How the Contractor will identify, investigate, and correct any non-conforming performance and prevent recurrence.
- How the Contractor will ensure the PDS is never left open or unattended during performance.
- How the Contractor will file and retain all Quality Control-related documents for the life of the contract plus five (5) years.

#### **1.5.1.1 Issue Notification**

The Contractor shall inform the COR of any issues or potential issues that might affect performance within four (4) working hours of identifying those issues. Verbal reports shall be followed up by written reports within two (2) calendar days.

**1.5.2 Quality Assurance:** The Government will evaluate the Contractor's performance under this contract in accordance with the Quality Assurance Surveillance Plan (QASP). The QASP defines how performance standards will be applied, the frequency of surveillance, and the acceptable quality levels.

**1.5.3 Recognized Holidays:** Work shall not be performed on U.S. federally recognized holidays unless otherwise directed by the Contracting Officer. If submittal deadlines fall on a holiday, the closest preceding workday applies.

**1.5.3.1 U.S. Holidays:** Work shall not be performed on U.S. federally recognized holidays occurring during the normal workweek unless otherwise directed by the Contracting Officer. When a U.S. holiday occurs on a Saturday or a Sunday, the holiday is observed on the preceding Friday or following Monday, respectively.

New Year's Day January 1<sup>st</sup>  
Presidents Day 3<sup>rd</sup> Monday in February

M. L. King Memorial Day 3<sup>rd</sup> Monday in Jan  
Memorial Day last Monday in May

Juneteenth June 19<sup>th</sup>  
Labor Day 1<sup>st</sup> Monday in September  
Veteran's Day November 11<sup>th</sup>  
Christmas Day December 25<sup>th</sup>

Independence Day July 4<sup>th</sup>  
Columbus Day 2<sup>nd</sup> Monday in October  
Thanksgiving Day 4<sup>th</sup> Thursday in November

**1.5.4 Operating Hours:** The Government facility office hours, facility operating hours, and the Contractor support hour requirements often coincide, however, they may differ. Please refer to the following.

**1.5.4.1 Government Facility Office Hours:** The Government facility office hours are 0800-1700, Monday – Friday except U.S. Holidays identified in paragraph 1.5.3.1 above or when the Government facility is closed due to local or national emergencies, administrative closings, or similar Government directed facility closings.

**1.5.4.2 Government Facility Operating Hours:** The Government facility operating hours occur between the hours of 0800-1700, Monday- Friday. The Government facility is the Government facility is open for operations during the recognized U.S. Holidays identified in paragraph 1.6.3.1 above. The Government facility may close due to local or national emergencies, administrative closings, or similar Government directed facility closings and will be communicated by the Contracting Officer to the Contractor.

**1.5.4.3 Contractor Support Hours:** The Contractor shall provide support between the hours of 0800-1700, Monday- Friday. The Contractor shall maintain an adequate workforce at all times, for the uninterrupted performance of all tasks defined within this PWS when the Government facility is not closed for the above reasons. When hiring personnel, the Contractor shall keep in mind that the stability and continuity of the workforce is essential.

**1.5.5 Training Holidays:** N/A

**1.5.6 Place of Performance:** The work to be performed under this contract will be performed on-site at **413<sup>th</sup> Contracting Support Brigade, 536 Palm Circle Drive, BLDG T122 – Second Floor, Fort Shafter, HI 96858.**

**1.6 Security Requirements:** The following information is provided on security related matters.

**1.6.1 Security Program:** N/A

**1.6.2 Personnel Security Clearance Requirements:** N/A

**1.6.3 Installation Access:** Access to U.S. installations, buildings and controlled areas is limited to personnel who meet security criteria and are authorized. Failure to submit required information/data and obtain required documentation or clearances will be grounds for denying access to U.S. installations, buildings and controlled areas. The Contractor shall ensure that any subcontractors used in performance of this contract complies with these requirements and

that all employees, of both the Contractor and any subcontractor utilized by the Contractor, are made aware of and comply with these requirements.

