

Q&A 2

1. Do we submit the bid and information directly to you via this email?

Yes, you will use the information on SAM.gov to provide a quote and information via email.

2. Also do we need a Minnesota state optometry license, or since this is a federal facility, will any state optometry license be sufficient?

Minnesota state optometry license is required.

Let me know if you have additional questions or require further clarification. Thank you.