The Contractor shall be aware of and comply with the requirements associated with Installation Access Control. The Government is not liable for any costs associated with performance delays due solely to a firm's failure to comply with Installation Access Control System (IACS) processing requirements.

The Contractor shall return installation passes to the issuing IACS office when the contract is completed or when a Contractor employee no longer requires access.

**1.6.3.1 Installation Pass Log:** In addition, the Contractor shall provide the Contracting Officer, via the COR, an Initial Installation Pass Log 3 Days after contract award. The log shall be updated as employees are added or removed. The Updated Installation Pass Log shall be current and available at any time upon request by the Government and submitted to the COR within five (5) days after any changes to the log.

**1.6.3.2 Individual Termination or Expiration of Employment:** The Contractor shall collect the installation access passes the same day employment of an individual has expired or has been terminated and shall return them to the issuing office within 1 calendar day.

**1.6.3.3 Contract Termination or Cancellation:** Upon termination or cancellation of this contract, the Contractor shall collect all outstanding installation access passes and return them to the issuing office within 2 calendar days.

**1.6.3.4 Common Access Cards (CAC) and CAC Log:** N/A

**1.6.4 Background Checks:** N/A

**1.6.5 Physical Security:** The Contractor shall safeguard all Government equipment, information, and property provided for Contractor use. At the close of each work period, Government facilities, equipment, and materials shall be secured IAW the Army Physical Security Program (AR 190-13).

**1.6.6 Operations Security (OPSEC) Requirements:** Contractor personnel shall adhere to facility security policies and restrictions. The Contractor shall immediately report suspicious activities to security personnel.

**1.7 Key Control:** N/A

**1.8 Post Award Conference/Periodic Progress Meetings:** The Contractor shall attend any post award conference convened by the contracting activity or contract administration office in accordance with FAR Subpart 42.5. The Contracting Officer, COR, and other Government personnel, as appropriate, may meet periodically with the Contractor to review the Contractor's performance. At these meetings the Contracting Officer will apprise the Contractor of how the Government views the Contractor's performance and the Contractor shall apprise the

Government of problems, if any, being experienced. Appropriate action shall be taken to resolve outstanding issues. These meetings shall be at no additional cost to the Government.

**1.8.1** The Contractor shall attend, participate in, and furnish input to scheduled and unscheduled meetings, conferences, and briefings that relate to the functions and services herein as required by the Government to provide effective communication and impart necessary information. The Contract Manager or designated representative shall attend meetings as requested by the Government. Meeting attendees shall at times include Contractor managerial, supervisory, and other personnel knowledgeable of the subject matter. Meetings may start or end outside of regular duty hours.

**1.9 Contracting Officer's Representative (COR):** Refer to Part 2 of this PWS for the definition of a COR. As determined by the Contracting Officer, a COR will be appointed and identified by letter of designation, a copy of which will be provided to the Contractor by the Contracting Officer. The designation letter states the responsibilities and limitations of the COR, especially with regard to changes in cost or price, estimates, or changes in delivery dates. The COR is not authorized to change any of the terms and conditions of the resulting order. The COR monitors all technical aspects of the contract and assists in contract administration. The COR is not authorized to obligate the Government. If the work is not written in the contract, the COR is not authorized to request new work. The COR is authorized to perform the following functions: assure that the Contractor performs the technical requirements of the contract, perform inspections necessary in connection with contract performance, maintain written and oral communications with the Contractor concerning technical aspects of the contract, issue written interpretations of technical requirements, including Government drawings, designs, specifications, monitor Contractor's performance and notifies both the Contracting Officer and Contractor of any deficiencies, coordinate availability of Government property, and coordinate site entry of Contractor personnel.

**1.10 Key Personnel:** N/A

**1.11 Identification of Contractor Employees:** N/A

**1.12 Contractor Identification Badges:** N/A

**1.13 Contractor Travel:** Contractor is responsible for its personnel travel expenses.

**1.14 Other Direct Costs (ODCs):** N/A

**1.15 Data Rights:** The Government has unlimited rights to all documents and materials produced under this contract. All documents and materials, to include the source codes of software, produced under this contract shall be Government owned and are the property of the Government with all rights and privileges of ownership and copyright belonging exclusively to the Government. These documents and materials may not be used or sold by the Contractor without written permission from the Contracting Officer. All materials supplied to the Government shall be the sole property of the Government and may not be used for any other purpose. This right does not abrogate any other Government rights.

**1.16 Non-Disclosure Requirements:** N/A

**1.17 Protection of Government and Contract Information:** Per Public Use Notice of Limitations stated by Defense imagery Management operations Center and contained at [www.dimoc.mil/resources/limitations/](http://www.dimoc.mil/resources/limitations/), the Contractor shall not cite any information (e.g., contract information, pictures, locations, etc.) obtained through this contract on any hard copy or digital marketing tools to include its company website.

**1.18 Non-Disclosure Statements:** N/A

**1.19 Organizational Conflict of Interest (OCI):** N/A

**1.20 Phase In /Phase Out Period:** N/A

**1.21 Safety:** The following provides information pertaining to Safety and Accident Prevention: <https://home.army.mil/hawaii/garrison/safety>

**1.21.1 Safety Laws and Regulations:** The Contractor shall comply with FAR 52.236-13, Accident Prevention (November 1991), the references contained therein (e.g. *U.S. Army Corps of Engineers Safety and Health Requirements Manual (EM 385-1-1)*).

The requirements under FAR 52.236-13 and specifically of the EM 385-1-1 include, but are not limited to the following:

(a) Before initiation of work at the job site, an Accident Prevention Plan, written by the Contractor for the specific work and hazards of the contract and implementing in detail the pertinent requirements of EM 385-1-1; will be reviewed for acceptance by designated Government personnel. Specific requirements for development of the Accident Prevention Plan are found in 01.A and Appendix A of EM 385-1-1. EM 385-1-1 is available online at [www.usace.army.mil](http://www.usace.army.mil).

(b) Before beginning each activity involving a type of work presenting hazards not experienced in previous project operations or where a new work crew or subcontractor is to perform work, activity hazard analysis (AHA) shall be prepared by the Contractor performing the work activity (See paragraph 01.a.09 of EM 385-1-1);

(c) The Contractor shall require subcontractors to submit their plan of operations showing methods they propose to use in accomplishing major phases of work;

(d) The Contractor shall discuss the plans in conferences convened by the Contracting Officer prior to starting work on each major phase of operation. Plans shall include all pertinent information such as layout of haul roads, access roads, storage areas, electrical distribution lines, methods of providing minimum exposure to overhead loads, and methods of access to work areas. The plan for accomplishing the initial work phase shall be submitted within fifteen (15) calendar days after award of the contract. Plans for subsequent major phases of work

shall be submitted no later than fifteen (15) calendar days prior to initiation of work on each major phase; and

(e) In all areas where construction, demolition, alteration, building, or similar related activities take place, the Contractor shall have the following minimum personal protective clothing and equipment requirements in place for any person working on or visiting the site:

- (i) Short sleeve shirt;
- (ii) Long trousers;
- (iii) Steel-toed safety boots; and
- (iv) Hard hat.

**1.21.1.1** In addition to other requirements for accident prevention specified in this contract, the Contractor shall comply with all Federal and State requirements governing safety and health protection on construction sites and other applicable occupational safety codes.

The Contractor shall indicate its plan for compliance considering conditions of the work described by the design, technical proposal, operational activities of the Government or others in the area of the work, identification of the coordinator, and implementation of all other accident prevention provisions of this contract.

**1.22 Environmental Compliance:** The following provides information on Environmental Compliance.

**1.23 Required Training:** The following provides information on training requirements.

**1.23.1 Anti-Terrorism (AT) Level I Training:** All Contractor employees, including subcontractor employees, who are employed under the contract, shall complete AT Level I Training within 2 days after contract start date or effective date of incorporation of this requirement into the contract, whichever applies, or 2 days after employment of new personnel. Contractor personnel travelling overseas shall complete area of responsibility (AOR) specific AT awareness training for U.S. based Contractor employees and associated subcontractor employees. The Contractor shall submit certificates of completion for each affected Contractor employee and subcontractor employee to the COR (or to the Contracting Officer, if a COR is not assigned) within 2 days after completion of this training by all employees and subcontractor personnel. AT Level I awareness training is available at <https://jkodirect.jten.mil>. Contractor personnel shall complete refresher training every twelve (12) months except AOR specific AT Level I training which shall be completed as required by local AT policies

If training cannot be conducted on the website, the Contractor shall coordinate with the COR who will contact the local AT Officer at their assigned location for classroom training.

Contractor personnel completing training in the classroom will receive a certificate or the training attendance roster signed by the AT Officer. Verification of the training shall be provided to the COR within 2 days after completion of the training.

**1.23.2 OPSEC Training:** All Contractor employees, including subcontractors, shall complete Level I OPSEC training within 2 days of employment under this contract. Verification of the training shall be provided to the COR within 2 days after completion of the training. OPSEC Level I training is available at <http://www.cdse.edu/catalog/elearning/GS130.html>. Contractor personnel must complete refresher training every 12 months. Verification of the training shall be provided to the COR within 2 days after completion of the training.

If training cannot be conducted on the website, the Contractor shall coordinate with the COR, who will contact the local OPSEC Officer at their assigned location for classroom training. Contractor personnel completing training in the classroom will receive a certificate or the training attendance roster signed by the OPSEC Officer. Verification of the training shall be provided to the COR within 2 days after completion of the training.

**1.23.3 iWATCH Training:** The Contractor and all associated subcontractors shall brief all employees on the local iWATCH program (training standards provided by the requiring activity ATO). This locally developed training will be used to inform employees of the types of behavior to watch for and instruct employees to report suspicious activity to the COR. This training shall be completed within 2 days after the contract is awarded and within 2 days after new employees commence contract performance, with the results reported to the COR within 2 days after the contract is awarded and within 2 days after new employees commence contract performance. Verification of the training shall be provided to the COR within 2 days after completion of the training. Training slides can be found on the Army OneSource website: <http://www.myarmyonesource.com/familyprogramsandservices/iwatchprogram/default.aspx>

**1.23.4 Information Assurance (IA) Training:** N/A

**1.23.4.1** All Contractor employees, including subcontractors, requiring access to Government information systems shall complete the DoD IA Cyber Awareness Training within 2 days after contract start date or effective date of incorporation of this requirement into the contract, whichever applies, or 2 days after employment of new personnel. Verification of the training shall be provided to the COR within 2 days after completion of the training.

**1.23.4.2** All Contractor employees, including subcontractors, working information technology (IT)/IA functions shall comply with DoD and Army training requirements per Information Assurance Training Certification and Workforce Management DoD Directive (DoDD) 8570.01, Information Assurance Workforce Improvement Program DoD 8570.01-M, and Information Assurance AR 25-2 within thirty (30) calendar days of employment. Training is available at <https://ia.signal.army.mil/DoDIAA/default.asp>.

**1.23.4.3** All Contractor employees, including subcontractors, performing services under this contract with access to a Government information system must be registered in the Army Training Certification Tracking System (ATCTS), the web address is p (requires CAC to

access. Verification of registration shall be provided to the COR within 2 days after registration. Contractor personnel must complete refresher training every twelve (12) months. Verification of the training shall be provided to the COR within 2 days after completion of the training.

**1.23.5 Personally Identifiable Information (PII):** Contractor employees, including subcontractors, performing services under this contract with access to PII and Government information shall complete “Identifying and Safeguarding PII” within 30 calendar days of employment. Contractor personnel shall complete refresher training every twelve (12) months from initial completion. The Contractor shall provide the COR a copy of the training certificates for its employees no later than five (5) days after completion. Training is available at <http://iatraining.disa.mil/eta/piiv2/launchPage.html>

## **PART 2 DEFINITIONS & ACRONYMS**

### **2. Definitions and Acronyms**

**2.1 Definitions:** Although not inclusive of every term used within this PWS, the following provides a list of definitions used throughout this PWS and commonly used in the acquisition field.

**Contracting Officer** – means a person with the authority to enter into, administer, and/or terminate contracts and make related determinations and findings on behalf of the Government. Note: The only individual who can legally bind the Government.

**Contracting Officer's Representative (COR)** – As defined in DFARS 202.101, means an individual designated and authorized in writing by the Contracting Officer to perform specific technical or administrative functions. DoD Instruction (DoDI) 5000.72, Part II Definitions states the following when defining a COR: “Defined in subpart 202.101 of Reference (f). Any individual delegated responsibilities pursuant to subpart 1.602-2 of Reference (e), regardless of local terminology, must be certified in accordance with this instruction. For example, local terminology can be COR, Contracting Officer’s technical representative, technical point of contact, technical representative, alternate COR, administrative COR, assistant COR, line item manager, task order manager, quality assurance personnel, quality assurance evaluator, or COR management.” In addition, Army Regulation 70-13, Chapter 2, paragraph 2-2g, states, in part, the following when providing other surveillance support personnel to assist the COR when needed, “...These other surveillance support personnel may serve as on-site representatives of the COR in performance of actual contract surveillance if they meet all COR requirements and have been appointed by the Contracting Officer as alternate CORs.”

**Contractor** – means a supplier or vendor awarded a contract to provide specific supplies or service to the Government. The term used in this contract refers to the prime.

**Contractor-acquired Property** - means property acquired, fabricated, or otherwise provided by the Contractor for performing a contract and to which the Government has title.

**Day** – means, unless otherwise specified, a calendar day.

**Defective Service** – means a service output that does not meet the standard of performance associated with the Performance Work Statement.

**Deliverable** – means anything that can be physically delivered, but may include non-manufactured things such as meeting minutes or reports.

**Government-furnished Property** – As reflected in FAR 52.245-1, Government-furnished Property “means property in the possession of, or directly acquired by, the Government and subsequently furnished to the Contractor for performance of a contract. Government-furnished

property includes, but is not limited to, spares and property furnished for repair, maintenance, overhaul, or modification. Government-furnished property also includes contractor-acquired property if the contractor-acquired property is a deliverable under a cost contract when accepted by the Government for continued use under the contract

**Government Property** - means all property owned or leased by the Government. Government property includes both Government-furnished and Contractor-acquired property. Government property includes material, equipment, special tooling, special test equipment, and real property. Government property does not include intellectual property and software.

**Property Administrator** - means an authorized representative of the Contracting Officer appointed in accordance with agency procedures, responsible for administering the contract requirements and obligations relating to Government property in the possession of a Contractor.

**High Level Objective (HLO)** – means a key overarching result-based objective for a project necessary to achieve the project's vision. HLOs are similar to Level 2 in a Work Breakdown Structure. Each HLO may contain several statements to flesh out the areas necessary to meet the objective.

**Physical Security** – means that part of security concerned with physical measures designed to safeguard personnel; to prevent unauthorized access to equipment, installations, material, and documents; and to safeguard against espionage, sabotage, damage, and theft.

**Quality Assurance** – (or Government contract quality assurance) means the various functions, including, inspection, performed by the Government to determine whether a Contractor has fulfilled the contract obligations pertaining to quality and quantity.

**Quality Assurance Surveillance Plan (QASP)** – means the key Government-developed surveillance process document, and is applied to Performance-Based Service Contracting (PBSC). The QASP is used for managing Contractor performance assessment by ensuring that systematic quality assurance methods validate that Contractor quality control efforts are timely, effective, and are delivering the results specified in the contract or task order. The QASP directly corresponds to the performance objectives and standards (i.e., quality, quantity, timeliness) specified in the Performance Work Statement (PWS). It provides specific details on how the Government will survey, observe, test, sample, evaluate, and document Contractor performance results to determine if the Contractor has met the required standards for each objective in the PWS. The QASP, with very few if any exceptions, is an internal to Government document.

**Quality Control** – means all necessary measures taken by the Contractor to assure that the quality of an end product or service shall meet contract requirements.

**Statement** – means the specific results-based activities required to satisfy HLOs. A statement contains a result, the context of the statement, and the required action(s). Statements focus on “what” is to be accomplished; however they are not prescriptive in describing “how” the

outcome is to be achieved. Each HLO may have several statements to flesh out the areas necessary to meet the objective. Statements are similar to Level 3 in a Work Breakdown Structure.

**Subcontractor** – means one that enters into a contract with a prime Contractor. The Government does not have privity of contract with the subcontractor.

**Work Day** - The number of hours per day the Contractor provides services in accordance with the contract.

**Work Week** - Monday through Friday, unless otherwise specified.

**2.2 Acronyms:** Although not inclusive of every term used within this PWS, or that may be included in an acquisition, the following provides a list of acronyms commonly used in the acquisition field.

|       |                                                             |
|-------|-------------------------------------------------------------|
| ACOR  | Alternate Contracting Officer's Representative              |
| AE    | Army in Europe                                              |
| AFARS | Army Federal Acquisition Regulation Supplement              |
| AHA   | Activity Hazard Analysis                                    |
| AOR   | Area of Responsibility                                      |

**PART 3**  
**GOVERNMENT PROPERTY (GP) AND SERVICES**

**3. Government Property and Services: N/A**

**PART 4**  
**CONTRACTOR FURNISHED ITEMS AND SERVICES**

**4. Contractor Furnished Property and Services**

**4.1 General:** The Contractor shall furnish all personnel, equipment, supplies, facilities, transportation, tools, materials, supervision, and other items necessary to perform services as described in the PWS and associated contract documents.

**4.2 Secret Facility Clearance:** N/A

**4.3 Materials** The Contractor shall furnish all personnel, equipment, supplies, facilities, transportation, tools, materials, supervision, and other items necessary to perform services as described in the PWS and associated contract documents.

**4.4 Vehicles and Equipment:** The Contractor shall furnish all personnel, equipment, supplies, facilities, transportation, tools, materials, supervision, and other items necessary to perform services as described in the PWS and associated contract documents.

**4.5 Background Checks):** N/A

## **PART 5 SPECIFIC TASKS**

**5.1 Basic Services:** This is a non-personal service(s) contract to provide installation of a new fiber optic cable within the existing secure Protected Distribution System (PDS) at **413<sup>th</sup> Contracting Support Brigade, 536 Palm Circle Drive, BLDG T122 – Second Floor, Fort Shafter, HI 96858.**

**5.2 Tasks:** Tasks consist of the following:

**5.2.1 Task 1:** The contractor shall install One Strand of Multimode Fiber Optic Cable within the existing secure Protected Distribution System (PDS). After installation, the contractor shall permanently re-seal any open sections of the PDS during installation using safety complaint methods.

**5.2.2 Task 2:** Terminate the newly installed cable at the switch using a 1 GB GBIC. The contractor shall provide cable test results after installation.

**5.2.3 Task 3:** Permanently and securely reseal any portion of the PDS opened during the installation, ensuring all methods are compliant with safety regulations.

**5.2.3 Task 4:** Final Inspection and Acceptance by the Contracting Officer Representative (COR); Mr. Edwin Mariano.

### **5.3 Service Contract Reporting**

**5.3.1 System for Award Management (SAM) Service Contract Report (SCR):** The Contractor shall report ALL Contractor labor hours (including subcontractor labor hours) required for performance of services provided under this contract for the U.S Army via a secure data collection site. The Contractor is required to completely fill in all required data fields through the following web address: [www.sam.gov](http://www.sam.gov). Reporting inputs will be for the labor executed during the period of performance during each Government FY, which runs from October 1 through September 30. While inputs may be reported any time during the FY, all data shall be reported no later than October 31 of each calendar year. Contractors may direct questions to the help desk by clicking “View Assistance for SAM.gov” which is located at the top of the SAM.gov website. From there, you can the select “Contact Our Service Desk” which will allow you to contact SAM.gov directly. If contract period of performance ends prior to September 30, the Contractor has 30 calendar days from end date of the contract to complete the SAM SCR requirement.

#### **Steps for Submitting a Service Contract Report (SCR)**

1. Go to [www.sam.gov](http://www.sam.gov) and log in.
2. Select Entity Registrations and then select Service Contract Reporting.
3. SAM displays your entities which have service contracts and meet the reporting criteria. Select View by entity to see the service contracts for each entity.

4. Next, select Add for the service contract against which you want to create a Service Contract Report. Each service contract which meets the FAR Subpart 4.1703 reporting thresholds is displayed.
5. You will be taken to the Complete Service Contract Report page. SAM displays the contract details and allows you to report. You are required to enter the following information:
  - **Total Amount Invoiced:** Total dollar amount invoiced for services performed during the previous Government fiscal year under the contract (this amount should include the prime and any subcontract amount).
  - **Prime Contractor Hours Expended:** Prime contractor direct labor hours expended on the services performed during the previous Government fiscal year. The amount you enter is automatically divided by 2,080 hours to calculate a Full Time Employee (FTE) equivalent, displayed under the Prime Contractor Hours Expended as Prime Contractor FTEs.
6. Report any required Tier 1 subcontractor information by selecting the Add Tier 1 Subcontract Information button.
7. When you are ready to submit the report, select Submit. This saves your report and returns you to the Select Service Contract page where you can create other SCRs or edit an existing SCR.

#### **Steps for Editing a Submitted Report**

1. Follow steps 1-4 above. Any previously submitted SCR will have a View/Edit button instead of an Add button.
2. Select View/Edit. You will be able to view the current SCR, edit available fields, and resubmit the record. You can also delete previously entered information altogether.

STD: All information provided by the Contractor shall be accurate, complete, and not exceed suspense dates noted in corresponding paragraph above.

AQL: 100% Compliant

## **PART 6**

### **APPLICABLE PUBLICATIONS**

**6. Applicable Publications (Current Editions):** The following publications, manuals, regulations, etc. are mentioned in this PWS and are listed below.

- 6.1.1 Department Of Defense Contract Security Classification Specification (DD Form 254)
- 6.1.2 Department of Defense Security Agreement (DD Form 441)
- 6.1.3 National Industrial Security Program Operating Manual (DoD 5220.22-M)
- 6.1.4 Installation Access Control (AE Reg 190-16)
- 6.1.5 The Army Physical Security Program (AR 190-13)
- 6.1.6 Contractor Identification (AE Reg 27-715)
- 6.1.7 U.S. Army Corps of Engineers Safety and Health Requirements Manual (EM 385-1-1)
- 6.1.8 Information Assurance Workforce Improvement Program (DoD 8570-M)
- 6.1.9 Information Assurance Training Certification and Workforce Management Directive (DoDD 8570.01)
- 6.1.10 Information Assurance (AR 25-2)
- 6.1.11 Electromagnetic Compatibility Directive (2004/108/EC)
- 6.1.12 Policies and Procedures for Property Accountability (AR 735-5)
